Campus deaths

(UPI)—Memorial services were held on a number of campuses yesterday for persons slain in university or civil strife over the past two weeks.

Teachers College at Columbia University was closed as a token of mourning for six blacks killed last week in Augusta, Ga.

University of Minnesota President Malcolm Moos asked the university community to observe a day of mourning for two students killed in a confrontation with police at Jackson State College.

**1970 War bill set**

WASHINGTON (UPI) — Sen. Hugh Scott, R-Pa., said today there is a growing desire to negotiate some kind of position on the Indo-China war which could command overwhelming support in the Senate.

Scott, Senate Republican leader, told reporters he was searching for language to broaden a pending amendment calling for a cut-off of funds for retaining U.S. forces in Cambodia after June 30, the time set by President Nixon for withdrawing GIs sent in to wipe out Communist sanctuaries.

Scott said there was a "growing desire" to reshape so-called Cooper-Church amendment so it might win 70 to 80 votes rather than the "close division" anticipated if it reaches a vote with existing language.

Sen. Charles H. Percy, R-Ill., said "the desire is not for a confrontation but on accord with the White House" which so far has refused to endorse any amendment.

Scott declined to give any details of language changes which he indicated were the subject of discussions during the weekend.

Scott said he has been in touch with the White House that the Senate wanted to be heard on Cambodia. He added that he personally wanted "to make clear the Senate's will without destroying the President's option as commander-in-chief."

"More people are now favoring some readjustment of the wording," he added.

Earlier, Senate Democratic Leader Mike Mansfield announced he would join in sponsorship of a stiff resolution to cut off funds for U.S. military involvement in Indo-China after Dec. 31, 1970 and to require pullout of all American forces by June 30, 1971.

"We've got to get out of this morass, this abyss in which we find ourselves," Mansfield told newsmen today.

Mansfield said he had no idea when a vote would come on that measure or the more limited proposal now before the Senate to cut off funds for the Cambodian operation sponsored by Sena. John Sherman Cooper, R-Ky., and Frank Church, D-Idaho.

**1970 Spring recital on May 22-23**

Tickets for both performances are available from the members of the band, at the TCU, many dormitories and the campus store. In addition, tickets for the May 22 concert are also available from the members of the La Fiesta Committee. They are priced at 70 cents for students and $1.25 for general admission.

**1970 Investigation**

District Attorney Robert Tate of San Luis Obispo is making an investigation into recent solicitations by the Grolier Encyclopedia Company.

Tate said he has been in touch with the White House that the Senate wanted to be heard on Cambodia. He added that he personally wanted "to make clear the Senate's will without destroying the President's option as commander-in-chief."

More people are now favoring some readjustment of the wording," he added.

Earlier, Senate Democratic Leader Mike Mansfield announced he would join in sponsorship of a stiff resolution to cut off funds for U.S. military involvement in Indo-China after Dec. 31, 1970 and to require pullout of all American forces by June 30, 1971.

"We've got to get out of this morass, this abyss in which we find ourselves," Mansfield told newsmen today.

Mansfield said he had no idea when a vote would come on that measure or the more limited proposal now before the Senate to cut off funds for the Cambodian operation sponsored by Sena. John Sherman Cooper, R-Ky., and Frank Church, D-Idaho.

**1970 Frogs-in: Hell's Angels, hip, cops and cowboys**

Frog Jumping Contest held at Angels Camp last weekend. Number VII jumped 12'6" and brought the trophy home for the fifth year out of seven.

Deep Carmichael, frog jump chairman for Mat Pica Pi Society of Printing students, held the contest. Little Pica VII, winner of the 1970 International Frog Jumping Contest held at Angels Camp, was victorious in the contest. The UC Berkeley frog was quite predictable in that it kept up the traditional attitude of the school by going on strike and refusing to jump. Also in attendance at Angels' Camp were a band of angels (Tate can be reached at the Court House Annex on the corner of Santa Rosa and Palm or by calling 483-344).
Open forum today

The public is invited to open forum discussions at the Administration building on the campus of St. Mary's College, Thursday, May 14, at 8 p.m., according to a spokesman for the Student Government. The forum will feature representatives from various student organizations, including the Student Government, the Associated Students of St. Mary's College, and the College Democrats. The forum will be moderated by John Smith, a member of the Student Government.

In his opening remarks, Smith said the forum is an opportunity for students to engage in open and respectful dialogue on important issues affecting the campus community. He encouraged students to come with open minds and a willingness to listen to and learn from one another.

During the forum, participants will have the opportunity to discuss a range of topics, including academic issues, student life, and campus safety. The forum will be broadcast live on campus radio station WSMC, and a recording will be made available online after the event.

The forum is open to all students, faculty, and staff of St. Mary's College. It is free and open to the public.

Bill proposed for 'conflicts'

California residents in the armed services may not have to fight in undeclared wars overseas, if bills introduced in the State Assembly are approved. AB 1640 by Bill Greene (D., LA) and AB 1794 by John Vasconcellos (D., San Jose) are patterned after legislation recently enacted in Massachusetts. The two proposals provide that:

No resident of this state shall serve in the armed forces of the U.S. in any area of any foreign country in which there is an armed conflict unless the Congress of the United States has declared a war in that area.

A hearing has been set to discuss the two bills by the Assembly Committee on Government Administration on Wednesday, May 10. The committee usually meets in Room 801 in the State Capitol at 1:45 p.m. A group of 700 law students lobbied last Wednesday in Sacramento in support of the anti-war legislation.
Political provide only way

Editor:

I am very sorry if I offended anyone with the language I used while speaking at the Iranian Students Association rally Tuesday. Such language was a product of the heat of the moment. That my emotions reached a high key, I believe, a sign of how strongly I feel about the subject which I was discussing. The most important tool that students today possess is their ability to work together. We must see past these things if we are to all work together for our common goals. We must understand each other if we are to work together. And we must work together to accomplish our goals, whether they be peace in the world or keeping our school open for the next three weeks.

Spikers third crown

by RICHARD BOSCHETTI
Sports Editor

Coach Dick Purcell's mighty spikers won their third straight California Collegiate Athletic Association track championship last Friday and Saturday, earning an eye-popping 116 points on the M.T. San Antonio JC oval.

In what Purcell termed, "the most important meet of the season" the Mustangs took the top spot in ten of the 18 events to exactly double the points garnered by second place Cal Poly Pomona which finished with 58 points.

All four defending champions in the crown chase were from this campus and encompassed five events besides the 440 and mile relay teams.

Madhysa Michael successfully defended his crowns in both the mile and 880 yard run although both of his times were slower than his last year's performance.

Michael ran the mile in 4:13.3 and the 880 in 1:53.1.

Also, repeating in their specialties were Junior Olson in the shot with a heave of 68'2" and Mohinder Gill in the triple jump with a leap of 49'11 1/8".

The Mustangs also managed to retain their hold in the 440 yard relay as Ron Martinek, Leo DeWinter, Bobby Turner and John Haley combined their efforts to win the event in a time of 41.3.

But, in the meantime the Mustangs dropped the mile relay to Cal State Fullerton.

Bob Newton who won the 440 in intermediate hurdles in 53.5 finished the 100 and 220 in 9.7 and 21.8 and "Just bees use we're favored does not mean we can't be beaten... a lot of wild things can happen at the meet."

Before the meet the Mustangs were heavily favored to run away with it all but Purcell stated "Just because we're favored does not mean we can't be beaten... a lot of wild things can happen at the meet."

Purcell was right when he said a lot of wild things could happen, but swimmers couldn't "...a bunch of people who make promises. Mostly we try hard to tell the truth and keep the promises. Sometimes we screw up, but that makes it easier to understand when other people screw up. So maybe we sort of match — you and us — maybe when other people screw up."

There were 10 swimming events, but swimmers couldn't up for no more than 9th. In McPhearson captured first in the 100 yard individual medley, but Ed Clifford took top honors with 1:59 in the 200 yard breaststroke.

Bob Nero took firsts in the 200 and 200 yard freestyle events, and Clifford won the 100 yard freestyle. Nero also placed third in the 50 yard backstroke.

The 64 yard breaststroke with Alan Anderson and Herb Humphrey took first in the yard butterfly.

The one meter diving event went to John Englert. He took 138.4 total points to win the event.

Delta Upsilon wins intramural swim meet

Delta Upsilon captured the team title and won the meet, Thursday, during the Men's Intramural Swim Meet.

There were two swimming events, but swimmers couldn't pull up for no more than 9th. McPhearson captured first in the 100 yard individual medley, but Clifford took top honors with 1:59 in the 200 yard breaststroke.

Bob Nero won firsts in the 200 and 200 yard freestyle events, and Clifford won the 100 yard freestyle. Nero also placed third in the 50 yard backstroke.

The 64 yard breaststroke with Alan Anderson and Herb Humphrey took first in the yard butterfly.

The one meter diving event went to John Englert. He took 138.4 total points to win the event.
