Moped registration required by law

New state legislation requires all mopeds to be registered with the Department of Motor Vehicles, according to Richard Brug, Cal Poly's director of public safety. Assembly Bill 1820 requires moped registration as a means of creating computer records for these vehicles to help in identification and recovery of mopeds that have been stolen, Brug said.

All mopeds sold new on or after July 1, 1981, must be registered by Jan. 1, 1982, if not currently licensed by a local police agency. Mopeds sold before July 1, 1981, and not licensed with a local jurisdiction have until July 1, 1982, to be registered. When owners pay the one-time $5 registration fee required by the new legislation, they will receive a license plate and an identification card for their mopeds.

Application forms and additional information about moped registration can be obtained from any DMV field office. The local San Luis Obispo office of the DMV is at 669 California Blvd., telephone 543-0590.

Puppeteers of America
42ND NATIONAL FESTIVAL
August 9-15th, 1981

August 9 through 15 marks the 1981 Puppeteers of America National Festival at Cal Poly State University, San Luis Obispo. Drawing puppeteers from across the United States, Mexico, Canada, and as far away as Korea for its performances, workshops, and lectures, this will be the second time Cal Poly has hosted the festival.

Included in the festival is a series of performances open to the public. Such puppetry artists as the Marionetas de los Hermanos Alva and Minotastas y su Familia both from Mexico will be presenting shows during the week. Also performing are the L.A. Moving Van Company, Lewis Mahlmann, Rene and His Artists, the Tony Urbano Marionettes, and many more.

Tickets for the performances during the week are $3.50 for adults and $2.50 for students, children under 12, and senior citizens. Season tickets, family plans, and special group rates are available for both the matinee and evening performances.

Information and ticket reservations may be obtained by calling the Cal Poly Theatre box office at (805) 546-1421.

There is still room for interested individuals to attend the entire festival, which includes many performances, workshops, lectures, demonstrations, social events, meals, and other attractions. For information on festival registration, contact Pat L. Wilson, P.O. Box 17703, Irvine, CA 92713.

The newest attraction at the festival, a four-day workshop for teenagers, is available for only $30. The workshop includes demonstrations, performances, construction of two puppets, and other attractions. Workshop members will also qualify for discount prices on tickets for the other performances. More information on this special attraction is also available from the Cal Poly Theatre box office at (805) 546-1421.

The National Festival of the Puppeteers of America at Cal Poly is co-sponsored by the university's School of Communicative Arts and Humanities, the Speech Communication Department, and the student honorary dramatic group, Alpha Psi Omega.

All-America garden ready for viewing

Cal Poly's All-America Garden, one of 65 nationally, is in full bloom with the three 1981 All-American winners on display as well as a wide variety of other flower and vegetable varieties, according to Tom Eltzroth of the university's Ornamental Horticulture Department faculty. "This year's winners are an impatiens called Blitz, an apricot brandy celosia, and a yellow gypsy sweet pepper," said Eltzroth. "In addition, several of the winners from past years are also on display."
Cal Poly blood drives collect 655 units for Blood Bank

Members of the campus community at Cal Poly have contributed 655 units of blood for the university account in the Tri-Counties Blood Bank during the past year. The blood was collected during four blood drives where students, staff, and faculty voluntarily donated. Dean Wood of the Tri-Counties Blood Bank said that the amount of blood donated was "very good" for comparable campus blood drives.

Blood in the Cal Poly account is available to Cal Poly students, staff, faculty, alumni, or their immediate dependents. Since July 1, 1980, 90 units of blood have been dispensed from the account.

Several campus groups joined the Student Health Center in sponsoring the blood drives and provided volunteers to help organize and run the campus blood drives. Included were the Alpha Upsilon Fraternity, Cal Poly Wives’ Club, Kapa Delta Sorority, Scabbard and Blade, and the Student Health Advisory Council. The next Cal Poly Blood Drive will be held some time in late October.
