The third blast hit a National Guard armory at Santa Barbara, Calif., blowing out a door and several windows in the west wing of the building and ripping out chunks of a second-story wall. The 4:18 a.m. explosion rocked the entire downtown area.

Authorities were tipped off five minutes in advance of the Santa Barbara explosion. Inspector Bridges said an anonymous woman caller told a San Francisco telephone operator of the bomb. The operator immediately notified the Marin County Sheriff's Department.

Judge Wilson had been holding some preliminary hearings in San Quentin in an effort to forestall any possibility of an escape attempt similar to the one that killed Superior Court Judge Harold Haley in August.

In Santa Barbara, police said outsiders authorities were being called in to investigate the blast. The explosion followed closely on the heels of an announcement by the militant Weatherman organization that Santa Barbara would be one of its targets for violence this year.

The question is straight to the point and leaves no doubt to its implications. Who is the ugliest man on campus?

Did we say it leaves no doubt to its implications? The answer is Alpha Phi Omega doesn't think so. To them, being ugly is really meaning full—because if you are ugly, you can win a beauty contest, or more precisely, an "ugly beauty contest."

To enter this un-beauty contest, get your applications to Box 50 in the TCU by Oct. 16. The election will be held from Monday, Oct. 19 to noon, Friday, Oct. 23.

A donation of one penny will allow each voter to check two votes for the Ugly Man and Alpha Phi Omega encourages ballot stuffing. The collected pennies will be turned into dollars which in return will be used to improve Poly Grove. A meeting will be held the weekend before the election and all candidates will have the opportunity to present their case.

The election will be conducted in a manner that is fair and transparent, with each candidate being awarded a plaque if they win. The maximum vote allowed the winning candidate is 50 votes, with each additional vote being worth $1.

A $1.00 donation is required at the door. Anyone can be beautiful, so come on all you "un-natural looking freaks," there is a chance to be immortalized. The winner will be awarded a plaque and a title, "Ugly Man on Campus Contest." The event will be held on the Friday night at the football game, APO, in association with D.H.K. Productions, is presenting an after-game Victory Dance in the Men's Gym. The Central Coast's heaviest rock ensemble, Rattlesnake, will perform.

This event will serve to kick off the Ugly Man On Campus Contest, which will reach its organizational conclusion during the Homecoming Week festivities. A $1.00 donation is asked at the door.

Little people convention

(Continued from page 1) for large people to operate, dwarfs and midgets must look for other occupations. "Teaching is a popular area, although some schools are still hesitant to hire them," Artran said, "what could be better than having a teacher who is able to meet his students on an eye to eye level."

If the convention has a specific purpose, "It's probably more social," admitted Artran. As he pointed out, most conventions generate curiosity, but he does not want people to be rude and gawk at their proceedings. He has invited all small people in the area to attend the meeting.

Agenda for the convention includes two board and two general meetings, a picnic at Montanna de Oro, and a dinner banquet and talent show.

Joplin to sea

UPI—The body of blues singer Janis Joplin will be cremated and the ashes scattered at sea off the Martin County coast north of San Francisco.

Private funeral services were held Wednesday for Miss Joplin, 27, who died Sunday of a drug overdose. Ten persons attended.

The coroner's office is conducting a "psychological autopsy" into the death of the gravel-voiced singer. Her background and her emotional state at the time of death will be studied to determine whether the overdose was accidental or voluntary.

Mustangs next Reno

The ride is all over. With their three straight games behind them, the Mustangs will meet their toughest opponent so far of the season. This weekend the University of Nevada Wolf Pack, which boasts a 3-0 record, invade Mustang Stadium.

The only team in common to the two schools is S.F. State, whom the Mustangs murdered, 64-0. "Getting it all together" was the apparent theme to Coach Joe Harper's comments about Nevada. "We will be going against an undefeated football team. Nevada is the strongest and deepest team that we've met so far."

Harper pointed out that "they are five running backs over 200 pounds." One of these speedsters is 6’11”, 226 pound Denica Smock. The top ball carrier for the Wolf Pack is halfback Earnest O'Leary. He has earned 176 yards in 17 carries.

The Green Machine has averaged 377.3 yards a game rushing and 194.7 yards average passing, Meanwhile, the Wolf Pack shows an average of 100.3 rushing and 194.7 yards average passing. The top ball carrier for the Wolf Pack is halfback Earnest O'Leary. He has earned 176 yards in 17 carries.

In the CCAA team statistics, Cal Poly is leading in six offensive categories, and one defensive column. The Mustangs are leading up the rushing, passing, total offense, scoring, punt returns and interception columns. Defensively, the Mustangs lead in passing with 19 completed out of 74 attempts. Individually, tailback Darryl Thomas holds top honors in scoring and rushing, with five TDS and 211 yards gained. Don Millan leads in total offense with 186 yards rushing, 647 passing yards for a total of 834 yards. Quarterback Millan also leads up the passing with 21 attempts and 16 completions.

This week's game should begin to tell the story of the Mustangs true capacity. It's time to get it together.

Waterpoloist to open conference competition

The 1970 Mustang water polo team opens California Collegiate Athletic Association play this weekend when they take on Cal State Fullerton and Cal Poly Pomona. Both games will be on the road.

Co-coach Dick Anderson said, "Fullerton and Pomona are probably the class of the conference. We don't have too much information on them, but we do know they have picked up some very fine talent in the off season." The Mustang will either have a 4-3 or 4-4 record when they take to the road pending the outcome of last night's match with Fullerton Junior College. Coach Anderson stated, "Hopefully the team will have a positive attitude after that game. Last week against UCLA and UCSD we got into the pool with a negative attitude."

Horsemen

The equestrian skill of horsemen from this and other colleges will be on display tomorrow night at a horse show sponsored by the Cutting and Reining Club. The intercollegiate horse show, to be held at Collet Arena, will feature competition among several horse show teams, according to Cutting and Reining Club president Bob Hadley. The show will begin at 8 p.m. and is open to the public. No admission will be charged.

Frosh to travel to Santa Clara

The Frosh football squad takes to the road Friday for a tough game against the 1 victory of Santa Clara Freshmen. Shaw Stadium in Santa Clara will be the arena for the clash, scheduled to begin at 3:30 p.m. Santa Clara's frosh boasts a strong team of very capable ballplayers, recruited from throughout the state. Santa Clara and this college maintain extensive recruitment programs, unlike most other colleges in the state. The Colts, who shined on defense last week's season opener, will polish their erratic offense. Coach John Crivello reports that the offense has improved significantly, and should play some fine football.

Lakers acquire veteran Riley

The Los Angeles Lakers announced Wednesday the acquisition of four-year veteran guard Pat Riley from the Portland Trail Blazers in an effort to bolster their backcourt. Riley, a 6-foot-4 former Kentucky standout, came to Portland from the San Diego Rockets in the National Basketball Association expansion draft. He averaged 8.9 points a game in his three NBA seasons.
