Critics assailed

UPI—The Army's chief of staff at Ft. Bragg, Gen. Harold K. Johnson, who retired last week, and who spent 19 years as chief of staff, said the Army had no alternative to trying Lt. William L. Calley Jr. He was accused of violations of military law in the My Lai massacre in Vietnam.

Mr. Johnson said he had no direct knowledge of My Lai, but he said that he would have brought the case to the Army's attention earlier had he known about it.

He said these were among developments:

- The Army's chief of staff at Ft. Bragg, Gen. Harold K. Johnson, who retired last week, and who spent 19 years as chief of staff, said the Army had no alternative to trying Lt. William L. Calley Jr. He was accused of violations of military law in the My Lai massacre in Vietnam.

- Mr. Johnson said he had no direct knowledge of My Lai, but he said that he would have brought the case to the Army's attention earlier had he known about it.

- He said these were among developments:

- In a speech broadcast around the world from his White House operations center, Nixon said the success of the United States in Vietnam will be determined by the White House's ability to get the best possible outcome for the United States.

- Nixon dismissed demands by Democrats that he order a full investigation of the case, saying that it was a matter of conscience.

- He said that he had no direct knowledge of My Lai, but he said that he would have brought the case to the Army's attention earlier had he known about it.

Students build engine

Two Mechanical Engineering students have built a steam engine which will be exhibited at a Poly Royal display this weekend.

Frank Aldarate and Don Michealatti began with part of a Ford Fairlane and put on a display during Poly Royal. They combined their individual projects, a pump and special throttle, with the partially completed steam engine and began working on the special project for which they are receiving no class credit.

Don Michealatti displays the automobile steam engine he and Dave Vickerason, both Mechanical Engineering students, are building for Poly Royal.

Make love and not war

Veterans in training under the G.I. Bill are entitled to more money when they become married or have children, according to the Veterans Administration.

For example, a full-time student in school could have his $75 a month increased to $80 when he gets married and to $95 when he becomes a father.

Veterans taking apprenticeship, co-operative, or the job, or farm co-operative training will also have their V.A. payments increased when they become married and have children. Apprenticeship and on the job training will receive additional payments for only two dependents, while the remaining should receive benefits for all dependents.

Previously, veterans could be paid the additional amounts only from the date they notified the V.A. of their new dependent. Under legislation effective Dec. 24, 1975, however, students have one year from the event to present the marriage license or birth certificate to the V.A.

Since the law is not retroactive, veteran students who were married or had a child before the law was enacted and failed to notify the V.A. can only be paid from Dec. 24, 1975, and later.
Christianity is not rules

by Paul Tokumaga

(Editor's note: This is the second in a series of five talks that philosopher professor Mark Hanna is giving this week on his views on the Christian faith. This one is "The Problem Education Can Never Solve." Today at College Hall at the College Union Plaza, Hanna will speak at 7:90 p.m. on "Can a Skeptic Find Certainty?"

Hanna is in his first year of teaching at UBC. He is in his first year of teaching at UBC. He is in his first year of teaching at UBC. He is in his first year of teaching at UBC. He is in his first year of teaching at UBC.

He did his undergraduate work at the University of California.

And his doctorate.

Tuesday night Dr. Mark Hanna discussed "The Problem Education Can Never Solve." "Education in itself does not change the human heart," said Hanna, "We speak so many kinds and pretend to be too intellectual!"

Hanna conjectured, "Noocamus, what you need is not information-not education-but regeneration! The only way to enter into a spiritual life is to enter into a spiritual birth. This is not an intellectual change-not a mere psychological change-but a real rebirth in Jesus Christ!

Hanna will be speaking twice tonight at College Hall at the College Union plaza on the topic, "The Ultimate Cop-out.""

New buildings may start soon

Construction of two new student facilities is expected to begin on campus in the near future.

According to Executive Dean E. Douglas Gerard, two job start meetings were held last week preliminary to the actual start of construction on $4.5 million non-state-funded campus projects. Another residence hall is to be constructed north of Yoshida hall. The building, made possible with a federal loan subsidy, will provide residence space for 400 single students. The Yoshida-like structure is expected to start within two weeks.

Due to commence at the same time is construction of a new dancing hall complex to be located at the site of the former Ornamental Horticulture Unit at Grand Avenue and Mountain Drive.

A $400,000 unit housing project is still pending approval and financing.

Hanna agreed, "It is not by works of righteousness that we draw closer to all life with God-on, this is a life we experience because of grace!"

Hanna proceeded to time-machine himself back in time 2000 years. He spoke of a man, one of the intellectuals of his generation, who confronted the man Jesus with the question of how one reaches the kingdom of God. Jesus told him, "A man cannot even see the kingdom of God without being born again."

Hanna conjectured, "It is not by works of righteousness that we draw closer to all life with God-on, this is a life we experience because of grace!"

Groggs rise higher Against top ranked

by Bill Matthews

The San Luis Obispo Rugby Club, led by their skillful playmakers, Dave Rittich, came out of nowhere to capture fourth place out of 22 teams at the Southern California Rugby Tournament. They were the only team from San Luis Obispo to win a match against the other teams. The Groggs defeated the Ramblers 15-0 in their opening game, and went on to win their next three matches. They closed out the tournament with a 22-7 victory over the Mustangs, earning them fourth place overall.

The Groggs' success is attributed to their strong defense and quick counterattacks. They also benefitted from the experience and leadership of their veteran players, including Dave Rittich and Tim Valois. The team's ability to work together and execute their game plan was key to their success.

The tournament committee selected four players, including Dave Rittich, as the most valuable players of the tournament. The Groggs proved that they were a force to be reckoned with, and their victory put them on the map as a team to watch in the future.
