**Campus given budget pledge**

There is a chance, Pres. Robert E. Kennedy said yesterday, that this college will now be able to retain most of its full-time faculty members who would have been lost due to budget cuts.

Kennedy said that after his testimony before the Senate Finance Subcommittee Monday, Chairman Donald Grunsky (R-Central Coast Counties) assured him that the subcommittee shared his concern and would recommend an increase in the budgeted amount for teaching positions, restoring 917 faculty positions to the State College system.

Grunsky went on to say that the committee would make a recommendation that EST 917 faculty positions be added to the budget for faculty pay adjustments. Although the proposal failed in getting a majority in one test before the full Finance Committee, Grunsky is confident that the salary increase will be adopted.

Kennedy appeared before the committee to explain problems that the State College system—this college in particular—are faced due to the proposed budget by Gov. Ronald Reagan.

Kennedy told the subcommittee that the proposed budget would jeopardize the welfare of the college in several areas, which included: Engineering, which could fail to gain accreditation because of the absence of essential equipment and its reliance on obsolete equipment.

—Teacher workloads, which could increase over 21 per cent as a result of the loss of faculty positions.

Foreign students, who would have no other alternative than to leave college, if the tuition is raised 800 as proposed.

As a result of Kennedy’s testimony, the sub-committee agreed to add $1 million dollars to an appropriation for a fund to cover hardship cases among foreign students.

Kennedy said that the subcommittee testimony was the “first hurdle” that had to be cleared for the state colleges to get restorations in the original budget proposed by the Board of Trustees.

**Newsmen hits press bias**

WASHINGTON (UPI) — Newbould Noyes Jr., president of the American Society of Newspaper Editors, charged Wednesday that U.S. newspapers are so lazy, gullible, superficial and tied to worn-out formulas that they give their readers “a view of society and its problems that we know to be wrong.”

Noyes, editor of the Washington Evening Star, opened the society’s annual convention with a critique of the American press so less harsh than that sounded frequently by Vice President Spiro T. Agnew.

“My message,” he told his 500 colleagues, “is that we are not exactly writing a glorious chapter in the history of the newspaper profession these days—that, as our critics suggest, we have a good deal to answer for at the bar of public opinion.”

“We are lazy and superficial in much of our reporting,” he said. “Often we do not even bother to challenge ourselves with the difficult question as to what really is going on.”

The old, easy reliance on the “man-bites-dog” definition of news, he said, “ensures that the man will, indeed, bite the dog, if he wants to get on Page One.”

“In this process of letting the hooks on both sides determine for us what constitutes tomorrow’s news—and the kookier their activity, the bigger the news—we are giving our readers a view of society and its problems that even we know is false.”

The press, he said, pays more attention to Martha Mitchell, “a Cabinet wife who persists in the illusion that she is a Marie Antoinette,” than in the “combined construction efforts” of the other wives of Washington officialdom.

Through their laziness, he contended, newspapers allow themselves to be manipulated and their readers misled by those “clever in the business of playing on our weaknesses, our laziness, our superficiality, our gullibility.”

Kennedy said that the subcommittee testimony was the "first hurdle" that had to be cleared for the state colleges to get restorations in the original budget proposed by the Board of Trustees.
Subpoenas halt right to know

Washington (UPI)—U.S. newspaper editors were told yesterday that "raw censorship" in Vietnam, presidential seclusion in the White House and the "epidemic" use of subpoenas to force newsmen to reveal their sources are threatening the people's right to about their government.

The charge came from the Freedom of Information Committee of the American Society of Newspaper Editors which began its annual convention yesterday.

The committee charged that the refusal of Gen. Creighton Abrams and South Vietnamese commanders to provide newsmen helicopters to carry them at the start of the operation into Laos amounted to "raw censorship."

"It led to rumors—destructive rumors—as to the absence of first hand, hard facts always does," the report said.

The embargo on the Laotian operation—and the embargo which prevented reporters from telling their readers that an embargo existed—was misunderstood, the committee said.

At home, the report said, there have been "far too few" presidential news conferences, which would allow the President to learn "what the people of the nation want to know" and allow the public to know more about "the President's attitude, feelings and interests."

Talk on wood

The School of Architecture is presenting a seminar on the wood industry today for both students and faculty. The three-hour seminar will start at 2 p.m. in the Architecture Gallery.

Think roses

It's April and time to think about roses—that is, about next December's campus entry to the Tournament of Roses Parade.

A scene from "Charlie's Aunt."

"Charlie's Aunt" will be in town next weekend— you are invited to come see her-lively and in action.

The classic comedy, written by Brandon Thomas, and performed by acting companies across the country will be here at this campus for the 86th annual Poly Royal happening.

Directed by student Bruce Wilkinson, the comedy will be shown this Friday night at 8 p.m., followed by 8:30 performances the following Thursday, Friday and Saturday nights.

The April 15 performance is being sponsored by Alpha Phi Omega, the national honorary drama fraternity, while the additional showings will be held under the auspices of the drama committee.

The cast includes Howard Janis as Jack Cheaney; Nevada Barr as Kitty Verduin; William Mattie as Charlie; Laura Weiss as Amy Spit­tigue; Ed Pinson as Lord Fancourt Babberly; Paul von Rots as Sir Frances Cheaney; Jean Wise as Donna Lucia; Carolyn Hewitt as Ella Delhay; Jerome Janini as Mr. Spittigue and Glenn McCullough as grassett.

YOU DESERVE A BREAK TODAY

You get a lot more to enjoy... for a lot less... at MCDONALD'S! 100% pure beef hamburgers with catsup, mustard and pickle is just 20 cents! Add a large slice of cheese... and you have a delicious MCDONALD'S chesseburger for just a quarter. A large piping hot bag of MCDONALD'S golden french fries is just 20 cents. And your favorite soft drinks... Coke, Orange and Root Beer... just 15 cents.

Tourney title—revenge on tap

It's time for revenge for the Mustang netters as they travel to Valley State for the second round-robin tennis tournament today, tomorrow and Sat.

The netters, coached by Ed Jorgensen, lost only one match in the last round-robin—that being to Valley State. The match between the two could have gone either way last time and the same is expected this time. Both teams dominated play until the championship meeting—and both will be favored to be the top teams in the weekend affair.

John Rose, the number one man, is expected to be back in action after being slowed by an ankle injury. His presence should give the Mustangs an added boost in their upset bid.

Dan Lambert will also have a chance for revenge against the Matador's Steve Heenan, who won the national singles title in 1969.

In the first meeting Lambert lost a heartbreaker in the third set as the match could have gone either way. Lambert will also be set to revenge another tough loss to Bria Eisenschatz. That match also went three sets.

The match score against the Matadors last time was 6-3. A reversal of one or two victories could make the difference between win or loss. Should the Mustangs lose again, it would take an upset by one of the other teams either this weekend or in the next and last round-robin tournament for the Mustangs to repeat as league champions.

Mustang nine holds top place

The Mustangs' victory over Valley State look bigger and better all the time as one also appears to be able to beat the defending national baseball champions. Latest in the path of the Matadors was Cal State Fullerton Wednesday as the Titans dropped a doubleheader to Valley State. The Mustangs are the only ones to beat the Matadors in league play thus far.

Percentage wise, the Mustangs hold first place. But the Matadors have played nine more league games than the Mustangs, placing the Mustangs two and one-half games behind the Matadors.

In the sprints are especially strong for the Mustangs as they have three in the top five in the league but also the nation.

John Haley and Darryl Thornes have three in the top five in the California Collegiate Athletic Association released this week.

In the half mile Tony Mitchell with a 20.9 while two Mustangs follow him to fill up the top spots. Mitchell has 1:86.4 to lead the Mustangs in the half mile. His time of 20.9 leaves him just .2 seconds behind the leader. Both with a 20.9 while two Mustangs follow him to fill up the top spots. Mitchell has 1:86.4 to lead the Mustangs in the half mile. His time of 20.9 leaves him just .2 seconds behind the leader. Both with a 20.9 while two Mustangs follow him to fill up the top spots.
