A musical program with as much diversity as its performers is planned for the 36th annual Home Concert on Saturday (Apr. 16) at Cal Poly. Scheduled for the event which usually plays to a full house, are the university's Men's and Women's Glee Club, World Famous Majors and Minors, the Collegiate Quartet, Women's Sextet, University Jazz Band (Collegians), and Madrigals. Tickets for the concert, which will be held in the Physical Education Gymnasium at 8 pm, are priced at $2 for general admission and $1 for students, and are available from the University Union ticket office and from members of the performing groups. Tickets will also be on sale the night of the performance at the Gymnasium Box Office.

The Women's Glee Club, under the direction of Stanley Mallnowski (Music) will perform two songs written by the late Cal Poly Music Department head, Harold P. Davidson, "Send Our A Cheer" and "Poly Memories." The women's ensemble will also perform "The Lord Is My Sheperd" by Shubert; "The Nightingale" by Weelkes; "Didn't My Lord Deliver Daniel" by Bell; and "Mockingbird" by I. and C. Foxx. The Men's Glee Club, also under Mallnowski's direction will also perform two songs by Davidson, "Ride High, You Mustangs" and "Cowboy Lullaby." They will also sing "I Wish I Was Single Again" by Scott; "O Sing Unto the Lord" by Dello Jolo; "What I Did for Love" by Hamlisch; and "Russian Picnic" by Enders.

A choral Montage of songs from the 1920's titled "Twentiana," will be performed by the combined glee clubs. Included will be "Tea for Two" and "I Want to Be Happy" by Caesar and Youmans; "I'm Looking Over a Four-Leaf Clover" by Dixon and Henderson; "Charleston" by Mack and Johnson; and "Hallelujah" by Robin, Grey, and Youmans. Also on the Home concert program are performances of popular and barbershop music by the World Famous Majors and Minors, the Women's Sextet, and the Collegiate Quartet, all vocal groups made up of members of the two glee clubs.

Making their Home Concert debut are the Cal Poly Madrigals, a 16-member mixed group drawn from both glee clubs, which specializes in the music suggested by its name. The University Jazz Band, an 18-piece ensemble under the direction of Graydon Williams (Music) will present big-band renditions of original and popular jazz-rock compositions. Home concert is sponsored by Cal Poly's Music Department, School of Communicative Arts and Humanities, and Associated Students, Inc.

BLOOD DONATIONS APPRECIATED

Several donors (students, faculty, and staff) have recently donated blood to the Cal Poly Fund through the Tri-Counties Blood Bank. These donations are necessary to keep the account active. Those who may desire to donate blood to the Cal Poly Fund may arrange to do so by calling 543-4290 for instructions. The Tri-Counties Blood Procurement Center is located at Fremont Plaza, Suite C, 1250 Peach Street in San Luis Obispo and is open from 9 am to 6 pm, Monday through Friday, with blood donation activity during the hours of 1 pm to 6 pm.

All blood donations are much appreciated by the subsequent recipients. Those needing blood replacements are invited to call VI Hughes (Health Center) Ext. 1212. The Cal Poly Campus Blood Drawing will be in Chumash Auditorium on Thursday (Apr. 14) from 9 am to 4 pm.

POLY ROYAL CLASS GUIDELINES

Hazel J. Jones (Vice President for Academic Affairs) reminds all faculty members that classes scheduled during Poly Royal period from 12 noon, Thursday (April 21) through Saturday (April 23) will not meet as scheduled. Although classes will not be held, all students and staff are expected to participate fully in preparation of and participation in the Poly Royal exhibits and events. These days are not academic holidays.
NEW SECURITY SYSTEM IN LIBRARY

An electronic security system has replaced the exit checkpoints at the Dexter Library. This new system will allow library users to exit without stopping or checking notebooks. Library materials, which have been properly checked out, can pass freely through the sensitizing exit turnstiles. Unauthorized materials will sound an alarm and lock the turnstile gate. With this new electronic system, the Library hopes to decrease its book loss as well provide faster service to the users. Students and faculty should find the new system beneficial to their library needs.

SHOW YOUR FLOWERS AT POLY ROYAL

Everyone with a green thumb and some superior flowers is welcome to enter the 1977 Poly Royal Flower Show. The show, which will be held Friday and Saturday (Apr. 22 and 23) is sponsored by the Ornamental Horticulture Department. It will have six divisions -- perennials, annuals, bulbs, blooms from flowering shrubs, roses, and container plants. The 53 classes within the six sections assure a classification for almost every kind of flowering plant grown.

First, second, and third place ribbons will be awarded for each class and a Best of the Show Award will be given for the best specimen in each division. Rules and a list of the classes for the flower show are available at the San Luis Obispo Chamber of Commerce Office at nurseries in the San Luis Obispo area. Further information concerning the Flower Show can be obtained by telephoning the Ornamental Horticulture Department at Cal Poly, 546-2279.

CAPS AND GOWNS FOR RENT AND PURCHASE

The following information regarding cap and gown purchases for graduation ceremonies has been announced by Ivan Sanderson (Manager, El Corral Bookstore):

<table>
<thead>
<tr>

</tbody>
</table>

Rental prices are as follows:

- Bachelors complete: $11.00
- Masters complete: 13.00
- Doctors complete: 15.00

*Less 50% if you have a hood.

All orders for purchases must be placed with head and chest measurements made at El Corral Bookstore before 12 noon on Monday (May 2). All others for rent must be placed with measurements made at El Corral Bookstore before 12 noon on Monday (May 16). Persons who rented caps and gowns last year need only telephone Mrs. Williams at El Corral, Ext. 1101, to leave their orders, as their measurements are on file. An announcement will be made in Cal Poly Report when the caps and gowns are received. The supplier of caps and gowns cannot guarantee delivery in time for graduation if orders are placed late.
WHITMER NAMED ACTING CHIEF

Sergeant Willard L. Whitmer, a member of the University’s Police and Fire Department since May of 1967, has been named Acting Chief, effective April 1, according to James R. Landreth (Director of Business Affairs). Landreth said that Whitmer will fill the position left vacant by the retirement of Chief George W. Cockrell, while recruitment efforts are underway for a permanent head of the department. Coincident with the recruitment, the duties, responsibilities, and organizational structure of the department will be reviewed in accordance with a recently completed report by a CSUC systemwide Public Safety Advisory Committee.

The report is the result of a two-year pilot project which was conducted at California State University, Northridge, and reviewed by the systemwide committee. Implementation of the recommendations in the report would broaden the responsibilities of the department. Chancellor Glenn S. Dumke has advised the CSUC presidents and headquarters staff that all recommendations within the report are to be undertaken.

BAND RECEIVES THANKS

A letter has been received by William V. Johnson (Music) Director of the Cal Poly Symphonic Band, from the Shriners Hospital for Crippled Children in San Francisco, as follows:

"Thank you very much for again coming to the San Francisco Shriners Hospital for Crippled Children. The splendid program which you presented on Saturday, March 26, was truly a special event for our youngsters. They greatly enjoyed the band concert and the visit of the band members, as did our entire staff. Our heartfelt thanks also for presenting $126.06 for an extra "party treat" for the children. With our deep appreciation for your thoughtfulness and generosity, and with kindest wishes to all."

The letter was signed by Clara Wallace, Hospital Administrator.

WHO...WHAT...WHEN...WHERE???

Walter E. "Walt" Elliott, Physics, on leave, narrated a slide show dealing with optical illusions at the Feb. meeting of the Metroplex Science Educators’ Association, held at the University of Dallas.

The association’s members are science educators from Dallas, Fort Worth, and other Metroplex cities.

John K. Hampton, Jr., Head, Biological Sciences, attended a conference on Marmosets in Experimental Medicine, Mar. 16-18, in Oak Ridge, Tenn. He was chairman for Session II on Breeding of Marmosets in Captivity and co-authored a paper presented on “A Comparison of Captive Breeding Performance and Offspring Survival in the Family Callitrichidae.”

Maria E. Ortz, Biological Sciences, accepted a faculty research appointment from Northwest College and University Association (N.O.R.C.U.S.) assigned to the contractor Battelle Northwest Laboratories in Richland, Wash., from June 16 to Aug. 31.

Dan Bertozzi, Jr., Paul L. Dempsey, and Paul Kenyon, all Business Administration, attended the annual meeting of the Northern California-Nevada Regional Business Law Association held in Monte.

POLY CATTLE TAKE TOP HONORS

Cattle from student enterprise projects and instructional programs at Cal Poly were auctioned at the Great Western Livestock Exposition in Los Angeles on Wednesday, April 6, after sweeping top honors at the show over the weekend. The Grand Champion, a 1,257-pound Angus steer owned and shown by Robin Whipple of Marysville, was sold for $3.25 pound. The Reserve Grand Champion of the show, a 1,250-pound Maine Anjou cross steer shown by Debbie Weber of Santa Maria was also purchased, for 80 cents a pound.

The Grand Champion Angus reached the top of the show after winning its class and the champion ribbon in the College Division. The Reserve Grand Champion Angus reached the top of the show after winning its class and the champion ribbon in the College Division. The Reserve Grand Champion began its climb to the winner’s circle by winning the exotic breeds and crosses class and Reserve Championship of the College Division.

Mies Weber is the daughter of Barbara P. Weber (Home Economics). Cal Poly cattle took top honors in all five classes of the Great Western’s College Division, reportedly the first time any college or university has accomplished a division sweep in the show’s history.

UNIVERSITY CLUB TENNIS TOURNAMENT

The dates of the University Club Tennis Tournament will be Saturday and Sunday (May 7 and 8) to be held in the upper tennis courts starting at 9:30 am and going until about 3 pm depending on the number of sign-ups. Sign ups start at 8 am on Saturday and everyone entering is asked to furnish one can of optic yellow tennis balls. All level of players will be accepted, with single elimination, round robin play. Events will be men’s singles, women’s singles, men’s doubles, women’s doubles, and mixed doubles. This is a tennis tournament for fun and there will be small prizes awarded at the end of the play on Sunday. For further information please phone Sonja Murray at Ext. 2374.
SUPPORT STAFF VACANCIES

Vacant support staff positions have been announced by Robert M. Negrant, Staff Personnel Officer. Descriptions of the positions and other vacancies are posted outside the Personnel Office, Adm. 110, ext 2236. Applications shall be on official forms. Contact the Personnel Office to obtain an application. This University is subject to all laws governing affirmative action and equal employment opportunity including but not limited to Executive Order 11246 and Title IX of the Education Amendments.

SUPPORT STAFF VACANCIES

experience in cashiering work. Must be pleasant and tactful manner. Closing date announced by Robert M. Negrant, Staff Personnel Officer, Adm. 110, Deputmental Secretary H.B., Personnel Officer.

Head Resident I, $815-$975/month, Housing Office, Student Affairs Division. Duties: responsible for general welfare & proper functioning of resident hall; interviewing, training, supervision of resident advisors; group facilitator hall government and activities; assists residents in personal & social development; and represents Housing Department in communicating with public. Requirements: 2 years experience as head resident or full-time counselor & college graduate. Small 1-bedroom apartment, live-in position, 24-hour 7-day coverage. Closing date: 5/5/77.

Assistant Cashier Clerk, $173-$806/month, Financial Operations, Business Affairs Division. Ability to communicate and work with low-income and/or minority students; past experience in dealing with administrative personnel; bilingual applicants encouraged to apply. Closing date: 4/28/77.

CANDIDATES FOR FACULTY POSITIONS BEING SOUGHT

Candidates for positions on the faculty of the University are presently being sought according to Donald L. Shelton, Director, Personnel Relations. Those interested in learning more about the positions are continued in column 2

invited to contact the appropriate dean or department head. This University is subject to all laws governing affirmative action and equal employment opportunity including but not limited to Executive Order 11246 and Title IX of the Education Amendments Act. All interested persons are encouraged to apply.

Lecturer, $12,384-$16,320/year, computer Science and Statistics Department, School of Science and Mathematics. A one-year leave replacement position is available for the 1977-78 academic year. Minimum educational qualification is a Master's Degree in Computer Science. Industrial/government/educational experience directly related to computer science is desirable. University teaching experience is also desirable. This appointment will involve teaching introductory/intermediate level computer science courses. Position available: 9/77. Closing date: 5/1/77.

Lecturer, $13,516,320/year, dependent upon qualifications and experience, Philosophy Department, School of Communication Arts and Humanities. Position available for the 1977-78 academic year. Duties include teaching large introductory philosophy courses, courses in traditional logic, and some upper-division courses. Ph.D. in philosophy and training in social and political philosophy required; teaching experience and publications desirable. Closing date: 5/23/77.

Lecturer, $1,508-$2,288/Quarter, 1/3 time, Agricultural Engineering Department, School of Agriculture and Natural Resources. Duties include teaching surveying. A minimum of a Bachelor's Degree in Agricultural Engineering or Mechanized Agriculture and professional surveying experience is desired. Appointment level will depend upon experience and qualifications. Position available for Summer Quarter 1977. Closing date: 5/1/77.

Lecturer, $4,128-$5,440/quarter, Computer Science and Statistics Department, School of Science and Mathematics. Duties and responsibilities include teaching twelve units of lower division statistics courses. Candidates must possess an M.S. in Statistics or a closely-related subject matter field. Preference will be given to candidates with demonstrated excellence in college or university teaching. Consideration will be given to government and/or industrial experience involving applied statistics. Appointment for Summer Quarter 1977. Closing date: 5/1/77.

Lecturer, $12,384-$16,320/year, salary quoted is based on 15 units and will be adjusted depending on assignment, Mathematics Department, School of Science and Mathematics. Part-time positions available for Fall, Winter and/or Spring Quarters 1977-78 academic year. Position available Fall Quarter, 9/19/77. Duties include an instructional load ranging from 3-12 hours per week per quarter. Minimum requirements - Master's Degree and/or work towards Doctorate desirable. Closing date: 8/1/77.

Assistant, $690-$754/quarter, Mathematics Department, School of Science and Mathematics. Duties and responsibilities include teaching one lower division course in mathematics. Candidates must possess a degree in Mathematics or an appropriate field. Concurrent enrollment in the department's graduate program required. Part-time positions available Fall, Winter, and/or Spring Quarters 1977-78. Closing date: 5/15/77.

Assistant, $3,448-$3,772/Quarter, salary quoted is for full-time and will be adjusted according to assignment, part-time, Biological Science Department, School of Science and Mathematics. Laboratories for which instructors are needed are for Bect 221. Applicants should possess at least a B.S. Degree in Biology or related discipline. Applicants currently enrolled in department's graduate program preferred. Summer Quarter 1977 only. Closing date: 4/27/77.

WHO...WHAT...WHEN (continued)

rey, Apr. 7-8. The meeting, attended by faculty members from Northern California and Nevada, included seminar discussions on new developments in consumer law, real estate law, and product liability law.

Robert F. McDonnell, Head, English, Patricia A. Brenner, and Edward A. Cairns, both English, attended The California State University and Colleges Council at San Diego, Mar. 31-Apr. 1. Cairns was elected Coordinator for Composition for the English council of the CSUC. As coordinator, he becomes a member of the Executive Committee of the English Council. Also he has been appointed a member of a group of specialists in the teaching of writing who will serve as consultants to campuses in our system.

Nancy J. Lucas, English, read a paper titled, Reinforcing Writing Skills After Freshman Composition, at the Conference on College Composition and Communication (C.C.C.C.), held in Kansas City, Mar. 31-Apr. 2.

Michael A. Looney, Health Center, and Iols Dikera, Counseling Center, attended a workshop on Process Consultation conducted by the National Training Laboratories in San Francisco, Mar. 16-25.
**PREVIOUS RECIPIENTS OF OUTSTANDING STAFF EMPLOYEE AWARD:**

For consideration of an **OUTSTANDING STAFF EMPLOYEE AWARD**, a staff nominee should be a truly dedicated and loyal employee - one exhibiting expertise in job performance and willingness to assist others enthusiastically. He or she should take initiative in trying to make a department more efficient and productive. The candidate's relationship with fellow employees, faculty members, and students should be outstanding. He or she should be University and community oriented.

Nominees must be permanent, full-time employees during the year of nomination (September to September) and be in at least the 3rd year of employment. Former recipients of the award are not eligible.

Nominations may be made by any individual staff or faculty member, or Department or Division Head of the University.

I nominate for the **1976-77 OUTSTANDING STAFF EMPLOYEE AWARD**:

RANN - ADVANCED PRODUCTIVITY RESEARCH & TECHNOLOGY. The RANN Division of National Science Foundation is divided into three programs: (1) Public Sector Productivity which emphasizes research to provide valid, reliable, and useable analyses and measures of the effectiveness, efficiency, and equity of public service delivery systems; (2) Public Policy which is directed at developing systematic assessments of the effects of public policies on national productivity; (3) Private Sector Productivity which attempts to improve U.S. industrial productivity through application of the capabilities and knowledge of U.S. research labs and universities.

A few priorities include: the social effects of T.V. programs; the extent to which general purpose audio or video teleconferencing systems make a significant contribution to increasing productivity; Federal policies responsible for rising costs and other problems at the local level; alternative approaches to providing legal services; applications of service technology which deal with questions on improving analyses of local economy, tax administration, and new revenue sources; production technologies which allow for product change and new production technology needed to increase productivity; and the continuation of excavation technology with emphasis on a system for drilling and sewage, and debris disposal.

NSF - BEHAVIORAL AND NEURAL SCIENCES. A Program Report for the Division of Behavioral and Neural Sciences has just been received and is available for review in Administration 317. This report presents a candid appraisal of substantive program content, management, organization, and major trends and problems of senior management concern and interest. An examination is made of program-project objectives and the state of accomplishment. The Division's seven programs cover the disciplines of anthropology, linguistics, and psychology and the newer inter-discipline of neuroscience.

NSF - GRANTS FOR SCIENTIFIC RESEARCH. This brochure is now available for review in Administration 317. The revised edition of this brochure describes in detail types of research supported and application procedures by the National Science Foundation.

***
NATIONAL SCIENCE FOUNDATION PROGRAM DEADLINES:

4/30/77 OCEANOGRAPHY PROPOSALS
For proposals in Biological Oceanography, Marine Chemistry, Physical Oceanography, and Submarine Geology and Geophysics.

5/1/77 ETHICS AND VALUES IN SCIENCE AND TECHNOLOGY
This program supports research, conferences, workshops, and other activities. (SE 77-62)

5/13/77 INFORMATION DISSEMINATION FOR SCIENCE EDUCATION PROPOSALS
Designed to assist State and local authorities in acquiring information about materials and practices necessary to meet locally determined needs in science education through such mechanisms as conferences and exchange programs. (SE 77-33)

5/15/77 PUBLIC SERVICE SCIENCE RESIDENCIES FOR SCIENTISTS & ENGINEERS
PUBLIC SERVICE SCIENCE INTERNSHIPS FOR STUDENTS OF SCIENCE & ENGINEERING
The focus of this program activities will be on providing citizens with scientific information needed to make rational decisions affecting their daily lives; included could be such projects as research, preparing informational materials, providing expert advice and providing informal education activities such as seminars, lectures or workshops. Residents and interns will work with host organizations that serve important public purposes.

6/1/77 US-JAPAN COOPERATIVE SCIENCE PROGRAM
Proposals by complementary U.S. and Japanese scientists who plan to work together on the area of food productivity.

6/1/77 ANTARCTIC RESEARCH PROPOSALS
Research areas of interest include: effect of Antarctica on global weather and climate; global pollution and atmospheric mixing; interaction of Circumantarctic Current with adjacent oceans; physical, chemical, and biological interactions with adjacent water masses; volume, growth and contraction of the ice sheet; physiological processes in low temperature ecosystems; interrelationships of marine animal and plant species; adaptation of isolated human groups; solar flux effects of near-earth environment; potential harvesting of Antarctic food chains; and geological exploration and assessment.

6/1/77 US-LATIN AMERICAN COOPERATIVE SCIENCE PROGRAM
To foster collaboration and exchange of scientific and technical information between scientists, engineers, scholars and institutions of higher education of U.S. and cooperating countries of Latin America.

7/1/77 EARTH SCIENCES
In Geochemistry, Geology and Geophysics to be considered for the September Panel Meeting.
NATIONAL ENDOWMENT FOR THE HUMANITIES PROGRAM DEADLINES:

5/2/77 RESEARCH MATERIALS

To support the production of basic reference works for advanced scholarly research in the humanities: e.g., dictionaries, bibliographies, guides, and catalogs. Its purpose is to help the various disciplines create the basic tools necessary to strengthen humanistic research in this country.

6/1/77 GENERAL RESEARCH PROGRAM

The program supports a wide range of humanistic scholarship, with grants tending to be long-range collaborative efforts involving several individuals at the professional, assistant, and clerical levels. Encouraged are the development of collaborative, interdisciplinary research projects. Of current particular interest is the research and writing of serious narrative history on the State and local levels. Other areas of consideration include humanistic research in archeology, history, literature, philosophy, and social sciences.

6/3/77 MEDIA GRANTS

To encourage and support film, radio and television production that: (1) advances public understanding and use of the humanities; (2) is of the highest caliber both in terms of scholarship in the humanities and in terms of technical production; and (3) is suitable for national or regional broadcast and distribution in the case of television—or for national, regional or local broadcast in the case of radio.

7/1/77 EDUCATION PROGRAM GRANTS

This grant program supports a group of related courses or an ordered program of studies in the humanities focusing on a particular area. Grants might address a specific region, culture, or historical era, or they might improve instruction within a particular discipline. The recipient institution should intend to incorporate the grant program into its permanent humanities curriculum.

8/1/77 EDUCATION DEVELOPMENT GRANTS

These grants are intended to make a major impact on the teaching and use of the humanities throughout an institution by the reorganization of instructional departments, basic revision of curricula and improvement of instructional methods. Development grants support the complete redirection or upgrading of the humanities curriculum, as opposed to the expansion or initiation of a particular humanities program. In general, applications will have completed a feasibility study or pilot program prior to submission of a Development Grant application.

For further information and application materials, contact: Institutional Grants, Division of Educational Programs, National Endowment for the Humanities, Washington, DC, 20506. (202) 382-8085.

***
NATIONAL ENDOWMENT FOR THE ARTS PROGRAM DEADLINES:

5/6/77  PUBLIC EDUCATION & AWARENESS - ARCHITECTURE & ENVIRONMENTAL ARTS

Matching grants are available to assist projects which will broaden public design, awareness, and participation in design issues. Grants are specifically awarded for preparation of publishable material, films, videotapes, exhibits, critical journalism, and other forms of public communication with priority given to proposals which can identify a specific audience clearly; describe a well-defined means for broad dissemination; initiate further action; and involve groups or communities which have had little previous exposure to design concerns.

6/1/77  JAZZ/FOLK/ETHNIC GRANTS

Grants are available in the following areas to provide assistance to artistic, educational, and archival programs involving individuals and groups presenting jazz and other folk/ethnic indigenous music. (1) Composers/Arrangers; (2) Performers; (3) Travel/Study; (4) Organizations; (5) Organizations—Presentations; (6) Documentation; (7) Individuals.

6/15/77  PUBLIC MEDIA

To support residencies of filmmakers and video artists.

6/17/77  WORK EXPERIENCE INTERNSHIP PROGRAM

The fall 1977 internship period will be between September 19 through December 16, 1977. The Internship Program is designed to provide arts administrators or potential arts administrators with an intensive awareness of the policies, procedures, and operations of the NEA and to give them an overview of arts activities in the U.S. Each intern is assigned to one of the Endowment's Program or Administrative areas to gain a functional view of the Endowment's daily operations. Time is also spent in meetings and seminars with Endowment officers, staff, and panelists; artists, journalists, Federal officials, and leading arts administrators. Participants are selected on a competitive basis according to their academic background and prior professional experience, and grants include a fellowship stipend of $2,210 plus round-trip transportation expenses.

7/1/77  MUSEUM PROGRAM - CONSERVATION

Matching grants are available to museums and universities for (a) Training in Conservation, to encourage and train museum conservators by means of continuing support to existing training centers, initial support to new training centers, and short-term training workshops for museum staff and master-apprentice internship programs; (b) Regional Conservation Laboratories, to encourage and assist the formation or expansion of regional conservation laboratories from which museums can obtain services they could not afford singly; (c) Assistance to Museums for Conservation Work on Collections, to assist and encourage museums to plan conservation programs and implement conservation treatment.

***
