Senator claims 'could end war'

"If I were elected President, I could end the war within a very few weeks" said Sen George McGovern (D-S.D.) at a Modesto meeting recently.

Regarding President Richard Nixon's recent speech on the economy, McGovern, "criticized" Nixon for criticizing those who opposed Nixon's policies.

McGovern called for complete withdrawal of troops from Vietnam.

McGovern declared that wage increases should be curbed. "This seems to me to be a new definition of political courage in this country," he said.

He noted that, while expressing concern over inflation, the president failed to relate its existence to the $10 billion already spent in Vietnam.

The demise of Sister George

"The Killing of Sister George," written by Frank Marcus, will be presented by the College Program Drama Committee Thursday through Saturday evenings. Curtain time for each evening will be 8 p.m.

The main characters are June Buckridge played by Debbi Ware, Alice Childe played by Nevada Barr, Mrs. Mercy played by Barbara Ratcliffe and Madame Xenia played by Ninou Lake.

Admission to the play will be one dollar for students and one dollar and fifty cents for adults. Free play will be served by Alpha Psi Omega during intermission.

The play concerns two lesbians sharing a flat in the 1890's.
Karate workshop

Karate workshops will be offered each Tuesday and Thursday evenings from 7 p.m. to 9 p.m. in the dance studio of Granada Gymnasium.

The free workshops are open to anyone who has had previous instruction in Karate and who wishes to practice in an atmosphere conducive to training. The workshop is a place where one may train on his own or with others rather than under professional instruction.

Need help? Call Hotline at 563-5680.

After its birth in April of 1970, the San Luis Obispo Hotline has been producing in all the respective SAC representatives and will be forwarded to SAC.

Dr. Curzon concluded by saying, "there is too much phoniness in the world today. If I feel a piece of literature or art is serious, I attempt a serious attempt at premeditated communication, I will understand it." Project 9, which sponsored Dr. Curzon's talk, meets twice each week to discuss various aspects of the drug world. Richard Birchler, coordinator of the group, announced that Dr. Frank Peterson, M.D. will speak on the medical implications of drug abuse at 11 a.m. today in Ad. 211 and Dr. James Gates, Phrm., will speak on the legal abuse of drugs at 8 p.m. Thursday, also in Ad. 211.

Interested persons are invited to attend any of the meetings.
Kaiser Engineers, will also talk at a slide show depicting conquered El Capitan in mountain climbers who Chumash Hall.

Early Morning Light, the theme, "The Wall of Yosemite National Park, will be the main topic of speaker R.J. Yoeemite National Park, will be the Society of Plant Wednesday *" the San Francisco Bay will be the main topic of speaker B.J. Boothcliff at the meeting Wednesday of the Society of Plant Engineers. Mustangs control Matadors

by STEVE GALE

Poly quarterback Steve Breanahan combined passing and rushing efforts to lead the Mustangs to a 19-0 victory Saturday night in their CCAA opener at Fordam Valley State College.

The Mustangs came on strong in the second half as they threw for a yard more than they rushed in the first half. Two of the Poly scores involved long pass plays during the drive.

Breanahan, who entered the game as the nation's 100th ranked small college total offensive gainer, added 21 yards to his tally as he passed for 197 yards and ran for 18 yards.

Basketball outlook encouraging for Stoner as practice begins

"Basketball practice for the Mustangs was opened yesterday, November 21st through Tuesday December 15th. The team is expected to start off the season with a victory and bring in the rest of the season with the same energy." Stoner said. "We have a good team and we hope to go on from there. A lot will depend on the development of our front line players, Billy Jackson, and Bob Jennings."

Jackson, a 6-foot-1-inch forward, had a sensational sophomore season scoring 404 points for an 18-point average while pulling down 320 rebounds for a 15.4 average. On the strength of that performance he was selected for the All-District 6,7,8 Team by the National Association of Basketball Coaches.

The Mustangs will again feature the fast break as well as a balanced offense. Helping Jackson to clear the rebounds will be Jennings, a 6-foot-4-inch junior center who averaged 16.4 rebounds a game as he collected a total of 470.

Although the Mustangs continued their winning trend, none of their three lost fumbles resulted in any kind of a threat by the Matadors. Poly fumbled a total of five times while Valley State did not fumble.

Only one real threat by the Matadors in the game came in their first drive when they reached the Poly 12, but after that the closest they got was the Poly 40.

First quarter action saw no scoring as the result of a tight defense from both sides. The Matadors were held at the Poly 12 while the Mustangs advanced to the Valley State 36 and fumbled.

Senior guard, Randy Genung, 6-foot-1-inch, is the third returning starter. Other returning lettermen are senior center, Richard Behckelmaier, senior guard, Mike Jackson, junior forward, Leonard Lomudes, and junior guard, Chris Blake.
