Senate moves to cut back U.N. aid

by JOHN HALL

Washington (UPI)—Outraged at the expulsion of Nationalist China from the United Nations, Senate conservatives moved Wednesday for a sharp cutback in voluntary U.S. contributions to U.N. agencies.

Sen. Pat H. Donahue, R-Cali., said he and Sen. James L. Buckley, the New York Conservative-Republican, would offer an amendment to the aid bill Thursday to slash millions of dollars in U.S. non-dup support for U.N.-sponsored development assistance, population control, child relief, food and other humanitarian programs to which the United States contributes a heavy share of financial backing.

In general, the amendment would limit U.S. contributions to three agencies to about one-third of their total expenditures. Donahue said the United States must stop "playing nursemaid to the world."

In the continuing furor in Congress and at the White House over Monday night's General Assembly vote giving Taiwan's seat to Communist China, moves were made at the 202nd session to cut U.S. contribution but to retaliate through reductions in foreign aid to countries which voted against the United States.

The $3.1 billion aid bill already was in trouble. Approved by 34 vote Wednesday was an amendment sponsored by Sen. George D. Aiken, R-Vt., that would have reduced the proposed $339 million for foreign aid to schools and hospitals for U.S. personnel overseas.

Donahue and Senate Republican Leader Hugh Scott said they believed there was majority sentiment in Congress for a hefty cutback in U.S. aid to the United States as a result of Monday night's vote.

Donahue said the administration probably would have to oppose the cutbacks for diplomatic reasons, but he did not anticipate a minimum action against it.

While Scott favored a cutback in aid aid, other members of the Senate Foreign Relations Committee argued against it.

Sen. Jacob Javits, R-N.Y., warned that any reduction — even if justified — would be written off by the world community as U.S. "passed by and renunciation" over Taiwan's expulsion.

The Foreign aid bill includes a provision which would repeal the 1960 Formosa Resolution which authorized the President to use U.S. force to defend Taiwan and the Philippines from an attack by the People's Republic of China.

The Senate by vote vote amended the repeal Western for a sharp putback on April 15, 1973, instead of immediately.

Nixon gives nod to blast
despite scientists’ pleas

by JOSEPH H. MYLER

Washington (UPI)—President Nixon gave the go-ahead Wednesday for the controversial Amchitka underground nuclear blast that will be 300 times as powerful as the World War II bomb that destroyed Hiroshima.

The test could be triggered before Nov. 4.

Chairman James R. Schlesinger of the Atomic Energy Commission told a news conference that the AEC has received "the requisite authority"—specific orders from the President and a related law—to carry out the five-megaton, $300 million test a mile underground on the remote island 1,600 miles off the Alaskan mainland.

Sen. Mike Gravel, D-Alaska, a leader among the conservationists and environmentalists who oppose the test, said the test was "intoxicated and extremely damaged that the administration would proceed with this mistaken venture without the many pleasures and warnings by scientists and officials of this nation."

Sen. Edward M. Kennedy, D-Mass., said many members of Congress hoped Nixon would not permit the test, but "since we must now explore this giant weapon, and extremely useful, we can only pray that it will not cause any harm.

Opponents claimed the tests too large for the AEC's desert test bed range in Nevada would take place in a geologically unstable area and could trigger killer earthquakes and resulted tidal waves on coasts as far away as Hawaii. They also said it would endanger the islands unique wildlife.

But the administration, in deciding to go ahead, said the blast was necessary to protect national security.

Schlesinger, who said the AEC received Nixon's approval Wednesday morning, told a news conference that the commission expects "to be in a readiness state to detonate within a week."

White House Press Secretary Ronald Ziegler said the AEC hopes to have the mile-deep hole plugged in time to set off the explosion before Nov. 4.

Women's right to abortion
is program topic

Abortion, "a woman's right to choose," will be the topic of a discussion during college hour today—the C.U. Chumash Hall. The guest speaker will be Judy Kleinschmidt of the Women's National Abortion Action Coalition.

The program will cover current abortion laws and issues concerning abortion reform. All students, staff, and faculty are invited to attend this open discussion.

Tonight at 7 p.m., Miss Kleinschmidt and Marion Dowes will be on KCFM with a call-in talk show discussing the subjects discussed at the college hour program. For more information, call Paul Allon at 543-9582.

Women's right to abortion is program topic

Talcott speaks
at open forum

Republican Congressman Burt L. Talcott of the 15th District will speak on this campus tonight and Friday.

Tonight Talcott will speak on "Agriculture and the Federal Government" in Chumash Hall at 7:30. Tonight's meeting is sponsored by the Agriculture Business Management and Farm Management Club of the School of Agriculture and Natural Resources.

Friday Talcott will speak at an open forum at 11 a.m. at the C.U. Plaza. The meeting is sponsored by this college's chapter of the California College Republicans.

Talcott's visit to the area is designed to give him a chance to talk with the voters of the area, according to his headquarters.

Convicted murderer gets coming-out party

by DONALD B. THACKREY

San Francisco (UPI)—The long-delayed trial of the two surviving \"Soledad Brothers\" was stalled Wednesday by an evidentiary hearing that could speed up the trial of the two surviving \"Soledad Brothers.\" The trial is scheduled to begin Wednesday, but the arguments over the offer of a plea were expected to delay it further.

Edward Drumgo and Clutchette are charged with beating to death Soledad State Prison Guard John V. Mills Jan. 16, 1970. The killing followed the fatal shooting of three black prisoners in the prison yard by two white guards.

Black revolutionary George Jackson, the third \"Soledad Brother,\" killed in the Aug. 11 prison rampage at San Quentin Prison, along with two other prisoners and three guards.

Pino was convicted, along with his Gamaladit mistresses, Carole Tregoff, of the July 19, 1980, slaying of Mrs. Barbara Jean Finch after three separate trials—the first two ending with hung juries.

The California Institution for Men revealed Wednesday the state Adult Authority, which had previously granted parole, had approved freeing Finch in violation of the previously announced date of Dec. 6.

Last night Monday night Finch was given a "surprise" party at the Charley Brown restaurant in West Covina, where he formerly lived, attended by his friends and several guards from the institution.

A witness said Finch, 66, accompanied by an attractive brown-haired girl in her early 20s who said she knew only as a Miss Tina,

There were toasts to the doctor and the orchestra played \"Please Remain Seated.\" At one time everyone went out to look at Finch's new car and, after eating down the Charley Brown, they went on to a night spot.

A spokesman at Charlie Finch said there was no reason why Finch should not attend a dinner with him. He was free on a 72-hour pass at the time.

A prison spokesman rejected any speculation that \"Miss Davis\" might possibly be Carole Tregoff.
LETTERS TO THE EDITOR

Mitchell isn't pleased with the concert being a flop. We are already sold on the Homecoming Concert, but we disagree that the concert is going to be a flop. We are already sold out of reserved seat tickets for both shows and sales of general admission tickets are going as well as they have for any previous concert. We're looking forward to two shows with near capacity crowds and performances that will send people away well pleased with a real entertainment bargain.

One of the reasons that so many different kinds of entertainment are brought to campus each year is that it is not possible to find one group that "most of the students would really like to see," rather, there are many groups that many students want to see and hear. We are sure that Mr. Mitchell will find something more to his liking later in the year just as many people who have already purchased tickets have found the Temptations to their liking.

600 tickets for the concert were sold on Tuesday alone. 486 Harsh, Sen 1uls Obispo Oi on th is p o p p o s e d t o in t e l l o u s to oth o rs. I am concerned with what is going on in the larger world outside Cal Poly but cannot afford to subscribe to a regular paper and don't always have time to read every five space for a paragraph. Everything is okay. I get articles that are specifically related to me as a college student. Thank you and please continue to include UPI articles so we don't become stagnated in local affairs.

Keep UPI In

Editor:

Last Thursday before I had gotten around to reading Mustang Daily, I had made a comment to a friend on how nice it was to have UPI articles in the paper. I am concerned with what is going on in the larger world outside Cal Poly but cannot afford to subscribe to a regular paper and don't always have time to read everything anyway.

Besides, with you screening the news I don't have to waste my time wading through all the local murders, accidents and busts.

Instead I get articles that are specifically related to me as a college student. Thank you and please continue to include UPI articles so we don't become stagnated in local affairs.

How to write a letter to the editor:

It's not difficult to write a letter to the editor. You start out with an idea about a topic. Something you've thought about for a while. Next you sit down at a typewriter and set the margins at 10 and 7 1/2. Indenting five spaces for a paragraph, you type five or six lines for each paragraph and then begin another paragraph.

Try to keep your letter to three or four paragraphs. Each of these paragraphs should say what you want to say beautifully. If it can't be said concisely, the idea is probably not very well thought out and will lack conviction.

Lastly you deliver the letter to CA 226, making sure it is placed in the Editor's mailbox. Not very difficult, right?

Then why isn't anyone doing it like that?
Suiineii Administration and Announcements

States is planned as well as a Fashion Show and a Talent p.m. These meetings are very held every Friday from 3 to 6 a.m. sparkled with an International week which will be held in February and will include a Fashion Show and a Talent Show. There are extra parties and picnics outside of the regular meetings and these are usually at a very International Lounge next to the Engineering P.O. Lab. A series of seminars are invited to attend the meetings of People to People Club which is open to economics majors or anyone who has gone through the Economics 211, 212, 213 series. The meeting is to approve the by-laws and obtain school

The Economics Club is holding an organisational meeting Thursday at 11 a.m. in the Administration Building flag pole. This is the third year that the Dairy Shrine Club has given the award and the first time a student from this campus has been awarded the honor. A total of 36 students from schools throughout the nation were considered.

The Muck-a-Mucks are alive in Muir.

Distance run set today

The second "Jog-in" will begin today at 8 p.m. at the Old Track. Today's 3.3 mile run is open to all faculty and students. The entrance will include a trip to the top of EVSC radio tower.

The meet is part of the fitness program directed by Larry Bridges, an instructor in the Men's Physical Education Department. The program, as well as the meet, is open to faculty and students, male and female alike.

Bridges has scheduled a series of open events that are available for any age group, male or female. Certificates will be awarded for participation. The runs will be "Jog-ins" for most, with participation as the major goal, not competition.

The next meet will be Nov. 7, the AAD Woman's District Split end lost—

The new week's practice session ended Tuesday, according to Wayne Shew, college sports information director.

Grimes, a 165-pound sophomore split end, apparently according to Wayne Shew, college sports information director.

Grimes, a 165-pound sophomore split end, will make his debut this season against Cal Poly. The Mustangs, 1-0 for the season, will face Cal Poly, 2-0, Saturday at 7 p.m. at the Old Track.

Grimes has been listed as the starter at split end on the depth chart, but has not played much in the first two games. He will provide depth at the position.

The Mustangs are looking for their third straight win tonight.
