FEDERAL PAY BOARD APPROVES SOME PAY INCREASES DELAYS OTHERS

Trustee recommendations for salary increases and equity adjustments for academic and non-academic employees of The California State University and Colleges were partially approved by the Federal Pay Board, it was learned by President Robert E. Kennedy on Monday, July 24. Federal Pay Board approval was received for 5% salary increase plus all equity adjustments as recommended by the Trustees for staff support positions but the Pay Board delayed acting on recommended 7.5 percent faculty increases, Kennedy said.

"The Chancellor's staff members who met with the Federal Pay Board on behalf of the employees of all 19 campuses believe that the Pay Board will approve recommended faculty salary increases within two weeks," Kennedy added. The Controller's Office expects to process currently approved Pay Board increases for inclusion in checks issued Aug. 1. Subsequent increases approved by the Pay Board will be retroactive to July 1, if the Pay Board approves the Trustee recommendation.

The salary increases and equity adjustment recommendations reviewed and pending before the Federal Pay Board were those approved by The Board of Trustees of The California State University and Colleges at its regular meeting in Los Angeles on Wednesday, July 12. President Kennedy, who attended the meeting, summarized the salary matters considered by the Trustees as follows:

 Authorized a 7.5 percent general salary increase for instructional and instructionally-related positions and, as the first phase of the equity adjustment program, authorized further increases from approximately 1.5 to 9.7 percent for certain academic-administrative positions and 1.7 to 10.2 percent for certain librarian positions. The increases are effective July 1, 1972.*

 Requested the governor and legislature to appropriate additional funds to implement the board's original request of 13 percent salary increases and 6 percent fringe benefits increases for faculty, in order to make up for the lack of faculty salary and benefits increases during the past two years and to at least partially reduce the existing disparity in compensation with comparison institutions.

 Authorized a 5 percent general salary increase for non-instructional positions and equity adjustments from approximately 1 to 5 percent for certain administrative and support positions and from 6½ to 12 percent for certain academic-administrative and executive positions, effective July 1, 1972.* Further urged the governor and legislature to appropriate an additional $1.2 million in equity funds for certain administrative and support positions in order to grant increases matching those being given by the State Personnel Board for Civil Service positions.

 Authorized Chancellor Glenn S. Dumke to implement a new salary structure for academic employees effective no earlier than Sept. 1, 1972.* Further authorized the chancellor to allocate a portion of the instructional equity funds to the campuses to move individual faculty members to higher salary steps on the basis of merit to the extent funds are available.

*Subject to certification by the State Department of Finance and approval by the Federal Pay Board as may be necessary.
SUMMARY OF OTHER TRUSTEE ACTIONS

In addition to salary matters, the Board of Trustees of The California State University and Colleges took the following other important actions on July 12:

--Authorized the chancellor to make application for 1,270.5 acres of surplus Federal land at no cost, to be used for agricultural purposes by California Polytechnic State University, San Luis Obispo.

--Accepted the recommendation of the state director of general services that the Long Beach Tidelands Site be acquired for the permanent headquarters facility (Chancellor's Office).

--Approved issuance and sale of College Union Revenue Bonds, Series A, by California State Polytechnic University, Pomona.

--Approved debt service subsidy grant agreements for financing Residence Dining Facility at California State University, Fresno, Health Center Facilities at California State College, Sonoma, Health Center Facilities at California State University, San Diego, and College Union Revenue Bonds, Series A, at CSPU, Pomona.

--Placed a temporary moratorium on acquisition or leasing of relocatable or temporary facilities and a permanent moratorium on any new acquisitions or leasing of trailers at all 19 campuses. Further requested the Chancellor to report to the Board on recommended procedures and a program to eliminate temporary structures from the campuses.

--Received a report from the 19 Presidents that they presented to Chancellor Dumke a commendation for 10 years of "leadership characterized by imagination, intelligence, and integrity."

--Approved two faculty members as recipients of the 1972 Outstanding Professor Awards: Richard H. Lawson, professor of German at California State University, San Diego, and Philip Levine, professor of English at California State University, Fresno. The $1,000 awards are made through the California State College Foundation by the Joseph M. Schenk Foundation of Los Angeles.

--Increased the student fee schedule for extension courses beginning Sept. 1, 1972, as follows:

<table>
<thead>
<tr>
<th></th>
<th>Lecture</th>
<th>Activity</th>
<th>Laboratory</th>
</tr>
</thead>
<tbody>
<tr>
<td>Per semester unit</td>
<td>From ($19.00) to $24.00</td>
<td>From ($24.75) to $31.25</td>
<td>From ($38.00) to $48.00</td>
</tr>
<tr>
<td>Per quarter unit</td>
<td>From ($12.75) to $16.00</td>
<td>From ($16.25) to $20.75</td>
<td>From ($25.25) to $32.00</td>
</tr>
</tbody>
</table>

The fee to reimburse administrative costs of contract extension classes is raised from $6 to $9 per semester unit per student and from $4 to $6 per quarter unit per student when the contractor pays the salary of the instructor.

--Scheduled a meeting of the full Board and the committees on Finance and Gifts and Public Affairs for August 14, 1972, at the Long Beach campus. Cancelled a meeting of the Committee on Gifts and Public Affairs previously scheduled for August 22 at the Northridge campus.
LEONARD OLGUIN WILL HEAD FOREIGN LANGUAGES DEPARTMENT

Appointment of Leonard Olguin of El Toro as head of the Foreign Languages Department of the School of Communicative Arts and Humanities has been announced by President Robert E. Kennedy. Olguin, 47, will begin his duties with start of the Fall Quarter in mid-September.

The new department head will succeed Gloria Jameson, who has served as acting head of the university department since its organization in 1970. Dr. Jameson, a specialist in the teaching of English as a second language, has returned to full-time teaching duties as a member of the English Department faculty.

A nationally-recognized leader in development of educational programs for Spanish language oriented children, Olguin has been supervisor of elementary teacher training for the education program at University of California at Irvine for the past two years.

Earlier, he was a consultant for the State Department of Education's Mexican-American Education Research Project and worked in public school systems in Fullerton, Santa Fe Springs, and Littlerock.

A graduate of California State University, Los Angeles, where he earned his bachelor's and master's degrees, and Los Angeles City College, where he earned his associate degree, Olguin is also presently involved in study for a doctor's degree at University of Southern California.

RULING ON INCOME TAX PAID ON RETIREMENT CONTRIBUTIONS

Employees who filed a protective claim form for a refund of taxes paid on retirement contributions in 1968 have received notice of the Internal Revenue Service Commission decision that the law does not permit a refund of this tax, according to information received this week from the Personnel Office.

Revenue Ruling 72-250 states that the portion of a government employee's compensation withheld and contributed to a retirement fund is taxable income in the year it is withheld. It is anticipated that this decision will be contested and that a suit based on this issue will be filed in the courts.

In such an event, the rights of those employees that filed claims within the time required by law will be protected. The Internal Revenue Service warns that court actions on this issue may take several years.

SALARY WARRANTS FOR JULY WILL BE AVAILABLE AT 4 P.M. ON MONDAY

July salary warrants for faculty and staff of the university will be available at 4 p.m. on Monday (July 31), the last day of the pay period. Warrants batched by department may be picked up at the Cashier's Office, and those picked up on an individual basis will be available in the Business Affairs Division Office, Adm-114, after that time.

The end of the seventh week of instruction for the Summer Quarter will be Monday, August 21.
BEQUEST BY CITRUS INDUSTRY PIONEER WILL AID CAL POLY STUDENTS

Student loan and scholarship funds in excess of $114,000 have been received by Cal Poly from the estate of a prominent Southern California farmer and investor. President Robert E. Kennedy said the Herbert E. Collins Student Loan Fund and the Herbert E. Collins Scholarship Fund have been set up with the Crocker National Bank acting as trustee.

Under terms of the bequest, Dr. Kennedy will appoint a three-person board to make decisions on loan fund applications. Scholarships will be awarded by the bank on recommendation of the board, from income produced by the principal of the unallocated portion of the loan fund.

Collins, who died in 1957, emigrated from England along with his brother, Westwood, in the 1890's. Although they came from a moderately well-to-do family, the eldest son was in line to inherit the family resources. Herbert and his brother made their way to the San Joaquin Valley where they became farmhands.

After a series of dry years and crop failures, they moved to Covina, rented a parcel of land, and commenced growing vegetables with irrigation. They worked long hours, lived meagerly, and learned as much as they could about agriculture. They began with a small citrus grove and eventually each became known as an experienced and successful citrus pioneer.

**Acquired Additional Land**

The Collins brothers acquired land in El Monte, Pico Rivera, and Placentia, in some cases replacing full-grown but low-producing walnut trees with Valencia oranges. Citrus orchards owned and operated by the Collins' became known as some of the very best in California.

The late Richard A. Grant, chairman of the board and chief executive officer for the California Portland Cement Company, who was personally associated with Collins for over 45 years, called him "a remarkably fine gentleman with sterling personal qualities and lofty principles and ideals."

Grant noted just before his recent death that the citrus industry pioneer "left a residue of his estate to Cal Poly, San Luis Obispo, because of his keen interest in agriculture, and his great feeling of indebtedness to the soil of California, which yielded him such bountiful crops and such financial success as a farmer."

"Had he remained in England, by the law and qualification of primogeniture, he would never have had the rich, wonderful life which California gave him; and his gratitude for this is signified by the gift to Cal Poly."

Collins' will designates the loan and scholarship monies for use by students who "by their industry, scholarship, and ability have proved themselves entitled to special assistance."

RETURN OF INTER-CAMPUS MAIL ENVELOPES REQUESTED

Return of excess supplies of inter-campus mail envelopes is being requested by the General Office. Offices and departments that have quantities of the envelopes in excess of their needs are asked to return them to the Duplication Center, Adm-129.
FULLERTON MAN NAMED TO CSUC POSITION

Appointment of Emmett T. Long, 48, as associate dean of student affairs and coordinator of relations with schools has been announced by Chancellor Glenn S. Dumke of The California State University and Colleges.

Dr. Long, who held a similar position in Chancellor Dumke's office in 1968-69, is presently associate dean of admissions and records and director of relations with schools and colleges at California State University, Fullerton. His appointment will be effective Aug. 1.

Dr. Long, who holds the rank of professor of speech communication at Fullerton, will work primarily with the state's community colleges and high schools to facilitate admissions and credit transfers to the CSUC.

The new associate dean was associate dean of students and executive assistant to the president at the Fullerton campus before being appointed to his present position in 1970. Before coming to Fullerton in 1959 as director of admissions, Dr. Long was registrar and admissions officer at California State Polytechnic University, Pomona, and director of admissions at Pepperdine University.

Dr. Long holds bachelor's degrees from Pepperdine and the University of California, Berkeley. He received his master's degree also from Berkeley, and his doctorate from the University of Southern California.

OUTDOOR DRAMA PERFORMANCES SCHEDULED FOR FRIDAY

Drama students from the University of California at Santa Barbara will offer two performances of outdoor theater at Cal Poly on Friday (July 28). Their appearances are jointly sponsored by the Fine Arts Committee of the Associated Students, Inc., and the School of Communicative Arts and Humanities at Cal Poly.

Eighteen drama students engaged in Theater Roundabout at UCSB will present Commedia dell'Arte at 12 noon and a street version of the Tragicall Historie of Dr. Faustus at 7 p.m. Michael Addison, an associate professor of drama, directs Commedia Dell'Arte, while Stanley Glenn, professor of drama, directs the Dr. Faustus performance.

The public is invited to view the free performances at 12 noon and 7 p.m. on the lawn in front of the Walter F. Dexter Library on the university campus.

SOCIAL STUDIES INSTRUCTOR BEING SOUGHT FOR HEP

A social studies instructor for the staff of the High School Equivalency Program is presently being sought, according to an announcement from the Cal Poly Foundation Personnel Office. The position requires at least one year of successful teaching experience and a minimum academic preparation of graduation from college (BA or BS) is preferable, but not a requirement. Preference will be given to applicants who are fluent in Spanish and knowledgeable in the area of migrant education. The Cal Poly Foundation is an Affirmative Action Employer. Inquiries about the position should be directed to the Foundation Personnel Office, CU-212, 546-2333.

The end of the seventh week of instruction for the Summer Quarter will be Monday, July 21.
Six vacancies on the support staff of the university have been announced by S. Milton Piuma (Staff Personnel Officer). Descriptions of the positions and other vacancies are posted on the bulletin board located outside the Personnel Office, Adm-110, 546-2236. Those interested in applying for any of the positions should contact the Personnel Office to obtain an application. Cal Poly is an Affirmative Action Employer. The positions are:

**Equipment Technician I ($710-$863), Biological Sciences Department, School of Science and Mathematics.** Duties and responsibilities include the propagation of plants in biological sciences greenhouse for use in botany and physiology laboratories, supervising and working with student assistants in preparation of laboratories for scheduled classes, and repairing equipment. Applicants must be high school graduates with a minimum of two years experience in biological sciences or work related to a college instructional program.

**Equipment Technician I ($710-$863), Biological Sciences Department, School of Science and Mathematics.** Duties and responsibilities include maintaining biology stockroom, ordering parts and supplies, keeping records, maintaining and repairing instruments, and supervising student assistants in laboratories. Applicants must be high school graduates with a minimum of one year experience in the maintenance and repair of equipment used in biological sciences instructional program. In addition, must possess knowledge of laboratory methods, procedures, and techniques.

**Technical Assistant II ($556-$676), Biological Sciences Department, School of Science and Mathematics.** Duties and responsibilities include maintaining biology stockroom, repairing some instruments, supervising student assistants, setting up laboratories, and maintaining animal room. Applicants must be high school graduates with a minimum of two years of experience in biological sciences or related work pertinent to a college instructional program.

**Technical Assistant I ($240-$292) (half-time), Audio-Visual Services, Academic Affairs Division.** Duties and responsibilities include checking equipment prior to and after use, assisting in cleaning and minor repair work, and issuing and checking in items. Applicants must be high school graduates with some knowledge of electricity or electronics, ability to use and operate mechanical devices, and ability to meet and work with students and staff. In addition, some knowledge of proper use and operation of various media and equipment is necessary.

**Clerical Assistant III-A ($548-$666), Centralized Counseling Office, School of Engineering and Technology.** Duties and responsibilities include keeping accurate records on all students enrolled in engineering and technology curricula, answering telephones, and assisting students and advisors assigned to the Center. Applicants must have passed the General Clerical Test and be high school graduates with two years clerical experience, preferably in a college system. Because of the need for continuity, applicants must plan to be in area for a reasonable length of time.

**Procurement Assistant ($783-$950), Purchasing Office, Business Affairs Division.** Duties and responsibilities include supervising the Purchasing Office, Warehouse-Mail Service, and other related support services under the supervision of the Procurement and Support Services Office. Applicants must be college graduates with general knowledge of purchasing and contract principles and practices, including the ability to develop and interpret specifications, and of shipping and receiving practices; familiarity with the principles and practices of office management, and financial record keeping.
SECOND MOZART FESTIVAL WILL RUN AUG 3-6

The San Luis Obispo Mozart Festival will present its second series of concerts on Aug. 3, 4, 5, and 6. Scheduled as part of the Bicentennial Year, a celebration of the 200th anniversary of the Mission San Luis Obispo de Tolosa, the festival will present a total of six varied programs featuring some of the finest musicians of our time.

Included will be performances by Barry Tuckwell, internationally-known horn virtuoso; Malcolm Hamilton and Ronald V. Ratcliffe, harpsichordists; the New Age String Quartet; Henry Siegl, concertmaster of the Seattle Symphony; Ken and Nancy Roth, specialists in the performance of old music on original instruments; and the Los Angeles Woodwind Quintet.

Particularly appropriate to the Bicentennial celebration will be a performance of the Mozart Festival Singers, conducted by John Russell, in the 200-year-old Mission the evening of Aug. 4, and an orchestra concert conducted by Musical Director Clifton E. Swanson in the Mission the afternoon of Sunday, Aug. 6. The remaining concerts will take place in Chumash Auditorium of the Julian A. McPhee College Union and the campus theater at Cal Poly.

Swanson is also conductor of the San Luis Obispo County Symphony Orchestra; Ratcliffe and Russell both are members of Cal Poly's Music Department faculty. The Music Department and the Associated Students, Inc., of the university are co-sponsors with the festival association of the performances held on campus.

Concert schedules and ticket information can be obtained by writing to the Mozart Festival Association, P.O. Box 311, San Luis Obispo, 93401. Tickets can also be purchased in advance at Premiere Music Company and Brown's Music Store, both in San Luis Obispo, and the College Union Information Desk at Cal Poly.

JESSE OWENS WILL ADDRESS CAMPUS GATHERING

Jesse Owens, the hero of the 1936 Olympic Games for the United States, will be the keynote speaker for a joint session of two workshops at Cal Poly early next month. Owens' remarks before a combined session of the 23rd annual California Physical Education Workshop for Women in Secondary Schools and the 25th annual California Workshop for Physical Education and Athletic Coaching are scheduled for the morning of Aug. 9.

The women's workshop is scheduled to open on July 31 and the men's program will open on Aug. 7. Both are jointly sponsored by Cal Poly, the California State Department of Education, and the California Association for Health, Physical Education, and Recreation.

Owens, who will be a participant in opening ceremonies for the 20th Olympic Games in Munich, West Germany, late next month, was acclaimed "Champion of the Century" in 1960 after being named America's "Ambassador of Sports" by the U.S. Department of State in 1955.

A native of Ohio, his record breaking athletic career began in 1928 when he set world records for junior high schools in the high jump and the broad jump, now the long jump. His assault on the record books continued in high school and at Ohio State University, he became the only track and field athlete in history to set three world records and tie another in a single meet.

(Continued on Page 8)
"OLD FASHIONED" BAND CONCERT PLANNED FOR SATURDAY EVENING

Central Coast Area residents are being invited to bring their picnic dinners blankets, pillows, and lawn chairs and enjoy an "old-fashioned" summer band concert on the Cal Poly campus on Saturday (July 29) evening.

The concert by the university's Summer Symphonic Band will take place in the Cal Poly Amphitheater adjacent to the campus theater starting at 7 p.m., according to Graydon Williams, director of the band. Admission will be free.

Williams, a member of the university's Music Department faculty, said the Saturday evening concert will include marches by Edwin Franco Goldman and John Philip Sousa, contemporary music by Howard Hanson and Norman Dello Joio, and popular music by Rodgers and Hart and Johnny Mercer.

Expected to last about 45 minutes, it should give families an opportunity to enjoy their picnic dinners in the park-like atmosphere of the amphitheater, which is located adjacent to the Grand Ave. campus entrance street, and still have time to enjoy the 60-member band's performance, according to Williams.

The concert will be the first of two such programs scheduled this summer under sponsorship of the university Music Department.

BERDY HARR NAMED HEAD BASEBALL COACH

Berdy Harr, 36, an assistant coach for the past two seasons, is Cal Poly's new head baseball coach. His appointment was announced last week by Carl C. Cummins (Dean of the School of Human Development and Education).

Harr, who is a 1958 graduate of California State University, Long Beach and a former outstanding high school baseball coach at Lynwood, Calif., succeeds Augie Garrido at the helm of the Mustang baseball program. Garrido recently accepted the head baseball coaching job at California State University, Fullerton, after serving as head mentor at Cal Poly for three years.

Harr compiled a 52-29 four-year record as head coach at Lynwood high from 1967 to 1970. He was selected as Southeast Los Angeles Coach of the Year in 1967 when his team won the league title and gained the quarterfinals of the regional AAAA championships. The new Cal Poly mentor developed six all league pitchers at Lynwood. Four of his players were drafted by the major leagues, three of them signing pro contracts.

JESSE OWENS WILL ADDRESS CAMPUS GATHERING . . . (Continued from Page 7)

Owens, who is now a consultant for the Lincoln-Mercury Division of Ford Motor Company, capped his brilliant career with his outstanding performances in the 1936 Olympic Games in Berlin. He gained international distinction by setting Olympic Games records in the 100 and 200 meter dashes and the broad jump, and ran as a member of the winning U.S. team in the 400 meter relay.

Complete information regarding either of the two workshops can be obtained from the Men's Physical Education Department, MPE-215, 546-2546.
"Freshman Orientation -- Is It Worthwhile?" is the title of an article by Everett M. Chandler (Dean of Students), which appears in the July, 1972, issue of NASPA Journal. The article reports on a study of freshman students who entered Cal Poly in the Fall Quarter of 1969 and on their reactions to the orientation program provided for them at that time. The journal is published quarterly by the National Association of Student Personnel Administrators.

Paul Scheffer (Industrial Engineering Department) was a participant in the Joint Measurement Conference on Precision Electromagnetic Measurements held at the National Bureau of Standards in Boulder, Colo., recently. He presented a paper about the Industrial Engineering Department's newly-approved concentration of courses in measurement science and the degree program in measurement science engineering being proposed by that department.

M. Eugene Smith (History Department) attended the annual Pacific Coast Regional Conference of the Association for Asian Studies at Pacific Grove last month. Boris Zanegin, a member of the Academy of Sciences of the USSR, presented the keynote address on East Asian Studies in the Soviet Union. The three-day conference stressed recent developments in the People's Republic of China.

Paul Cone (Business Administration Department) has been selected as guest speaker for the Professional Development Program of the National Institute of Real Estate Brokers. He will conduct management development sessions in New Orleans, Colorado Springs, and Lake Geneva, Wis., before the program ends. Dr. Cone, who has also been designated to develop the National Management Examination for national accreditation with NIREB, is also scheduled to address a session of the annual conference of the farm and land brokers, which is being held on campus this week.

Dieter Ackerknecht (School of Architecture and Environmental Design) is the author of several articles published recently in Bauern & Wohnen, a Swiss and German information architectural magazine. They include "Columbus, Indiana, The Athens of the Prairie?" a report on a small town with concentration of outstanding contemporary buildings (March, 1972); "The Mobile Home -- The First Successful Step Toward the Modular House?" an article about the success of the mobile home (April, 1972); and "Public Recreation Areas and National Parks in the U.S.A.," which was written with Robert Linder (June, 1972).

John P. Carney (Social Sciences Department) is completing an anthology titled Nation of Change: Forces, Issues, and Prospects, which will soon be published by Harper and Row Publishers. It will accompany his recent book, Nation of Change: The American Democratic System. Dr. Carney, who became a member of the Cal Poly faculty at the start of the present quarter, is also researching for a paper to be read at the eighth Congress of the International Political Science Association to be held in Montreal.

Richard C. Carlston (Welding and Metallurgical Engineering Department) has been recommended for membership in the New York Academy of Sciences, according to a recent announcement from the academy. With more than 26,000 members representing every scientific discipline, the academy has 19 different special interest sections. It has members located in all 50 of the United States and in 94 foreign countries.

(Continued on Page 10)
James Lau and Olaf Isachsen (both Business Administration Department) recently conducted a workshop titled "Better Communications in the School System" in Lompoc. The workshop was sponsored by the Lompoc Unified School District. Both Dr. Lau and Dr. Isachsen joined the university faculty in 1971 after having had extensive experience in business and industry.

Robert J. Brown (Biological Sciences Department) has been informed by University of Toronto in Toronto, Ontario, Canada, that all requirements for his Doctor of Philosophy Degree have been completed. Dr. Brown joined the Cal Poly faculty in 1969 after having been a teaching and research assistant at California State University, Los Angeles, and Arizona State University.

Ed Zuchelli (Journalism Department) attended the annual convention for community and four-year broadcasting instructors in Fresno recently. Articulation between two and four-year colleges and universities, student acceptance processes at four-year schools, content analysis of broadcasting courses, and employment realities in the broadcasting industry were all discussed during the two-day gathering.

Roger L. Keep (Industrial Technology Department) has completed all of the requirements for his Doctor of Education Degree at Utah State University. A member of the Cal Poly faculty since 1968, Dr. Keep is also a graduate of Church College of Hawaii and Stout State University in Wisconsin.

FRENCH STUDENTS WILL SPEND THREE DAYS ON CAMPUS

Sixteen students from France will spend three days on the campus of Cal Poly as part of a tour of California. The students are travelling under auspices of the U.S. Department of State. All interested in political and sociological problems, the students will be housed in a campus residence hall at Cal Poly from Sunday (July 30) through next Tuesday (Aug. 1) while they visit points of interest in San Luis Obispo County. The touring group will include 10 men and 6 women.

33 COURSES INCLUDED IN SECOND SESSION OFFERINGS

Thirty-three courses in such subjects as art, education, English history, home economics, physical education, psychology, and statistics are being offered during the second session of the 1972 Summer Sessions at Cal Poly. Registration for the four-week-long session, which will end on Aug. 18, took place yesterday and classes began this (Tuesday, July 25) morning.
COMING EVENTS

Farm Brokers Conference -- Monday through Wednesday, July 24-26, all day, Student Dining Room West. Annual workshop and conference of farm brokers from throughout the state; sponsored by the California Farm Brokers Association and hosted by the Cal Poly Agricultural Management Department. By registration in advance.

Poster Display -- Tuesday, July 25 through Sunday, August 6, all day, Julian A. McPhee College Union, Room 221. Exhibit of posters of the 1890's featuring graphics and printing techniques of the period; sponsored by the Fine Arts Committee of Cal Poly's Associated Students, Inc. Public invited.

Film Classic -- Wednesday, July 26, 8 p.m., Cal Poly Theater. Showing of Throne of Blood, a motion picture starring Toshira Mifune; sponsored by the English Department. Faculty, staff, and students invited.

Drama Performance -- Friday, July 28, 12 noon, Walter F. Dexter Library Lawn. Commedia dell'arte performance by a troupe of drama students from University of California at Santa Barbara; co-sponsored by the Fine Arts Committee of the Associated Students, Inc., and the School of Communicative Arts and Humanities. Public invited.

Drama Performance -- Friday, July 28, 7 p.m., Walter F. Dexter Library Lawn. University of California at Santa Barbara drama students will present a performance of the drama Tragicall Historie of Dr. Faustus; co-sponsored by the Fine Arts Committee of the Associated Students, Inc. and the School of Communicative Arts and Humanities. Public invited.

Old-Fashioned Band Concert -- Saturday, July 29, 7 p.m., Cal Poly Amphitheater (adjacent to the Music, Speech and Drama Building). Old-fashioned band concert presented by the Cal Poly Summer Symphonic Band under the direction of Graydon Williams; sponsored by the Music Department. Public invited.

Women's Physical Education Workshop -- Sunday, July 30, through Friday, Aug. 11, all day, campus. Workshop for women who are physical education teachers in schools throughout California; jointly sponsored by Cal Poly, California Association for Health, Physical Education and Recreation, and the State Department of Education. By registration in advance.

Mozart Festival Concert -- Thursday, Aug. 3, 8:30 p.m., Julian A. McPhee College Union Chumash Auditorium. Opening concert of the San Luis Obispo Mozart Festival; sponsored by the San Luis Obispo Mozart Festival Association and hosted by Cal Poly's Associated Students, Inc. General admission tickets - students, $2.50; all others, $3.50.

Mozart Festival Recital -- Friday, Aug. 4, 3 p.m., Cal Poly Theater. Program featuring Malcolm Hamilton and Ronald V. Ratcliffe in a recital of works for two harpsichords; sponsored by the San Luis Obispo Mozart Festival Association and hosted by the Cal Poly Associated Students, Inc. Public invited.

Mozart Festival Concert -- Friday, Aug. 4, 8:30 p.m., San Luis Obispo Mission. Religious works presented by the Mozart Festival Chorus conducted by John Russell; sponsored by the San Luis Obispo Mozart Festival Association and hosted by the Cal Poly Associated Students, Inc. General admission tickets - students, $2.50; all others, $3.50.

(Continued on Page 12)
COMING EVENTS . . . (Continued from Page 11)

Mozart Festival Recital -- Saturday, Aug. 5, 3 p.m., Cal Poly Theater. Music for Ren­
aissance and Baroque instruments featuring Ken and Nancy Roth assisted by Ronald V.
Ratcliffe; sponsored by the San Luis Obispo Mozart Festival Association and hosted by
the Cal Poly Associated Students, Inc. General admission tickets - students, $1.50;
all others, $2.50.

Mozart Festival Concert -- Saturday, Aug. 5, 8:30 p.m., Julian A. McPhee College Union,
Chumash Auditorium. The Los Angeles Woodwind Quintet will be featured; sponsored by
the San Luis Obispo Mozart Festival Association and hosted by the Cal Poly Associated
Students, Inc. General admission tickets - students, $2.50; all others, $3.50.

Mozart Festival Recital -- Sunday, Aug. 6, 3 p.m., San Luis Obispo Mission. Concert
featuring Henry Slegl and Rebecca Brooks will present Bach's Concerto in D minor for
two violins; sponsored by the San Luis Obispo Mozart Festival Association and hosted
by the Cal Poly Associated Students, Inc. General admission tickets - students, $2.50;
all others, $3.50.

Men's Physical Education Workshop -- Monday, Aug. 7, through Friday, Aug. 18, all day,
campus. Workshop for men who are physical educators and athletic coaches in schools
throughout California; jointly sponsored by Cal Poly, California Association for Health,
Physical Education, and Recreation, and the State Department of Education. By registra­
tion in advance.

Art Exhibit -- Thursday, Aug. 10, through Tuesday, Aug. 22, all day, Julian A. McPhee
College Union Room 221. Paintings in oil by Annie Lenney, landscape painter from New
Jersey; sponsored by the Fine Arts Committee of Cal Poly's Associated Students, Inc.
Public invited.
