Parking fees increased

by KATHLEEN BEASLEY
Editor

Parking fees will be raised to $1 per quarter at the California Poly
Quarter in the state university and college system.

The decision was reached Wednesday at a trustees
meeting in Los Angeles. In ad-
dition, the trustees approved the
concept of consortium, or system
wide, education.

The $1 per quarter increase in
the parking fee was termed
necessary by Vice Chancellor
Dale Hamner because of the
increase in operating costs and
the expense of building additional
facilities. The trustees, opposed the
Increase. Making on behalf of the college
presidents, opposed the increase.

New drug abuse bureau
set up by Pres. Nixon

WASHINGTON (UPI) -
President Nixon proposed
Wednesday to combine the
fragmented antidrug efforts of a
eighteen federal agencies into
a new Justice Department
division strong enough to battle
"a remorseful, elusive, world-
wide enemy"-the underworld
narcotics trafficker.

Mexiko Study

Students whose grades have
qualifed them for a place on the
Dean's list may be eligible to
study in Mexico City at the Elber
Americanins University for the
1974-75 academic year.

Ten students will be selected to
participate in the International
Program for Mexican Students
and the American University
College.

Interested students may secure
applications at the Office of In-
ternational Education, Tanaya
Hall, Room 186. The application
deadline is April 1.

What the trustees are
proposing is to levy another
burden on students and to
charge them $1 per quarter
upon who are now existing on a relatively low in-
comes basis," Hamner said.

Baggett also pointed out that
many students had worked on
behalf of SB 146-a bill passed
last year which returns half of
the revenues from campus parking
tickets to the college and
university system-in hopes that
the $800,000 raised
would make a fee increase un-
necessary.

"The passage of the increase
will be a step in the face to the
students who worked admirably
for the betterment of the
system," Baggett said.

Trustee Winold H. Lancaster,
however, said that the $1 per
increase could hardly be viewed
as burdensome.

Ray T. Brophy moved that the
item be labeled until exact figures
for revenues provided by SB 146
and an explanation for increase
and cost were available. But
Hamner urged its immediate
passage, saying, "We feel it is
inevitable and that it is desirable
to do it now. We urge the board to
take action now, so that the in-
crease may be levied in fall."

The increase is expected to
raise $850,000 per year.

The trustees voted to move
awards to a consortium system to
better utilize the faculty and
program resources. Under this,
the college and university system
will be a slap in the face to the
students who worked admirably
for the betterment of the
system," Baggett said.

"Arts and Humanities 71-73" will take the "humanist"
position and Dr. Duran, a historian in the philosophy department.
"Humanities debate set will be held the
American University Room 310 at 11
a.m. The public is invited to
attend this free program.

ASI election

Filing, campaigning, and
elections dates were announced
for the ASI 1974-75 elections at
Wednesday night's Student Af-
fairs Council meeting.

Filing for candidates begins on
April 11 and ends on April 28.
Active campaigning begins on
April 13, and the elections are
being held on May 9 and 10.

If you have been wondering
whether or not you would fit into
the vast field of medicine or
medical technology there is an
opportunity this quarter to find
out. A new experimental course,
BIO 558X, is being offered for
the purposes of involving medically
oriented students in paramedical
volunteer work.

The idea of a paramedical
volunteer program originated
with Dr. David Hafemeister, a
physician instructor, who
organized the program into a
comprehensive course. The job has been com-
pleted and the course is
available.

Three medical facilities are
involved with the student volunteer program: San Luis Obispo General Hospital, the
Community Mental Health
Center, and the Morro Bay
Huntington Convalescent Home.

"Science and Humanist: Who
Really Loves Man?" will be
debated topic Thursday, Mar. 31
at 5 p.m. in the philosophy
department, and will take the "humanist"
position.

Dr. David Hafemeister, a
physician instructor, will take the
"intellectual" position and Dr.
Malatakus Dunson, an instructor
in the philosophy department,
will take the "humanist"
position.

"Science and Humanist: Who
Really Loves Man?" will be
debated topic Thursday, Mar. 31
at 5 p.m. in the philosophy
department, and will take the "humanist"
position.

This is a feather. It is known as "down." In the mountain-climbing business, this feather comes from a goose or duck. During the waterfowl "limited" season, it keeps your warm. After that time it helps keep people warm.

Sleeping comfortably in the out-of-doors is not an easy task. But with the right sleeping bag it can be a continuing, blissful experience—second only to (but probably responsible for) your exciting daytime hours on the trail.

Maintaining warmth, the primary job of down. Inside a sleeping bag it forms an insulator which keeps your body heat inside, and thus keeps you warm.

Because of the many design characteristics of sleeping bags (such as "loft," "baffling," and "cut") and the many brands available, we have made a flyer to explain more fully the advantages of choosing a sleeping bag. We want you to know everything about sleeping bags (except the pleasure of sleeping in the perfect one for you) before you buy any bag. Please stop by our store and pick one up.
Blood donors needed

A blood drive to replenish this university's blood bank will be held from 9 a.m. to 3:30 p.m. today in Chumash Auditorium. Sponsored by the Block P Society, the annual drive was organized to raise at least 100 pints of blood to be used by students, faculty, staff and their dependents.

Dr. Buccola, Block P Advisor, passed the word to and faculty and student the need for blood to be donated. The drive is sponsored by the Block P Society of the International Student Department, and will be held in the auditorium of San Luis Obispo.

Guatemala Night

The International Student Department of the Women's Club will present the fourth in a series of monthly programs of cultural exchange this Friday.

Guatemalan Night will be the occasion at 8 p.m. in Tenaya Lounge, when international students from Guatemala on this campus feature slides, snapshots materials and costumes typical of their native land.

Main host for the event will be Mr. and Mrs. Frank Zuniga, who will provide many of the items to be presented. Zuniga will be joined by other Guatemalan students in the presentation.

Rice tea known as Orehata and oaks made from rice flour called Guatemalan Night will be served. The station's coverage of Poly Royal, student affairs and community affairs, Ruognita announced that a broadcast will be held tonight at 7 p.m. in Graphics Communications Building Room 106. He urged all students enrolled in journalism 401 as well as others interested in working at the station to attend this meeting.

Broadcast hours for KCPR will be from 7 a.m. to 1 a.m. daily.

Macrobionatics free lecture

Mr. Herman Alhara, a longtime student of macrobiotics, will present a free lecture on the subject Thursday, March 18 at 9 a.m. in the Newbornes School Auditorium of San Luis Obispo.

Alhara is president of the Georges Ohshawa Macrobionatics Foundation of San Francisco and is an expert on Eastern philosophy.

Scholarships

The deadline date for submitting applications for scholarships for 1980-81 is April 1.

Applications and necessary forms are available in the Financial Aid Office, Administration 107.

Paramedical class...

According to Dr. Richard Nelson, head of the Biological Sciences Department, this course will provide participating students with experience in several medical services and will therefore better prepare them to choose the career for which they are best suited.

All students interested in the paramedical program may add the course during the first class meeting Friday, March 19 between 4 and 6 p.m. in Room 89 of the Science Building.

TENNIS PLAY

Fresno and UCSB here

Pre-season competition comes to a close this weekend as the Mustangs face teams from Fresno State Saturday (10 a.m.) and UC Santa Barbara Sunday (1 p.m.). The locals take a 64 season record onto the road this week after dropping a match to San Jose State Monday 6-1 and to Cal State Monterey-Monday 9-6.

At San Jose, Mustang numbers oned player Dan Lambert was the only local to record a win, defeating Spartan Andy Mattel 7-5, 7-4. In the singles competition, Mustang Harold Errett lost to Terry Signer 7-4, 6-1, Errett dropped out early due to illness.

Tourney action for golf squad

The 44-hole event includes the Mustang golf team during the first annual Pacific Invitational today and Friday at the Sandpiper Golf Course in Oxnard. The second annual event includes teams from 18 colleges in the western United States. Entered are: California State, Fullerton, Long Beach, Los Angeles, Northridge, and San Diego State Universities; UCLA; UC Irvine; UC Santa Barbara; UC Riverside; UC Berkeley; UCSD; Stanford; University of Arizona; University of California; University of Colorado; University of Oregon; and United States International University. The Mustangs will meet the Roadrunners during the first round robin California Collegiate Athletic Association tournament to be held April 8, 9 and 10 at Cal State Northridge.

All home matches are played on the courts behind the Men's Gym and spectators are encouraged to attend the matches at no charge.

Mustang tennis ace Harold Errett takes aim in preparation for weekend's competition against Fresno and UCSB.
