Conquering high costs of construction
A definition for Man

John Jennings, a philosophy professor, gave more thoughts on the man during final week. He said, "Man the series that is now a six-year-old adds to the total university by adding a necessary ingredient to the fields of technical knowledge.

Jennings, conductor of the University Singers, finds any music will fit into the theme of his series. It's right.

Twice Charles Jennings has done the design for the quarter and program of the series without knowing what the quarter's character was and found that the design fits the theme with uncanny accuracy. He's right.

By the definition of the word, the humanities have the universal concern for all men. One thought that involves man involves all men. And this writer found that each part of the series became the basis of dinner conversation on more than one occasion.

Who is man? After the series you could see man as a person who is wary of reason, open to debate, ever changing and growing and is mystically induced. But that isn't a good answer, is it?

In updating the statistical data sheet which appeared on page one Friday, the answer of 1% per cent change was overlooked. It should have been corrected to read "plus 0.25."
Library will lengthen hours

by MERRILL McCARTY
Daily Staff Writer

Cal Poly library may be crowded, but students will be
getting some compensation.

Starting Dec. 6, the library will be open eight hours
more than any other library in Cal State system or
Colleges system.

Dr. Norman Alexander, the library's new director, deci
ded to expand library hours with the consent of
library employers.

"This is the most crowded library I've ever seen," Alex
ander said. He believes more library hours will help
with space problems.

The expansion of hours does not include the whole
library. The additional hours refer to the reserve room, a

Netters divide and greens win

by SCOTT CRAVEN
Daily Sun Writer

Before a sparse crowd of 200, the Cal Poly basketball team gave the fans what they paid for tonight and the rest of the season might be like.

Using strength on the boards and a quick offense, the green team defeated the white team, 99-74, in the intra-squad game Thursday night.

The white team grabbed the opening tip but that was all they controlled. The green team opened up a 10-point lead half way through the first half and the white team couldn't get any closer.

The green team came out in the second half with a 10-point lead, a lead they would soon lengthen. With 12:05 remaining in the game, the white team took out Andre Keys, who had 14 of his game-high 10 points.

This was all the green team needed as they scored out the white team 18-2 in the next two minutes.

But Keys' presence didn't hamper the momentum. In a strong five minutes, green put 12 points on the board while holding white to 4.

The white team couldn't get any closer.

This was all the green team needed. It was a very exciting team this year.

"But I'm lure there wasn't much interest in an intra-squad game. I hope we'll draw more with our opening game against San Francisco State on the 29th."

Based his thoughts on the game, Wheeler commented on what the season may have in store for the Mustangs:

"We'll be playing nine or 10 men a game, but right now I don't exactly know how we'll do. We're up against four division 1 teams.

Although Wheeler thought well of the team, he did not have the same thoughts on the crowd.

"The Lust of the crowd was not as I expected, said Keys. "I hit two or three jumpers and got in the groove. Everything came to me as the game went on and I just started rolling."

The green team defeated the white team, 99-74, in the intra-squad game Thursday night.

"I was very pleased with the way the team played tonight," said Head Coach Emmie Wheeler.

"We've been playing nine or 10 men a game, but right now I don't exactly know how we'll do. We're up against four Division 1 teams, so it will be a hard battle."

"I'm disappointed in the turnout," said Wheeler. "It's a shame as we thought much interest in an intra-squad game. I hope we'll draw more with our opening game against San Francisco State on the 29th."

The affair is scheduled between 6:30 and 9 p.m. and will be held in the lobby at Great Western Savings and Loan. Cal Poly Western is located at the corner of Chorro and Pacific, downtown San Luis Obispo.

In announcing the event, Harry Henderson, chairman of the next option sale committee, said "we will only display several types of chair seats similar to those that will be installed in the renovation of the west side of Mustang Stadium."

Since state monies are not available for such facilities it is necessary to finance the proposed renovation through private donations.

One phase of the fund raising campaign is the sale of 10-year options to buy season tickets in the seating area.

"This will be an opportunity for prospective seat option buyers to see the entire scope of the project and afford chance to sign pledges which will help fund the project," Henderson said.

"We will have the people on hand who can answer any technical questions about the renovation project its financing but about the Mustang football program, the future of Cal Poly athletics," Henderson said.
Gridders wipe Aggies out in 26-14 victory

by CRAIG REEM
Daily Sports Editor

Something special was in the air Saturday night at Mustang Stadium. Before the game, the Mustangs looked up at the scoreboard. What they did was shock the Aggies of the University of California at Davis. The final score was an electrifying 26-14.

Cal Poly could have been excused for playing with no vigor. Earlier in the day the University of Nevada at Las Vegas had won its game to assure a postseason playoff berth. But the Mustangs were not timid. They played more like Super Bowl champs.

The game did not start well for Poly’s gridders. Bob Ansari threw his first paw to dangerous Jimmy Childs. The ball ended in the Aggies’ hands as Scott Grimditch intercepted.

Poly’s next possession resulted in nothing and the Aggies took a quick lead as Rolf Benirschke kicked a 42-yard field goal.

On the ensuing kickoff, the Mustangs started a drive that would typify their prowess over an excellent Davis team. Ansari led the Mustangs downfield, calling successful running and passing plays. He called a quarterback keeper, then a pass, a pitchout, a draw play, another pass and another pitchout.

With third down on the one, halfback Jeff Jones capped a 78-yard drive with a touchdown run over right tackle.

Davis couldn’t move the ball and punted. That was a mistake. Steve Speer took the ball on a dead run and ran 52 yards to the 11-yard line. In five plays Sythell Thompson scored to increase the lead to 14-5.

Unfortunately, Davis decided to make a game of a potential rout. Quarterback Jim Speck used one play, a 61-yard bomb, to close the rating to 14-9. Speck, one of the nation’s better passers, threw 56 times for 217 yards.

But three interceptions hurt him. So did his receivers. Nearly half a dozen passes were dropped by the Aggies. Davis came out in the second half and drove to the Poly 19 before they fumbled the ball out of the end zone. After a Poly punt, Davis drove again and scored for a 27-yard field goal to make the score 14-12.

The Mustangs came right back and running back Bob Trudeau dangled the crowds as he scored on a 29-yard run. After the game, Head Coach Joe Harper commented:

“ar kids hung in there and won a hard fought football game. We made mistakes offensively and defensively but we were able to overcome them.”

The Mustangs penalized 194 yards, including back to back clipping penalties that frustrated Poly.”

Bob Trudeau is about to break loose on a 29-yard touchdown run that sealed UC Davis’ doom. Trudeau rushed for 108 yards in leading the Mustangs over the highly rated Aggies, 26-14.
