Cal Poly Students Pair Denny's, Diners to Donate Dollars

SAN LUIS OBISPO -- Raising money for local community organizations can be as easy as raising a fork for dinner, thanks to a Cal Poly student club fund-raiser and to Denny's Restaurant in San Luis Obispo.

Cal Poly's chapter of the Golden Key International Honor Society is sponsoring the drive.

Through Dec. 27, Denny's on Madonna Road will donate 10 percent of its Friday night dinner receipts to the club. Patrons wanting to participate in the fund-raiser should simply deposit their receipts in the Golden Key container at the cashier's counter. The offer is good from 5 to 10 p.m.

The Golden Key National Honor Society is a nonprofit academic honors organization founded to recognize and encourage scholastic achievement among students from all academic fields.

For more information on the fund drive, contact Val Barboza, advisor to Cal Poly's Golden Key chapter, at 756-5877.
