Get Ready To Go Crazy for 'Tomato Mania' Plant Sale April 25-26 at Cal Poly

SAN LUIS OBISPO — More than 60 varieties of tomato plants will be available at the Cal Poly College of Agriculture, Food & Environmental Sciences' annual Tomato Mania plant sale Friday and Saturday, April 25 and 26, at the Poly Plant Shop.

Murray Smith, Beefsteak, Early Girl, Green Zebra, and a selection of cherry tomato plants are just some of the varieties that will be available.

Tomato Mania is an annual Cal Poly student-run enterprise project. The 2014 program is directed by a team of six students who have grown more than 6,000 tomato plants from seed to provide home gardeners with quality plants that will produce fresh tomatoes throughout the summer.

The Poly Plant Shop is located in Building 48 on Via Carta Road and is open from 10 a.m. to 5 p.m.
