Dear Donor,

It is with great appreciation that I write this letter to thank you for your contribution to the Cal Poly Dairy Science Program, through your generous donation to the Care 4A Calf program

Your contribution has directly aided the Cal Poly Dairy in subsidizing one of its largest costs; caring for its calves. This includes feed, labor and housing for the Cal Poly calves. As these calves are the future of the Cal Poly Dairy, you have done your part in ensuring many years of Dairy Science education that are yet to come. It is with your continued support that we are able to educate the future dairy leaders of our industry.

With appreciation please accept our gratitude for your generous donation to the Cal Poly Dairy Science Program; we hope you will continue to support the program in the future.

If you are interested in further supporting the Cal Poly Dairy Science program, we ask you to take the time and look over the enclosed documents and return the commitment card at your convenience.

Sincere Thanks,

Care 4A Calf Committee
Nisa Gallichio, Committee Chairperson
