| <input type="checkbox"/> 4-year college | <input type="checkbox"/> Private business school |
| <input type="checkbox"/> Adult education | <input type="checkbox"/> Other _____ |

6. What is your major course of study? _____

7. How would you rate the training received in the agriculture program?

_____Excellent _____Good _____Fair _____Poor

8. How do you rate the career guidance and counseling you received in agriculture program?

_____Excellent _____Good _____Fair _____Poor

FFA

1. Please check the following areas you feel are valuable components of FFA.

- _____Officer and committee chairman experience
- _____Judging contests
- _____Advanced degree and proficiency awards
- _____Participation in chapter activities, working with others
- _____Livestock raising, shows, fairs, etc.
- _____Other –please describe_____

2. What were the most valuable aspects of the SAEP (supervised projects)?

- _____Learning skills related to future ag employment
- _____Development of responsibility
- _____Learning record keeping
- _____Other-please describe_____

3. Please rate the facilities and equipment in the agriculture program:

- Facilities: _____Overcrowded _____Adequate space provided
 _____Modern _____Out-of-date
- Equipment: _____Modern _____Out-of-date
 _____Well-maintained _____Poorly maintained
 _____Adequate amount of equipment for all students in class
- _____Other-please describe_____

Please note any suggestions you have for improving the Instructional Program, including the following areas: classroom, shop, greenhouse, school farm, etc; FFA; SOEP (supervised projects); teaching methods used; facilities/equipment.

Agriculture Department

Program Completer Follow-up Results for _____

The following indicates information gathered from Program Completers of the Agriculture Program

Percent of
Students agree
With statement.

Which statement best applies to the students present occupation.

- _____ I am using **most** of the skills I learned in the agriculture program at.
- _____ I am using **some** of the skills I learned in the agriculture program.
- _____ I am not using any of the skills I learned in the agriculture program.

How the students rated the training & career guidance/counseling they received in the agriculture program.

<u>Training</u>	<u>Career guidance/counseling</u>
_____ Excellent	_____ Excellent
_____ Good	_____ Good
_____ Fair	_____ Fair
_____ Poor	_____ Poor

Which activities in the FFA program that the students thought were valuable.

- _____ Officer and committee chairman experience
- _____ Judging contests
- _____ Advanced degree and proficiency awards
- _____ Participation in chapter activities, working with others
- _____ Livestock raising, shows, fairs, etc.
- _____ Other: Leadership Conference, National Convention, Overall experience

What were the most valuable aspects of the SAEP (supervised projects) ranked by the past students.

- _____ Learning skills related to future ag employment
- _____ Development of responsibility
- _____ Learning record keeping
- _____ Other: Skill gained on ranch, correct measurements, learning to work with others, solving problems.

Past students rated the facilities and equipment used at agriculture program.

<u>Facilities</u>	<u>Equipment</u>
_____ Overcrowded	_____ Modern
_____ Modern	_____ Well-maintained
_____ Adequate square space	_____ Poorly maintained
_____ Out-of-date	_____ Out-of-date
	_____ Adequate amount of equipment For all students in class.
	_____ Not adequate equipment

S.
**List of Active
Placement Sites**

S. LIST OF ACTIVE PLACEMENT SITES

Step 1 Create a list of the sites where ag students work throughout the year.

Step 2 Include addresses for your reference when making SOE visits.

Idea's Use a simple chart to fill in the information (provided).

Note Remember that both summer and school year work sites should be included.

**Industrial Technology
Department Meeting 11/5/10
Agenda**

- ✓ Budget
 - DO NOT hold on to cash in your room.
 - Discuss “program funding (fees and Block Grant).
 - Spend your money

- ✓ Make SURE you teach your **COMPLETE** course curriculum. **PLEASE NOTE:** check the pacing of your class and compare to this years calendar.

- ✓ Changes to District Course Curriculum Guide (Fees, etc.)

- ✓ Textbooks: Mandated by law that each student shall have a textbook.

- ✓ Printer supplies

- ✓ Other?

CC: Susan Pearson

Faculty/Staff Meeting

Agenda
August 19, 2010

- Energy Shutdown (PDP) Update (Non-teachers may leave)
- Update on Class Balancing/Overcrowding/Moving Students
- Update on Budgets –
- Scrolling Announcements Back Up – Read Bulletin 2nd period
- Start Date for Video Announcements??
- Faculty Handbook/Emergency Procedures – Dan and Steve
- Seizure Reminder - Steve
- Anything Else?

back so we will need to be careful how we spend. Total includes MAA money that was given to us.

Scrolling Announcements: read bulletin 2nd period. Maybe end of next week for video announcement.

Faculty Handbook (Steve) handed out today. Red Bulletin and Fire Drills will be scheduled soon.

Dan – went over Emergency Plan in handbook.

Someone asked about I (heart) boobies bracelet. Not allowed on campus

Seizure Procedures.– emailed procedure to all teachers. (see attached email) reminded teachers to call office and not call 911

MAA week – begins next week. We get 100% of MAA \$. The year before we only had 12 teachers participate and we got \$14k. With all teachers participating will be more money for our site.

CSF – Larry Grimes asked everyone to remind students about CSF.

Peer Resource – Debbie Mitzman announced that it will be up and running next week.

Meeting adjourned at 3:03

Faculty/Staff Meeting

Agenda
September 27, 2010

- Blood borne Pathogens – Loretta Tefertiller
- Accountability and Finding You During Prep/Subbing
- Check e-mail at start and end of every day
- New evaluation forms
- API – 4 points up
- MAA
- Lobo Gold
- STAR
- Anything Else?

Faculty/Staff Meeting

**Agenda
October 25, 2010**

- Personnel Update – Don Halseth/Margaret Barnett
- MAA – Training – Francisca Montes
- Turn-it-in.com – Christina Young
- Parent Connect – Term 2, Semester 2, Guinea Pigs, All Grades
- Posting Grades & by I.D. Number
- Ineligibility List – Extremely Low Now, But Next Time??
- Theft of School Property At Home
- IKON Printer Transition
- Hat Policy – and Phones/Music Players
- TV's – ON during video announcements (time already allowed)
- Anything Else?

Advisory Committee/ Program Plan

The Advisory Committee will review, discuss, and revise the program plan annually.

September 2006

Advisory Committee
Service Years

One Year (2006-2007)

Larry Paulsen – San Joaquin Delta College

Ed Lucas – Garton Tractor

Annette & Skip Dutra – Dairy Farmers

Two Years (2007-2008, 2008-2009) - Present

Bill Van Ryn – Van Ryn Brothers

John Mendes – Modesto Junior College

Roger Thompson – Hydraulic Control

Randy Mohler – Stanislaus Farm Supply PCA

Amy Cambra – Cen-Cal Services Inc.

Jim Moore – Farm Manager Classy Grass

Ed Hoogeveen - Parent

Scott Long

2010 - 2011

Ed Hoogeveen - parent & farmer

Scott Long - Long's Ranch

JT Owensby - Parent (Tuff sheds)

Allen Wood - Calif. Welding Supply

- 11) Next Meeting_____Adjournment

Advisory Meeting.

June 2010

Agenda Items:

1. Fair Updates- Price Support System. Ag Boosters will support at the county fair. Checks will be hand delivered to all students in Septmenber.
2. School farm update- Pat Ariaz reported that the status of the school farm is “right on schedule”.....several changes were made to the original plans. The Hog barn floor was re-done, Sheep barn had to add “equipment” costs, and Beef barn was altered a bit too....
3. Ed Hoogeveen added that JT Owensby would like to be a new member on the committee.....we welcomed JT to the advisory committee.
4. JT Owensby would like to see if Tuff Shed would like to make a donation for our Program or see if there is any way that they could help our program obtain more storage in our facility area.

5. Amanda Gardner was welcomed back from Maternity Leave.

6. FFA Students attended this Advisory meeting to give a quick report on county fair. We are very proud of their accomplishments.

7. Next meeting is scheduled for Fall, 2010.

Sierra-Manteca FFA Advisory Committee Meeting
December 19, 2010

Minutes

Meeting started at: 3:00 pm

Adjourned at 4:30 pm

Introduce Teachers- Introduction was made by Pat Araiz. Each teacher introduced themselves, courses taught and a brief overview of their plans and activities that are to be covered this year.

Teacher's Present- Amanda Gardner, Pat Ariaz

Welcome Guests- Guests included Allen Wood, Lucy Glover, Scott Long, and Erin Nickels.

Overview-

Program Outline-

- Amanda Gardner gave a report on Floriculture Classes being taught this year, Agriculture Science classes, and explained that this year for the first time; Sierra High School has adopted an Ag. Biology course. Another Spring Veggie and Flower sale is in plan for the upcoming year. She will be supervising Swine Projects and coaching a Livestock Judging Team.
- Amanda Gardner reported that she will be advising Beef projects and coaching 2 Parli-Pro teams this year. She discussed the importance of having small Ag. Mechanics projects exhibited this year at San Joaquin Co. Fair.
- Pat Ariaz reported on Ag Welding class numbers and class projects to be covered in the upcoming year. This year Sierra High Ag Dept added a course of Ag. Wood. Pat stressed the importance of students gaining hands-on technical skills while going through our program. Pat will be advising Sheep and Goat projects for this year.

FFA Activities- Amanda and Pat reported on the accomplishments of the Christmas Parade District float. The School Farm Corn Maze was

discussed and that over 1300 students toured the farm facilities the month of October, 2006. Amanda gave reports on Opening and Closing Team Contests, Greenhand Conference which is scheduled for February 2007, 7

Minutes:

Meeting called to order at 4:05pm in room 67 of Ag dept. Pat Ariaz began by stating all the changes being made in the Ag department this spring. Amanda Gardner gave an update on the production of crops and plants in the greenhouse. Student projects are being grown and will be exhibited at the country fair in June. Such projects include squash, beans, tomatoes, and other various crops. Amanda Gardner asked about the possibility of more storage and possible putting up a storage shed next to the floriculture fridge for more storage of greenhouse supplies and FFA supplies.

Pat Ariaz informed the member of the new Lathrop High School and that Sierra members look forward to working with them in the future.

School Farm plans are well under way and will be developing in late summer. ROP shop classes, Veterinary Science and Crop Science are possible classes that will be taught at the new school farm facilities. Students will gain experience and utilize record books to upkeep their projects.

The Bill Long Award will be presented by advisory member, Scott Long at the awards banquet. Scott was asked to be present to present the award.

John Cambra, member of the community and friend of the FFA will also have an award named after him and presented at Banquet.

Teacher, Pat Ariaz gave a report about current shop and Ag. Mechanics projects that will be exhibited at the county fair.

Ed Hoogeveen, member of advisory committee, asked if he may remain on the committee after his son graduated high school. We welcomed his concern and accepted him to remain on the committee.

Pat Ariaz reported that the grant that Amanda Gardner had worked on for the "concession trailer" had been turned down by the State. Funding was low this year for the grants, so we will reapply next time.

Meeting adjourned at 5:05pm.... Next meeting: Fall 2011

MANTECA UNIFIED SCHOOL DISTRICT
District Ag Advisory Committee Meeting
March 8, 2011
Minutes

Present

Pat Ariaz, Amanda Gardner, Dani Ariaz, Mark Chaffin, Jaime Sanchez, Kristen Buck, John Hopper, Tristyn Silva, Amanda Koslow, Michael Garr, Clara Schmiedt, Jason Messer, Mike Harnden, Marty Harris, Ben Gibbons, Allen Wood, Gene Youngblood, Roger Thompson, and Ryan Costa.

Comments

Roger Thompson asked if he could get some pictures of the students at the new School Farm.

Pat Ariaz said he approached JM equipment as they are in dire need of a forklift. They would like a diesel. They may be able to help with the program. We would work out a deal where we would paint their equipment in return for the equipment.

Ryan Costa reported that Pat Ariaz tendered his resignation effective at the end of this school year.

Chicken Project

Jason Messer informed that the old sheep barn had been converted into a chicken castle. Eight students are currently involved with the chicken project. The students have to be in FFA. Brahmas are being raised. The coop has just been finished. Jason took on this project early in the year. He said he is realizing that the teachers do a lot of work.

Construction Update

Ryan said we have a timeline for the shop equipment and he ran down the latest updates to the new School Farm as follows:

- They are waiting for Airgas to fulfill the rest of their obligations. No support from Airgas has been received as of yet.
- The hog barn equipment is being installed. The goat and sheep barn are next in line to be done. Kim Ketchum is installing the equipment for the barns. The beef barn will be last.
- The greenhouse is still out for bid. We have collected three bids. We have \$51,000 allocated and two came in at \$98,000. The last one came in at \$52,000. Michael Garr said we should have a fully functioning greenhouse by the end of the summer.
- The paint booth will be done in the next 4 – 6 weeks. We are just waiting on the permits.
- Pig feeders are here.
- The electrician has finished up the hog barn.
- Vet. Tech class will hopefully come to the farm for 2012-13. Ag Shop, Entrepreneurship and Farm Skills will all be held out at the school farm next year, along with an ROP Administration of Justice course.

High School Updates

- Weston Ranch – Amanda Koslow reported that they just got a metal bender and are getting custom orders from the community. They are working on the school garden and just got a bid for the fences. They have all the wood for the raised flower boxes. Next year, they will be working on shading. Farm days are coming. At a fundraiser, they won a welder. John Hopper added that their group had a first and third place in the state when they were in Arbuckle in the Ag Mechanics division. Additionally, the Ag Mechanics team is going to Merced College so they are earning credits at night. They are collecting

soda pop tabs for recycling, doing a cookie dough fundraiser, working on their greenhouse, and working on a plant sale.

- Manteca High – Tristyn Silva informed that Mark Chaffin has a horticulture class that is coming along nicely. They are redoing their greenhouse and working on the shading. Their banquet is coming in April. Floriculture has been approached to do flower arrangements and some of the elementary schools are getting flowers from them for their dances.
- Lathrop – Jaime Sanchez said they are doing a lot of community service work. They partnered with the Lions Club and are working with the speech competition. They will be starting a new project. Right before the fair, they will be going to Kentucky to get trained.
- Sierra – Amanda Gardner stated that one of their 9th graders qualified for the public speaking contest. They are also focusing on community service and are doing a campus beautification project, along with a drive-through BBQ fundraiser. Their greenhouse is in full production. They are getting prepared for the fair. Veggies will be submitted, along with various animals.

Farm Projects

- Veggie Express is doing very well other than this last month due to the weather. Ryan said he had to shut it down for 3-4 weeks. He was down to 6 student workers and they had been making about \$25/hour for their consistent work (4-5 hours a week after school). One of the students built an orchard float which made about \$1600. Veggie Express has paid about \$3500 to MUSD for the loan they received to start the project.
- Rabbits – Dani Ariaz said they went to a rabbit seminar on February 19 and on February 26 they went to a rabbit show. They have been pretty busy with the rabbits. The students are not making much money raising their rabbits. They work all year and only make about \$50. Pat said they should start a booster club.
- Pheasants – John Hopper said that Thunderhill bought about 100 of their pheasants and they will have another batch coming in May.
- Montadale Project – Jaime Sanchez reported that they are currently weaning all the lambs off of the ewes and are gearing up for the Nationals. They will go back to Missouri this summer and will be taking 5 students with them. They will be selling some of the animals, which will pay for part of the trip. Pat revealed that the Montadale Association partnered with our district about 17 years ago. He believes they will win a national championship this year. It is the biggest show in the U.S.

IBGA Goat Show

Pat declared that the IBGA Goat Show will be held at the new School Farm for the first time this year and they will train people on how to judge goats. It will be hosted by MUSD and Friends of the Montadales. They will do all the concessions, which will help raise money for students to take a trip. They will put on a showmanship and will be doing carcass evaluations. Tracy H.S. will buy all the carcasses to make jerky. Agencies from all over will be coming to this event. Jaime is taking all the entries. This will be the first time this show has ever been done at a high school.

Planet Party

Tristyn Silva disclosed that last year was our first Planet Party. They discuss Ag conservation and teach sixth graders how to be environmentally conscientious at the Planet Party. Tristyn is the co-chair of this annual event, and she is looking for presenters and exhibitors for this student field trip. If anyone is interested, they need to contact her for more information. This will take place on May 5, 2011 at the District Office in the transportation area.
