## RATHER THAN TAKE A RISK IN TODAY'S STOCK MARKET, CHARLES DANA IS INVESTING IN CAL POLY'S FUTURE.

**CHARLES, A PROFESSOR EMERITUS OF** computer science, has added security to his retirement years and, at the same time, is generously supporting Cal Poly by establishing charitable gift annuities.

In exchange for his gifts, he is guaranteed income for life. And in times of economic uncertainty, he takes comfort in these reliable payments. Deferred gift annuities are also a great option for younger donors who would like their annuity payments to commence during their retirement years.

"It's another way of adding to things I can't outlive," he says. Through his work in the classroom and his charitable commitments, he is investing in our students – now and into the future.
