CAL POLY ALUMNI ASSOCIATION

First crafted in the 1980s, *Mustang Flight* has been recast by renowned Western sculptor and Cal Poly professor emeritus Roy M. Harris and again made available exclusively for alumni and friends. Only 200 of the original 300 limited edition bronze sculptures are available. Once these are gone, the mold will be broken.

All proceeds from the sale of *Mustang Flight* will be added to an endowment supporting student scholarships. The sculptures will be accompanied by a letter of authenticity, and the purchaser's name will be permanently displayed at the Albert B. Smith Alumni and Conference Center.

The cost for this memorable piece of art is \$1,300. Contact the Alumni Relations Office at 1/888/CAL POLY to order.
