Subject: ACTION OF ACADEMIC SENATE, DECEMBER 3, 1985

This will acknowledge your memo of January 8 with which you transmitted the actions of the Academic Senate on December 3 relative to General Education and Breadth Requirements and the Resolution on Disabled Students.

With regard to the General Education and Breadth Requirements, those are being forwarded to the Provost/Vice Provost in accordance with the General Education and Breadth Administrative Procedures agreed upon in 1984.

My interpretation of the resolution regarding Disabled Students is that it is a reaffirmation of existing California State University and Cal Poly policy which I fully endorse. I likewise am forwarding that resolution to Provost Fort, with a copy to Russ Brown, with the request that he share the resolution with the School Deans and others as he deems appropriate.
