GIRLS. GIRLS. GIRLS.

This series was inspired by my love for fashion while also emphasizing the beauty in all the females that I photograph. I wanted to have an all-female series because I feel like media portrays girls in the wrong way a lot of the time. I had so much fun shooting and creating a fun environment where all the models felt they could be themselves. I hope the photos make the viewers understand that these are real people and that everyone is beautiful in their own way.
