NANA’S HANDS

They say you can tell a lot about a person by looking at their hands. In my nana’s hands, I see her unwavering faith. I see the love she had for my grandfather in her wedding band.

In every line and crease, I see strength and wisdom from a woman who has overcome all the trials and tribulations life has thrown at her. Her name is Amelia Sarinana and she is 94 years old.

ONE OF ITS KIND

I like to focus on travel photography and conceptual photography. I’m interested in taking more obscure photos, creating moods when I shoot. Film photography is definitely something I like more because of the process that goes into it.
