DEERMORGAN. DESIGN EMBROIDERY

MORGAN IBARRA

Inspired by the concept of sustainability, I want to create and share art that feels fun and unique while not contributing to the world of fast fashion. Each piece is hand-embroidered on great-condition, second-hand finds. I'm studying graphic design at Cal Poly so I spend a lot of time on the computer, but hand embroidering these pieces lets me step out from behind the screen and really immerse myself in the physical art. I sell all my embroidered pieces on Instagram at @deermorgan.design and on etsy!
