GRANDMA PLAYS THE NUMBERS

MARCUS COCOVA

My grandmother was and remains to be one of the most repugnant and vile people to ever walk the Earth. She was hateful, manipulative, and abusive. From what I hear from those who knew her she had always been that way, though I doubt she was born that way.

Terrible things happen -- to everyone, and that's unfortunate, but at some point we have to take charge of who it is we're going to be. This project is a declaration of escape and a vow to be more than the awful things she put me through as I was growing up.

MY LIFE INSIDE THIS FRAME (THAT I'M TOO TALL FOR)

SILAS RUESLER

A short video stemming from experiences with depression and anxiety; exploring the space inside one's head.
