Posters as Journals

Digital art enables me to subjectively express myself, which I sometimes yearn for when doing graphic design work. This poster serves as an index of my state of mind at the moments they were created. Although abstract, my work uses typography, shape, and light to communicate specific yet tenuous moods and atmospheres that can stand in for my journal entries.

One of Its Kind

I took these photos for a friend, Kev Vanderzal, who designed the furniture in the photos. I used different setups of the furniture with the model to make it more interesting than just a simple, straightforward photo.
