

Adopted: April 26, 1988

ACADEMIC SENATE
OF
California Polytechnic State University
San Luis Obispo, California

AS-283-88/IC

**RESOLUTION ON
STUDENT PERFORMANCE EVALUATIONS**

- WHEREAS, Instructors examine their students for mastery of course material as stated in the course objectives in many ways; and
- WHEREAS, Instructors spend a significant amount of time formulating questions, problems, themes, individual and class projects, and lab experiments for their students; and
- WHEREAS, Additional time goes into the preparation and evaluation of design projects and senior projects; therefore, be it
- RESOLVED: That in-service consultations, workshops, classes, etc. for the analysis and improvement of evaluation instruments be routinely provided by knowledgeable faculty; and be it further
- RESOLVED: That the University shall provide the additional resources necessary to develop and conduct such consultations, workshops, classes, etc.

Subject: **Academic Senate Resolution on Student Performance
Evaluations (AS 283-88/IC)**

The above subject resolution is hereby approved. It is the University's intent to continue to look for opportunities to assist faculty in training for the analysis and improvement of evaluation instruments. I would also note that in addition to knowledgeable faculty being identified and used for training there may well be outside sources available as well.
