Nominees must have completed at least six months part-time student employment during the academic year, June 1, 2011 to May 31, 2012. Eligible candidates include state, ASI and Foundation student employees. Nominees can be Federal Work-Study and non-Federal Work-Study students. The honoree will be announced in April. The national winner is announced during the National Student Employment Week, the second week of April. [Print the 2011-12 OSEY nomination form online](#) (scroll down to Student Assistant Forms and click on the top link). Forms are due to Barbara Rollins in Financial Aid by Wednesday, Feb. 8. For more information, contact Rollins at brollins@calpoly.edu.

Student Financial Aid and Scholarship Deadline is March 2

The Financial Aid Office reminds the campus community and asks faculty and staff to let students know that the Free Application for Federal Student Aid (FAFSA) deadline is March 2. To apply for federal aid, state aid and Cal Poly scholarships, students must complete the FAFSA every year. Questions should be directed to extension 6-2927.

Increase in Federal Work-Study Program Usage Lead to New Limits

Because of a significant increase in utilization of the Federal Work-Study (FWS) Program, there are a limited number of students with FWS funds. We regret that no new FWS awards will be made this academic year, and, at this point, increases in existing Federal Work-Study awards will not be considered. Should our utilization level out, the decision will be reconsidered at a later date. FWS was awarded to applicants with a high need who filed a FAFSA application before the March 2 deadline. Be sure to encourage students to complete the 2012/13 FAFSA at www.fafsa.gov starting Jan. 1. Since we were unable to grant additional requests for Federal Work-Study in 2011/12, students currently on the FWS waiting list will be given priority for FWS in 2012/13, providing they meet the need requirements and file their FAFSA before the March 2 deadline.

Rideshare and Cal Poly Reach Out Through Rideshare Awareness Month

Rideshare Awareness Month – a joint program with Rideshare and Cal Poly's Commuter & Access Services – reached more than 1,000

new participants during fall quarter. Employees, students and community members alike participated in the Rideshare Awareness Month making this month one of the most successful ones yet. Rideshare Awareness Month kicked off Oct. 12, targeting the San Luis Obispo area's daily commuters. The program encouraged Cal Poly faculty, staff, students and local residents to use alternative transportation and spread the word. The program promoted all types of alternative transportation, including bus, bike, vanpool, carpooling and walking. A promotional booth at the Via Carta Mall featured giveaways, information on transit systems, biking, zipcar and many other alternative methods of transportation in the local area. The goal was to get more community members to try using alternative transportation and to recognize those who use it on a regular basis. Dennis Elliot, Cal Poly's assistant director of Energy, Utilities and Sustainability, said business travel and commuting to and from campus by faculty, staff and students accounts for almost 50 percent of Cal Poly's total greenhouse gas emissions. For more information on rideshare options at Cal Poly, please contact Commuter & Access Services at ext. 6-6680, or [visit their website](#).
