ANNUAL ISSUE 2022

.RAW Journal of Art and Design is a quarterly digital and print magazine committed to being an active source for art and design in the San Luis Obispo community. *.RAW* acts as a centralized public space for student work in photography, video, graphic design and studio art produced in the Department of Art and Design at California Polytechnic State University, San Luis Obispo.

Since its founding, as a class project in Professor Lana Z Caplan's Editorial Photography class, fourteen quarterly issues have been entirely student published. Due to COVID we were unable to print a 2021 Annual Issue. In this third annual issue, we are including selections from the previous five quarterly issues (Fall 2020 - Winter 2022).
