The following names were put forward as nominees to the Honors Council: Ron Taskey, Gil Cooke, Dan Villegas, Linda Vanasupa, Ron Mussulman, Fred Lau.

Morrobél-Sosa distributed a letter requesting an appointment to the Academic Council on International Programs (ACIP). Discussion ensued on duties of position, timing of the appointment, appointment procedures, etc. M/S/P to reappoint Martinez.

- B. **Approval of assigned time distribution for 1997/98:** Morrobél-Sosa gave introduction. M/S/P (Hannings/Labhard) to approve revised distribution list (as in agenda, with the exception of reduction of Faculty Affairs amount from 4 to 0).
- C. **Foundation Board of Directors:** Morrobél-Sosa gave introduction. M/S/P (Martinez/Hale) to allow Harvey Greenwald to complete current term in office.
- D. **Selection of a part-time representative to the Academic Senate:** M/S/P to appoint Ali Moshipour as part-time faculty representative to the Academic Senate.
- E. **Cal Poly's response to the Cornerstones report:** Morrobél-Sosa explained delay in providing compiled documents. Draft will be provided electronically so it can proceed to full Senate on October 28. Morrobél-Sosa passed out response from San Jose State University. Lewis questioned how seriously the Cornerstones project is being taken, now that Molly Broad is gone, Munitz is lame-duck, and there is only Hal Erlich (sp?) to see it through. Clark expanded on changes between the 1<sup>st</sup> draft and current draft. San Jose's 9-page response will be put on the web. Greenwald questioned status of the Review of the Baccalaureate, and whether it will be submitted at the same time? Morrobél-Sosa reported that Highsmith had indicated that it would be communicated with the Trustees, but did not say when.
- F. **Resolution on Modification to Proposal for a University Honors Program:** Clark gave introduction. AS-434-95 passed in 1995. This quarter we are trying to constitute the Honors Council. Clark elaborated on substantive changes. Bingham commented on student involvement, suggesting that 1 student should have voting privileges and 2 non-voting members. Clark was not opposed to that type of representation. Bingham liked idea of having student vote with substance. Discussion ensued on issue of students voting on curricular issues. Harrington spoke on intent of document when originally written, and indicated that Honors students tend to be very engaging and involved. Fetzer suggested friendly amendment to include 1 voting student and 2 non-voting student representatives. Martinez moved to agendaize modified resolution (died for lack of second). M/S/P to accept revised resolution as editorial changes. Discussion of names having come forward as nominees thus far. M/S/P (Martinez/Hannings) to expedite

recommendations by email. Academic Senate office will send out request for responses, with a 2-day deadline for approval of names.

- G. **Resolution on CSU Presidents' Pay Raises:** Lewis gave introduction, indicating his desire for this resolution to go to the full Senate. Labhard proposed using the word "admonish" rather than "condemn". Lewis declined. Hannings suggested combining or somehow connecting the two resolved clauses. M/S/P (Fetzer/Hale) to agendize.

VI. Discussion Item(s):

- A. **Transition calendar for curriculum/general education:** Harrington gave introduction, especially noting the need for flexibility in the transition model. This will be the model for 1998-2000.

VII. Adjournment: M/S/P (Martinez/Hale) to adjourn at 5:00 p.m.
