In Class Doodle

MADDIE STEIN | CLASS OF 2023

I like to make silly and kitschy art. I don't trust people who don't like silly things. Who doesn't like some tasteful goofiness? I wish I could major in silliness, but I think I'll do just fine in art & design. Only time will tell, so I keep asking the clock; he seems to be mute save for the chimes that mark the hour. I guess he's a little silly too.
