Mustangs Favored Over SF Gators; Poly Coaches Speak At Assembly

Harden Lauds Team Support By Rooters

Coach Sheldon Harden, first speaker at the Wednesday morning rally-assembley, predicted that the Mustang football squad has an excellent chance to win over the San Francisco Poly at the new Cal Poly stadium tomorrow evening.

"We are prepared for the San Francisco game," said Harden, "but we must keep up the same team spirit if we hope to win.

Thanking the rooters who stayed with the Poly squad through the entire game, the coach pointed out that an important factor in a team's success is the support of the student body.

With 7200 fans expected to attend the game, the team is expected to show improvement over its last Saturday contact. The home team is expected to defeat the visitors.

Still no word of wind on Poly's six drivers for the game, with the team's coach, Bob Hondo, being called to the microphone to explain his reasons for placing the players personally.

Cobblins Expected For Saturday Night After-Came Dance

Gaters and gobblins will both be in town tomorrow night as the Poly Phase club puts on its pre-Hallowe'en event. A dance will be held between the san Francisco State and Cal Poly Mustangs teams.

Cranberry gym will be decked out in typical Halloween decorations, with the dancing of the night. It will not be a costume dance, but all students must be dressed up. The dance will be open to the public at 7:30 p.m.

Apple cider and donatey are to be served in abundance with the Halloween theme. The music will be furnished by the Cal Poly band.

Campus Head Custodian Position Given Haase

Ray Haase, winner of the mattress contest, will fill the position of head custodian of the campus residence hall. Haase, who is being appointed to the position of head custodian of the dormitory, is expected to receive an increase in his salary.

With the number of students living in the dormitory increasing, the need for a head custodian is greater than ever.

White Collar Chatter....
By Betty Jackson
Congratulations to the student whose missing face back on the switchboard is now assumed by the new girl who filled the spot. A lot of white collar girls ambitious to enter the busy world of the office greeted the arrival of the new girl, Miss Betty Hanson, business manager, recently.

Dame's disgusting defeat of Tulane by motorcycle. Brrrrl

It's also to note that Hartman's smiling face back on the switchboard. Also noticed Reddick Johnny back from a few days of vacation.

Kappa Rho

Kappa Rho, the new rally club, has started a drive to increase its membership to 50 students, in order to finance a benefit program planned for the coming year.

At the Oct. 1 meeting, the club decided to divide the members up into teams of five men who will work on such jobs as lighting the "P" for every powder puff, and 50 teams, the club will be able to compete with against each other and one team having to work on both dates during the year.

Joe Kramm, president, announced that the members have decided to obtain sweaters with club insignia. The next meeting will be held at 7 p.m., Monday in room 818, Ad building.

A Word For Athletics

An analysis of the Oxy game does not turn out as depress­ ing, for Cal Poly, as does the score. The Mustangs cer­ tainly have a chance at any one of the conference games this season. Fumbling, while not eliminated, was considerably per­ fectness of the team never quitted in his desire to come out of a win in the contest.

The second two Oxy touchdowens seemed to happen almost accidentally and the visitors were not in the least abashed in their desire to score a fourth trip over the goal line before the final gun sounded. Backing back the Cal Poly team and coaching staff, therefore, would be in extreme bad taste.

The players were doing their best. It is certain that they feel a lot about losing the game than does the student body at large. Instead of panning the team, let's get behind them. They still have a chance to get a conference win or two before the season ends.

The main question we have to ask is how student body can back its team. An enthusiastic cheering section is supposed to be a tremendous help to the players—any cheering at all. I'm afraid we in the student body are not too enthusiastic, and the building up of enough neuroses to satisfy a psychol­ ogist's work will have to improve by midterms. Unscathed, that is, if you overlook a few cinch dropouts. Now he can drop only under penalty, and explain the reason for having a certain period of time for dropping courses. Dear Editor,

The position of the sign placed downtown as a way of keeping students off the campus constitutes a hazard to the motorists who stop to pick up the students. It is situated near the stop lights at the Santa Rose and Mon­ tserrat intersections, which makes it difficult for the stop for passengers as soon as the stop light.

This difficulty is increased when the red car is stopped at the road, a moving car is stopped at the street. The red car is to be moved in front of the intersection to be moved in front of the intersection. That the sign be placed in front of the recreation area, be moved in front of the intersection.

Receiving Room

By Fred Hillman

An important department of any library, large or small, is the ordering and receiving room. As Carl Polty, this department is located in the basement of the new Walter Prior Center library and is provided over by Arthur Stobbe, ex-student of the library. Stobbe has gained additional experience at several eastern libraries. Miss Parent attended Pepperdine college and has been with the Pulp library for three years. In order, he has made the department functions to order new books and number them at time of delivery. Requests for new books are generally made by instructors, students, however, may suggest new books providing the volumes could be of use to a sufficient number of other students. Parents submitting a request for any new book should have the author, title and number of pages in mind. Without the cooperation of the Cumulative Book Index, a publication which lists almost all books published, the ordering staff must check numbers of volumes before finding the requested book.

For this fiscal year, the library has paid for approximately 6,000 new books. Books are purchased through different companies. Sometimes these companies use non-duplication. Orders are filled by the cataloging department. According to Stobbe, the budget for this fiscal year is $40,000. This sum will pay for approximately 6,000 new books.

Quarterback Joe Johnson passed for two of his teams scores as the Occidental Tigers handed Cal Poly the third straight defeat, 20-7, in Friday night in Poly stadium last Saturday night. The Tigers rolled up a 20-7 lead before the Mustangs could score one in the fourth quarter. The man from Eagle Rock almost lived up to this promise as they struggled for the opening kickoff. But here Occidental took advantage of Cal Poly's Marth Rahm's recovery for the touch. But the troubles wasn't over. Vartom Rahm's kick was blocked and the Tigers recovered on the 14. Again Oxy was threatened as the Mustangs held hard and this time Rahm's kick didn't go out of bounds. Cal Poly Georgia Running

An 80 yard drive starting late in the first quarter led to the Tigers first score in the second quarter as Johnson passed to Halfback Hugh Talley at a long distance and scored three points. But the Mustangs didn't stop there. Talley passed for two of his teams scores as the Occidental Tigers handed Cal Poly the third straight defeat, 20-7, in Poly stadium. The Mustangs dominated the afternoon league, the El Torro's and the Newport High team will also fight hard to keep their place or to rise to the first place and seventh.

**Bookies Outlawed At San Diego State**

Football betting pools have definitely outlawed the campus of San Diego State. It was reported in a recent issue of The Argonaut, the school newspaper, that President Walter H. Harper has denounced this and all other forms of gambling, and he has threatened immediate expulsion for any student found with a football pool card.

"I dislike seeing students unwisely gambling on sports and the gambling racketeers," Harper stated.

"It is my duty to prevent," he continued, "the feeling of loyalty to San Diego State college and the good name of the institution from being tarnished by the gambling habits of the students.

"There are no better means of building for the varsity than through team spirit," he added. "We must not allow the campus to become a gambling den."

Alumni in the classes of '09, '19,
'29, and '49 are to be banded
in the theme for the Homecoming
parade this fall. According to the
class of '29, the theme will be held
in the Oct. 17 Inter-Club council meeting.

Craig Dinese developing the theme
will be featured in the parade e-
along with the band, cheerleaders
and song leaders. President Julian
A. McPharis will be one of the Grand
Marshall's of the parade.

The Alumni association will a-
able a special course in the winning club
float entered in this fall Cal Poly
parade.

Student Wife to Star
On Radio Theatre Show

Babe Ricker, wife of Cal Poly
student William Ricker, will star
in a broadcast of Lady Windermere's Fan. There
is no admission charge for attending
the broadcast, which will originate in studio B of Station KVI
at 8:30 p.m.

Cal Poly students are invited
to audition for the Radio Theatre
following the broadcast tonight. College credit is offered to students participating in the show, which
has a budget of the Cal Poly Radio
Club and KVI.

These shows are produced by
