President Baker Appointed to U.S.-Mexico Science Board

President Warren J. Baker will serve as a member of the board of governors for The United States-Mexico Foundation for Science (FUMEC). FUMEC was established in 1992 as a bi-national, non-governmental body, through an agreement between Mexico and the United States to promote and support scientific and technological collaboration between both countries. It is supported by an endowment fund, established with contributions from the U.S. and Mexican federal governments. For more information, visit

http://calpolynews.calpoly.edu/news_releases/2008/May/Baker.html

Campus Hosts Live Feed of Mars Landing May 25

Come witness a momentous event at Cal Poly this month, when the Phoenix Mars Lander touches down on the Martian arctic to investigate water ice. Everyone is invited to watch a live broadcast of the landing, scheduled at 4:36 p.m., Sunday, May 25, in the Cal Poly Orfalea College of Business Rotunda Building, Room 213. Cal Poly Physics Professor John Keller will give a public talk on the mission prior to the landing. Keller is a planetary scientist who worked with the Mars Odyssey spacecraft, which discovered buried water ice on Mars. His talk is scheduled to begin at 4 p.m. For more information, visit

http://calpolynews.calpoly.edu/news_releases/2008/May/mars-landing.html.

Engineering Days Summer Camp Set for July 14-18

The College of Engineering is hosting the second annual Engineering Days Summer Camp for high school students. During the week-long day camp July 14-18, campers will attend eight engineering labs, tour two local companies, hear from Chevron and NASA guest speakers, and have a day of fun on campus. Encourage any high school student who might be interested in engineering to apply at <http://engdays.calpoly.edu/>.

Employment Continued

#101685—Assistant Director, Alumni Relations, Administrator I, University Advancement, Alumni Relations, salary commensurate with experience. Open until filled.
