### Committee Names Publications Board

As this goes to press, the Student Affairs Council is pondering the recommendation made by the outgoing Publications Committee as to who will edit next year's paper and yearbook and who will serve on the newly constituted Board of Publications and Publicity Control. Paul Madge, present business manager and assistant editor of El Mustang, was the unanimous choice of the publications committee for the position of El Mustang editor. Jim Coleman, who was assistant business manager of the El Rodeo, was recommended by the committee to edit the yearbook for 1948.

To the new position, under the new constitution, of student manager of the board of publications and publicity control, the publications committee recommended John Patterson, retiring El Mustang editor. His appointment as well as those of Coleman and Madge must be approved by the SAC.

Other members of the board of publications selected by the outgoing committee, which need not be approved by the SAC, were: Don Miller, Press club representative; Emmons Blake, El Mustang business manager; Bert Fellows, printing instructor; Robert E. Kennedy, publications advisor. The board has yet to appoint a business manager for El Rodeo.

Members of the board yet to be appointed are: 1. a student at large appointed by the President of the Associated Students; 2. a faculty representative to be appointed by the President of California State Polytechnic College. The outgoing publications committee went on record as recommending that President McPhee appoint Dean Eugene Egan to the post.

### CALDWELL HEADS GAMMA PI DELTA

Gamma Pi Delta officers for the 1947-48 school year were elected at the frat meeting held May 20. Benton Caldwell is the newly elected president; assisting him are Alfred Filippini, vice-president; Anthony Amato, secretary-treasurer; Adrian Harders, sergeant-at-arms; and Arthur Gilstrap, reporter.

### SAC CONFIRMS MEN

At a special meeting of the SAC held Wednesday noon the nominations of John Wright as student manager of the Board of Athletic Control, of Gil Brown as student manager of the Board of Music Control, of John Patterson as student manager of the Board of Publications and Publicity Control, of Jim Coleman as editor of El Rodeo, of Paul Madge as editor of El Mustang, and John Lesley as chairman of the Rally Committee were approved.

### Pimentel Defeats Myer; Seaton, Othart Elected

Gene Pimentel won the election for President of the Associated Students of California State Polytechnic College last Tuesday in a runoff election which saw less than 660 students reach the polls.

The proposed Constitution and By-laws were ratified in the original balloting by a landslide majority. Tuesday's election also confirmed the recent action of SAC in setting Associate Membership in the student body at seven dollars and fifty cents a year.

Pimentel won with 855 votes against Bob Meyer, who

polled 365 votes. In the general election, held last Thursday, Pimentel had a plurality over Meyer but substantial votes for Cris Wood and Paul Madge left the issue in doubt until the balloting Tuesday.

Pimentel, a Dairy major, has Don Seaton, Crops, as his vice president, and Bill Othart, A. H., for his secretary. Seaton easily defeated Max Decker in the first election, while Othart topped Hank Meyer in the secretarial race with a substantial margin.

SAC and various clubs, classes and other organizations have, since the ratification of the new Constitution proceeded to fulfill as many of the personnel requirements for student government as is possible. Next fall the incoming government should find the way paved for immediate action in activating Associated Student business.

Pimentel, newly elected student president, is a Dairy major. In addition he won athletic fame on the football field during the past year and was Director of Agricultural Exhibits for the 15th Poly Royal. He has been well known in many extra-curricular activities here at Poly. San Luis Obispo is his home town.

Don Seaton, the new vice president, hails from Hawaii. He has been active in music, athletics, and publications.

Othart, a freshman, plunged into activities immediately after coming to Poly. His work on El Rodeo, Poly Royal, Young Farmer activities, and as president of the freshman class marked him as strong potential candidate for student office from the beginning of his campaign.

None of the newly elected officers was available for extended comment at press time. They have stated that they wish to see Poly's student government begin immediately to operate under the new Constitution.

Retiring president, Leon Garoian and the outgoing SAC have been working under top heavy difficulties to arrange the affairs of student body business in the best possible order. Their cooperation, and the cooperation of the existing committees and official groups was evidenced in the flurry of activity which heralded the ratification of the new Constitution.

### BREAKFAST WITH CARLSON

The traditional Senior class breakfast will be held at 8 a. m., Wednesday, June 4, according to Avon Carlson, class president. About 80 graduating seniors and at least one instructor from every department are expected to attend the "breakfast club" program. Assisting with arrangements for the affair are Max Kohler, vice president; Lawrence Rossi, secretary; and Allen Gardner, treasurer.

### Pimentel Takes Oath of Office at Awards Assembly Wednesday

Gene Pimentel received the oath of office from the retiring president Leon Garoian and took over the duties as president during the annual "awards assembly", which was held Wednesday at 10 a. m. on the athletic field. Also sworn in during the ceremony were Don Seaton, the new vice president, who took over his duties from Dick Lavery; and Bill Othart, who received his office from retiring secretary Ken Lucas.

### Brown to Head Musicians' Board

Musical organizations completed elections of their officers this week. Gil Brown was named as student manager of the Board of Music Control, pending approval by the Student Affairs Council. Assisting Brown on the Board will be Clint Merithew, president of the Glee club; Bob Handfield, president of the Band; and Don Lansing, manager of the Band; Bob Roney, manager of the Collegians.

H. P. Davidson was named as adviser to the board; another faculty member will be appointed by President Julian A. McPhee at a later date. President Gene Pimentel will appoint a member at large to the board from the Associated Students.

### Athletic Board Formed Wright To Be Manager

In a special session held Tuesday John Wright was selected as the student manager of the Board of Athletic Control, pending approval of SAC. Hans Hansen as president of the Block P will serve on the board as will Dr. Carl Voltmer, director of athletics. Three members of the board are to be appointed by President McPhee and Student President Pimentel. The Graduate Manager serves as ex-officio secretary to the board, and the board itself selects two more faculty members to serve on the board.

Football lettermen were: Jack Bolton, Harold Winslow, Don Dulits, Bill Bronson, Bill Hume, Bob Bennett, Joe Griffin, Al Weimers, Ozzie Dusina, Lee Rosa, Vernon Bernes, John Wright, manager; Bud MacDougall, Charles Hoffman, Marshall Samuels, Cy Hovig, Dave Cool, George Bonito, John Fitzgerald, Jim Yates, Gene Pimentel, Ray Fowler, Byron Culver and Deane Anderson.

Basketball lettermen named were Hank Moroski, Ray Ball, Roland Tillstra, Lee Rosa, Ken Andrus, Floyd Lelser, Willard Moore and

### So You Want to Leave Poly? Here's the Procedure

Students enrolling in the Summer Quarter need not check out.

Check out sheets may be secured from the Recorder's office, Room 102, at any time. Signatures from the Library and the Accounting Office cannot be obtained until June 4th.

There will be no laundry pickup after Thursday morning, May 29, until Monday, June 9. The regular Friday pickup will be made on Thursday 29.

On room check outs students go to their Dormitory Superintendent and get a check out card (blue card). This must be signed by the Dorm Superintendent on the day the student is leaving. Before checking out with the Dorm Superintendent belongings must be

packed, and the room clean. The door should be left locked when the room is vacated. Students returning in the Fall and who wish to reserve the same room or to change rooms must leave requests with both the Dorm Superintendent and Major Deuel. Reservations will be made only where a full deposit of \$10.00 is left on file.

The last step in check out procedure is to report to window 2 in the Accounting office. There the amount of charges against students for room, laundry, dairy products, etc., are determined. These must be paid before the student can leave school — unless satisfactory arrangements for payment are made with Mr. Nelson. From window 2, students go to the Cashier, turn in

room key and room card, and pay what is owed. The Cashier will determine the status of each deposit, at that time. If a student is leaving school permanently and wants his deposit sent to him, he must indicate this to the Cashier and leave an addressed envelope. If any checks, such as State or Foundation pay checks, are to be sent on, students should leave an addressed envelope with the Cashier. It would be appreciated, by the Accounting office, if these people with dairy or other types of accounts, who are leaving school for at least the Summer Quarter, would not use those accounts during the few days in June during which they are going to be here.

## Bowing Out

This is "30" for the year, dear readers. I want to thank you for your interest and comments in El Mustang. It has been a wonderful experience to act as editor, and if you readers have enjoyed any part of the paper during the year, I'll feel well repaid for the work. It has been fun.

El Mustang would never be possible if it weren't for the staff. I haven't space to name names. However, the list is already printed in the masthead. Thanks a lot to all of you.

### CONGRATULATIONS

Congratulations to next year's Student Body Officers. It was a great battle. We think that all of you will do a fine job next year, and we're happy we are going to stick around and watch Poly's progress under your leadership.

We are particularly happy that you, the students, have ratified the new Constitution and By-laws. With this new instrument, these able men that you have elected should be able to do great things for Poly.

### HAIL AND FAREWELL

Typically this editorial space is devoted to our departing seniors. We will not fly in the face of convention. "Hail and farewell." Poly will miss you. We only hope that good fortune will follow your ways from here. Some of you must feel strange indeed, leaving this institution of education which in certain cases has practically become a home. There are some slanderous or cutting remarks which could be made at this time, but why bother? We are sorry to see you go. Good luck, always, to all of you.

### GRADUATION

The dummy says that our editor has to fill up some more space in these columns. That's good, because he wants to plug this item:

Graduation speaker for 1947 is Dr. Roy Simpson. We recommended his address to you, all of you, very highly. Dr. Simpson is an excellent speaker and his message is important. He holds the positions of State Superintendent of Public Instruction and Director of Education; that alone should mean that his address will be worthwhile. We are honored to have Dr. Simpson as our graduation speaker this year. After you have heard him, we think that you, too, will consider him a first class speaker.

## Awards Assembly . . .

(Continued from page 1)

Valdez Bates, manager.

The following men won varsity awards by virtue of winning either a first or second place in CCAA conference gymnastics, boxing or wrestling: Gene Wellman, first in rope climb; George Porter, second in rings and long horse; Art Gugliemelli, CCAA featherweight champion; Russ Barr and Gene Pimentel, both seconds in their weights; and Fred Adams, second in his weight in wrestling.

Baseball lettermen listed were: Burt Haas, Wilbur Mayhew, Hank Moroski, Vern Bebernes, James Fisher, John Williams, Karl Frei, Charles Hoffman, Eugene Fraser, Ed Lesky, Bob Bennett, Don Garman, Don Crawford, George Schroeder, manager.

Track lettermen were Hugh Morgan, Marshall Samuels and Bud Lee.

Ken Lucas, retiring student secretary and chairman of awards committee, named the men who had won student activity keys under the new point system established this year. Although the keys were not available, the following men will receive them when they arrive: Leon Garolan, Dick Lavery, Al Park, Bob Raybourne, Ben Barr, John Shea, Avon Carlson, Al Quist, Don Fiester, and John Jones.

## Dear John . . .

Dear John:

A very puzzling situation has arisen on this campus. During the past week one or both of the gates in the fence surrounding the new athletic field, specifically the gates leading to the dorms, have been locked. The locking of these gates has resulted in inconvenience to the residents of the three dorms located near the field. The question has been asked of me and I have asked myself as to the reason for locking those gates. What the residents of these dorms would like to see is the reopening of these gates. When the men from the dorms want to play softball, it is necessary for them to travel around to the gate located on California Blvd.

Sincerely,  
S. E. Thompson

### RECORD STORY

It was announced that the records recently recorded by the Glee club and orchestra will be here no earlier than June 4, but those who have ordered them must pay for their records this week or early next week, in order to have the money on hand at the time of arrival of the records.

Students who are leaving before June 4, please inform Wayne Misemer or Don Seaton. Payments may be made to either of them.

# Yates 'Most Valuable Athlete'

## Crawford and Bebernes Win Baseball Honors

Following the election last week by the baseball team, coach Bob Mott announced that Don Crawford had been voted the team's most valuable player and that "Pinky" Bebernes had been elected the team captain for next season.

Don Crawford, who was easily the squad's outstanding chucker, came to this institution in '41 from Avenal, California. He took up baseball under Coach Howie O'Daniels and did a better than average job of it for two seasons until entering service in '42. During these two pre-war seasons Poly played several strong service teams such as Camp Roberts. Don took the mound against such stars as Larry Powell and Earl Johnson on the Roberts' squad, and in two starts broke even with them. Crawford's record this season speaks for itself. In league competition he accounted for four out of seven of the team's victories and lost two.

"Pinky" Bebernes, the leading hitter on this year's team, was elected captain for next year by his teammates. "Pinky", who also does a good job of playing football, is from Solvang, California. While in the service he managed to get in a little baseball in a tough league in England. "Pinky" came to Poly in '46, after playing ball for the San Luis Blues during the summer. He had a better than average year with the Blues, batting .540 and knocking his share of the runs. Playing shortstop for the Mustangs this season, Pinky batted .388 and led the team in hits and runs batted in. When the rest of the team was in a slump, Bebernes could always be counted on to do the hitting.

## 125 Prospective Teachers at Rally

The teacher recruitment rally, held May 26, was a surprising success, according to Dr. Neil Daniels, chairman of the committee, who was well satisfied with the attendance of some 125 students.

Of the students present, 85 were interested in the General Secondary Credential Program, which permits the holder to teach any subject in a California high school, 45 in Vocational Agriculture, 20 in teaching Industrial Arts, and the balance were divided among physical education teaching and other fields.

Dr. Bowls enumerated the advantages of the teaching profession. Stated also was the fact that more positions are available at the present time in agricultural schools, than there are teachers to fill these positions.

## EL RODEO READY MONDAY

EL RODEO will be available for distribution to seniors only on Monday morning according to Editor John Shea. Shea stated that enough copies of the yearbook would be available Monday to allow the seniors to get their copies. Tuesday and Wednesday EL RODEO will be ready for distribution to lower classmen and other purchasers according to Shea. Distribution will be handled in room 4 in the basement of the Administration Building from 8 a.m. until 5 p.m. Monday, Tuesday, and Wednesday.

## CCAA Signs With Skyline Six for Raisin Bowl Bid

An agreement has been reached between the members of the newly named Skyline Six conference and the Fresno Junior Chamber of Commerce for the new conference to send their representative to the Raisin Bowl game held annually in Fresno and sponsored by the Fresno Junior Chamber of Commerce. The new conference, formerly the "Big Seven", will, under a loose agreement, send their conference champ or runner-up or a team of their choosing to the bowl game. The agreement was for a three-year duration.

In the 1947 Raisin Bowl game, San Jose State defeated the co-champion of the Big Seven, Utah State College.

The terms of this agreement were announced as follows: The Skyline Six representative will receive a guarantee of \$9,000, plus 100 complimentary tickets and 88 Raisin Bowl jackets.

Members of the Skyline Six are, Utah, Utah State, Brigham Young University, Wyoming, Denver, and Colorado A&M.

## Officers Elected At Young Farmer Meet

By Charles Hitchcock.

The last meeting of the Young Farmers for this quarter was held last Wednesday night. The meeting was mostly for the purpose of electing new officers and setting a date for a winter roast to be held before the end of the year.

Officers elected were as follows: president, Jim Jessup; vice-president, Willoughby Houk; secretary, Bill Hume; treasurer, Bob Pryor; reporter, Ronald Hutchings; athletic manager, Frank Fox. Much appreciation was given this year's officers for the excellent work they did. Special recognition went to Bill Othart, and Carl Beck, who has been the Young Farmer chapter advisor for many years.

Other business and discussions taken up in the meeting included initiation for new members next year and more adequate collection of dues. Discussion was also taken up concerning a Young Farmer banner and Young Farmer jackets.

During the meeting, Charles Hitchcock, this year's reporter read a report on all of the Young Farmer's activities for the year.

A large crowd was present at the winter roast held last Friday evening at Avila. This was the last of the Young Farmer's activities for this year. Jim Jessup, the new president, stated that the Farmers plan to start things off with a bang next year.

JARRIN' JIM YATES... winner of the most valuable athlete trophy will trample the gridiron for Poly next fall.

## Big Jim Takes Dempsey Cup

By Joe Griffin

In elections held last Thursday for the election of student body officers the students also voted for the school's most outstanding athlete of the past year. Jim Yates won the nomination hands down and Hank Moroski ran second in the race. Others polling many votes were, "Pinky" Bebernes, "Marsh" Samuels, Bob Bennett, and Bud McDougall.

Jim was Poly's hard going half-back in the Mustang's successful '46 grid season. Pre-season dope on Yates was that he was Howie O'Daniels' candidate for "Little All-America" honors.

Yates came to Poly from Porterville, California where he made "All-County" and "All-Valley" at Porterville high school. In his first year at Poly, in '42, Yates earned his varsity letter in football, being one of the outstanding backs on the squad. From Poly, Yates entered the Navy's V-18 program and was sent to U. C. L. A. While taking his navy training, Yates went out for the Bruins grid squad and stepped into a first string berth. From U. C. L. A., Yates went on active duty with the navy. Upon his discharge, he re-entered Poly and his arrival caused no end of joy in the athletic department. During the past season, Jim was the "scourge" of the opposition. Every game that the Mustangs played was highlighted by the running and the endurance that Yates displayed on the field.

This fall, the Mustangs will come up with one of the best squads that Howie O'Daniels ever coached and the squad is being built around Yates. He will work out of the full-back slot in the "T" formation and will be the Mustang's big gun in their first bid for a chance at the annual Raisin Bowl game held in Fresno on New Year's Day.

## Poly Strike's and Spares

The Bowling League ended its activities of the year with a final meeting last Monday night. According to J. E. Garrity, reporter, the League plans to resume bowling in the Fall Quarter. He advised all clubs or other organizations interested in entering a team to watch for the opening date.

The Crocs club won this season's team prize money, barely nosing out the second place team from Heron Hall. Bob Croce won high individual honors with Harry Weinstein making it a close race.

## Barbecue Tomorrow For Poly Phase Club

By Erwin Gere

The Poly Phase Club held a business meeting last Thursday, May 22, at 4 p. m. in the basement of the Ag. Ed. building. Refreshments were served. The minutes were read and a treasury report given. It was decided that the club should have official stationery and membership cards for the members. No definite action was taken on the subject, however.

The question of pay for electrical work done by students on campus was brought up. President Ed Durbin said he would see C. E. Knott about it.

The president suggested that a picnic be held in the near future. It was decided that a barbecue would be held on May 30 at Estrada Gardens. The details were to be worked out by Program Chairman Ken Evans.

## Student Wives Elect Officers

By Betty McLaughlin

The last meeting of the students' wives club was held last Thursday, May 22 at 8 p. m. in the Hillcrest Lounge thus concluding a successful spring quarter. The president, Pat Grube, conducted the meeting.

The report of the nominating committee was given and election of new officers took place. Those elected were: Abbie Meach, president, replacing Pat Grube; Ruth Renihan, vice-president, replacing Marjorie Grotzke; Marjorie Crawford, secretary, replacing Lis Stratton; and Barbara Kimball, treasurer, replacing Doris Gregowski.

The social report was given by Marjorie Grotzke, including information about the picnic held last Sunday, May 25th, at the county park.

Billie Silliman announced that the baby clinic will be held Monday, May 26th, from 1-5 at the Hillcrest Lounge.

The husbands arrived after the business meeting had been completed to enjoy a play, "Rich man, Poor man", which was put on by the drama group. It was directed by Miss Mary Stewart and the characters were portrayed by Lis Stratton, Pat Grube, Richard Stratton, Bill Carter, Rita Griffith, Roberta Gates, Didi Garrett, Thelma Kurts, Les Grube, and Jane Sousa.

Refreshments were served with Marge Jones in charge.

## PICTURES READY

Students who ordered additional prints of formal shots taken for El Rodeo are requested to pick up these orders at McLain's Studio, 1018 Chorro. McLain announced this week that many of these pictures had not yet been picked up and that such orders were all complete and should be acquired before the school term ends next week.
