Emergency evacuation chairs being installed in buildings

Facility Services is installing 36 emergency "evacuation chairs" in state-operated, multi-level buildings to move people with a disability or injury down stairways quickly and safely during an emergency. The chairs are easily operated, allowing a small attendant to easily evacuate a larger passenger. Each chair contains its own storage cabinet and will be conveniently placed near the top of stairways. Chairs have already been installed on the top floors of the Administration and Student Services buildings and in the library. For more information about campus emergency preparedness, visit <http://www.afd.calpoly.edu/AFD/emergency/index.html>.
