With this digital painting, I wanted to illustrate the feeling of hope and optimism. Especially during the chaos of a new year, I’ve been choosing to focus on goals, dreams and the positive outlook on the future that gives me.

This artwork is a digital illustration done in Adobe Illustrator on 28 July 2022. This illustration is based on Italian architecture in Lucca, with my own interpretation of the atmosphere. The name of the illustration translates to “A little while” in Spanish. This is a direct reference to track 05 off Un Verano Sin Ti, the 2022 Bad Bunny album. This illustration not only reflects the tone and feeling of the song, but it also aims to capture just a moment, a little while, and visualize the beauty and tranquility of being completely present.
