Create Change for the Unhoused

HALINA HERC

Lack of affordable housing is the leading cause of homelessness. Providing safe shelter and a sense of ‘normal’ is vital. No individual should have to rely on a shopping cart to be their home. Everyone is deserving of a roof over their heads and a bed to sleep in.

Entranced

SARAH TARQUIN

This piece is based on the feeling of being completely absorbed into something whether it is an activity, work, or the feeling of being high. I wanted to capture the feeling of being completely in a trance because of an external force. I feel this way a lot with music, where the melody and rhythm completely govern my emotions and how I view the world at that moment. Even when creating this work, I was completely absorbed in the artwork and the act of creating. Colors feel brighter, sounds get drowned out and it is just you and the art.
