**RESOLUTION ON
THE CAL POLY STATEMENT ON COMMITMENT TO COMMUNITY**

BACKGROUND: The Committee on University Citizenship (CUCIT) is a University-wide standing committee charged with exploring issues and making policy recommendations related to the preservation and ongoing development of a vital, effective tradition of University citizenship at Cal Poly. The committee explores and makes recommendations on strategies designed to foster and expand:

- an engaged, civil, and mutually respectful classroom and other educational environments;
- a tradition of confident, effective, and civil public campus discourse that prepares students for active civic engagement and leadership roles;
- a greater awareness of factors that lead to hostile campus work environments and strategies for further promoting campus work environments that are free from harassment and characterized by mutual respect and support; and
- the civic engagement of students, faculty, and staff beyond the University —and for strengthening Cal Poly’s role as a good institutional citizen in regional, state, national, and international contexts.
