If You Really Care About Animals, You Need to Read The ANIMALS' AGENDA

To say you love animals is one thing, but it's important to know what you're talking about if you're really going to do something to help them.

Covering a range of issues from factory farming to Native trapping, from endangered species to companion animals, we have been a valuable resource for nine years. We are your best connection with the people and events that are making animal rights one of the major movements of the twentieth century.

BE INFORMED ABOUT THE RIGHTS AND PLIGHTS OF ANIMALS AND THE ENVIRONMENT.
