Unbeaten Mustangs Face Strong McMurry Team

It's a tough one Cal Poly schedule makers picked for the 1955 homecoming thriller—McMurry college of Abilene, Tex., arriving here this afternoon around 2 o'clock for tomorrow's grid contest at Mustang stadium at 8:15 p.m. Poly's undefeated gridiron eleven is rated 14 points behind its foe.

Coach Roy Hughes well remembers last year's 49-14 drubbing from the Indians—"The worst beating of my coaching career." While the Mustangs have gone unbeaten in five games, the Indians have lost but one, to West Texas State, 6-0. McMurry beat Abilene Christian, a strong club, 13-6, last weekend, while Poly was upsetting San Diego's Marines, 44-12, for the Mustang's best scoring effort of the season.

McMurry will operate its winged-T threat around 18 returning lettermen and eight returning squadmen, led by little all-American, Elroy Payne, their top ground gainer for the past three seasons. Payne, 195 pound fullback, this year has carried the ball 90 times for a net gain of 407 yards—an average of 4.5 yards a game.

The Indians departed Abilene this morning about 8 o'clock in two chartered airplanes, with a traveling squad of 29.

Two Tackles Hurt
Although the Mustang line was at its peak against the Devil Dogs, it still presents a problem at tackle, with Lloyd Stringer, 215 pound Santa Paulan, out with rib and finger hurts, and Corcoran 210 pounder Fred Odle sidelined with a back ailment.

In the backfield, Rudy Brooks, Hayward left half, is nursing a hip pointer and is scheduled to sit out this weekend's contest. To plug that hole, Coach Hughes has

ASB Card Good For Free

Admission To McMurry Game

Individuals with student body cards will be admitted FREE to tomorrow night's homecoming game as a result of the Student Affairs council's decision Tuesday night to drop the usual 25-cent charge.

Whether the 25-cent charge should be retained for other athletic events throughout the year has been referred to the Finance committee for further study.

General admission to the game, as in the past, will be \$1.75. However, section J in the steel bleachers has been reserved for alumni at a special \$1.50 price, according to Graduate Manager Harry Wineroth.

The special alumni rate and reserved section will also be offered for the Fresno game here Nov. 11.

Students are asked to cooperate in this arrangement.

Ruthie To Launch

Yearbook Pre-Sale

El Rodeo yearbook pre-sales will open officially tomorrow night when Homecoming Queen Ruthie Holbrook is presented the first reservation following her coronation at the homecoming dance in Crandall gym.

Ken Tarbet, publicity manager for El Rodeo, will honor queen Ruthie with the presentation.

The total price of this year's book is still in question, pending the outcome of a special survey conducted late this week to find out if students would prefer to pay \$4 with no advertising in place of the customary \$5 price with advertising.

\$1 Down Payment

Down payment for reserving a book will be \$1, regardless of the total price of the book. As in the past, this pre-sale period will be the only and final chance to reserve a book, since the print order will be based upon the number of copies sold during pre-sale.

Starting Monday, reservations may be made at the ASB office, or from campus salesmen and dorm representatives.

Free Yearbook

Industrious students will also be given the chance to obtain an El Rodeo absolutely free of charge. Last year two dozen students earned their yearbooks by selling at least 20 copies of El Rodeo. The offer stands again this year. And to the highest salesman will go a cash award of \$10 and a free copy of El Rodeo.

Anyone interested in earning his yearbook should contact Ken Tarbet or Steve Emanuels in the publications office.

'Polyacci' Set For Crandall Tonight

"Polyacci" is here! Tonight in Crandall gym! A band is being provided under the sponsorship of the Agricultural Engineering club and admission is free. Dancetime is set from 9 to 12 o'clock.

In keeping with traditional homecoming festivities, all students, faculty and alumni are cordially invited to attend, according to Dan Olson, publicity chairman for the club.

Frosh Guard Wood For Bonfire Rally On Campus Tonight

Tall timber makes for a tall fire at the frosh-sponsored bonfire tonight in the vacant field south of the new power plant.

The frosh hope to construct a teepee of telephone poles for the traditional event. Paul Wilson, frosh proxy, says this is the same type fire used at Stanford and Cal, and will be the biggest Poly has had.

Wilson also said that frosh enthusiasm has been overwhelming, and all freshmen are welcome to participate. He warned that the firewood will be well defended from overzealous sophomores, and others until the 7:30 rally begins.

The homecoming rally will be highlighted with Coach Hughes when he introduces the newly-inspired Mustang team. Other events will include the appearance of Queen Ruthie and her attendants, and the victorious Ugly Man, who will be unveiled to the student body.

Variations of yells will be supervised by the yell leaders, with Poly's own female song leaders beating out the rhythm of the Cal Poly marching band.

"Polyacci," A engineer-sponsored dance, will follow the rally in the gymnasium.

MOST COLORFUL ROSTER. . . at Cal Poly football games is Emmens Blake, (Cal Poly '49) in his raccoon coat. Emmens claims he did not wear this coat during the '30s, the peak of its popularity.

Only Two In Country

College Acquires Historic Douglas Skystreak Plane

By Ernie Bailey
On August 25, 1947, a Douglas Skystreak roared across the Muroc test center in the Mojave at a ground speed of 650.6 miles per hour to establish a new world mark and return the record to the United States from England. This same plane has now been donated to Cal Poly by the N.A.C.A. for study purposes.

The Skystreak was picked up at Edward's Air Force Base Tuesday by two aero majors, under the direction of Richard E. Hall, Cal Poly instructor. Two days were spent disassembling the craft and loading it onto a flat-bed truck, and another two days were spent picking a route to bring it over to Cal Poly. Special permission had to be acquired from the division of highways to transport the load because of the 18 foot clearance it required.

The new historic plane will be assembled in the hangar and used by the aero department for the study of aerodynamics, controls, jet power plants, etc. With the exception of several small instruments, the plane is complete.

Only Two Exist
Only three of these experimental planes were made by Douglas; however, they well served the purpose for which they were intended. That was to explore the region from Mach .75 to .85, from sea level to 40,000 feet. Of the three original Skystreaks, there are two left. One is in the Smithsonian Institute in Washington D. C.; the one that set the record is here.

The Skystreak was first conceived early in 1945 and 23 months later made its first flight. An unusual characteristic, at the time it was built, was that the length was longer than the wing span. It has an overall length of 36 feet, a wing span of 25 feet and stands 12 feet high.

230 Gallons Fuel
Two-hundred and thirty gallons of kerosene type fuel are carried in the forward 80 percent of the wings of the Skystreak.

Parade Tomorrow

Cal Poly Welcomes Alumni To Homecoming Weekend

By Steve Emanuels
Thousands of San Luis Obispo residents and alumni are expected to return this weekend for Cal Poly's homecoming. Five thousand "come back to school" invitations have been mailed to Cal Poly alumni, who will have the chance to take part in club and departmental gatherings and luncheons, see

tonight's bonfire rally and Polyacci dance, and tomorrow's homecoming parade, Cal Poly versus McMurry football game, and traditional homecoming dance in Crandall gym.

Queen Ruthie Halbrook and her princesses, Audrey Cowman and Mitzi Kirk, all of Santa Maria's Hancock college, will reign over the entire weekend.

Tomorrow's Parade

The homecoming parade here tomorrow will feature some 25 beautiful floats decorated in the "Come to the Circus" theme of this year's festivities.

Winning floats will be announced at the Cal Poly-McMurry football game tomorrow night, when they will be driven onto the field.

Parade Route

Floats and special entrants will begin the procession at Higuera and Johnson streets tomorrow at 9 p.m. The parade will go down Higuera to Charra, back up Monterey, then past the county courthouse on Ocas. The reviewing stand will be at the top of the courthouse steps.

Judging the parade entries this year will be Mayor Fred Luck-singer, Judge Ray B. Lyon, Chamber of Commerce President Asher B. Shaw, Mustang Booster President Dick Loomis and Vice-president of the San Luis Obispo branch Bank of America, E. J. Fabbri.

Floats will be judged on originality of design, workmanship, decorations and special considerations.

Grand Marshall

Homecoming grand marshal will be George Wilson, '07, who will receive the "Alumnus of the Year" award for 1955 as a recently retired vice president of the International Correspondence schools, Beranton, Penn.

Wilson graduated from Cal Poly in engineering and worked several years for Southern Pacific company engineering division before moving to International Correspondence schools.

"Come To The Circus"

TODAY, FRIDAY

2:00-5:00 p.m.
Alumni registration in Administration building lobby.
Open house in all departments.
5:00-7:00 p.m.
Class, department and club reunions.
7:30-8:30 p.m.
Bonfire rally across from new power plant.
8:30 until midnight.
Polyacci Dance in Crandall gym.

TOMORROW, SATURDAY

8:30 a.m.-4:30 p.m.
Alumni registration in Administration building lobby.
4:30-7:30 p.m.
Registration in cafeteria No. 1.
9:00 a.m. until noon.
Open house and reunions.
11:30 a.m.-1:00 p.m.
Liberal arts buffet, new gym patio; Engineering division luncheon, M.E. power plant; Various departmental ag luncheons.
1:00-2:00 p.m.
General alumni meeting in Engineering auditorium.
2:30 p.m.
Homecoming parade downtown.
3:30 p.m.
Annual pre-game rally on courthouse steps.
5:00-7:30 p.m.
Alumni buffet dinner, cafeteria No. 1.
8:00-10:30 p.m.
Poly versus McMurry football game.
10:30-12:30 p.m.
Homecoming dance, get together coffee for alumni Lib. 118.

HISTORIC PLANE. . . Arriving at Cal Poly is the Douglas Skystreak which set a new ground speed record of 650.6 miles per hour. The plane will be used by the aero department for study purposes. This is one of two remaining planes; the other is at the Smithsonian Institute.

Prexy Leatherneck

George Martin, 1955 Cal Poly graduate and last year's student body president, has enrolled in the U. S. Marine Corps Officer Candidate course, and reported for duty at Quantico, Virginia, Sept. 26.

He will be eligible for commissioning as a second lieutenant in the U. S. Marine Corps Reserve during December, according to Captain W. J. Skarvil, Officer Procurement officer of the U. S. Marine Corps.

Cross Country Team Ties Santa Barbara

Cal Poly's cross country team tied with Santa Barbara this week, 25-25, at Santa Barbara, to bring its season record to one win and one tie. Both have been against the Gaucho runners. The locals face Stanford at Palo Alto October 28.

Poly Rodeo Team At Idaho Show

Seven animal husbandry majors left Wednesday for Moscow, Idaho, to compete in the first intercollegiate rodeo of the season. The first show to be held in the Moscow area, it is one of seven sponsored by the different colleges in the Pacific region of the National Intercollegiate Rodeo association.

Team members, captained by Jim Lyons of Castroville, are: Norman George of Santa Barbara, Jerry Anderson of Ellensburg, Wash., Ed Berryessa of San Jose, Don Switzer of Sacramento, Tom Ellery of El Cajon and alternate John Tyson of Meeteetse, Wyo.

Both Lyons and George will be working their last show for Cal Poly, as they graduate at the end of this quarter.

Anderson is a veteran, while Berryessa, Switzer and Ellery are up from last year's number two team.

The team will vie for honors in calf roping, bulldogging, bareback bronc riding, bullriding and cow milking. Two horses are on the trip, one for bulldogging and the other for calf roping.

Coach Robert Miller, animal husbandry instructor, expressed his belief before leaving that the team had a good chance of returning with the trophy in the Idaho show. Maid Miller.

"You can't say definitely, as in this sport the fellows not only compete against other colleges, but they compete against the animals."

Full Schedule
Cal Poly's schedule for the year includes the Poly Royal rodeo, Pierce Junior college rodeo at Canoga Park, and rodeos at Washington State, University of Washington, Utah State and Brigham Young University. Winners in a campus rodeo show here Oct. 8 were as follows: Calf roping: Tom Ellery (1st),

News in Brief

Horse Shows Debut

Sunday's opening of the 1955-56 season of the world-famous Arabian horse exhibitions at the Kellogg campus marks the 29th season of these shows. Many new acts will greet visitors this season, according to Willie Williamson, manager, and should attract hundreds of visitors to the 800-acre campus near Pomona.

Chicken For Engineers

The Engineering division will hold its second annual alumni luncheon tomorrow at 11:30 a. m. in the ME lab patio. It is a joint luncheon, with all engineering departments invited to participate. Special departmental displays are being put up for the occasion. The menu will be "chicken dinner" at \$1.25 a person.

Picnickers Dine, Dance

Poly grove was the scene of a very successful picnic sponsored by the Business and Professional Women's club last Sunday. All foreign students were invited. Following the picnic, everyone joined in a square dance session.

Vard M. Shepard is one of the three judges who will judge entries in the 1955 Grand National Feeder Cattle show at San Francisco's Cow Palace November 1.

Marvin Roberts (2nd), Team roping; Bill Lambert and Marvin Roberts (1st), Bullriding; Bud McCoy (1st), Don Switzer (2nd), Marvin Roberts (3rd), Hareback riding; Ed Berryessa (1st), Skip Parker (2nd), Louis Esparza (3rd), Bullhogging; John Tyson (1st), George Cosper (2).

OH Publish Tips

Timely gardening tips for married on-campus students and faculty will be published and mailed every two weeks by the OH department, according to Bill Young, floriculture instructor.

In addition to culture information, flowering and foliage plants for sale in the student store will be listed.

"Our stocks and snapdragons will be at their peak very soon," says Young, "and the first issue will probably be available at that time."

Seniors Make Plans

Rodney Horning, senior aero major from Helendale, won first place in the drawing for a deer prize at the recent senior class meeting.

Horning's prize was a deer lamp. Numbers drawn were from the numbers on senior class cards.

Winning beer steins went: Henry Oda, aero senior from Japan, and Nicholas Karpov, electronics senior from San Juan Capistrano.

Numbers 265, 7 and 116 were drawn, but the owners were not present to receive their prizes.

A gift to the school from the senior class was discussed. Possibilities suggested included constructing a new "CP" where the present "P" is on the hill behind school, and lighting the clock tower on the Administration building.

Drill Team To Make Debut At Homecoming

Cal Poly's crack ROTC drill team will make its first public appearance of the year tomorrow afternoon when it participates in the downtown homecoming parade. The precision outfit includes 40 ROTC cadets.

Lead by drill master Jim Altken, ROTC senior from Mill Valley, the group also will appear on the football field tomorrow night when they escort the colors on the field.

Club News

Sky Hawk IAS Topic

Ben Collins, chief project engineer of Douglas Aircraft, was guest speaker at last night's IAS meeting held in Lib. 114.

Collins spoke on the growth and development of the A4D Sky Hawk, recently developed by Douglas.

Hawaiians Meet, Eat

Kane O' Hawaii club will hold its annual dinner meeting, Sunday, Oct. 23, at the Golden Dragon cafe. Chop suey and rice will head the menu. Price will be \$1.50 per head. Dinner starts at 6:30 p. m.

Following the dinner, a short meeting will be held to discuss preparations for a Luau.

Model UN Date Set

Sixth annual model United Nations conference is slated for April 4 through 7, at Oregon State college.

Places on the Cal Poly delegation are open now to anyone interested on a competitive basis. All interested persons are invited to attend the first general meeting Monday night in Library 116 at 7:30 p. m. First order of business will be selection of the country to be represented.

Bazaar Date Revealed

A bazaar will be held at the Veterans Memorial building Saturday, Oct. 29, by the Cal Poly Canterbury club. The affair begins at 1 p. m.

The club has also undertaken the job of cleaning and repairing the church rectory which is soon to be used for Sunday school classes.

Electronics Largest Major Department

A final breakdown of Cal Poly's enrollment figure reveals that electronic engineering is the largest department in the college. El. has 402 majors, while animal husbandry is second with 419.

The complete tabulation is as follows:

Agricultural Division	
Animal husbandry	419
Agricultural engineering	238
Dairy husbandry	91
Field crops production	91
Soil science	80
Ornamental horticulture	68
Poultry husbandry	57
Dairy manufacturing	30
Agricultural education (graduate)	30
Truck crops	24
Fruit production	19
Horticultural services and inspection	18
Citrus fruit production	5
Engineering Division	
Electronic engineering	402
Mechanical engineering	392
Aeronautical engineering	280
Architectural engineering	187
Electrical engineering	165
Air conditioning and refrigeration	105
Printing engineering	108
Liberal Arts Division	
Social science	77
Physical education	65
Biological science	48
Agricultural journalism	37
Mathematics	34
Education	31
Physical science	7

Total enrollment is 3161, which exceeds by 255 the previous high enrollment recorded in the fall quarter of 1949. The engineering division has 1668, agriculture 1204 and liberal arts 294.

Meal Tickets Or Money They're All The Same

Have you seen a meal coupon book numbered 1084?

This book has been reported either lost or stolen. If any meal ticket books are found, they should be returned to the Security office or the cafeteria.

Mrs. Miller, Foundation dietitian, reminds students, "Meal coupons are like money and should be regarded as such. Proper care should be taken to avoid loss of meal tickets. One suggestion is to carry only sufficient tickets with you to last one or two days and put the remainder in a secure place."

So far this quarter three books have been recovered that had been lost or stolen. Books can be traced by the number registered on each ticket.

Mrs. Miller adds: "For the convenience of students who have questions concerning substitutions of dishes on the dinner menu or cost of dishes, a printed sheet giving the information is available at the cafeteria cashier."

Educational Costs Revealed

Alumni Support Discussed In National College Survey

Alumni giving has become a pivotal factor in financial strengthening of colleges and universities, according to the Council for Financial Aid to Education, Inc. In a cost-of-education survey report of 758 American colleges and universities, the Council discovered that success with which an institution of higher education attracts annual support from its alumni may determine whether a college ends the year in the blue or red.

Too, they point out, the extent of alumni giving to institutions which trained them is a criterion used by an increasing number of corporations to determine their own support.

Interesting Figures

Students paid 80 cents on the educational dollar spent for educating them at the tax-supported colleges and universities in 1954-55. This can be compared to 45 to 65 per cent of the costs paid

through tuition and fees at privately-supported institutions.

Here are some figures that might prove interesting. Students at privately supported colleges and universities pay from 40 to 60 per cent of the costs of educating them; students of state-supported institutions pay 30 per cent of the educational dollar. Their tabular summary within the report shows the gap is widening between income from tuition and institutional costs in spite of tuition increases.

Have Double Force

Alumni gifts actually have double force. Business concerns, now being asked increasingly to help support the nation's colleges and universities, have a clearly stated preference for those whose alumni already are helping in a substantial way. They regard their gifts as a supplement to, not a substitute for, alumni giving.

General Electric and several other companies, for example, are now offering to match (up to \$1,000) annual gifts to the respective alumni funds by college graduates in the company's employ. Some institutions, in fact, consider alumni giving a form of repayment of a loan by society. Alumni gifts, the report stated, are a means of insuring that the institutions will be able to render as good service to future generations as they render to the present.

On Broad Between Higuera And Marsh

WE PREDICT: 1955's most infuriating magazine article will be

"THE NATURAL SUPERIORITY OF IVY LEAGUE MEN"

In November HOLIDAY magazine

... and that its noted author, Henry Morton Robinson (Columbia '23) will be men most burned in effigy on non-Ivy campuses this fall! It's guaranteed to enrage the latter men of "Moline Subnormal" and "Turpentine Tech" ... reddens the faces of state universities' "professorings" (that's what Robinson calls 'em) ... wound the tender feelings of every drum majorette in America.

You'll smoulder at Robinson's gibes at courses in chain-store management and embalming! Burn at his references to state universities as "educational rabbit warrens." Explode at his views on mass education for the "denizens of Outer Mediocrity." It's one of a trio of provocative articles on Ivy League men, social life, sports. Don't miss it!

November HOLIDAY—now on your newsstand!

A CURTIS MAGAZINE

Off Beat

By Litch

"School spirit this year is the best I've ever seen. As for the rooting section—it's tops!" These are the words of our own Pat (Mrs. Don) Kerns, band majorette who works in the recorder's office during the week.

Pat was majorette at Poly last year, having had four years experience in high school. Having been doing it solo, she would like a partner for the Saturday night games, various pa stadrahrodril games, various parades throughout the year and other activities.

Circus time! That's the homecoming theme this year. Tomorrow night the Mustang band will perform maneuvers in step with the theme. Following the game, in Grandall gym, the Collegians will play for the annual Homecoming dance. Good crowd last week—let's keep it up. The Collegians don't know how much we appreciate their music so how about letting them know tomorrow night by giving them some applause.

The Majors and Minors will make their annual fall debut for the "Big Show" at the high school on Thursday. The "variety show" is being sponsored by the adult evening school Little Theater, and the local Lions club. The group, with eight new men this year, will sing such songs as "The Old Song", "Shine", "Basin Street Blues", and "Tavern in the Town".

Don Mansell, new bass player of the Collegians, is off to a shooting start. Don dozed off after his dinner the other night, and his alarm clock failed to awaken him for rehearsal. Arriving at the music room one hour late, he was promptly fined four bits. Nothing like making a new man feel at home.

Mustang Of Week

Poly's "Mustang of the Week" is not Jack Aze but James Loop, agricultural engineering major from Riverside. As chairman of special events on the rally committee, Loop was in charge of the arrangements for the rally Oct. 8, and is now working on arrangements for the San Jose State exchange assembly here Nov. 1.

With an outstanding ROTC record, Loop was honored as a Distinguished Military Student. His other activities include SAE, Agricultural Engineering club, Delta Sigma Phi and Circle K.

Judging Teams Win Again!

Dairy Judgers Top Portland Meeting

The Cal Poly dairy cattle and dairy products judging teams brought home first honors last weekend from the Pacific International show in Portland, Ore.

The dairy cattle judging team placed first in their contest, also taking first prize in the Ayrshire Guernsey, and Brown Swiss classes. The team also gets permanent possession of the Ayrshire trophy as this was the third time the team had won it.

The product judging team did equally well as they placed first in that division. The team also took first in milk and ice cream.

Grabbing judging honors in dairy cattle were Norman Comex of Hanford, Paul Spittler of Long Beach and Jack Del of Sebastopol. Stanley Jones of Ojai took high individual honors in judging of dairy products, with Joe Madden and Ronald Fleming also adding points to the team score.

Beef Judges Take Second at Portland

Cal Poly's five-man livestock judging squad topped second place at the recent Pacific International Livestock Exposition inter-collegiate judging competition in Portland, Oregon.

Coached by animal husbandry instructor Richard Johnson, Cal Poly's team consisted of: Les Groenvald, Glendale; Ed Bris, Los Angeles; James Westfall, Whittier; Gordon Kennedy, Arvin; and Joe Williamson, Hollister.

Placing just behind Utah State, the Cal Poly team ranked over Brigham Young university, University of Idaho and three other western colleges and universities.

A bronze bull trophy, awarded by the American Shorthorn breeders association, Chicago, Ill., went to the Poly contingent for their second-high ranking. Groenvald's high individual placing in Duroc swine won for him the Duroc Association award.

Campus 'Living Room'

Interest in a permanent college union for Cal Poly continued to grow this week as the most enthusiastic began to intensify their efforts toward the common goal.

With Cal Poly's geographical position aloof from any metropolitan area and removed from the recreational and social facilities common to larger urban regions, there's probably not a college or university in the West in greater need of a college union.

Upon this comes an anticipated enrollment of around 4200 next fall, including coeds. Cal Poly can offer only El Corral and the temporary college union at Hillcrest as substitutes for a union.

Unfortunately, many students have never really been aware of the existing need for a college union, having never been exposed to one. As an inspiration to the cause, the College Union board is bringing Wisconsin's gigantic college union onto the campus via film next Thursday.

A \$25,000 production in color entitled, "The Living Room of your Campus," the movie should win the local Oscar of the year if it conveys the message as effectively as say the two Cal Poly delegates who viewed it at the recent college union conference in Utah.

The picture will be shown Thursday at 11 a. m. in the Engineering auditorium. Let's hope it will give many around campus the answer to the all too common question, "Just what is a college union?"

Don't miss it!

"AFTER LOOKING OVER YOUR GRADES I'D SAY YOU BOTH HAD SEVERAL FACTORS WORKING AGAINST YOU - THE FACULTY."

Floodlights On SAC

By Bob Flood

Cal Poly students with student body cards will be admitted free to tomorrow night's homecoming football game upon action taken Tuesday night by the Student Affairs council. The problem of whether the Board of Athletic control could and should suspend the 25-cent charge to other athletic events throughout the year was referred to the finance committee for their report, due at the next SAC meeting.

The board also took action on the following bills received for damages accrued in the pre-game celebration downtown Oct. 7:

Freemont Hotel

One (1) 8 x 7 foot screen door and hardware.....\$13.94

Freemont Theatre

One (1) 24 x 37 plate glass installed in entrance door.....\$38.22

George Cleaver (usher at Obispo Theatre)

Repair, clean, oil and adjust one Bulova wrist watch.....\$5.20

Anderson Hotel

One (1) coffee pot @ \$1.50.....\$1.50

Eight (8) glass ash trays @ \$1.25 dozen.....\$8.00

Five (5) brass and silver ash trays @ \$2.00.....\$10.00

One (1) gold ash tray @ \$2.00.....\$2.00

Six (6) water glasses @ \$1.00.....\$6.00

Twelve (12) dinner knives @ \$2.70 dozen.....\$3.70

Twelve (12) dinner forks @ \$2.75 dozen.....\$7.50

Six (6) serving spoons @ \$4.12 dozen.....\$2.00

Three (3) boxes lace doilies

(500 box) @ \$1.95 per M.....\$2.93

One (1) sand urn @ \$10.00.....\$10.00

Tax 4%.....\$1.86

Total.....\$48.26

Robert M. Hoenig (student)

One (1) new shirt, torn.....\$2.89

Grand total.....\$102.61

SAC voted to pay all the bills except the one submitted by Hoenig. The board felt payment in this case would establish an unnecessary precedent.

There are yet a few bills to be received, according to the report of James Loop, rally committeeman.

Other business of the evening: Moved that Richard Van Brackle be approved as IDC representative Continued on page eight

During the past year, work was begun on almost three and a quarter million dollars worth of construction at Cal Poly.

Mustang Cagers Open 1955 Drills

A crop of promising basketballers responded this week for first practices for the coming 1955 season, under headman Ed "Jorgy" Jorgensen. Limited practice sessions started Monday afternoon.

Four veterans from last year's CCAA championship squad were on hand for first-day drills. There were Ernie Hall, Jim Gilbert, Atwood Grandberry and Jim Cox.

Although Poly has many outstanding high school and junior college transfers, it will be hard to find men to replace such stars as Gene Knott, Tony Nunes, Freeman and Larry Madison.

The Mustangs last year won 16 and lost 10. They compiled seven CCAA victories against one defeat.

Mustangs Play Finest '55 Ball To Blast Marines, 44-12, For Fifth Straight Win

By William E. Thomas

If we'd been betting—had most anyone—we'd have lost a pocketful in underrating the inspired Mustangs of last weekend as they sent unexpected thrills through an enthusiastic, but under-capacity, Mustang stadium crowd in upturning San Diego's Marines, 44-12.

However, it was not until the fourth period that the Mustangs roared to their fifth straight win by tallying 32 points.

"I pointed out last week," Head Coach Roy Hughes said, "what we needed to remain an undefeated team was team cohesive-ness and blocking. We got both."

It looked like a new line that finally halted 210-pound fullback Dick Washington, a 1953 Notre Dame letterman. With Washington ineffective, the Devil Dogs were not the same team that faced Poly in the first half.

Washington Scores

Washington scored the Marine's first touchdown from Poly's 38 yard line in the first quarter.

With two minutes left in the half, Mustang quarterback Jerry Duncan was rushed hard and driven some 25 yards behind scrimmage, surrounded by Devil Dogs. But Duncan managed to pass to halfback Perry Jeter some 10 yards in front and to his right and Jeter, in the clear, raced 52 yards for the tying six points.

The score was tied six apiece at halftime.

Miss O'Grady

Office, E. Shreffler

Phone 2658
852 Higuera Street

During halftime intermission Mustang coaches Hughes, Harden and O'Daniels worked out new strategy.

Said Hughes: "We figured the way to beat them was by passing and through end runs, since we were running into a stone wall."

Sustained Drive

The Mustangs returned to the field to start a sustained drive from their own 37, to the eight, where Duncan connected with end Bud Chadwick in the end zone. Jim Africa missed the PAT.

Devildog halfback Fred Maggett scampered around right end for 20 yards and a teehee with 50 seconds left. Mustang center Duane Wickstrom blocked the PAT.

Five minutes into the fourth quarter, Duncan tallied on a sneak from the one. On their own 80, Duncan had tossed to halfback Dan Delgado behind scrimmage and Delgado advanced to the nine. Fullback Glenn Harmon then moved to the one.

Two and one half minutes later, Duncan broke the backs of the Leathernecks with a pass interception on the SD 35. He also added the extra point.

Jim Antoine Runs

With six minutes to go, halfback Jim Antoine took a Marine punt on his own 81 and raced behind excellent blocking to SD's 26. A minute later, on fourth down, Duncan completed a 26 yard scoring aerial to end Jim Cox, and then added the PAT.

Antoine scored the next Mustang TD with three minutes left. He recovered a fumble on the Marine 27 and on the next play scored over right tackle. Quarterback Jack Nease failed to kick the PAT. End Hill Moore blocked a Devil Dog punt on SD's six and in another 40 seconds caught a TD pass from Nease. Fullback Rollie Piliaria missed the PAT.

There are different views to why the Mustangs got up for this one after a couple of sloppy wins over San Diego State and Santa Barbara and what contributed intangibly to last Saturday's win.

For one thing, the intangible spirit was handy, and as one player admits, "It was the first one WE

END JIM COX

... Nabs Scoring Pass

WANTED to win." A news bureau photographer working on the field claims it was a timely yell from the organized rooting section which "shook the Marines."

The blast from the stands: Something like: "Send 'em back to boot camp!" We didn't hear it... but our informer said it drew anguished and terrified looks from the Devil Dogs.

As for us, we're still shaking our heads and muttering, "What about McMurry?"

Sankene Quits, John Pawek New Intramural Chairman

By AL MORIARTY

This past week saw a switch in the intramural football chairmanship. John Pawek has taken the reins as chairman because of Joe Sankene's resignation due to studies.

After the second week of league play, the following games and scores were recorded:

Poly View was blasted by the PE majors, 32-0; the Hawaiian club handed the Newman club a 27-0 defeat and Hillcrest forfeited to the Printers in the Monday loop.

In the Tuesday league, the Moonshiners nipped the Crops club 6-0; Lassen dorm won by forfeit from Palomar and Dual victored the same way over the Young Farmers.

Shasta dorm trimmed Whitney, 12-0; the Pigskinners squeaked by the OH club, Hewson House two just did nip Palomar dorm 12-6; and Mariposa drew a bye in the Wednesday league.

Tuolumne dorm on Thursday

lost to Modoc, 12-6; Monterey dorm squeaked by the Rodeo club, 12-12; Shasta one blasted Hewson one, 24-0; while Calaveras drew a bye.

Chairman Pawek requests any suggestions, criticisms or questions concerning the intramural program be directed to him, pointing out that any criticism in particular would be appreciated.

He can be reached either in the intramural sports office in the gym or through Post Office box 1802.

Poly's Water Polo Team Hosts UCLA

By PETER MATHIESEN

Water Polo will give Homescoming fans an added treat tomorrow, as the Mustangs of Coach Dick Anderson tangle with the mighty Bruins of UCLA, at 10 a.m. in the natatorium, after only a day's rest from their battle last night with Fullerton junior college.

Blated for starting posts are: left forward, Don Reeve; right forward, Steve Olmsted; center forward, Pete Cutino; centerback, Karl Bell; right guard, Buster Lau; left guard, Fletcher Kobe; and at goalie, freshman Joe Peterson.

Just in case something goes wrong with the starting seven, Anderson has plenty of top-notch reserve material in veterans Jack Blason, Dick Marks, Gordy Martinez, George Lens, George Bolin and Ted Trendt.

Soccer Team Plays Cal Tech Saturday

Poly's soccer team, riding high with its victory over UCLA last weekend, will play Cal Tech here tomorrow morning on practice field at 11 o'clock as part of homecoming festivities.

This will be the Mustang's third game. They gained a tie with San Francisco State, in addition to the victory over the Bruins.

Outstanding player in previous contests has been Marcus Ortiz of Mexico. Other impressive players include Angie Ortiz, Frank Basso, Keng Foo and goalie T. Cuttle.

Team Coach Pete Arcena and Advisor Hans Mager invite everyone to the Saturday morning battle.

At Mustangs interested in trying out for Poly's boxing squad should contact Coach Tom Lee in the athletics department rooms under the stadium bleachers (tunnel three or the boxing room at the track.)

Wrestling Tourney Set For November

By JOE ROENICH

Wrestling season will open this year with the novice tournament on November 21 and 22. Coach Sheldon Harden describes the outlook for the 1955 team as "pretty good." He says the squad has the best crop of returning veterans Poly has had in some time.

Among those lettermen are: Jim Claypool, John Studer, Vern Young, Norman Gomez, Jim Del, Bill Plate and Bill Walek. The veterans and newcomers are: Allen Chipp, Bruce Dodson, George Elkhoff, William Justice, Hlatto Zosar, Tom Priest and Donald Stanley.

Except for Pacific Coast intercollegiate matches held here annually, Poly's matches will be on the road this season. The PCI's will be conducted March 11 and 12.

Varsity and junior varsity practice has started, and anyone who would like to wrestle can start working, according to Harden, who points out that no man has his position until he defends it each week.

"If Poly is to have a good wrestling team we are going to need a good turnout by everyone interested," Harden says.

Those persons who desire wrestling tryouts may contact either manager Leo Catano or Coach Harden.

FIVE TRIUMPHS
Cal Poly's gridgers hold wins Colorado Western State, 40-14; Humboldt State, 26-0; San Diego State, 12-6; Santa Barbara, 19-6; and the San Diego Marines, 44-12.

pandence schools. He retired from ICS in January after 44 years of service.

Last Imported Royalty

Queen Ruthie and her princesses may well be the last off campus coeds to rule over Cal Poly homecomings, with the anticipation of Poly's own coeds next year.

The queen and her princesses are all 19 years old and are active in Hancock's student government affairs. Queen Ruthie, sophomore science major, is student body secretary and Associated Women Students publicity chairman.

Miss Gowman, also a science major and a native of San Luis Obispo, is vice president of the Associated Women Students and social chairman of the student body.

Princess Kirk, also born in San Luis Obispo, is studying to be an elementary teacher. She is treasurer of the Associated Women Students.

Homecoming plans are being spearheaded by general chairman Al Martinez. Don Love is social chairman; Don Sweet, queen committee chairman; Chuck Cummings, parade chairman; Ed Chellini, round-up chairman; and Bob McVay, alumni committee chairman.

McMurry Game

(continued from page one)

moved Los Angeles fullback Glenn Harmon behind little all-cost halfback Perry Jeter.

141 Points Scored

Five-game statistics show the Mustangs to have scored 141 points to their opponents 42. They currently are rated fourth among small colleges throughout the nation with five wins.

Halfback Jim Antoine is the top ground gainer with 163 yards net gain in 26 tries. Halfback Dan Delgado has 155 yards in 41 carries and Jeter has 153 yards in 24 trips.

Quarterback Jerry Duncan leads in total offense, despite a minus 42 in ground attacks. He has completed 19 passes in 22 attempts for 448 yards and seven touchdowns.

Favorite Target

End Jim Cox is the favorite pass receiver, with 329 yards and four touchdowns to his credit. He has caught 14 arials. Antoine tops the punters with a 56.1 percentage. He has kicked 10 times for 361 yards. Probable starting lineups:

Cal Poly	McMurry
Chadwick (204)	LER Corley (164)
Frame (160)	LTH Toff (160)
Cabana (150)	LGR Sullivan (155)
Wickstrom (150)	C Houston (150)
Austin (110)	RGL Haddon (150)
Rehder (220)	RTL Mate (120)
Cox (104)	RGL Watkins (100)
Duncan (103)	QB Fox (170)
Jeter (104)	LMB Farnes (115)
Antoine (170)	RHL Bryant (140)
