## President McPhee Addresses Student Body Thursday

The annual President's Convocation will be held Thursday in the Stadium at 10 A.M. As in the past, President Julian McPhee will address the entire Student Body.

All classes in session during the period ending at 10 A.M. on Thursday will close at 9:50 A.M. so that students may go to the stadium to attend the Convocation. Students are requested to be in the stadium seats assigned to the respective departments at 10 A.M. The meeting will begin at 10 A.M. sharp and close promptly at 11 A.M. so that students may meet 11 A.M. classes.

The library, El Corral Book Store and Fountain, and all Administrative offices will be closed during the Convocation.

## Civil Service Exam Applications Now Being Accepted

Applications are now being accepted for the 1960 Federal Service Entrance Examination, the United States Civil Service Commission announced today. This is the examination, first announced in 1958, through which young people of college caliber may begin a career in the Federal Civil Service in one of some 60 different occupational fields. The jobs to be filled from the FSEE are in various Federal agencies and are located in Washington, D. C., and throughout the United States.

The examination is open to college juniors, seniors, and graduates regardless of major study, and to persons who have had equivalent experience. Starting salaries will be either \$4,040 or \$4,980 a year depending on the qualifications of the candidate. Management Internships will also be filled from this examination with starting salaries of \$4,980 and \$5,985 a year.

Five tests have been scheduled under this year's examination. Dates are Nov. 14, Jan. 9, Feb. 18, April 9, and May 14.

Acceptance of applications for Management Internships will be closed on January 28. For all other positions, the closing date is April 28, 1960.

Interested persons may obtain further information about the test and how to apply from Civil Service Announcement No. 208 which may be obtained from college placement offices.

## Atomic Energy Display In Library Oct. 5-11

The story of atomic energy in exhibit form will be told on campus from Oct. 5 through 11.

One of the latest circulating package exhibits of the U. S. Atomic Energy Commission will be on display in the foyer of the college library and will be open to the student body and the general public from 8 A.M. to 10 P.M.

The exhibit, "Summary of Atomic Energy," will display 18 panels that simply illustrate, both graphically and in words, the story of atomic energy—atomic structure, fission, radioisotopes and some of the peaceful applications of atomic energy in industry, power production, agriculture and medicine.

## Attention Photographers

San Luis Obispo city fire department officials are looking for photographers of the Aug. 17 fire which destroyed the bowling alley and Standard Auto Parts, according to word received from Capt. William Woodward, San Luis Obispo fire captain.

Any student who has pictures of this fire is urged to contact any of the fire captains at the San Luis fire station, 748 Plamo, and the pictures will be added to the department's collection.

The eighth annual Fall Leadership begins today at Camp Pinecrest in Cambria. A bus will leave from the Cal Poly Campus at 4:30 P.M. for students who do not have transportation. Keynote address at this conference will be given Saturday by Robert Kennedy, College Vice President. "Leadership—Peacemaking or Pacemaking."

## Marching Band Appears Tomorrow

Cal Poly's marching band will make its first appearance under the direction of George Beatie, Director of Bands, during halftime stunts at the Cal Poly-San Diego game tomorrow. Drum Major Gary Olsen and Judy Wilcox, majorette, will accompany the group.

Stunts will include a salute to San Diego College, in the form of an SD marching unit, to be converted into a CP on the trip back up the field. The formation of an igloo will recognize Alaska while an Hawaiian dancer will represent Hawaii.

Beatie, believing in comedy in his routines, announced that the band will play a special tune to Baja, Okla., namely "The Yellow Rose of Texas." Following this performance, the band will limp off the field.

## Final Sale On Home Concert Records At Reduced Prices

Here's a chance for all those who missed last year's Home Concert Recording. For this week only a limited supply of these top-quality recordings will be available in the Student Body Office for the reduced price of \$2.50. These records feature the Men's Glee and Women's Glee clubs on one side, and the big-band sound of the Collegians on the flip side, with the best of the annual Home Concert.

Harold P. Davidson, head of the Music Department, advises that these records won't last long at this price. Make sure you aren't one of the unfortunates who miss out on this bargain. Get yours now!

## Wives Meet Tuesday

Wives of Cal Poly students are invited to attend the first meeting of the Student Wives Club, Oct. 6, at Library 118, 7:45 P.M.

This is the first meeting of the year and gifts will be given to some of the lucky wives for the first three meetings. Refreshments will be served.

Meetings are held on the first Tuesday of each month.

## WAA MEETING

The first general meeting of the Women's Athletic Association will be held Monday at 7 P.M. in Crandall Gym. The coming year's events, including an intramural program of volleyball, basketball, softball, tennis, swimming, and badminton, will be discussed. Co-recreational activities, such as dancing, swimming parties, and hayrides, are also planned. All Cal Poly women interested in this group are invited to the meeting.

## MUSICIANS WANTED

The Poly Playboys are looking for a guitar player and drummer to complete this year's ensemble. The band plays for school western dances. Anyone interested in either position may contact Don Snow, Box 2078 for further details.

## New Mustang Staff Appointed by BOP

A new Editorial and Advertising staff for El Mustang has been selected by the Board of Publications and Publicity Control for the fall quarter.

Joyce Jeffers, a Senior Agricultural Journalism major from San Luis Obispo, takes over the duties of Editor in Chief. Miss Jeffers, who has been Feature Editor and Associate Editor on El Mustang, News Bureau Chief and Press Club President, won the Business and Professional Women's Club Scholarship for this year.

Assistant Editor for fall quarter is Barbara Harp, a Junior Agricultural Journalism major from Nipomo. Miss Harp has served on News Bureau, El Rodeo and El Mustang reporter.

New Polyrama and Feature Editor for El Mustang, Carol Bucher, a Junior Agricultural Journalism major from Concord, has been an El Mustang reporter four quarters.

Ralph Hinds, Sophomore Agricultural Journalism major from Walnut Creek, will handle the position of Advertising Manager for El Mustang. Hinds has been in El Mustang advertising for three quarters.

Dave Kempf, Senior Agricultural Journalism major from Fernvale, and Don Roberts, Senior English major from San Luis Obispo, are working together as Co-Athletic Publicists. Kempf has been El Mustang Editor for two quarters, has been a reporter, Sports Editor, and Associate Editor of El Mustang, News Bureau reporter and Goal Post Editor.

English major, Don Bishop from Morro Bay, will be the new Goal Post Editor.

El Rodeo Yearbook Editor is Jerry Anderson, a Graduate English major from Santa Maria.

Board of Publications and Publicity Control Chairman is Gale Enstad, Senior English Major from Martinez. Enstad has been a News Bureau and El Mustang reporter and El Mustang Feature Editor.

## Carnival Deadline Today

Today is the deadline for all clubs to hand in petitions for booths at the Activities Carnival Thursday, Oct. 8, to be held on the volleyball courts east of Poly Grove from 11 A.M. to 1 P.M.

The purpose of the carnival is to acquaint new students with the various organizations on campus, and for the clubs to display material and attract new students. Last year clubs absorbed up to 30 additional recruits.

Tables, chairs, scissors, thumb tacks, and other essentials will be available through the College Union Board. Club must decorate tables and set up displays.

## SAC Approves Funds For Les Brown Booking

Under the gavel of Student Body President Ed McGrew, Student Affairs Council handled a full slate of business at its first meeting of the year Tuesday evening.

The delegation of authority to Student Affairs Council to conduct student affairs was presented by Vice President Robert Kennedy on behalf of President Julian McPhee.

## Batcheller Wins Frosh Class Post

Dick Batcheller topped his opponent by 89 to 67 votes to win the freshman class presidential office, while Jim Little sauntered across the finish line leading by 49 votes to fill the vice president position. One hundred and fifty freshmen held elections last Tuesday night.

Shirley Sessena defeated her closest competitor 61 to 40 votes for the post of SAC representative.

The secretarial race saw a great deal of anxiety as Judy Markoff tallied 58 votes to her rival's 50.

Carol Gilmour secured 64 votes to put her into office as treasurer. She defeated her runner-up by 18 votes.

Other candidates seeking to represent the Freshman Class included: Pat Reynolds, President; Chuck Hoffman, Gerry Keenan, Tom Moore, and Bonnie Saunders, Vice President; Joseph Boyd, Steve Ford, Sandra Greallie, Dave Kennedy, Ed McNeil, and Tom Stanford, SAC Representative; Marilyn McEachen, Ann Nelson, Gregory Ross, and Judy Sousa, Secretary; Jeanne Harringer, Charles Carol, and Daniel Stone, Treasurer.

Bob Lucas and Lee Foreman supervised the voting. They were assisted by Bill Hayes, Jerry Shaw, and Brad Davis.

## Dance Spots Open

Tom Bragg, College Union Committee Chairman, announced the need for student groups to sponsor dances. The dates vacant are Saturday, Oct. 10; Saturday, Nov. 14; and Friday, Nov. 20.

Dance applications are available in the Student Body Office, and should be turned in to the Dance Committee chairman or placed in his box in the Student Body Office.

## BUDGETARY MEETING

There will be an important meeting of club treasurers and ASB budgetary group treasurers in the AC Auditorium on Oct. 5 at 4 P.M. Club presidents and chairmen of budgetary groups are invited to attend. The meeting is expected to last until 5 P.M. The main topic will be policies and procedures which govern money-spending policies. A question and answer period will follow the discussion.

During the course of the evening, SAC voted approval to the Finance Committee recommendation to advance \$700 to the College Union Dance Committee, plus another \$800 from the contingency fund to book Les Brown and his orchestra. The dance will be held Friday, Oct. 30 from 9 to 12 P.M. in the Veteran's Memorial Building. Price suggested by the Finance Committee, and approved by SAC is \$2 per couple and \$1.50 for stage. Anything over \$700 made from the dance will be reverted back to the contingency fund.

The Dance Committee will secure a sponsor for the dance and provide money for rental and decorations from its present budget. Advance sales on tickets will be handled by the ASB Office.

Referred to the Finance Committee for investigation was a motion by John Panagakis of the Board of Athletic Control to have additional bleachers installed in the end zone for both the Santa Barbara and Homecoming games. SAC will act upon the Finance Committee findings at next week's meeting.

Committee reports were given by Jerry Cleaver, Homecoming Committee Chairman; Dick Bartlett, Fall Leadership Committee Chairman; Howard Bryant, Rally Committee Chairman; and Ric Berndt, Finance Committee Chairman.

McGrew announced four Finance Committee appointments. Serving for one year terms will be Paul Wilson, Math major and Tom Priest, Architecture. George Maybes, AE major, will serve for two years and Noel Grossan, for three years.

Presentation of Club Charters was made by McGrew. Sixty-one campus clubs and organizations were awarded charters.

## World Series TV

Baseball fans will have the opportunity to witness the World Series on television beginning at game time each day of play.

Two television sets will be operating in the AC Auditorium and one in the room under the gymnasium. This convenience has been arranged by the College Union Assembly Committee.

The California State Polytechnic College Foundation was organized in 1948 as a non-profit corporation for the purpose of aiding the instructional and administrative program for the college.

TOP WINNERS . . . Ag Division students from Cal Poly claimed a series of student project awards at the Los Angeles County Fair in Pomona recently with top winners in the beef cattle and sheep divisions. Top project owners in the beef cattle division are: Sally Talbot,

Dayton, Wash.; Ken Oeljenbruns, Ceres; Richard Grieb, Walla Walla, Wash.; Frank Phillips, Castro Valley; Leonard DeRulter and Phil Cody, both of Hanford. Miss Talbot also won reserve champion honors for the sale of grand champion.

## McPhee Appoints Rittenhouse to Danforth Group

President Julian A. McPhee has named Eugene Rittenhouse as the Liaison Officer to nominate two or three candidates to the Danforth Foundation for 1960 scholarships. The Danforth Foundation, an educational foundation located in St. Louis, Mo., invites applications for the ninth class of Danforth Graduate Fellows from college senior men and graduates.

Those applying must be planning on entering a graduate school in September, 1960 for their first year of graduate study. The Foundation welcomes applicants from areas of Natural and Biological Sciences, Social Sciences, Humanities and all fields of undergraduate college.

These appointments are fundamentally "a relationship of encouragement" throughout the years of graduate study, carrying a promise of financial aid within prescribed conditions as there may be need. The maximum annual grant for single Fellows is \$1500 plus tuition and fees charged to all graduate students; for married Fellows, \$2000 plus tuition and fees charged to all graduate students with an additional stipend of \$500 for each child. Students with or without financial need are invited to apply.

A Danforth Fellow is allowed to carry other scholarship appointments, such as Rhodes, Fulbright, Woodrow Wilson, Marshall, etc., concurrently with his Danforth Fellowship, and applicants for these appointments are cordially invited to apply at the same time for a Danforth Fellowship. If a man received the Danforth Appointment, together with a Rhodes Scholarship, Fulbright Scholarship or Woodrow Wilson Fellowship, he becomes a Danforth Fellow without stipend, until these other relationships are completed.

All Danforth Fellows will participate in the annual Danforth Foundation Conference on Teaching, to be held at Camp Minnowa in Michigan next Sept., 1960.

The qualifications of the candidates as listed in the announcement from the Foundation are: men of outstanding academic ability, personality congenial to the classroom, and integrity and character, including serious inquiry within the Christian tradition.

All applications, including the recommendations, must be completed by Jan. 31, 1960. Any student wishing further information should get in touch with our Liaison Officer.

The new agriculture and social science building will provide an additional 10 laboratories, 15 lecture rooms, and 42 two-man offices.

## What's In A Name?

# To Be Mules Or Mustangs That Was The Question

Cal Poly's athletic teams nearly became known as the Mules instead of Mustangs when a nickname was picked 84 years ago. Library research reveals that the colors of green and gold also were selected as the school colors at an assembly Oct. 14, 1925. Fall enrollment that year was 247.

The following story appeared in the campus newspaper, "Polygram" of Oct. 23, 1925.

Dr. B. R. Crandall gave a most welcome announcement on behalf of Mr. Rideout, the commander of the American Legion.

The Elks are presenting us with a large silk flag on a staff, and the American Legion, not wishing to be outdone, is presenting us a battalion flag of the same silk material as the American flag. It will be in green and gold. It has always been the custom of every school or regiment to have on their flag an emblem presenting their particular order. Poly had none of these; therefore, it was necessary to vote for it.

Several animals were suggested. The two causing most debate were the mule and the mustang. The mustang was given the majority of votes. Therefore, Poly's flag will bear the symbol of a mustang in the center of it. Our yells and school songs will all ring with the name, which will, henceforth, whenever mentioned, suggest Poly.

The San Luis Obispo "Morning Tribune" also carried a story on the assembly. The story tells of the names mules and colts being suggested but rejected on the grounds that these names might be unbecoming in the future of Cal Poly. However, at the time, mules was accepted as a name for the second football team.

The "Morning Tribune" on Oct. 23, 1925, carried a story on the Elks making their presentation to the Cal Poly cadets. C. M. Carpenter was exalted ruler of the local lodge at the time. The story further said, "James Simpson, cheer leader led the audience in cheers for the Elks and Carpenter. Flying an eagle, the flag shall be kept on the rostrum of the auditorium except when in use by the battalion at school," the article explained.

It was during the following year of 1926-27 that "El Rodeo" was selected as the name for the college year book. Previous to that, it was known as "Polytechnic Journal".

## Morro Bay Orchestra Needs More Musicians

An invitation to musicians among the Cal Poly faculty and student body to join the Morro Bay Community Orchestra has been received from Howard Barlow, secretary of the organization.

There are openings for violin, viola, cello, string bass, oboe and bassoon. The orchestra meets every Tuesday at 7:30 P.M. in the San Luis Obispo Junior High School band room. Conductor is Lucien Marston. The 35-member orchestra gives four public concerts a year.

Students, staff members or wives interested should contact Barlow at Box 207, San Luis Obispo.

## Library Hours Are Established For Fall Quarter Students

Library hours for Periodicals and Reserve material, Monday through Thursday, will be from 7:45 a.m. to 10 p.m. Reference and Circulation material will be available Monday through Thursday from 7:45 a.m. to 5 p.m. and 7 p.m. to 10 p.m. Friday the library will be open from 7:45 a.m. to 5 p.m., Saturday 8 a.m. to 5 p.m., and on Sunday from 2 p.m. to 4 p.m. and 7 p.m. to 10 p.m.

Periodical, Reserve, Reference and Circulation material will be available on weekends during regular library hours.

A total of \$2,521,500 has been appropriated for a new men's physical education facility, including construction and equipment.

## Menus Served Each Week By HE Girls

Luncheons, open to both students and faculty, are being served by the Meal Management class of the home economics department each Wednesday from noon to 11 P.M. — in the patio of the home economics department. The cost of the meal ranges from 75 cents to \$1.25, depending upon the cost of food included in the menu. An announcement of the luncheon menu will be made in advance of each luncheon date.

Reservations are to be made in advance by Monday noon preceding the luncheon. They may be called in to the home economics department extension 897.

The meal management class is composed of senior home economics majors. The object of the course is to learn to work cooperatively in preparing and serving a pleasing meal for at least twenty-four guests.

The menu for Wednesday, October 7, is as follows: Baked Ham with Pineapple, Candied Sweet Potatoes, Green Beans, Tossed Green Salad, Hot Rolls, Ice Cream, Pie, and Coffee.

## Queen Sought For Homecoming

Queen applications are now available for Cal Poly's 52nd annual Homecoming celebration Oct. 24, announces Bill Harbour, Queen's chairman. The queen will reign over the bonfire rally, dance and torchlight parade downtown Friday, Oct. 23, then the downtown parade, Cal Poly-Fresno football game, and coronation dance Saturday," says Harbour.

Deadline for entries is Tuesday, Oct. 6. Selection of the five finalists will be Oct. 7. Final election by the Student body Oct. 15 and 16 will choose the queen.

Harbour explained, "Candidates must be a full-time student, not married or engaged, and not be in activities including cheer leaders, song leaders or the Homecoming committee."

Contact the Queen's committee, Box 596, or the ASB office for applications or further information.

## AT THE CAMPUS HIJOU

Featured attraction at the campus Hijou tonight is "Love Is A Many Splendored Thing." The movie stars William Holden and Jennifer Jones. It will be shown in the A. C. Auditorium at 7 and 9 P.M.

Cal Poly's new little theatre and music building will have 500 seat little theatre with a full rigged stage.

Published twice weekly during the regular school year except holidays and examination periods by the Associated Students, California State Polytechnic College, San Luis Obispo, California. Printed by students majoring in Printing, Division of Engineering. Opinions expressed in this paper in signed editorials and articles are the views of the writers and do not necessarily represent the opinions of the staff, views of the Associated Student Body nor official opinions. Subscription price is \$2 per year in advance. Office: Rm. 31 Administration Building.

## Vincent Gates New Director Of Public Relations At Poly

Vincent Gates, former administrative assistant, has been named new Public Relations Director for the home campus, succeeding Dr. Douglas W. Miller who begins new duties as Publications Director for all three Cal Poly campuses. Gates joined the staff a year and a half ago as assistant to President McPhee, and last year acted as temporary head of the Ag Journalism Department during Ken Kitch's six month sabbatical. Headquarters for Public Relations will be in Administration 187.

Miller, who has been Public Relations Director here since 1955, has been made Publications Director and is responsible for preparation, clearance, production and distribution of all official college publications from all three campuses except the catalog and teaching aids. The temporary office for the department is Administration 156.

## Float Entry Deadline Will Be Oct. 9

"Mardi Gras Holiday" suggests a wide variety of float ideas and should provide all clubs and organizations a chance to enter a float in the Homecoming parade Oct. 24," says Jerry Kechter, Float Chairman.

"Float entries must be in the ASB office by Oct. 9," Kechter reminded. Information concerning judging procedures and preparations will be given to all organizations entering the event at a meeting Oct. 1 at 7:30 A.M. in Adm. 308.

Six residence halls now under construction will house a total of 1,300 students.

## Poly Sports Picture Bright

Art Vlasel

As the school year gets rolling, and faculty and students alike begin the yearly cycle of teaching and learning, the Green and Gold coaching staff intensifies its unceasing search for athletes. According to Mustang mentors, the picture this year looks bright.

Possibly the most elated man on the campus is Basketball Coach Ed Jorgensen. Most of last year's starters and benchmen are returning as well as several newly enrolled junior college standouts. Jorgensen feels that he has certainly the finest collection of freshman basketball hopefuls ever assembled at Cal Poly. In his own words, he is "Looking for them to play together, stay together, and fill in where they are needed."

Getting an early start with Fall baseball workouts, Coach Bill Hicks is anticipating a good season with the addition of several transfers. Mt. Diablo Valley has contributed two horseholders to the Mustang squad in Rod Atnip, pitcher, and Rally Rounsaville, catcher. Atnip made the All-Big Eight conference first team. Gene Callan, former Poly man and will strengthen the pitching staff. From nearer home comes a catcher, Roger Brown of Hancock College in Santa Maria.

Though not all swimmers have reported, Coach Dick Anderson makes no bones about the fact that he has one of California's top mermen in Russell Poe, a freshman from Wilson High in Long Beach. Poe specializes in the backstroke and water polo and could be the best backstroke to hit the Poly pool. Coach Anderson stresses the fact that more swimmers are needed, and all interested students should see him.

## Mustang SPORTS

### SLO Country Club Available to Students

Officials at the San Luis Obispo Country Club have opened golfing facilities to full-time Cal Poly students at a reduced fee of \$75 for the academic year, Sept 15 through June 15.

The local course located off the Edna Road, three miles south of San Luis Obispo, features a 7,000 yard-18-hole championship course including a driving range, pro shop and other facilities.

Additional information may be obtained from the club pro, Eddie Reark, by phoning Liberty 3-8400.

Kellogg-Voorhis Seventeenth Poly Vue, open house, attracted an estimated 8,000 people.

## MUSTANGS Meet AZTECS In CCAA Debut Tomorrow

Heading South for their CCAA league debut with the San Diego State Aztecs tomorrow night, Cal Poly's air-weary Mustangs, safe in the relative security of an eight-wheeled conveyance supplied by the Greyhound Company, departed from the ranch early this morning.

### Talented Speedster Bolsters Cinderman

Currently wearing football togs, but soon to be seen in action on the local track, is one talented Victor Hall. Returning for his junior year, Hall promises to be the mainstay on Coach Jim Jensen's Mustang track squad once again.

With the record books filled with his own personal marks, including the 100-yard dash at 9.6 seconds, 220-yard dash at 21.2 seconds, 440-yard dash at 48.8 seconds, and the 220-yard low hurdles at 28.4 seconds, he has also appeared as the anchor man on the Cal Poly record-breaking mile relay team.

Hall has brought Cal Poly into national track recognition by qualifying as an alternate to the Pan American Games and participating in the national collegiate meet at Lincoln, Neb. Running a strong 220 in Lincoln, he placed fourth among the nation's best. Running again, he was disqualified in the century for stepping on lane lines.

Taking advantage of his natural speed, he is presently a halfback on the Mustang football squad. Hall is a Sociology major from Los Angeles and resides on campus.

Though the setback with Montana State last week dampened Mustang spirits slightly, the Hughesmen are "up" for the borderland struggle.

Like the Mustangs, the San Diegans dropped their last game to a surprisingly talented Los Angeles State Diablo eleven, scoring only three points from the toe of Dick Morris' 41-yard field goal.

The Mustang forward wall, which will outweigh the Aztecs 16 pounds per man, will probably miss the services of first-string tackle Billy Ross, still limpy from a knee injury sustained in Montana. The heft of 800-pound tackle Sylvester "Boxcar" Cooper will be missing for two weeks with a wrist injury. Ken Roberts, a 190-pound guard will switch to the tackle assignment for the Aztec clash.

Should the Aztec pass defense remain leaky tomorrow night, quarterback Tom Klosterman and his favorite receiver, Curt Hill, will probably have an enjoyable evening.

According to the San Diego Chamber of Commerce rain in San Diego is practically non-existent, which pleases Mustang mentor Roy Hughes who is still waiting to see what his vaunted "Elephant Backfield" of Bowser, Turner, and Van Horn can do on a dry turf.

Hughes will probably star Curtis Hill and Darwin McGilli at ends, Ken Roberts and Pat Lovell at tackles, Carlos Gonzales and Bob Williams at guards, and Rich Max at center. Backfield starters include Tom Klosterman at quarterback, halves Claude, Turner and Gary Van Horn, and fullback Carl Bowser. Kickoff scheduled for 8 P.M. in Aztec Bowl.

### Colts Meet Bullpups in Fresno Matinee

With pleasurable memories of the 26-8 thumping of the Taft JC Cougars still lingering, Coach Tom Lee's freshman Colt squad meets an untouted Fresno State Bullpup squad this afternoon in Ratcliffe Stadium.

Word from the Raisin City has Fresh Coach Gene Boyer pessimistic over his team's chances in the opener. He points out that while the FSC freshmen are only in their second week of practice, many of the Mustang first-year men began practices with the Poly varsity in early September drills.

Colt Coach Lee, apparently doubting credibility of Boyer's pessimism, tabs today's matinee as a tough one, adding: "Fresno's always tough against Cal Poly teams, be it football or hopscotch. I can't see how he'd be pessimistic with a bunch of ex all-valley high school boys in his camp."

Lee expects to start Mike Nichols and Jerry Williams at ends, Bill Dauphin and Al Marinal at tackles, Jerry Dow and Roy Scialappa at guards, and Gil Stork at center. Quarterback Ken Lott will be handing off to halves Eddie Pope and Raul Castillo, plus fullback Duane Keck.

Over half the women students at Cal Poly were housed in college approved, off-campus housing during the 1958-59 college year.

*Sir Isaac Newton is struck  
by another great idea!*

IT'S WHAT'S  
UP FRONT  
THAT  
COUNTS

As sure as little apples, Newton knew that what goes up must come down.

But when it comes down to a really pleasurable filter cigarette, it's what goes up—in front of the filter, that is—that makes the difference!

And there's where Winston had an inspired idea—Filter-Blend! Winston specially selects choice, mild tobaccos, then spe-

cially processes them for filter smoking. The result: Filter-Blend up front of a modern filter. That's what makes Winston a complete filter cigarette.

Filter-Blend also makes Winston America's best-selling, best-tasting filter cigarette. Take it from Sir Isaac:

*"You don't have to be hit on the head to know that*

**Winston tastes good like a cigarette should!"**

Discount on all parts.

## CCAA ROUNDUP

With the Cal Poly Mustangs and the Fresno Bulldogs jumping into CCAA league play this weekend, league coaches will probably have a more accurate idea of how their teams will fare in '59 after Saturday's clashes.

All teams have been tested at least once in the early season,

with several units giving indication of being plenty tough to handle in future engagements. Los Angeles State has averaged 85 points for three ball games, while allowing its opposition eight. Sophomore fullback Joe Womack, who wore Mustang togs in pre-season workouts, leads the Diablos in points scored (56) and rushing (7.2 averaged in 29 carries), while Diablo quarterback Ron Hauerwasm has completed 13 passes for 227 yards and two touchdowns. Dave Ross, L.A. State's prize wingman, leads conference ends with 218 yards on nine receptions.

Like the Diablos, Santa Barbara and Fresno State seem to have great potential this year. The Gauchos, under coach Ed Cody, upset a strong Whittier College team last weekend, while Fresno State took the measure of Brigham Young. For two games, Santa Barbara's left halfback Jim Boyett averaged seven yards on 26 carries. Jim St. Clair heads conference passers with 14 completions and 272 yards.

Dale Messer, Fresno's all-conference halfback last season, roared off to a good '59 start against Brigham Young, averaging 10 yards per carry on eight tries. Bulldog Bob Van Gelder completed nine of 16 passes in the Fresno's opener for 127 yards. Nick Maslen, who figures to be one of Fresno's top fullbacks, leads conference punters with a 46.5 yard average on four kicks.

Saturday, Oct. 3 (all at night)

Cal Poly at San Diego State ('58 score: Cal Poly 48-14)  
Santa Barbara at Fresno State ('58 score: Santa Barbara 22-22)  
San Francisco State at Long Beach State ('58 score: San Francisco 14-0)  
Pepperdine at Los Angeles State ('58 score: Los Angeles State 22-0)

### Newman Leadership School Being Hosted by Cal Poly

South-Central Leadership School for all Newman Clubs in colleges in this region will be hosted by the Cal Poly Newman Club, Oct. 2-4, at Camp Talaki in Lopez Canyon. The purpose of this school is to teach members to become good leaders and also club organization.

Mardy Zegars, President, promises a weekend of educational value and fun. All Catholic students are invited to attend the meetings.

The next regular meeting of the club will be Oct. 5, at the Old Mission Hall.

### Jackpot Rodeo Saturday

Cal Poly's Rodeo Club has scheduled a jackpot roping, admission free, to begin at 10 A.M., Saturday, Oct. 3, at the Bud Colist Arena.

Rodeo events listed are bulldogging, team roping, calf roping, girl's barrel race and girl's calf tying.

All Cal Poly students, who are members of the Rodeo Club and have insurance, are eligible to participate. Entry fees are \$5 per contestant plus \$1 per head in roping events. Gerry Warshawski will be taking entry fees at the arena until 5 P.M. tonight.

A total of 1800 athletes representing 190 colleges took part in the nine championship events of the National Association of Intercollegiate Athletics during the 1958-59 school year.

## Poly Rates High In U. S. Degrees

The United States Office of Education's listing of the number of bachelor degrees granted in 1957-58 shows Cal Poly ranking high in several major fields.

Cal Poly ranked first in Ornamental Horticulture and Soil Science; second behind Iowa State in Farm Management; third behind Oklahoma State University and Colorado State University in Animal Husbandry; fourth behind Cornell, Ohio State and Tennessee in Dairy Husbandry; and fifth in Poultry Husbandry.

The College was fifth in Mathematics. The Office of Education reports that Engineering is difficult to compare because of the wide variance in groups of engineering specialties and departments of the different colleges.

### SAE Membership Open

The Cal Poly student branch of the Society of Automotive Engineers is now open for membership. The branch at Cal Poly is the third largest SAE branch in the nation and sponsors many functions, such as the annual Poly economy run, SAE barbeque, and SAE banquet.

Interested students can obtain membership information from the table in front of El Corral today.

One and two bedroom plywood dwellings at Poly Ninos Village housed 75 married students.

Contributions to "Out Of The Din" should not exceed 175 words. Editors reserve the right to edit and/or condense all letters received and to decline publishing letters that are, in the opinion of the editor, in poor taste or libelous. All communications must be signed by the writer. If a nom de plume is desired as a signature, it is permissible, but the editor must know the true name of the author.

## Bus Service Plans

Dear Editor:

Since the majority of automobile owners live off-campus, how about initiating a bus service to transport the students to and from school during the fall quarter on a profit basis to benefit the Associated Student Body. Operation hours to be fixed or flexible with the changing school hours (before 7:30 for finals and after 6:00 P.M. for normal classes).

To be effective, I believe the service should be in operation the day after fall registration with the support of the students given at the registration line before the parking fees are paid. This will, in effect, channel the student's financial resources to the school where he can at least receive some benefits whether direct or indirectly. Whereas, paying to the State through parking fees will not offer much of anything.

Other justifiable reasons are: 1. No driving or car complications; 2. Better group relationships; 3. Students, who have no means of transportation, can utilize this service.

Of course, some disadvantages are: 1. Gasoline price (local) may go down because of less traffic; 2. The parking lot may be deserted; 3. Urban schools with parking problems may not receive our financial support.

So how about it?

Off-campus student, Bob Matsushige  
P.S. I am willing to help support and push this through.

For the 1960-61 college year, six new residence halls will be available—four for men and two for women.

## Home Sweet Home

Dear Editor:

When someone here at school asks me where I'm staying, I somewhat hesitantly reply, "the freshman dorms." This sentence usually sparks some cute remark from the interrogator like: "Good luck!" Sometimes they toss in, "I understand those are three-minute dorms. You know... dorm, fire, three minutes, no dorm."

Living in the freshman dorms is more than being a square peg in a square hole. It's an experience. First thing that must be done to live in the rooms is to rearrange the furniture. We don't need science to tell us that no two objects can occupy the same small place at the same time. This somehow is very evident.

Getting the room ready to live in is another experience. Putting the sheets on the mattresses is like putting a parachute on a pin cushion. Then comes the problem of how to divide five drawers two ways. When that's accomplished then comes the nine shelves.

Since the areas in the building are so small, not everybody can do the same thing at the same time. At least that's the way it seems to be when at ten o'clock at night half the people are sleeping (?) while the nocturnal athletic club vibrates the air with the excited sounds of wrestling, bicycle races, singing, and many other greatly appreciated activities. You can see, we are a cultured lot.

The club finally adjourns about a minute and a half before the chimes go ding, dong, ding, dong. Time to get up and go to class and look intelligent for a whole day. But not yet! Now you join the crowd around the mirrors. If

you have ever lived here you will appreciate the accomplishment.

Now as it's time to leave, the quiet is very beckoning. But, alas, the eight o'clock chime.

Richard Phelps

## Ah, Yes, Alas

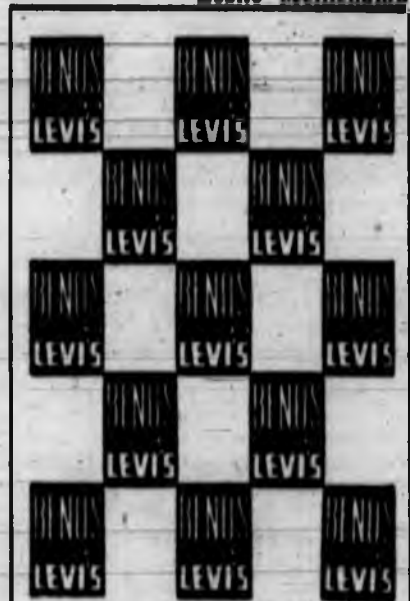

Dear Editor:

Here's an item which seems rather timely. It is taken from the Saturday Review, Sept. 19, 1959:

EPITAPH

Here he lies moulding;  
His dying was hard—  
They shot him for folding  
An IBM card.

## At last! A breakfast drink you can keep in your room

More vitamin C than orange juice. New instant TANG is the breakfast drink you can keep right on your bookshelf—because TANG keeps anywhere without refrigeration.

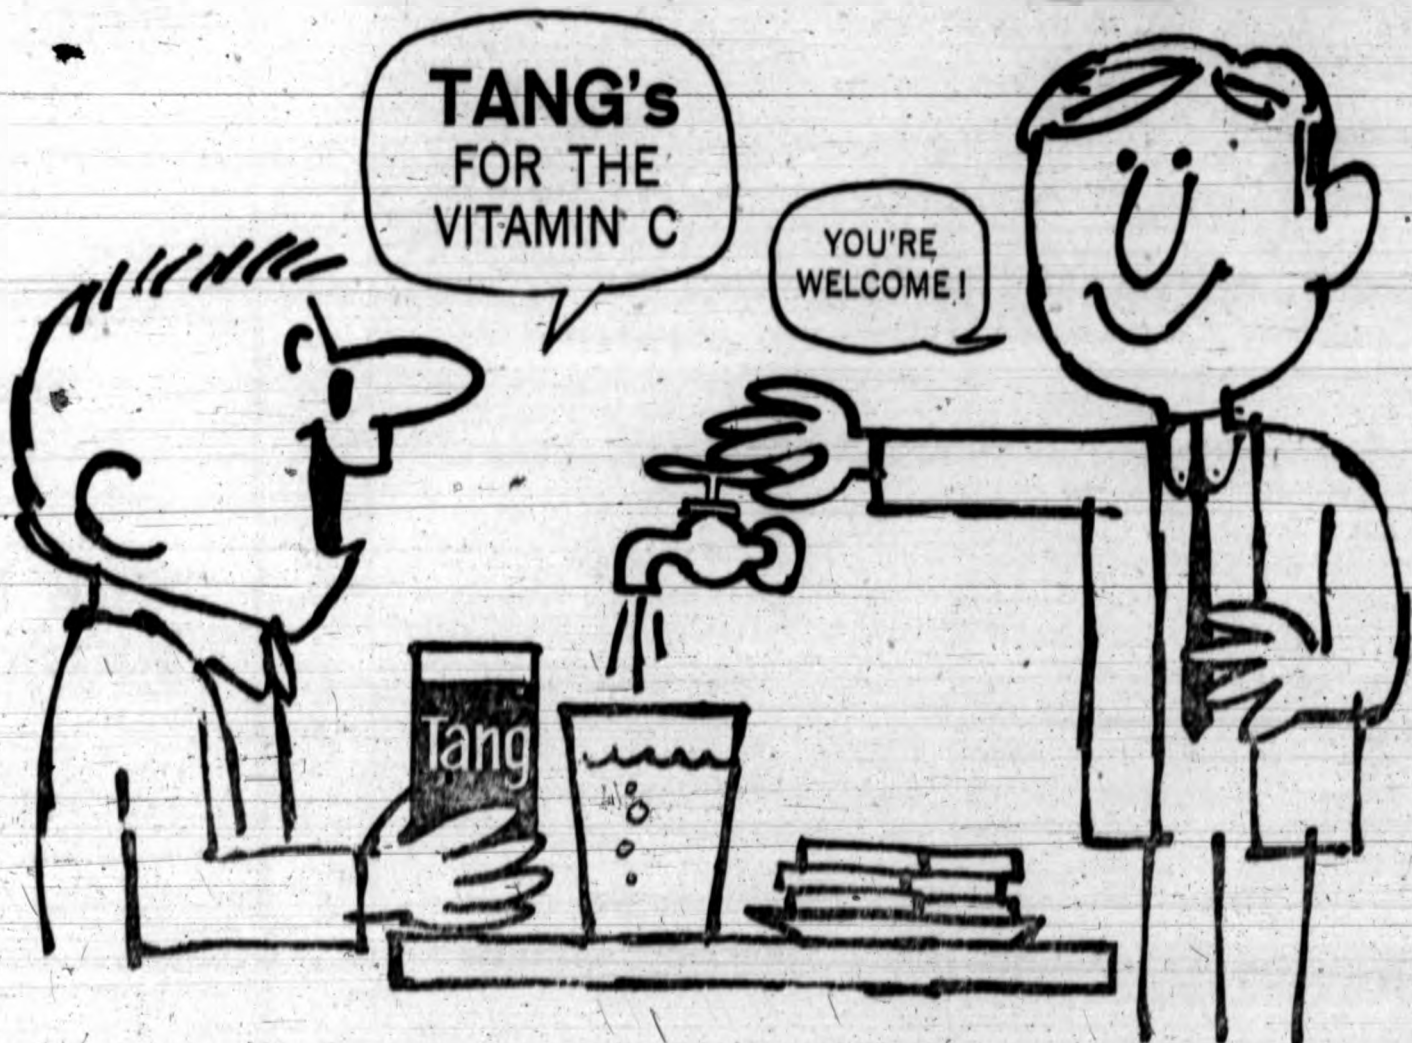

Make as much as you want, whenever you want. Just mix with plain cold water—nothing to squeeze, nothing to unfreeze.

Drink TANG every morning and get more vitamin C than orange or grapefruit juice gives you. Plus vitamin A. Tastes real good, too.

Today's assignment: get TANG!

A product of General Foods Kitchen

WANTED: Situations and gag lines for our two campus characters (above). Must relate to TANG. Will pay \$25 for every entry used.

Address: TANG College Contest, Dept. GRM, Post Division, Paulton Creek, Michigan. (Entries must be postmarked before Dec. 15, 1959.)
