

Lovell Retains PCI Heavyweight Title; Poly Places Fifth

By DON ROBERTS

In addition to seeing Mustang heavyweight Pat Lovell reclaim his 1964 PCI heavyweight wrestling crown, many old wrestling fans, plus plenty of spectators with newly acquired interest, witnessed the Eleventh Annual Pacific Coast Intercollegiate Wrestling Tournament held here last Friday and Saturday.

Defending champion Oregon State, as expected, walked off with top honors, placing five men in the championship finals, followed by Washington State.

The field of 22 colleges and universities represented at the tournament proved to be the largest in the history of the eleven-year-old event.

Cal Poly's Jim Root and Ben Pas managed to stay in the tourney to Saturday night's consolation finals. Both gained fourth places.

In the Saturday night's championship finals, Don Wood of Arizona University defeated Duane Kent of Oregon College of Education for the 115 pound championship. Wood received the Coach's Award (for outstanding ability) for his performance.

Jerry Perez, one of three Oregon State Beavers to gain championship status, defeated Keith Shrock of Lewis & Clark in the 128 pound class.

Kevin Morse of Oregon College of Education grabbed championship honors in the 137-pound class over Frank Hayward of Los Angeles State.

One of the most spectacular matches of the evening took place between Washington State's Bill Berry and Oregon State's Tobe Ewygardt in the 147-pound weight. Berry, who "falls down" from his 170-pound football season (Continued on page 4)

Applications for Spring quarter El Mustang Editor are now being received by the Board of Publications. Application blanks may be obtained from Gale Hnatad or John Healey in Administration 81. Deadline for applications will be noon, Mar. 10.

Wes Eade High in Cutting Horse Event

King Bobo and Hobo, two Quarter Horses owned by A.H. major Wes Eade, earned a total of \$128.50 at the Pacific Coast Cutting Horse Association show which was held at the Bud Collet Arena last Saturday.

Four years ago, Eade became interested in cutting horses. As a result he purchased the green cutting horse "King Bobo" and finished the horse's training. Since then the horse has earned over \$4,000 and is ninth in the PCCHA with 1,800 approved points. Bobo placed second in a class of 13 last weekend.

Eade purchased Hobo as a ranch horse and is in the process of finishing him as a cutting horse. Hobo placed fourth in the novice cutting horse event.

Another Cal Poly student, Marilyn Coker, a Farm Management major, entered her Quarter Horse in the novice cutting class, her first time in a PCCHA show.

The Cutting and Reining Club sponsored the show and Eade arranged to have it approved by the PCCHA.

CUTTING CAPERS—Wes Eade and his Quarter Horse King Bobo (left) listed in the top ten cutting horses in competition on the Pacific Coast. Eade won \$135 in the Pacific Coast Cutting Horse Association contest here Saturday. (Photo by Briggs)

Dairy Dinner Salutes Students, Industry

Wayne Gomez, Don Lord, and Don Morelli received outstanding senior awards at the 18th annual Los Lecheros Dairy Club Banquet Saturday night.

A large trophy was presented to the men in the name of George Drumm, donated by Robert A. Rouniguiers, former Cal Poly student.

A committee of Dairy Husbandry, and Dairy Manufacturing students and faculty selected the outstanding students on the basis of character, participation, and scholarship.

Gomez was also awarded the Golden State trophy. Honorary membership from the club was given to Richard J. Werner, Executive Director of the Milk Industry Foundation, Wash. D.C., and Milton Kidd of Kidd Holsteins in Modesto.

Both men spoke briefly on the (Continued on page 4)

KSBY-TV Hosts Mustang Flyers

The Mustang Flying Association will be featured on the Roy Hughes Show on KSBY-TV, Channel 6, Friday from 6:30 to 7:00 P.M.

The club advisor, Chester Bishop mechanical engineering instructor; Phil Leckony, club president; Jim Fullerton, student flight instructor, and Mrs. Dave Harrison, the club's only female member, will be interviewed by Hughes. As part of the show a film of club planes in action will be shown.

Membership in the Flying Association is open to any student, faculty, or their families, and state employees.

Homecoming Committee Chairman Bids Due

The Homecoming Committee announces that there is only one week left for obtaining a position on next fall's Homecoming committees. Applications available in the student body office, must be filled out and returned by Friday, March 11.

Homecoming Committee chairman, Jim Evans, asks all students interested in participating in any area of Homecoming to submit applications. The openings include queen chairman, social chairman, publicity chairman, Homecoming dance chairman, parade chairman and Coronation Ball chairman.

There are also openings for students interested in working as sub-committee members. Homecoming will be held Nov. 4, 5, and 6.

Renown Architect Sets Campus Visit

John C. Lindsay, prominent Los Angeles architect, will visit Cal Poly's Architecture Department Thursday, March 10 as guest of the college chapter of the American Institute of Architecture.

Lindsay's visit is in conjunction with the A.I.A. sponsored "Dinner session" which begins with a talk by Lindsay at 5 P.M. in Classroom B of the Architecture Department. Dinner will be served at 5:30 P.M. and Lindsay will participate in an informal discussion period following. The dinner and the talk are open to the public.

Lindsay's experience includes commercial, industrial and residential structures. He has been the architect on many of the more modern homes of Hollywood movie stars.

"The Cutting Edge" Discussion Topic At ASTE Meeting

The important role of cutting edges in the American way of life will be discussed in "The Cutting Edge" presented at the joint meeting of the Cal Poly chapter of the American Society of Tool Engineers and the Engineering Division, Mar. 9, at 7:30 P.M. in the A.C. Auditorium.

"The Cutting Edge" presentation has an important message for engineers, educators and management people. It gives a broad view of the entire subject of cutting edges so that their importance in the present world situation can be appreciated.

The presentation is under the direction of C. G. Schelly, scientist, educator and author. It consists of three parts: a 48 foot panorama, an illustrated slide talk and displays of actual production parts.

Campus Library Given Rare Collection of Books

What Arthur Stobbe, Order Librarian, calls, "Probably a comprehensive condensation of the world's greatest thought," has been given Cal Poly's library by Charles Rutkowski of Plamo Beach in the form of a collection of rare books. The basis of the collection is world history and literature, but the

New Class Change System Installed

The Spring Quarter will introduce a new system for adding, dropping or changing classes, announcements Registrar Baxton Wralin.

Students picking up their registration permits will receive an add-drop IBM card with the same identifying punches as their permits. This IBM card must be kept by the student to record any adds or drops or section changes. If any changes are made, the card must be turned in to the advisor by the end of three weeks or the student will be fined \$8 for missing an administrative appointment. If no changes are made the student may dispose of the card at the end of two weeks.

Registration will be held in the New Mens Gymnasium Mar 21. Students will enter from the rear doors.

Committee Picks Student Counselors For Welcome Week

Welcome Week Camp Committee has interviewed and selected next year's counselors for the Annual Welcome Week Camp Program at Camp Pinecrest, beginning Sept. 9 the week prior to Fall Quarter registration.

Lee Foreman, camp chairman, said that there were some 50 to 55 students who applied for the camp and campus counselor program. Eighteen students were selected for camp, and the remaining students will be eligible for campus positions. Mike Deach, chairman of the campus program, will have a list of names posted outside the ASB office as soon as he selects his committee members.

The camp officers are Lee Foreman, Chairman; Alice Whitmeyer, Secretary; and Gale Manley, Treasurer.

Students selected for camp staff positions are Jack Keyes, Operations; Judy Sousa, Program; Barbara Hannon, Personnel; George Maybee, Arrangements; Carol Ann Rizzo, Publicity; Susan Weatherford and Dick Warner, Recreation; and Ron Pardini, Song Leader.

Other camp counselors are Sally Brown, Ann Miller, Jim Little, Jim Evans and Richard Allen. (Continued on page 4)

subjects range from a dictionary of the Choctaw Language to a 24-volume set of the works of Voltaire, and from mining to a nine-volume set of the History of India, to art.

A set of the works of Flavius Josephus, a Jewish historian and military commander, published in 1815 may be quite valuable, according to Stobbe.

The collection also includes a 60-volume set of The World's Greatest Classics, a seven-volume History of Egypt, 18-volumes of The Universal Anthology of Literature, and some modern histories of Japan. Along with these there are varied types of one volume editions.

Rutkowski was graduated from the University of Chicago, and the University of Alaska, and became owner of the large Kennicott Copper Mine in Alaska. During the long Alaskan nights when there was nothing to do but read he became an omnivorous reader and collector.

Now as owner of the Cliffside Court in Plamo Beach, though still owner of the mine, Rutkowski had the books in storage.

Asked why he gave the books to Cal Poly, he said he wants his daughter, Pamela, now 11 years of age, to come to Poly eventually. The books will be put in the library stacks for student use.

Engineer Unions is Discussion Topic

Tau Sigma, Honorary Engineering Fraternity, will present Dr. Philip "Hatchet Man" Overmeyer, Social Science instructor and arbitrator, at a meeting Tuesday, March 22 at 8 P.M. in the A.C. Aud.

Dr. Overmeyer will tell of the differences between the old union contracts and those presently written for the new Engineer Union.

"This talk will be of great importance to all engineering students now faced with the possibility of joining unions," according to James Chesmore, Tau Sigma vice-president.

The lumber industry knew Dr. Overmeyer as "Hatchet Man" during World War II when he was employed by the War Labor Board as an arbitrator.

During the Korean Crisis the instructor was one of a 12 man board employed by the Wage Stabilization Board and representing the general public during labor disputes.

Final Schedule . . .

Find your class time in the body of the table. At the top of the column is the day of the final examination; to the left is the time of the examination. For a three-hour course, such as a class Monday, Wednesday and Friday at 9 A.M. the time of the final is indicated as Monday, March 12, 7:30 through 9:30. In lab classes the final is given during the last lab period.

The following items should be considered when determining your examination hours:

1. One hour lectures are limited to one hour final examinations;
2. Evening classes as well as all Welding and Machine Shop will hold their finals the last class or laboratory meeting.
3. Combination lecture-laboratory courses will use their first meeting hour to determine the day on which the examination will be held.

Day of Final	Saturday	Monday	Tuesday	Wednesday	Thursday
Time of day	March 12	March 14	March 15	March 16	March 17
7:30	M	M	W	W	Th
8:30	W	W	Th	Th	F
9:30	F	F	Sa	Sa	Sa
10:30	T	T	W	W	Th
11:30	Th	Th	Th	Th	Th
1:00	M	M	W	W	Th
2:00	W	W	Th	Th	F
3:00	F	F	Sa	Sa	Sa
4:00	T	T	W	W	Th
5:00	Th	Th	Th	Th	Th

Men's Glee Club Sing For Women Faculty

The Men's Glee Club will sing for the women's faculty today in the basement of the library. Songs will include: Shenandoah; Stopping By Woods; Fire, Fire; My Heart; My Lord. This is the second appearance for the Glee Club at this meeting.

Flame Spectro-Photometer Aids Ag Chemistry Dept.

By Drexel Richardson

Chemists of twenty years ago spent most of their laboratory time fusing, precipitating, filtering and weighing — slow jobs but important.

Today, the Ag. Chemistry Department has a piece of equipment that will do these jobs faster and better — the Flame Spectro-photometer.

Light is directed through the chemical compound to be analyzed. By means of a prism the machine breaks the beam of light into individual wave lengths. The machine then measures how much of each wave length is absorbed by the test material.

Each one of the thousands of known chemical compounds can be identified by the characteristic "fingerprint" it leaves in the beam of light.

"Whenever chemicals are compounded, processed or sold the spectrophotometer performs an invaluable service. It may be used in the fields of medicine, nutrition, metallurgy, food processing, agriculture, textiles, electronics, printing and many others," says a department spokesman.

Bruce Kennelly, Ag Chemistry Department head, says the Spectrophotometer is used by police crime analysis laboratories to determine the make and model of cars driven by suspected hit-and-run drivers. All that is needed is a tiny speck of paint.

Auto exhaust gas analysis, air pollution, lubrication ability of oils, race horses suspected of being doped, blood and urine analysis and the effect of cigarettes on cancer present other possible uses of the equipment.

Mein Kempf

By DAVE KEMPF

Now that finals are nearing and term papers are due, we all need excuses as to why we can't get the papers in on time etc. Following is a list of 14 excuses that are guaranteed to fit any situation. In fact, they will not only be valuable here in college, but they'll be priceless when you get out on the job.

1. That's the way we've always done it.
2. I didn't know you were in a hurry for it.
3. That's not in my department.
4. No one told me to go ahead.
5. I'm waiting for an OK.
6. How did I know this was different?
7. That's his job, not mine.
8. Wait 'till the boss comes back and ask him.
9. I forgot.
10. I didn't think it was very important.
11. I'm so busy I just couldn't get around to it.
12. I thought I told you.
13. I wasn't hired to do that.
14. The hell with it!

The family plan is obviously taking a good deal of time among those representing you in our student government this quarter. Added to their duties in student body government, plus classwork, plus ad infinitum, BAC representative to Student Affairs Council John Panagakis and ASB Finance Committee chairman Ric Barnit have both become fathers this quarter, while BOP representative Gale Enstad was married recently and ASB President Ed McGrew is planning on tying the knot in the not too distant future.

And while we're on the subject of student government, elections will be coming up next quarter and you can look for Howard Bryant's name as one in line for the presidential post.

Dixieland Band Named for Poly Royal Carnival Dance

Nappy Lamare and his Dixieland band have been named by the Poly Royal Board to play for the Carnival Dance Friday, April 29, in Crandall Gym.

Final selection of the five candidates for Poly Royal queen from the 10 crowds running will be made March 24.

Director Reviews 'Death' Production

By CAROL RIZZO

First-nighters witnessed a pleasing performance by Poly Players Friday night when they took in the College Union Drama Committee's production of "Death Takes a Holiday."

Kay Johnson, the female lead, was as convincing an actress as Dave Horton was a leading man in the role of Death and Prince Birki. She (Grasia) won the audience with her youthful spirit and grace. She was a natural for the part from the beginning, and carried off the task with unerring ease. Horton, in each of his roles was a forceful actor.

Most dramatic of the parts was Alice Creasy's Princess. She was a superb princess and a convincing mother.

Other mentionable performances were turned in by Tom Crawford as Corrado, Kay Schneider as Aida, Seymour Klein, a veteran Thespian, as Major Whitred, and Rich Allen as the Duke Lambert De Catalica.

Circle K Members Aid Red Cross Drive

Cal Poly Circle K members will be solicitors for the Red Cross drive beginning this week, announced E. L. Fryberger, president of the local Red Cross chapter and Electrical Engineering instructor. Circle K members will call on local business concerns for donations to help the Red Cross in its relief and emergency aid functions. Fryberger, also public relations chairman for the local Kiwanis Club, said the campus organization is doing a tremendous service to the community through their help in this project.

The local Circle K Club plans an installation banquet Mar. 26 and will host the Cal-Nev-Ha district convention of all Circle K Clubs on the West Coast and Hawaii in April.

Spikemen Thump Sagehens; Wofford Sets 2-Mile Mark

Getting the 1960 track season off with a bang, the Mustang cindermen downed Pomona College with a 98-40 rout last Thursday in a dual meet held on the southland oval. The lop-sided victory confirmed pre-season predictions that Coach Walt Williamson has assembled a tough track crew.

The day's activities were highlighted when Mustang strider Jack Wofford cruised the finish line in 9:58.3 to set a new school record in the two-mile run. Wofford, who starred last Fall on James Jensen's cross-country team, lowered the mark from 10:00.8.

Always reliable Vic Hall sprinted across the finish line to the tune of a 10 flat century; also gleaming points with his 31.9 in the 220 yard dash. Hall also bolstered the Mustang mile relay quartet.

Poly's Dennis Hester took first place, burning up the 440 lap in 51 seconds. Don Lee of the Mustang's placed first in the mile, covering the course in 4:36.4.

Pomona breathed a little easier when they finally managed to get on the books with Bob Poole's double win in the low and high hurdles, clocking a 25.7 and a 15.7. Poole proved to be Pomona's lone sparkplug, taking a phenomenal four first places which included a 193 foot 11 inches effort in the javelin, and a 48 foot 2 inches shot mark.

In the mile relay, Louis Rodriguez, Marshall Kulu, J. Heath, and Vic Hall scampered to a 3:28.8 clocking. Pomona's Goodman took a first place in the broad jump, leaping 21 feet 7 1/4 inches. Poly's Dick Gatlin took pole vault honors, squirming over the bar with a 18 foot effort, while in the high jump, two Mustangs, Charles Smith and Bill Warmerdam, tied at 8 feet 10 1/4 inches.

Gymnasts Drop SFS; Herm Second in PCI

In a dual meet held in the bay city, the Cal Poly gymnasts defeated the San Francisco State Gators 64-60 last Saturday.

The northern tour also saw the Mustangs' All-American gymnast Herman Farlough place in a three-way tie for second place in the rope climb in the Pacific Coast Inter Collegiate held at Berkeley. Farlough's time was 3.7 seconds, two tenths of a second off his best time for the event.

In the Mustang-Gator meet, Kit Burton, Chuck Cox, and Julie Baranca proved to be the Mustang sparkplugs, while Herman Farlough and Dalton Sherwood picked a few points also.

Burton placed first in the high horse, and tied for first with Baranca, and SF State's Leoklighter in the parallel bars. Herman Farlough swept the rope climb with a 4.3 second effort.

Mormon Shine in Collegiate Meet

Distance swimmer Jack Adams placed in three events to lead Coach Dick Anderson's mermen in the California Intercollegiate Invitational meet held in Palo Alto over the weekend.

Adam grabbed a fourth in the 1500 meter event going the distance in 18 minutes 39.1 seconds. Adam, a Redwood City resident, also took a fifth in the 220 and a sixth in the 440 freestyle event.

Frank Brooks nipped a second off his own school record to take a third in the 200-yard butterfly. His time was 2:14.8. Brooks also placed fifth in the 100-yard butterfly.

Francois Bell took a sixth in the individual medley.

The mermen will face Whittier College in Poly Pool Friday night starting at 8:00.

Spartans Take Two Games as Errors Hurt Diamondmen

Hosting the San Jose Spartans in three weekend tilts, the Mustang baseball team managed to grab one, nipping the Spartans 4-3 in the initial clash of Saturday's doubleheader. In the other two games, Poly was edged 2-1 and 7-4. The Mustangs were hurt by errors going up 11 in three games.

Jim Newkirk went the distance on the Mustang mound in Friday's affair, giving up only four hits. Dick Holden likewise went unrelieved for the Spartans, and like Newkirk, the SJH southpaw was tagged for four hits. Poly's lone run came when Jerry Johnson scored in the eighth frame with the aid of Wayne Sorenson.

In Saturday's clash, Ted Tollner was relieved by Rod Atnip in the tenth, and Atnip wound up the 4-3 win which rambled eleven innings. Bob Williams honored for the Mustangs in the sixth inning with one man on base.

All four matches in the 1959 National Collegiate Ice Hockey Championship were decided by a single goal and three of the four went in to overtime periods.

Colt Baseball Team Wins Fifth and Sixth

On the strong arm of Pitcher George Scott, the Junior Varsity diamond crew won their fifth and sixth straight games over the week end downing Santa Barbara City College 16-2 and Porterville Junior College 6-3.

Scott gave up 15 hits in the two College of Sequoias on the local days—11 to Porterville.

The Colts are scheduled to meet College of Sequoias today at 2:30 P.M.

Dairy Dinner

(Continued from page 1)

challenges of the dairy industry. According to Werner, complete automation of the business is not far away. He cited a situation in London, where a million pounds of milk were produced a day with

only 10 men. "Today we are feeding 180 million people; 40 years from now in the year 2000, we'll be feeding 800 million people in the United States. Milk does more for people than any other product." Milton Kidd praised Poly Dairy instructors and students for the chance they have to learn about real dairying. It's the only industry in which you can lose money every year and still not starve to death," he quipped.

weight, showed the 800 spectators why he was defending PCI champion, as he muscled Zweygardt for the early part of the first period. Zweygardt proved to be a challenge to Berry, as the match went into overtime. Berry reclaimed his title by one point.

Ehler Named Tourney's Best
In the 157-pound class it was all Autry Ehler of Portland State College over Bill Olsen of Washington State. Ehler, who impressed tourney officials throughout the two-day event, was selected as "Outstanding Wrestler for the Tournament."

Long Beach State's Dick Keelor edged Darrell Kauffman of Oregon State in the championship 191-pound match, setting the stage for the featured event of the evening when Cal Poly's Pat Lovell and Oregon's Gary Stensland met for the heavyweight championship. This proved to be the fourth meeting between the two giants; Stensland winning two of the first three meetings.

As th referee raised Lovell's arm in victory, the partisan Mustang crowd converged onto the center mat, hoisting the champion to their shoulders.

Final team scores:

1. Oregon State	74
2. Washington State	68

Martin Wins But Badgers Trounce Poly Boxers, 6-2

Freddie Martin continued his winning ways but the Mustang boxers fell to Wisconsin 6-2 in Madison, Wis. last weekend before 7,000 fans.

Martin, who is making a bid for the All American ring team, dethroned Badger Howard McCaffery.

The only other Mustang winner was heavyweight Bill Bacchi who dethroned Dick Grimm.

The results:

155—John Drye (W) dec. Jerrold Goble (CP)
160—Brown McGhee (W) dec. Marty Sykes (CP)
165—Martin dec. McCaffery
170—Gary Wilhelm (W) TKO'd Fred Stuber (CP), 3
175—Jerry Turner (W) dec. Sam Marquis (CP)
180—Charles Muhr (W) dec. Duane Koch (CP)
175—Marshall Rand (W) TKO'd Rudy Ramp (CP), 5
H.W.—Bacchi (CP) dec. Grimm (W)
