RESOLUTION ON TEMPORARY ADOPTION OF A 3-YEAR CATALOG DURING QUARTER-TO-SEMESTER CONVERSION

Impact on Existing Policy: This resolution temporarily suspends AS-916-21 (Resolution on Switching to a One-Year Cycle of Catalog Review) ¹

WHEREAS, Since 2019, Cal Poly has been operating on a quarter-based one-year catalog cycle, in which proposals for catalog edits are submitted to the Registrar and Academic Senate curricular committees in June and edits become effective in the subsequent summer (e.g., proposals submitted in June 2021 will become effective in the Summer term of 2022, the beginning of the 2022-2023 Catalog); and

WHEREAS, the current Catalog contains approximately 4,000 courses, 67 undergraduate degree programs, 44 graduate degree programs (11 in suspension), 89 minors, and various other constructs (e.g. certificates); and

WHEREAS, Cal Poly will convert to a semester-based schedule as of Fall 2025 in response to a mandate from the Chancellor’s Office; and

WHEREAS, the Senate recognizes that a conversion of this nature has substantial and interdependent workload implications for almost all units and areas on campus; and

WHEREAS, this transition will be impossible to achieve at a high level of quality without the full attention of relevant units, committees, groups, areas, etc.; and

WHEREAS, the conversion of the existing Catalog to the semester system will require a significant investment of faculty and staff time, beginning in mid-Fall quarter of 2022 (see attached timeline); and

WHEREAS, simultaneously continuing the regular process of one-year Catalog review would place excessive demands on curricular staff and committees at all levels or review; and
WHEREAS, any course or program edits proposed for a 2023-24 Catalog would be tied up in the curriculum management system until February/March 2023, and thus be unavailable for edits related to semester conversion; and

WHEREAS, the development, review, and Academic Senate approval of the 2025-2026 semester-based Catalog must be complete by the end of Winter 2024 in order to allow the Registrar, University Scheduling, Evaluations, Advising, Financial Aid, Student Accounts, ITS, and other units adequate time to complete work which can’t begin until the semester curriculum is fully approved (e.g. update and implement relevant processes, communicate new requirements to current and prospective students, and advise current students on pathways to degree completion); and

WHEREAS, all currently effective quarter-based Catalogs will need to be mapped to the new semester-based Catalog becoming effective in Fall 2025; and

WHEREAS, the proposed policy (see attached) preserves faculty and departmental flexibility by allowing out-of-cycle edits and proposals similar to what currently occurs; therefore let it be

RESOLVED: that the Academic Senate approve the attached policy for temporarily converting to a three-year Catalog cycle, reclassifying 2022-23 Catalog currently undergoing final review be redesignated the 2022-2025 Catalog; and furthermore, let it be

RESOLVED: that the 2022-2025 Catalog go into effect for Fall 2022 through Summer 2025; and furthermore, let it be

POLICY ON CONVERTING TO A THREE-YEAR CATALOG UNTIL THE IMPLEMENTATION OF THE SEMESTER-BASED CATALOG

In order to effectively complete development and full review of the Fall 2025-2026 semester-based Catalog by the end of Winter quarter, 2024, the following changes to the process or curricular review are to be made:

1. The 2022-2023 Catalog currently undergoing final review at the Senate level will be reclassified as the 2022-2025 Catalog.

2. Any critical program changes currently in preparation at the department and college level for the 2023-2024 Catalog may be fast-tracked by review committees for late inclusion in the 2022-2025 Catalog, with due dates determined by the Office of the Registrar and the Senate curriculum committees.
   a. College curriculum committees are responsible for identifying and reviewing which program edits are critical late additions to the upcoming 2022-2025 Catalog.
   b. Critical changes should be those that are:
      i. essential to student success, and/or
      ii. not allowed out-of-cycle, so if these changes are necessary they must be completed before the 2022-2025 Catalog goes into effect (for example, program name changes, edits to course catalog description, changes to grading method, mode changes, addition of prerequisites to courses, editing programs to add or remove requirements).

3. Out-of-cycle edits for the 2022-25 Catalog will be permitted for the following reasons and with deadlines determined by the Office of the Registrar in consultation with the Academic Senate Curriculum Committee, General Education Governance Board, and United States Cultural Pluralism Committee (as appropriate):
   a. adding virtual modalities to existing courses,
   b. relaxing prerequisites for existing courses,
   c. proposing new programs or sub-programs,
   d. proposing new courses (except for new GE courses) intended to serve as additional electives or blanket substitutions within existing programs,
   e. recertifying GE and USCP courses.

**Note:** All curriculum for the 2025-2026 catalog must be approved by the end of winter 2024 so that it can be published in fall of 2024 for prospective students, advising, etc. Once the curriculum is approved it takes two quarters to build out and publish the catalog (spring and summer 2024).

**Note:** The Academic Senate ad hoc semester conversion committee will establish approval processes for curriculum conversion. GE courses that have already been approved via the recertification process are likely to have a more streamlined approval process than courses that have not been looked at for several years.

**Note:** This table currently assumes that recertification of upper division C and D courses will occur on the usual timeline for the academic year of 2022-2023. Courses will be prepared for semesters. This timeline may be adjusted as a result of further consultation/discussion.

Subject: Response to AS-930-22 Resolution on Temporary Adoption of a 3-Year Catalog During Quarter-to-Semester Conversion

By way of this memo, I acknowledge and approve the above-entitled Academic Senate resolution.

Thank you to the Academic Senate for its careful consideration of this resolution to adopt a three-year catalog during the conversion to semesters. I appreciate the collaborative efforts between curriculum experts in the Office of the Registrar and those who serve on curriculum committees to ensure that we will have the bandwidth to review redesigned curriculum for the conversion and still allow for some kinds of curricular activities to proceed.
