Editorial

Fee Boost Needed, But...

The issue is no longer whether there should be a fee increase, but how and where the money is to go. The money will hinge on the allocation of the nearly $30,000 revenue that will be brought in if the proposal passes next week.

This year, SFSCA offers definite areas for more than half of the fee increase, but how is to be spent on the sporting events or a reduction in prices.

Persian Tigers Win Third Straight Volleyball Title

Moving quickly, when the West Coast Christian Academy of Roswell, N.M., played at the Long Beach State College gym last night the game was over before the fans could catch their breaths. The score was Long Beach State, 15; West Coast, 2. It was the third consecutive victory for the home team, which has now won its first 12 games of the season.

FOOTBALL ROLL ON...Coach Sheldon Harden's Mustang gridiron team made its move in the California Collegiate Athletic Association race last week with a 13-2 victory over San Diego State. The score was not an indication of the superior nature of the Mustangs as they lost the last game of the season to the Aztecs. But it did show that the Mustangs are in good shape and ready to take on the West Conference.

Defending Relay broadjump king Derryl Taylor of Long Beach State is entered in the invitational track meet against the Alumni, as well as the Spikers K and the Tijuana Six.

The Long Beach team walked off the green at Ritter Park in the first round of the U.S. Open with all the honors. But as of yet the team has not been able to move into the first place position. The team consists of Bob Gilbert, Paul Zark and Bob Gilbert or Los Angeles State.
