Cal Poly Wheelmen Plan Memorial Bike Ride for Carson Starkey

SAN LUIS OBISPO - The Cal Poly Wheelmen Cycling Team will host a memorial mountain bike ride Jan. 31 for Carson Starkey, a Cal Poly freshman and Wheelmen member who died in December.

The event is open to the public, and everyone is encouraged to bring their bike and take an easy-paced ride along the dirt fire road into Poly Canyon.

The ride is set to last from 10 a.m. to noon. Riders can turn back whenever they like.

Participants will meet at 10 a.m. Jan. 31 at the Cal Poly Rec Center Plaza to start the ride.

The Wheelmen Cycling Team is a co-ed club through Cal Poly Student Life and Leadership that competes in the collegiate circuit regionally and nationally from September through November. The team and its individual members have won many competitions since forming in 1972.

The club also provides members with opportunities year-round for non-competitive rides, socials and more.

The club has about 100 to 150 members. No experience is necessary to join. For more information on the Wheelmen team, log on to: www.cpslowheelmen.org/.
