

## •POLY WINS CINDY AWARD ON SHEEP MANAGEMENT

A new educational filmstrip series, "Sheep Management," produced at Cal Poly, has received an award from the Information Film Producers of America. At the sixteenth annual IFPA awards banquet held recently in San Diego, a filmstrip in the series received third place honors in the category of vocational skills and guidance. There were 32 entries in the category competition. The Cal Poly entry was the only award recipient produced by a non-profit organization.

The winning filmstrip was entitled "Controlling Internal Parasites of Sheep: The Inside Story." It was produced by Vocational Education Productions, a non-profit affiliate of Cal Poly. Production coordinator of the award-winning filmstrip series was Steven LaMarine.

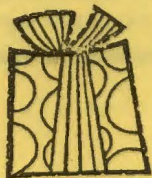

Production supervisor was Sharon Moore. VEP produced multi-media educational materials that are distributed internationally. Revenues from sales of the materials provide funds for developing additional educational aids.

The IFPA award, called the Bronze Cindy, was the first ever to be given to a non-profit filmstrip producer. The award derives its name from "cinema and industry," but this year the awards competition was broadened to include filmstrips. IFPA is a national society of professional producers of films, videotapes and other audiovisual media for business, industry, education and government.

Other VEP productions also have received national awards. A filmstrip series, "Ecology and Agriculture," received the Gold Medal of the International Film and TV Festival of New York. Another filmstrip series, "New Careers in Agriculture," was given a national award by the American Personnel and Guidance Association. More recently a VEP filmstrip on irrigation was awarded the Blue Ribbon of the American Society of Agricultural Engineers.

● BAND TOUR HIGHLIGHTS IN MULTIMEDIA PROGRAM

Those who heard so much about the 70-member Cal Poly Symphonic Band journeying last summer to the International Youth and Music Festival in Vienna will get a report on the trip on Monday and Wednesday (Nov. 17 and 19). A multi-screen, multimedia program, prepared by J. Barron Wiley with the assistance of Richard Linstrum of the County Office of Education's Instructional Materials Center, will be presented at 8 pm on both days in the Cal Poly Theatre. Admission will be free and the public is invited to attend.

William V. Johnson (Music) said the program, which has taken nearly three months to prepare, includes a sound track of narration and background music and more than 400 slides taken by Dr. Wiley and band members during the band's three-week stay in Europe. The production will utilize three screens, seven projectors, three dissolve units, an electronic programmer and a tape recorder.

● STAFF DINING ROOM TO OFFER DAILY SPECIALS

Everette Dorrough (Director, Foundation Food Services) has announced that the Staff Dining Room will feature a group of regular daily specials in addition to their selection of offerings for staff lunches. These daily specials are: Mondays - Corned Beef and Cabbage; Tuesdays - Super Salad Bar; Wednesdays - Enchiladas; Thursdays - Zucchini Casserole; and Fridays - Clam Chowder.

In addition, the Staff Dining Room is now serving a wide variety of breakfast items on its morning menu. Some of the items are, cold cereals (including granola), English muffins, bran muffins, hard-cooked eggs, scrambled eggs, bacon slices, toast with jelly and butter, bagels with cream cheese, fruit, yogurt, doughnuts, sweet rolls, fruit and vegetable juices, coffee, tea and milk. The Staff Room opens at 7 am.

The Staff Dining Room also offers an afternoon cheese, fruit and vegetable board each day from 2 pm until 4 pm. The cost of this high-protein, low-carbohydrate snack is 45¢ and includes one of the following combinations: cheese, fruit and coffee; cheese, vegetables, crackers and coffee; granola cookies, fruit and coffee; or granola cookies, vegetables and coffee.

● CAL MARITIME NOW TAKING APPLICATIONS

The California Maritime Academy, the West's only maritime college, is now taking applications from men and women for the fall 1976 class. Upon the successful completion of studies, Cal Maritime students are awarded a B.S. degree in either Nautical Industrial Technology or Marine Engineering Technology. In addition, the graduates are licensed by the U. S. Coast Guard as third mates and third assistant engineers for U. S. Merchant Marine vessels. In addition, qualified graduates may receive a commission as Ensign in the U. S. Naval or Coast Guard Reserve.

Highlight of the Academic year at the academy is the annual training trimester-at-sea aboard the Academy's 491' training ship. During the student's four years at the Academy, a minimum of six months sea time is logged. Applicants must be high school graduates between the ages of 17 and 24 upon admission. (Veterans are accepted up to age 27). Transfers from other colleges may receive up to one year of credit for the four year program. Catalogs, application forms, and financial aid information will be sent upon request from the Admissions Office, California Maritime Academy, P. O. Box 1392, Vallejo, CA 94590.

TAX INFORMATION WILL BE PRESENTED

Two tax seminars featuring speakers from the Internal Revenue Service are scheduled for the second and third weekends in November at Cal Poly. A two-day program titled "IRS General Tax Institute for Practitioners" will be held for the first time at Cal Poly on Friday and Saturday (Nov. 14-15). The one-day seminar, "Ask the IRS," will deal with tax problems of separated and/or divorced people on Saturday (Nov. 22). Both programs are sponsored by the School of Business and Social Sciences and Business and Social Sciences and Business Administration Department in cooperation with the IRS.

An annual program, the "Tax Institute," will provide tax information for tax accountants; tax attorneys; professionals in real estate, insurance, and banking; and business owners and managers who want to expand, review or update their tax knowledge. Events begin at 8 am and end at 5 pm on Friday in the Cal Poly Theatre and in Chumash Auditorium on Saturday.

"Ask the IRS" is an eight-hour seminar providing tax practitioners and preparers with an in-depth look at specific areas of advanced tax law. It will deal with tax problems of separated and/or divorced people, statute of limitations, and what's new in tax laws. Sessions begin at 7:30 am and continue until 4:30 pm in the Cal Poly Theatre. Registration and payment of the \$25 registration fee is required in advance.

Lawrence E. Baur, Jr. and Wallace H. Burt are program coordinators for both events. Further information can be obtained by writing to "Tax Seminars, Business Administration Department, Cal Poly, San Luis Obispo 93407," or telephoning Ext. 1660.

CHANGES TO ACADEMIC SENATE CONSTITUTION APPROVED

President Robert E. Kennedy has sent a memorandum to Lezlie Labhard, Chairwoman, Academic Senate, indicating that proposed changes to the academic senate constitution have received final approval. The changes modifying both the preamble to Article III and adding language to Section 1.c. of the same article had originally been approved by President Kennedy on Aug. 27. They were then forwarded to the Chancellor's Office for final approval as had been the case in the past. President Kennedy later received a letter, dated Oct. 27, from Vice Chancellor C. Mansel Keene indicating that legal counsel's opinion was that the chancellor need no longer approve campus constitution amendments. Copies of the specific wording of the changes are available at the Academic Senate office, Ext. 2070.

RODEO TEAMS DO WELL

The Cal Poly men's rodeo team won the first National Intercollegiate Rodeo Association meet of the season at Coolidge, Ariz. on Friday and Saturday (Nov. 7-8). The team scored 326 points; Cal State, Fresno, 282; host, Central Arizona College, 211½. The Cal Poly women's rodeo team placed third.

HORTICULTURALISTS WILL YODEL FOR YULE

Cal Poly faculty, staff, students, and their guests are invited to the annual Christmas season open house at the Ornamental Horticulture unit from 7 pm to 10 pm on Wednesday (Dec. 3). An "old fashioned Christmas" will be the theme of the floral arrangements and other floral displays. Demonstrations of flower arranging will be included in the evening program, as well as a bonsai display. Christmas carolling will lend a festive air to the occasion.

SHIRT ART SUITS TO A TEE

The Great T-Shirt Exhibition of 1975 will be the featured attraction in the Galerie of the University Union from Tuesday (Nov. 18) through Friday (Dec. 5). University students, faculty and staff, along with residents of surrounding communities have been invited to enter examples of T-Shirt art in the display.

Tom Weisbluth, student chairman for the exhibits, says, "In today's society, the T-shirt has become a contemporary vehicle of communication. It has achieved the status of folk art. It is yet another stronghold of individuality against the mounting tide of anonymity in modern culture." Acceptable decorating materials include embroidery, applique, silk screen, decals, quilted patterns, studs, patches, dyes, etc.

PHOTOJOURNALIST WILL SPEAK

The former chief photographer for the New York Sunday Mirror magazine and the King Features Syndicate, Joseph Costa, will display his work and lecture on photojournalism on Thursday (Nov. 13) at 8 pm in 106 Graphic Arts. Costa is being sponsored by the campus chapter of the Society of Professional Journalists, Sigma Delta Chi, the campus chapter of the National Press Photographers Association and the Journalism Department.

He has been involved in photojournalism since 1920 and has worked for the New York Morning World and the New York Daily News for 20 years. He is now freelancing, teaching, lecturing and consulting. There is no admission and the event is open to the public.

ORIENTATION COUNSELING CENTER FOR NEW FACULTY

New faculty members are invited to attend an "orientation to the Counseling Center." Two meetings have been scheduled and it is hoped that new faculty (or other interested faculty) can attend one of them. The times are Thursday, November 13, 1 pm to 3 pm, and Friday, November 14, 9 am to 11 am. The location is the University Counseling Center, Adm. 211.

Counseling Center programs will be introduced which deal with such academically related problems as test anxiety, public speaking deficiencies, mathematics anxiety, lack of assertiveness and career education, as well as others.

INSURANCE REP WILL VISIT CAMPUS

Fred Hardin, representative Cal Western-Occidental Life of California, will be on campus on Tuesday (Nov. 18) from 9:30 am to 12:30 pm to answer questions of employees on the Cal Western-Occidental basic and major medical health insurance sponsored by the Public Employees' Retirement System, California State Employees' Association ordinary and term life insurances, and CSEA major medical health insurance. Those interested in talking with him can contact him in Adm. 106-A. Appointments are not necessary.

DAIRY TEAM BRINGS HOME CREAM OF AWARDS

Dairy cattle judges from Cal Poly won first place in the intercollegiate judging competition held in conjunction with the Grand National Livestock Exposition at the Cow Palace in San Francisco, on Saturday (Nov. 1). Cal Poly team member Peter Jorgensen was the high individual of the contest. Other team members included John Honette, who was fourth high individual, and Don Ball, fifth high individual. Paul Weber was the alternate.

#### INTERNATIONAL STUDY WILL BE DESCRIBED

Studying abroad in the California State University and Colleges International Programs will be the subject of Wednesday (Nov. 12) and Thursday (Nov. 13) presentations in Chumash Auditorium. Personnel from the International Programs staff in the Chancellor's Office will discuss study opportunities in the dozen Asian, African and Latin American countries in subjects ranging from agriculture and Italian to engineering and limnology.

Students and advisors are urged to attend either the Wednesday (10 am to 12 noon, 1 pm to 4 pm) or Thursday (9 am to 12 noon) sessions where they can hear about the 51 Cal Poly students now studying abroad. Daily slide shows at 11:00 am will provide a glimpse of opportunities for the 1975-77 academic year.

#### CHEESE GIFTS AGAIN AVAILABLE

Once again the Cal Poly Dairy Plant Management class is offering the Poly Pak cheese gift boxes. Each box is full of assorted cheeses made at Cal Poly. The cheese is wrapped in paraffin to insure high quality. The boxes come in three sizes to suit individual needs:

1. The "Student's Budget Box" includes four cheeses: Mild Cheddar, Monterey, Smoked Processed American, and Monterey with Caraway, at \$5.50.
2. The "Faculty's Choice Box" includes six cheeses: Mild Cheddar, Monterey, Monterey with Caraway, Smoked Processed American, Medium Sharp Cheddar, and Muenster, at \$8.50.
3. The "President's Pride Box" includes nine cheeses: Mild Cheddar, Medium Sharp Cheddar, Monterey, Monterey with Caraway, American, Processed American with Caraway, Smoked Processed American, Sweet Curd Brick, and Muenster, at \$19.75.

Each box comes ready to wrap and is easily sent through the mail, making good gifts for parents, friends and business associates. All orders must be made by December 1, 1975, and can be picked up in the student store during December 9-12, 1975. Order blanks are available in the campus store and may be obtained by phoning Nancy Raetz (Est. 2560).

#### CHRISTMAS GIFT BOOK SALE AT EL CORRAL

Mary Lee Green (Manager El Corral) has announced the beginning of the annual Christmas gift book sale. This year's selection of over one hundred and fifty titles includes books on movies, history, art and antiques, cooking, nature, modes of transportation, music, animals, children's books, and others. A complete listing will be distributed this week to faculty and staff. In addition to the gift books, the bookstore has received a large number of other low cost gift items to round out Christmas shopping needs. Free gift wrapping is available in the customer service area.

#### LOST AND FOUND SURPLUS PROPERTY SALE

There will be a sale of all unclaimed lost and found articles and surplus property articles on Tuesday (Nov. 18) between 8:30 am and 4:30 pm in the University State Warehouse Building. Tuesday will be used for the receiving of bids. Bids will be compiled on Wednesday (Nov. 19) and lists of highest bidders will be posted on campus. All highest bidders will pick up items on Thursday (Nov. 20) only between 8:00 am and 4:30 PM. Friday (Nov. 21) will be used for second and third highest bidders to claim items not claimed by highest bidders. Clothing, books, jewelry, chairs, stoves and ovens, analog computers, calculators, cartridge-type recorders, and various miscellaneous items are available for bid.

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

James L. Webb (Men's Physical Education) has an article published in the Oct. issue of the Journal of Physical Education and Recreation titled "Vita Parcours, American Style." In the article Dr. Webb discusses the modified version of the Vita Parcours that Cal Poly has implemented along their jogging trails.

O. Robert Noyes (Food Industries) has published a paper titled "Formation of Methyl Mercury by Bacteria," in Volume 30, Number 3, of the Journal of Applied Microbiology.

Robert E. Kennedy (President) had the opening section of his address to the 1975 Fall Conference, titled "A Time of Contrast," published in the Nov. 3 issue of the Christian Science Monitor.

David J. Kann (English) has been awarded a fellowship by The Center for the Psychological Study of the Arts at the State University of New York at Buffalo in order to do research on experientially oriented teaching of literature for the academic year 1976-1977.

William W. Armentrout (Education) gave a presentation on Careers in Education at St. Joseph High School Careers Day on Oct. 31 in Santa Maria.

Robert H. Frost (Head, Physics), Walter E. "Walt" Elliott and Lloyd J. Work (both Physics) attended the fall meeting of the Southern California Section of the American Association of Physics Teachers at Harvey Mudd College in Claremont, Oct. 31 to Nov. 2. At the meeting Dr. Elliott spoke about his current research in cognitive mapping, a technique for the improvement of physics teaching.

John R. Healey (Journalism) chaired the Publisher of the Year Committee meeting sponsored by the California Press Association in San Francisco on Oct. 31. The committee judged entries for the annual award, which will be announced and presented in December.

Lee R. Parker (Biological Sciences) attended the presented a paper titled "Paleoecology of the Fluvial Coal-forming Swamps and Associated Floodplain Environments in the Blackhawk Formation of Central Utah" at the annual meeting of the Geological Society of America, Oct. 16 to 21, held in Salt Lake City, Utah. Parker was also one of several leaders of a three-day field trip to the Central Utah coal fields.

Michael J. Fitzpatrick (Electronic and Electrical Engineering) delivered two papers at the Ninth Annual Asilomar Conference on Circuits, Systems and Computers, Nov. 3-5, in Pacific Grove, California. The papers were titled "A Student Laboratory Illustration of Process Control Using a Microcomputer" and Field Evaluation of a Microprocessor Based Computer for Educational Applications".

Sue D. Johnson (Director, Learning Assistance Center) was selected as the recipient of the Roger Pepper Award for outstanding dissertations in the field of college and adult reading improvement. This award was presented to Dr. Johnson at the annual conference of the North Central Reading Association on Oct. 24 in Des Moines, Iowa.

Laurence F. Talbott (Industrial Technology) and the Industrial Technology Society were hosts of the California Association of Industrial Technology meeting held in the University Union on Oct. 17. Talbott, President of CAIT, chaired the meeting which was attended by 19 representatives from seven universities and the California Maritime Academy.

CANDIDATES FOR FACULTY POSITION BEING SOUGHT

Candidates for a position on the faculty of the university are presently being sought, according to Donald L. Shelton (Director, Personnel Relations). Those interested in learning more about the position are invited to contact the appropriate dean or department head. This university is subject to the requirements of Executive Order 11246 and is an Affirmative Action Employer. All interested persons are encouraged to apply. Following is a description of the available position:

Assistant or Associate Professor (\$12,732-\$19,752/year), Industrial Engineering Department, School of Engineering & Technology. Duties and responsibilities include teaching in areas of Production, Production Control, Manufacturing Engineering, Numerically Controlled Manufacturing Processes, Statistical Mathematical Modelling, and Operations Research, at the undergraduate and Master's level. An earned doctorate in Industrial Engineering and unique industrial experience highly desirable. Appointment level will depend upon professional experience and qualifications. Position available for the 1976-77 academic year. Closing date for applications: January 31, 1976.

OFF-CAMPUS POSITION VACANCY

Information on the administrative position vacancy listed below can be obtained from the Placement Office, Adm. 213, ext. 2501:

California State University, Fresno - Dean of the School of Graduate Studies. (salary range: \$27,492 to 33,420). Earned doctorate and minimum of five years graduate teaching and must qualify for rank of associate or full professor. Deadline: February 1, 1976.

WHO...WHAT...WHEN...WHERE??? (Continued from Page 6)

J. M. (Mac) McRobbie (Head, Industrial Technology), Raymond A. Wysock, Lynn S. Mosher, William L. Bruckhart, James G. Edwards, and Archie D. Cheda (all Industrial Technology) attended and represented Cal Poly at the California Association of Industrial Technology meeting held at Cal Poly on Oct. 17.

Daniel E. Krieger (History) presented a paper titled: "Rapallo and the Radical Perspective," as a part of a session dealing with "Politics and the Fall of Lloyd George," to a meeting of the Conference of British Studies at the University of Arizona, on Oct. 31.

Herschel L. Apfelberg (Graphic Communications) has recently had two articles published. Printing Journal of Northern California and Package Printing and Diecutting published articles entitled "Management by Objectives". The former article emphasized the commercial printing industry while the latter drew on examples from the packaging industry.

Randal L. Cruikshanks (Political Science) and Arthur C. W. Bethel (Philosophy) participated with Robert Evans of Cuesta College in an hour-long broadcast Monday evening (Oct. 27) on KCBX Radio on the topic of "A Humanist Response to the Recent Nuclear Energy Forum".

David G. Welles (Audiovisual Production) was one of 30 from all over the U.S. selected to attend the Direct Mail Collegiate Institute to be held in Chicago, Nov. 2-7.

SUPPORT STAFF VACANCIES LISTED

Vacant support staff positions have been announced by Robert M. Negranti (Staff Personnel Officer). Descriptions of the positions and other vacancies are posted outside the Personnel Office, Adm. 110, ext. 2236. Contact the Personnel Office to obtain an application. This university is subject to the requirements of Executive Order 11246 and is an Affirmative Action Employer. All interested persons are encouraged to apply. The positions are:

Equipment Technician I (\$1037-\$1261/month), Agricultural Engineering, School of Agriculture & Natural Resources. Duties & responsibilities include working half time under A.E. Shop 7 (project shop) Supervisor, and half time under Farm Shop Supervisor: maintaining adequate stock of parts, tools and supplies; inspecting, fabricating and maintaining tractors and machinery; maintaining shops and equipment; fabricating specialized equipment for laboratories; supervising and instructing student assistants and special project students; issuing tools and supplies; dispatching and moving equipment. Requirements: high school graduate; two years technical training in agricultural mechanization or equivalent, and four years experience in maintenance, repair, service and adjustment of agricultural machinery (including drills, tractors, plows, balers, mowers, combines) desired. Closing date: November 28, 1975.

Clerical Assistant II-A (\$603-\$734/month), (Temporary Help), Counseling Center, Student Affairs Division. Duties & responsibilities include typing handouts, reports, proposals; filing; operating office machines; receptionist duties; and accurate records keeping. Requirements: high school graduate; one year of clerical experience; typing 45 wpm; and must have taken the General Clerical Test. Applicants with ability to adapt to changing policies, procedures and tasks of the developing Learning Assistance Center desirable. Closing date: November 19, 1975.

Clerical Assistant II-A (\$603-\$734/month), (Temporary Help), Public Services Department, University Library. Duties & responsibilities include assisting patrons in the use of the microform collections, including indexing tools and use of readers; maintaining and keeping records of the microform collections; typing; aiding librarians in assigned projects, and/or other duties as assigned. Applicants should be willing to work a flexible schedule, including evenings and weekends. Requirements: college background desirable; at least one year of clerical experience; typing 45 wpm; and must have taken the General Clerical Test. Closing date: November 19, 1975.

BICENTENNIAL TIME-LINE

The city of Montreal is taken from the British by General Richard Montgomery. Sam Adams to his wife, Betsy: "We must be content to suffer the loss of all things in this life, rather than tamely surrender the public liberty." On the same day, Lord Dunmore, governor of Virginia, establishes martial law. Richard Penn of Pennsylvania presents a petition to Parliament from the colonies, stating their rights and grievances. The New Hampshire General Assembly passes laws punishing, by death and forfeiture of property, any person assisting the Tories with information, provisions, or munitions.

# encouraging notes

November 12, 1975

REMINDER. Seminars in proposal writing will be offered by the Coordinator, Research Development. Each session will be open to all who are interested in learning more about the proposal writing process.

Each seminar will cover such topics as what the basic sources of funding are, what some of the characteristics of a successful proposal are, how one writes and budgets a proposal, and how a proposal is reviewed internally before it is submitted to a sponsor.

Dates and locations are as follows:

November 14	3:00 - 5:00 p.m.	Science North 213
November 19	12:00 - 2:00 p.m.	Math & Home Ec 226

\* \* \*

NSF Instructional Scientific Equipment Program. Faculty members who wish to apply for the NSF Instructional Scientific Equipment Program are reminded that they must notify the Research Development Office (546-2982) by November 14 of their intentions to apply. Those who do not will not be allowed to submit a proposal at a later date unless less than six proposals are sent out in all. Preliminary indications are that more than six proposals are underway.

\* \* \*

NSF Research Initiation and Support Program (RIAS). Draft guidelines for this new program are available in the Office of Research Development. The purpose of the new program is to support universities in their attempts to upgrade the training of young scientists at the graduate level.

Grants of \$25,000 to \$250,000 may be spread over a period of as much as four years. Cal Poly will be allowed to submit only one proposal--for either a single department or a group of departments--this year.

Please notify the Office of Research Development of any intentions to apply for support under this program. If more than one proposal is likely, a review process will be initiated through the Office of the Vice President for Academic Affairs.

\* \* \*

Conservation and Research Foundation - Environmental Projects. The Foundation's purpose is to promote the conservation of the earth's resources and deepen understanding of the relationship between man and the environment. Projects in the environmental field which are not eligible for support from conventional sources are of particular interest. Awards range from \$100 to \$1,200. For further information contact: Richard H. Goodwin, President, Conservation and Research Foundation, Box 1445, Connecticut College, New London, Connecticut, 06320.

\* \* \*

USOE - Metric Education Program. Guidelines and application forms for this program are available in Administration 317. Deadline: February 1, 1976.

\* \* \*

Bicentennial Awards Due for Essays, Films. The Wells Fargo Bank has announced it will award \$100,000 in cash next year in a Bicentennial program sponsored in cooperation with the Smithsonian Institution. First, second and third prizes of \$10,000, \$5,000 and \$3,000 will be awarded in each of three categories: 1) essays written by persons under 18 years of age; 2) essays written by persons over 18; and 3) film or tape recording entries. In addition a number of fourth place awards of \$1,000 each will be made in each category. All entries must relate to the country's future and contain or suggest ideas for evaluating and/or coping with changes that will affect the nation in the years ahead. Entry form and details are available from: "Toward Our Third Century," Post Office Box 44076, San Francisco, CA, 94114.

\* \* \*

Technological Innovation in Education/NSF. The National Science Foundation, through the Technological Innovation in Education Group, provides support for the development of innovative computer and related communication technologies and systems designed to improve the quality and efficiency of instruction at all levels of education. Support is provided for the exploration, development, and evaluation of (1) computer and related communication technologies and techniques; (2) computer-based concepts, applications, and courseware (instructional material); and (3) prototype computer-based systems for effective and efficient instruction. Proposals will be accepted at any time. For further information and application procedures contact the Research and Grants Office, National Science Foundation, Washington, DC, 20550. (Extension 3251)

\* \* \*

Markle Foundation - Mass Media and Communications Technology. This Foundation is interested in projects designed to study and improve the uses of the mass media and communication technology. This concern extends to all forms of mass communication including print, television, radio, and film. To apply for support, address a letter to the Foundation outlining the proposed project, including its purpose, resources needed, personnel involved, and methods to be used. Funds are usually not provided for construction, capital equipment, salaries or scholarships unless part of a general program which the Foundation is supporting.

\* \* \*

Foreign Language and Area Studies Research Program/USOE. Application forms and draft guidelines are available in Administration 317.

\* \* \*

Exxon Education Foundation. Applications under the Exxon Education Foundation's IMPACT Program (Implementation of Materials and Procedures Affecting College Teaching) are due February 1, 1976; the program has a second closing date of July 1, 1976. Under IMPACT, the Foundation disseminates information about certain educational innovations of demonstrated merit, and shares the cost of implementation with institutions that wish to adopt one. Further program information and application instructions are available in Administration 317 or may be obtained from: IMPACT Program, Exxon Education Foundation, 111 West 49th Street, New York, NY, 10020. (212) 974-2273.

CALIFORNIA POLYTECHNIC STATE UNIVERSITY

San Luis Obispo

DISTINGUISHED TEACHING AWARD NOMINATION FORM

Members of the faculty or student body may submit nominations. The nominee must be a member of the teaching faculty during the 1975-76 academic year. When completed, this sheet together with any supporting information, may be sent to the Academic Senate Office in Chase Hall, or deposited in designated boxes at:

The Information Desk, Student Union or  
Mustang Daily Office, Graphic Arts #226.

Nominations should be returned by Dec. 9, 1975.

I nominate \_\_\_\_\_  
to receive the Distinguished Teaching Award for the  
1975-76 academic year at Cal Poly.

\_\_\_\_\_  
Nominator

\_\_\_\_\_  
A statement in support of the nomination is requested.  
Please use the space below and on the back, or attach  
additional sheets if necessary.

The committee, which will select three teachers to receive the awards, is named by the Academic Senate and makes its recommendations directly to President Robert E. Kennedy.

In considering the qualities that mark a distinguished teacher, the committee uses criteria such as:

Evident student improvement in critical and analytical ability.

Student ability to apply learning to relevant problems.

High degree of personal interaction between students and instructor.

Depth and breadth of instructor competency.

High personal standards of professional integrity.

Subject matter consistently accurate and fundamental.

Lectures interesting and well organized.

Impact of own knowledge and experience in teaching.

Teaching procedures contribute to student enthusiasm and high performance level.
