CALIFORNIA POLYTECHNIC STATE UNIVERSITY  
SAN LUIS OBISPO, CALIFORNIA 93407

Volume 27, Number 29

March 16, 1976

## Alumni choose JOHN LUCIN as new prexy

A San Jose stockbroker has been elected to a two-year term as the international president of the Cal Poly Alumni Association. Elected to the association's top post is 33-year-old John Lucin, former assistant director of student activities at Cal Poly from 1966-70. Lucin, employed by Paine, Webber, Jackson and Curtis in San Jose since 1971, received his master's degree in education at Cal Poly in 1969. He makes his home in Saratoga.

Association members also elected two new vice presidents, H. Vincent Jacobs, a Sacramento attorney, and M. Richard Andrews, vice president of a Santa Barbara brokerage firm. Re-elected to the office of secretary-treasurer is long-time association board member, Owen L. Servatius (Business Administration). The Cal Poly Alumni Association serves the more than 75,000 men and women who have attended the university since 1901.

Jacobs, a partner in the Sacramento law firm of Hiroshima, Jacobs, and Webb, earned his bachelor's degree in 1965 and master's degree in 1967, both in mathematics, at Cal Poly. He later attended McGeorge School of Law, graduating in 1971 and was admitted to practice law in California before state and federal courts in January, 1972. Andrews, vice president of Paine, Webber, Jackson and Curtis in Santa Barbara, has been employed with that firm since 1956. He graduated from Cal Poly in 1956 with a bachelor's degree in business administration.

Turning the president's gavel over to Lucin after two terms is R. Ron Frazier of Fresno, who will become immediate past president for the association. Frazier, a long-time board member, is a 1955 graduate of the animal science program. The 70-year-old association helps publish a newspaper, Cal Poly Today, supports Homecoming and Poly Royal activities at the university, honors out-standing alumni annually, encourages off-campus education through continuing education and extension courses, and aids deserving students through scholarships and loans.

---

Typewritten copy intended for the next issue of Cal Poly Report must be received prior to 12 noon on Tuesday (Mar. 23) in the Public Affairs Office, Adm. 210. Copy intended for Cal Poly Dateline is due in the Public Affairs Office by 12 noon on Wednesday (Mar. 24).

CAL POLY REPORT WILL CHANGE PUBLICATION SCHEDULE

Beginning with the first issue of the Spring Quarter 1976, Cal Poly Report will be published on Thursday. The first issue on the new schedule will be dated Mar. 25. The copy deadline for Cal Poly Report has been moved to noon on the Tuesday preceding the date of publication. This will make it easier to cover the many events and meetings taking place on Mondays.

Submission of material for consideration for Cal Poly Report is encouraged from all faculty and staff members. Copy should be typewritten and double spaced. To assist persons in the preparation of their copy, following are several examples of the style adopted by Cal Poly Report:

1. Names of campus faculty or staff members should include the first name, middle initial, and last name and be followed by the person's title in parentheses.
2. Dates should be listed according to the following example: Thursday (Mar. 25). The names of all months, except May, June, and July, are abbreviated to the first three letters, followed by a period.
3. When an item contains new information of a policy or procedural nature, the source of the information, and a name or place where further information can be obtained, should be listed.
4. Normally, only events of a campus-wide interest will be covered in Cal Poly Report. Events of a "billboard" or calendar nature (such as lectures, meetings, etc. of faculty or staff) should be submitted for inclusion in Dateline.
5. Items concerning professional activities and accomplishments for Cal Poly Report should include the answers to the four questions: Who? What? When? Where?
6. When an acronym is used for the name of an organization, the full name should be spelled out when first used. Example: ACE (American Council on Education).

Publication Dates:

A new schedule for Cal Poly Report's companion publication Dateline has also been announced. Dateline will be published on Mondays with coverage of events beginning at noon on the date of publication. Deadline for copy to be included in the Monday issue of Dateline will be noon on Wednesday of the preceding week. The first issue of Dateline on the new schedule will be Monday (Mar. 29).

REMINDER FOR SERVICE AWARDS LUNCHEON

There is still time to purchase tickets for the annual service awards luncheon honoring support staff employees who have 10, 15, 20 and 25 years of service. Cost of the luncheon, to be held in Vista Grande on Monday (Mar. 22), will be \$2.75. The menu will consist of enchiladas with chili beans, cold cuts, salads, dessert and beverage. Tickets may be purchased from Trudy Beck (Activities Planning Center, Ext. 2476) Barbara Ciesielski (General Office, Ext. 2181) Jan Gould (Audio-Visual Ext. 2212) and Stella Nuncio (Library Ext. 2344).

HEALTH INSURANCE CHANGES NOTED

The Public Employees' Retirement System has announced changes in benefits and premium rates of the Meyers-Geddes health plans. These changes are effective for the contract period Apr. 1, 1976 through July 31, 1977. Benefit changes effective April 1 are summarized as follows:

● Cal-Western/Occidental Basic:

1. Increases the doctor visit benefit for hospital, home, and office from \$8 per visit to \$9 per visit.
2. Increases RVS (relative value studies) factor for all professional services from \$8.00 to \$9.00 per unit. Change from 1964 RVS to 1974 Revision of 1969 RVS.
3. Increases hospital room and board limit from \$70 to \$80 per day.

Cal Western/Occidental Major Medical:

Changes calendar year deductible from \$150 (combined with drug deductible of \$75) to \$130 common deductible. Reduces yearly family deductible from \$300 to \$260.

● Blue Cross/Blue Shield Basic and Major Medical:

No Change in benefits.

● United Foundations for Medical Care Comprehensive:

1. Increases room and board to semi-private room rate not to exceed \$80 for first five days-- 100% of semi-private room rate commencing with sixth day.
2. Increases hospital extras to 100% commencing with sixth day.
3. Increases ICU and CCU benefits to actual cost not to exceed \$160 for first five days-- allow 100% commencing with sixth day.
4. Define separate confinements to be those separated by 48 hours or more.
5. Increases the maximum benefit to \$500,000 lifetime with automatic annual reinstatement of \$1,000.
6. Adoption of the new conversion factors.
7. Addition of 100% payment after \$4,000 in payments in a calendar year.

● ACSUP/American National Basic and Major Medical:

No change in benefits.

- The alcoholism benefit will be removed from all basic and supplemental plans effective June 30, 1976.

Premium rate changes effective with the pay warrant received Mar. 31 and showing the present State contribution of \$22 a month for each eligible employee or annuitant, \$37 for employee or annuitant with one dependent, and \$47 for employee or annuitant with two or more dependents, are as follows:

	old rate	new rate	change
● <u>Cal-Western/Occidental Basic &amp; Major Medical</u>			
Employee only	\$ 1.87	\$ 8.93	+\$ 7.06
Employee and one dependent	9.86	24.82	+ 14.96
Employee and two or more dependents	12.09	31.42	+ 19.33
● <u>Blue Cross/Blue Sheild Basic &amp; Major Medical</u>			
Employee only	8.35	20.80	+ 12.45
Employee and one dependent	19.81	43.76	+ 23.95
Employee and two or more dependents	19.50	47.70	+ 28.20
● <u>United Foundations for Medical Care</u>			
Employee only	13.50	22.27	+ 8.77
Employee and one dependent	25.49	40.93	+ 15.44
Employee and two or more dependents	33.10	52.88	+ 19.78

(continued on page 4)

### MINI-GRANT PROGRAM ANNOUNCED

The campus Innovative Instruction Coordinating Committee has announced guidelines and the time schedule for the 1976-77 Mini-Grant program. It is expected that a sum of \$ 10,000 will be available on this campus, contingent upon final budget approval in June. The limit on individual proposals is \$2500 and may be submitted by full-time faculty members, groups of faculty within a department, or faculty groups working across interdisciplinary lines.

The deadline for submission in Adm. 309 is Monday (May 3). The proposals will be reviewed by the Coordinating Committee and their recommendations will be submitted to the Vice President for Academic Affairs and the President for final approval after the state budget has been approved. The purpose of the proposal should be to improve the process of education for undergraduate students through more effective use of existing resources on campus.

Copies of the application form are available in the offices of the Academic Deans and in Adm. 309. For additional information refer to David M. Grant (Associate Dean, Academic Planning) in Adm. 309 or call Ext. 2051. Faculty planning to submit proposals in the statewide competition are reminded of the campus deadlines: Apr. 20 for Pilot Multi-Campus Projects and Apr. 27 for Pilot Projects on a Single Campus.

### OVERHEAD PROJECTOR USE CLARIFIED

Marcus Gold (Coordinator, AV Services) reports that most general purpose classrooms have now been permanently supplied with an overhead projector. The remaining classrooms will be supplied as soon as possible. To make maximum use of these projectors Audiovisual Services is asking that faculty and students observe the following suggestions:

1. Faculty should report burnt-out lamps as soon as possible to the AV Service Office, BA&E 9, Ext. 2211. There is a spare lamp in each projector which may be activated by turning a knob or moving a lever. Letting AV know when the first lamp goes will help keep a "spare" in each projector.
2. Let AV know immediately of any malfunction of the overhead. In most cases, it will be replaced within the hour. But it cannot be fixed if AV doesn't know it's broken.
3. Faculty, should not under any circumstances, move an overhead projector from the room to which it has been assigned. This places an unnecessary burden on any succeeding faculty member until the overhead can be located and replaced. In some cases they have been taken from one building to another.

If there is not an overhead projector supplied in the classroom, one may be scheduled by calling AV Services, Ext. 2211, by 5 pm the previous class day (by 12 noon on Saturday). Or the faculty member may come into the AV Service Office, BAE 9, and pick one up any time AV is open. Do not rely on notes to AV left with equipment. They seldom make it back to the AV office.

### HEALTH CHANGES . . . (continued from page 3)

#### ● ACSUP/American National Basic & Major Medical

Employee only	12.73	n/c	n/c
Employee and one dependent	27.74	n/c	n/c
Employee and two or more dependents	32.79	n/c	n/c

Legislation has been proposed (Senate Bill 1450) authored by Senator Berryhill to increase the State contribution of premium rates to offset this premium increase. If this legislation is adopted, it will be announced in Cal Poly Report.

#### FACULTY OFFICE PLANS TO GO BEFORE TRUSTEES

Schematic plans for a building which would provide 150 faculty office spaces will be on the agenda of the Campus Building and Grounds Committee of the Board of Trustees of The California State University and Colleges when they meet on March 23-24. E. Douglas Gerard (Executive Dean) said that the picture is encouraging, inasmuch as the Department of Finance has strongly supported the need for the facility at Cal Poly. However, Dean Gerard pointed out that the 1976-77 Governor's budget did not include the project, since it was too low on the Trustees' priority list of projects. Gerard said that therefore funds to complete the working drawings are expected to be made available from a previous sale of Cal Poly property, provided that the plans and the use of the funds are approved by the Trustees and the State Public Works Board. The three-story building, to be located north of the Science North building, includes office units linked by both open and closed corridors adapted to the sloping site, courtyards, and elevator service.

Dean Gerard said that if the Trustees approve the schematic plans and the plans and funding are subsequently approved by the State Public Works Board, he is optimistic that the building can be kept on schedule, which provides for request of construction funds in the 1977 Capital Outlay Program and completion of the project in fall, 1978.

Concern had been expressed by administration and the Academic Senate that the Governor's budget for 1976-77 omitted planning money for the Faculty Office building. Gerard said that the funds to be applied to planning were derived from the sale in 1973 of a triangular piece of university property located at Foothill and Santa Rosa streets. The legislation appropriating the income from the land sale specifically identified its use for permanent faculty offices.

#### RESTRICTIONS ON CAMPAIGNING FOR PUBLIC OFFICE

President Robert E. Kennedy reminds all faculty and staff that, in this year of elections, any personnel who may be running for office should be advised of the provisions of CAM 371.5. Attention is called to the need for a written confirmation of the employee's work schedule and any special arrangements for meeting assignments during the campaign period. A copy of the agreement should be forwarded to the President's office for information purposes.

Strict adherence to the CAM provisions is expected by all concerned. It is in the best interest of the University as well as the employee/candidate to advise the public of any working arrangements with the University in order to prevent possible criticism of misuse of State time. The Campus Administrative Manual is available for consultation by all faculty and staff in department offices as well as in the reserve room of the Library.

#### RESTRICTIONS ON PAYMENTS TO POLITICAL CANDIDATES

A letter from Mayer Chapman (General Counsel, CSUC) to President Robert E. Kennedy points out a limit on honoraria which may be paid to candidates for federal elective offices. A candidate is defined in the United States Code as "an individual who seeks nomination for election, or election, to Federal office."

Although complex, the rules appear to prohibit the payment of an honorarium to any Federal office candidate by any of The California State University and Colleges, Associated Students Organizations, or other auxiliary organizations. Copies of the full opinion as issued by the National Association of College and University Attorneys may be consulted at the offices of the Executive Vice President for Academic Affairs, Dean of Students, or the Reserve Room of the Library.

### FOOD SERVICE HOURS ESTABLISHED

Everette S. Dorrough (Foundation Food Service Director) announces the following food service hours of operation that will be in force during the Spring Quarter break:

Saturday and Sunday (Mar. 20 and 21):

All Food Service facilities . . . . . closed

Monday through Wednesday (Mar. 22 - 24) Academic Holiday:

Staff Dining Room . . . . . open 7 am to 4 pm

Burger Bar . . . . . open 10 am to 4 pm

Vending Cellar . . . . . open 7 am to 4 pm

Thursday and Friday (Mar. 25 and 26) Registration:

Staff Dining Room . . . . . open 7 am to 4 pm

Burger Bar . . . . . open 10 am to 12 midnight

Snack Bar . . . . . open 7 am to 4 pm

Sandwich Plant . . . . . open 10 am to 4 pm

Ice Cream Parlour . . . . . open 11 am to 8 pm

Vista Grande Restaurant . . . . . open 11 am to 9 pm

Vending Cellar . . . . . open 7 am to 4 pm

Saturday and Sunday (Mar. 27 and 28):

Snack Bar . . . . . open 7 am to 4 pm

Burger Bar . . . . . open 10 am to 1 am Saturday

. . . . . open 12 noon to 12 midnight Sunday

Vista Grande Restaurant . . . . . open 9 am to 9 pm

Monday, March 29 (Spring Quarter Classes begin):

Resume regular food service schedule

### FINANCIAL AID PROBLEMS DEVELOP

Lawrence J. Wolf (Director, Financial Aids) has announced that word has been received from the California Student Aid Commission in Sacramento that it may not have sufficient funds to cover all the costs of registration fees for Spring Quarter for State Scholarship winners. In addition, the university has been informed that Student Aid Commission will not be able to cover the increases in the University Union fee for this year for State Scholarship winners or for students receiving College Opportunity Grants. Since all mandatory fees must be paid at the time of registration, State Scholarship winners may have to pay \$15 at the time of registration and College Opportunity Grant recipients may have to pay \$5 at the time of registration.

### ALL INVITED TO FASHION SHOW

The latest in spring fashions and sports clothes will be shown during the Mad Hatter's Tea Party and Fashion Show of the Student Wives Club at Cal Poly on Sunday (Apr. 4). Coleen LeFlore, co-chairman of the show, says the fashions to be modeled by student wives will come from eight San Luis Obispo stores. They will include spring styles, a bridal gown, maternity clothes, and athletic and tennis fashions.

The public is invited to the tea and fashion show which will be held in Chumash Auditorium at 3 pm. Admission will be \$2. The Cal Poly Women's Sextette will entertain during the program. Participating stores are Animal Crackers, The Attic, Brown's Shoes, The Hang Magnuson's, MiLisa's, Rileys, and San Luis Athletic Supply. Tickets will be available at the University Union ticket office beginning on Monday (Mar. 29).

### HOME CONCERT DATE ANNOUNCED

The evening of Saturday (Apr. 10) has been selected for the 35th annual Home Concert at Cal Poly. Scheduled for 8 pm in the Physical Education gymnasium, the performance will feature the Men's and Women's Glee Clubs, as well as the University Jazz Band (Collegians). Appearances by the "World Famous" Majors and Minors, the Collegiate Quartet, and the Women's Sextette are also planned

Graydon J. Williams (music) will direct the Jazz Band and Stanley A. Malinowski Jr. (music) will conduct the glee clubs. The program will feature music of traditional American composers, as well as contemporary rock, barbershop harmonies, and jazz. Tickets, priced at \$2 for general admission and \$1 for students, will be available at the University Union ticket office. The concert is being sponsored by the Cal Poly Music Department and Associated Students, Inc.,

### SUPPORT STAFF VACANCIES LISTED

Vacant support staff positions have been announced by Robert M. Negranti (Staff Personnel Officer). Description of the positions and other vacancies are posted outside the Personnel Office, Adm. 110, ext. 2236. Contact the Personnel Office to obtain an application. This university is subject to the requirements of Executive Order 11246 and is an Affirmative Action Employer. All interested persons are encouraged to apply. The positions are:

Electrician I (\$1183-\$1305/month), Plant Operations, Business Affairs Division. Duties & responsibilities include installing, repairing, maintaining and troubleshooting all campus electrical equipment; preparing rough sketches and cost estimates; working with other tradesmen and leading and directing unskilled assistants. Requirements: completion of a recognized apprenticeship program or three years work experience as a journeyman electrician on installation and repair work; 8th grade education; thorough knowledge of principles, methods, materials, tools and equipment of the electrical trade; general knowledge of the National Electric Code, Electrical Safety Orders, OSHA; and the ability to follow written or oral orders exercising good judgment when applicable. Closing date: March 23, 1976.

Clerical Assistant II-B (\$649-\$789/month), Home Economics, School of Human Development & Education. Duties & responsibilities include taking dictation and typing for department and faculty; operation of various office machines; filing; assisting parents, students and visitors with general information regarding curricula and operations of the department; and receptionist duties. Requirements: high school diploma, one year of clerical experience, typing 45 wpm, shorthand 90 wpm, and must have taken the General Clerical Test. Closing date: March 30, 1976.

### BICENTENNIAL TIME-LINE

Redcoats evacuate Boston under threat of bombardment by Washington's troops. They take refuge on board their ships, which have been under blockade for many months. Following royal Governor Tryon's proclamation for an end to the revolt, New York City patriots stage a celebration, hang an effigy of the governor, parade it through town, and burn it publicly.

Meanwhile in California, Anza accompanied by Lieutenant Jose Joaquin Moraga, Father Pedro Font and nineteen men leave Monterey to select a site for the San Francisco presidio.

WHO...WHAT...WHEN...WHERE???

Larry P. Rathbun (Agricultural Education) has received notice that a summary of his study on the "Involvement of Vocational Agriculture Students in Vocational Education Student Organizations" appeared in the February issue of Resources in Education.

Dan Bertozzi, Jr. and Paul L. Dempsey (Business Administration) attended an Advertising Law Seminar in Los Angeles on Feb. 19. The seminar, sponsored by the Federal Trade Commission, the California Attorney General, and the California Department of Consumer Affairs, dealt with deceptive practices in advertising and the effects on advertising of the recently enacted Federal Consumer Product Warranty Act.

Sara A. Behman (Associate Dean Business and Social Sciences) spoke at the Building Trades Business Agents Institute held at the University of California, Berkeley, on Feb. 10. Her topic was "The Economic Perspective for Collective Bargaining in the Construction Industry in the Bicentennial Election Year."

Curtis Dean Piper (Head, Soil Science) and Delmar D. Dingus (Soil Science) attended the California Fertilizer Conference held in Monterey on Feb. 26 and 27. The conference dealt with a review of work that has been done in California on fertilizer and pesticide usage in agriculture production. Dr. Piper attended the Soil Improvement Committee meeting.

Walter E. (Walt) Elliott (Physics, on leave) was guest lecturer on cognitive mapping research in physics at The Graduate School, Texas Woman's University, on Feb. 24.

James G. Edwards (Industrial Technology) attended the Southern California Society of Plastics Engineers seminar on Reinforced Plastics and Composites Feb. 25-29. The seminar was held in Los Angeles and covered the most recent developments in technology and the engineering aspects of reinforced plastics composites.

Aryan I. Roest (Biological Sciences) attended an invitational fact-finding meeting on sea otters, convened by the U.S. Marine Mammal Commission, in Santa Barbara, Feb. 23-24. The meeting was designed to determine what is known about sea otters, and what needs to be known, to provide a data base from which the Commission can make appropriate decisions about this species.

John G. Snetsinger (History) chaired two panels at the Western Regional convention of the Popular Culture Association in Las Vegas on Feb. 12 and 13. The two panels were "Popular Culture Methods and Curricula" and "Teaching Popular Culture."

Everett M. Chandler (Dean of Students) and Barney R. Timone (Assistant to Dean of Students) gave a presentation at San Francisco State University on Jan. 19 during Faculty Development Week on the campus.

James H. Hayes (Journalism) participated in two panel sessions at the California Journalism Conference in Anaheim the last week of February. Topics dealt with discussion of Mass Communications introductory courses on California campuses, and Journalism Internships in industry.

Walter E. (Walt) Elliott (Physics, on leave) was visiting lecturer on the subject "Science, Superstition, and Science Fiction" at El Centro College of Dallas, on Thursday (Mar. 4).

(continued on page 9)

ANOTHER MERIT AWARD AT POLY

Donald L Shelton (Director Personnel Relations) has announced that Sharon Pollard, Departmental Secretary II in the Animal Science Department, recently received a \$100 award from the State Merit Award Board. This award was given in recognition for submission of sample cards to illustrate her idea of one Instructor's Schedule Card to replace two which have heretofore been individually prepared to fit two filing systems. Presentation of the award will be made by Dale W. Andrews (Executive Vice President) at the Staff Senate Meeting to be held on Wednesday (Mar. 17).

Awards made by the State of California Merit Award Board recognize suggestions from State employees that result in saving of either manpower or funds or contribute to employees' safety. All employees are encouraged to submit ideas. Suggestion forms are available in the Personnel Office or the Office of the Director of Business Affairs.

WHO . . . WHAT . . . WHEN . . . WHERE (continued from page 8)

Arthur C. W. Bethel (Philosophy) has been awarded a National Endowment for the Humanities (NEH) grant for a Summer Seminar at Indiana University on the topic, "Action, Thinking, and the Self." Participation is limited to twelve professors.

James G. Edwards and Lynn S. Mosher (both Industrial Technology) attended the 43rd California Industrial Education Association Conference Mar. 5th and 6th. The conference included industrial displays and over 50 small sessions.

J. Mac McRobbie (Head, Industrial Technology) attended the recent conference for the Bureau of Industrial Education held Mar. 3rd and 4th at Long Beach. The conference was attended by administration and supervisory personnel from throughout California who are specifically responsible for the Industrial Education teaching programs in the state.

John F. Kerr (English) gave a reading of his poems on San Luis Obispo radio station KCBX on Saturday (Mar. 13).

Euel W. Kennedy (Mathematics) has been notified by NASA - ASEE (National Aeronautics and Space Administration, American Society for Engineering Education) that he has been awarded an Engineering Systems Design Fellowship for the Summer of 1976. The program utilizes facilities at the Johnson Space Center and the Host Institutes, University of Houston and Rice University, all at Houston, Texas. The program will be a systems study of orbital transfer vehicles for transporting large quantities of material from low earth orbit to geosynchronous orbit.

VACANT FOUNDATION STAFF POSITION

The Foundation is accepting applications for the following open position as announced by J. L. Fryer, Personnel Officer. Interested applicants may apply at the Foundation Personnel Office, University Union Bldg., #212; Ext. 1121. Cal Poly Foundation is subject to the requirements of Executive Order 11246 and is an Affirmative Action Employer. All interested persons are encouraged to apply.

Food Service Clerk (\$603-734). Person to perform general clerical duties; take incoming calls; assume responsibility for student payroll; maintain files; cashier as required. Requires proficiency in business math, typing over 45 wpm, use of calculator and dictaphone. Must be high school graduate with two years office experience. Closing date: March 25, 1976.

CANDIDATES FOR FACULTY POSITIONS BEING SOUGHT

Candidates for positions on the faculty of the university are presently being sought, according to Donald L. Shelton (Director, Personnel Relations). Those interested in learning more about the positions are invited to contact the appropriate dean or department head. This university is subject to the requirements of Executive Order 11246 and is an Affirmative Action Employer. All interested persons are encouraged to apply. Following is a description of the available positions:

Lecturer (\$8912-\$11,944/year), Computer Science and Statistics Department, School of Science & Mathematics. Part-time position. Duties & responsibilities include teaching approximately three lower division, upper division or graduate courses in computer science. Candidates must possess a Master's degree in Computer Science. Preference will be given to candidates with a Ph.D. in Computer Science and/or college or university teaching experience in Computer Science and/or industrial experience involving the application of computers. One year, leave-replacement position. Application deadline is April 1, 1976. Position available September, 1976.

Assistant Professor (\$12,732-\$15,480/year), Agricultural Engineering Department, School of Agriculture & Natural Resources. Academic year appointment. Instruction in agricultural mechanics and mechanized agriculture. Minimum of a Master's degree in Mechanized Agriculture, with teaching experience in agricultural mechanics and practical experience in agricultural equipment fabrication. Position available Fall Quarter, 1976. Closing date for receipt of applications is May 8, 1976.

Assistant Professor (\$12,732-\$15,480/year), Ornamental Horticulture Department, School of Agriculture & Natural Resources. Master's degree in Ornamental Horticulture or closely-related field plus commercial or teaching experience required. Duties & responsibilities include teaching undergraduate courses in landscape construction, landscape contracting, plant materials, and arboriculture; instruction on tree climbing operations and safety; advising and supervising students in the operation of machinery and in the development of landscaping; and supervising students in senior projects. Deadline for application: April 26, 1976.

Assistant Professor (\$12,732-\$15,480/year), Ornamental Horticulture Department, School of Agriculture & Natural Resources. Master's degree in Ornamental Horticulture or closely-related field plus commercial or teaching experience. Duties & responsibilities include teaching undergraduate courses principally in nursery practices, plant propagation, and container stock production with the possibility of some plant materials classes. Part of the instructor's time is spent with student advisement and supervision of students on nursery production projects. Deadline for application: April 26, 1976.

Assistant Professor (\$12,732-\$15,480/year), Ornamental Horticulture Department, School of Agriculture & Natural Resources. Master's degree in Ornamental Horticulture or closely-related field plus commercial and teaching experience. Additional academic background in English or Journalism desirable. Duties & responsibilities include teaching undergraduate courses in floral design, flower shop management, and will critique literary composition of all senior projects. Part of the instructor's time is spent with student academic advisement. Deadline for applications: April 26, 1976.

Assistant Professor (\$12,732-\$15,480/year), Ornamental Horticulture Department, School of Agriculture & Natural Resources. Master's degree in Ornamental Horticulture, with an emphasis in landscape design or landscape architecture, plus commercial or teaching experience. Duties & responsibilities include teaching undergraduate courses in landscape drafting, principles of landscape design, advanced design courses, and plant materials. Part of the instructor's time is spent with student advisement and supervision of landscape projects and senior projects. Deadline for application: April 26, 1976.

Lecturer (\$848-\$1032/quarter), Child Development Department, School of Human Development and Education. Part-time position for Spring Quarter only. Duties & responsibilities include teaching a 3-unit course, CD 103, Dating, Courtship and Marriage. Preference will be given to candidates with previous college level teaching experience relevant to this course. Deadline to apply: March 19, 1976.

(continued on page 11)

FACULTY POSITIONS (continued from page 10)

Lecturer (\$12,732-\$15,480/year, dependent upon training and teaching experience), Political Science Department, School of Business & Social Sciences. Requirements: Candidate should have the Ph.D. in Political Science and be prepared to teach introductory courses in U.S. government and one or more of the following fields: international relations, public administration, and state and local government with emphasis on California institutions. Position is full time beginning Fall, 1976 for the 1976-77 academic year (to replace faculty on sabbatical). Closing date for receipt of applications is May 1, 1976.

Assistant Professor (\$12,732-\$15,480/year), Art Department, School of Communicative Arts & Humanities. Full-time position for the 1976-77 academic year. Applicants must have a MFA degree with specialization in Metalsmithing; ability to teach beginning crafts course; a minimum of two years experience as a proven and successful college teacher; and applicants must submit resume of reference, experience, exhibitions, education, degrees received and a representative sample of slides of work. Knowledge of marketing and production methods is desired. Deadline for receipt of applications: April 16, 1976.

Lecturer (\$13,368-\$17,916/year), Computer Science and Statistics Department, School of Science & Mathematics. Duties & responsibilities include teaching lower and upper division courses in Statistics. Candidates must possess a Ph.D. in Statistics or a closely related subject matter field. Preference will be given to candidates with college or university teaching experience in Statistics and/or industrial experience involving the application of statistics. One year appointment only. Application deadline is April 1, 1976. Position available September, 1976.

OUTSTANDING DAIRY SENIORS NAMED

Three dairy science students at Cal Poly were named the outstanding seniors of the department during the annual banquet of Los Lecheros, the club serving dairy majors at the university, on Saturday (Feb. 28). The awards, which are based on scholarship, leadership, and citizenship, went to Kim R. I. Brogan, of San Diego, Dennis P. Edlund of Hilmar, and John E. Honnette of Denair.

### EYE ACCIDENTS UNEXPECTED BUT THEY HAPPEN

Of all the major body organs prone to injuries, the eye is perhaps the most vulnerable. Eye injuries not only disable persons but they often disfigure them. Cost per-injury is high to both employee and employer. Flying objects cause most eye injuries - metal or stone chips, nails, abrasive grits, or other materials.

Eye and face protection equipment includes safety glasses, goggles, face shields, and similar items used to protect against corrosive solids, liquids, vapors, and foreign bodies. Shaded lenses are used to screen out ultra-violet and infrared radiation. Of the many types of eye and face protection available, there is a correct type for each job and it should be worn at all times on that job.

### OFF-CAMPUS POSITION VACANCIES

Information on the administrative position vacancies listed below can be obtained from the Placement Office, Adm., 213, ext. 2501:

St. Cloud State University, Minnesota - Dean, Liberal Arts and Sciences. Responsible to the Vice President for Academic Affairs. Works directly with 16 department chairpersons and the faculty in developing policies and procedures for the College of Liberal Arts and Sciences. An earned doctorate in Liberal Arts and Sciences; significant teaching and administrative experience in higher education; evidence of scholarly activity such as membership and participation in professional organizations and publications; imagination and democratic spirit are necessary to qualify.
