ASI Announces Election Run-Off Scheduled for May 12

SAN LUIS OBISPO -- Cal Poly's Associated Students, Inc. announced there would be a one-day run off for ASI President and Executive Vice President on Wednesday, May 12. Voting polls will be open from 8 a.m. to 4 p.m.

There were two write-ins and one printed name on the ballot, but none of the running tickets received the majority of 50 percent needed to declare a victory. Blake Bolton and Tylor Middlestadt received 1,079 votes (43 percent) while Rory Scerri-Marion and Eric Ra received 749 votes (30 percent).

Approximately 13 percent of the student body voted. ASI Elections Committee Chair Tracy Watte hopes to see a higher voter turnout during the run-off. "The president and vice president positions are very important because they have a lot of power regarding student activities and responsibilities for funding," she said. "I'd like all students to know that both sets of names will be printed on the run off ballot."
