WENTE ELECTED TRUSTEE CHAIRMAN

The Board of Trustees of The California State University and Colleges took the following actions at its meeting last Wednesday (May 24) in Los Angeles:

- Elected Karl L. Wente of Livermore as chairman of the board and George D. Hart of San Francisco as vice chairman for 1972-73. Also approved trustee committee assignments for the coming year.
- Resolved that programs in wildlife management and fisheries at Humboldt State College qualify as an equivalency to accreditation under item four of the criteria used to determine qualifications for use of the name "University." Approved renaming the college to California State University, Humboldt, effective June 1, subject to Coordinating Council for Higher Education approval. Fourteen campuses now will be formally considered for renaming (effective June 1) at the May 31 meeting of the Coordinating Council.
- Changed the name of San Fernando Valley State College to California State University, Northridge, subject to Coordinating Council approval of the use of the title "University."
- Changed the names of Sonoma State College to California State College, Sonoma, and Stanislaus State College to California State College, Stanislaus, effective June 1.
- Approved for 1972-73 a schedule of full board meetings to be held in the Los Angeles headquarters and interim committee meetings to be held on the campuses, including April 24, 1973 Educational Policy Committee meeting at Cal Poly, San Luis Obispo.
- Amended Title 5, California Administrative Code, to clarify two areas relating to student discipline: provides that a student under disciplinary action at any campus shall be regarded as under such action at all other campuses for purposes of eligibility for admission; further permits conditioning or denial of admission to a former student because of conduct subject to discipline committed while he was a student.
- Approved the sale of 1.45 acres of surplus property at Cal Poly, San Luis Obispo, for the bid of \$85,000.

MAY SALARY WARRANTS AVAILABLE WEDNESDAY AT 4 P.M.

May salary warrants for faculty and staff of the college will be available at 4 p.m. on Wednesday (May 31), the last day of the pay period. Warrants batched by department may be picked up at the Cashiers Office, and those picked up on an individual basis will be available in the Business Affairs Division Office, Adm-114.

CHAIRMAN OF STATEWIDE SENATE NAMED TO NEW C S U C POST

The appointment of David H. Provost as dean of new program development and evaluation for The California State University and Colleges was announced last week by Chancellor Glenn S. Dumke. The appointment will be effective this summer when Dr. Provost, a professor of political science at Fresno State College, completes his 1971-72 term as chairman of the Statewide Academic Senate of CSUC.

Chancellor Dumke announced the appointment at a Los Angeles meeting of the Board of Trustees at which he commented on progress in implementing a several-faceted Program of New Approaches to Higher Education which he proposed to trustees in 1971. "Dr. Provost has served with great distinction this year as chairman of the Statewide Academic Senate, and possesses a background of knowledge and experience that will enable us to move even more rapidly into the area of innovation," Chancellor Dumke said.

In his new position, Dr. Provost will work with the 19 campuses in developing new methods of instruction which emphasize student independence, credit-by-examination and new ways to measure the achievement of students. The Office of New Program Development and Evaluation, as one example, is assigned system responsibility for conducting innovative projects under a \$451,428 Carnegie Corporation grant at California State College, Bakersfield; California State College, Dominguez Hills, and San Francisco State College.

CANDIDATES FOR VACANT FACULTY POSITION BEING SOUGHT

A teaching position on the faculty is presently being sought by the School of Engineering and Technology, according to L. R. Voss (Director of Personnel Relations). Those interested in learning more about the position, or in applying for it, are invited to contact Archie Higdon (Dean of Engineering and Technology). Cal Poly is an Affirmative Action employer. A brief description of the available positions read:

Intermediate Instructor, (\$9324-\$11,340 annually), Welding and Metallurgical Engineering Department, School of Engineering and Technology. Applicants must have knowledge of corrosion and fracture mechanics, have teaching experience in materials engineering; and possess a recent doctor's degree in metallurgical engineering. Some industrial experience in metallurgical research and development or operations is necessary. Ethnic minority applicants and women are urged to apply.

PRESCHEDULING FOR SUMMER QUARTER SCHEDULED ON THURSDAY

Prescheduling for all students planning to attend Summer Quarter will be held at 11 a.m. on Thursday (June 1) according to an announcement from Gerald N. Panches (Registrar). Students are requested to consult their major department office and/or department bulletin board for information on meeting locations.

RETURN OF INTER-CAMPUS MAIL ENVELOPES REQUESTED

Return of excess supplies of inter-campus mail envelopes is being requested by Mrs. Lucy Schmidt (Supervisor of the General Office). Offices and departments that have quantities of the envelopes in excess of their needs are asked to return them to the duplication center, Adm-129.

GUIDELINES FOR INNOVATION AND IMPROVEMENT GRANTS ANNOUNCED

Final guidelines for special College Pilot Projects which are to be funded from the Innovation and Improvement Budget for 1972-73 have just been announced by the Chancellor's Office, according to Howard Boroughs (Associate Dean, Graduate Studies and Research). Although the funds have not yet been approved by the various branches of state government, it is expected that about \$1 million will be available to be awarded to projects on a competitive basis.

There are two general goals of the newly-announced program for innovation and improvement. One is to improve the quality of instruction without increasing the cost. The second is to increase the effectiveness of instruction in terms of educating more students while maintaining the quality.

Dr. Boroughs said abstracts of proposals are due immediately; the proposals themselves are due at the Chancellor's Office on July 14. "Since all proposals must be reviewed and endorsed locally before that date, it is probably realistic to consider a campus deadline of about June 30," he continued. "It is not possible to be more specific at this time because the persons who will be involved in the reviews could not be consulted in time for this announcement."

Although some money will probably be held in reserve for a second funding in the fall, Dr. Boroughs is encouraging interested members of the college faculty to try for the July 14 deadline. Although some proposals of a smaller scope may be supported, he said it is likely that a small number of grants of significant amounts will be made. As a result, he urged that considerable effort be given to project proposals, which should each have the prospect of having a large effect.

Copies of the guidelines and application forms, as well as other information about the College Pilot Projects program may be obtained by contacting Dr. Boroughs, Adm-309, 546-2630.

"HUMANITIES 2000" WILL BE PROGRAM TOPIC

David Grant (English Department) will offer his views on "Humanities 2000" during the final program of the "Arts and Humanities -- 1972" program series on Thursday (June 1). The one-hour program is set for 11:15 a.m. in Room 220 of the Julian A. McPhee College Union on campus. Admission will be free and the public is invited.

Dr. Grant came to Cal Poly in 1950 after having been a teacher in public schools in Iowa. He formerly had been chairman of the Speech Department at Hastings College in Nebraska, a U.S. Navy officer, and a member of the Stanford University faculty. Dr. Grant earned his doctor's degree at Stanford, his master's degree at University of Iowa, and his bachelor's degree at Iowa State Teachers College.

The June 1 program will culminate the "Arts and Humanities -- 1972" series which has been sponsored by the School of Communicative Arts and Humanities. Other programs in the series have been on such topics as "The Worlds We Have Lost," "Views of Utopia," and "Is There a Counter-Culture in the Making?"

Monday, June 5, will be the last day of classes for the 1972 Spring Quarter, according to the 1971-72 Academic Calendar.

P H T CEREMONY WILL HONOR STUDENT WIVES

More than 100 student wives who have helped their husbands earn degrees at Cal Poly will be honored at the annual Pushing Hubby Through ceremony in Chumash Auditorium of the Julian A. McPhee College Union at 1 p.m. on Sunday (June 4).

Adela Rogers St. Johns, former Hearst newspapers writer and author, will be the speaker for the program and President Robert E. Kennedy will present the PHT "diplomas." Mrs. Nancy Wood will respond for the student wives.

The PHT ceremony launches senior week leading up to commencement exercises on Saturday, June 10, afternoon in Mustang Stadium. Next Monday through Friday (June 5-9) will be days of preparation and graduates will be honored at a barbecue to be held at 6 p.m. on Friday, June 9, in Cuesta Park in San Luis Obispo.

Commencement day events will begin with a brunch at 10 a.m. in Chumash Auditorium during which awards will be presented to outstanding members of the graduating class. The day will also include an initiation ceremony for new members of Phi Kappa Phi academic honorary society and the planting of the Class of 1972 tree.

The day will conclude with a ball in the Madonna Inn in San Luis Obispo that evening. Graduates and their parents and guests will attend.

VACANT STAFF POSITIONS LISTED BY PERSONNEL OFFICER

Three vacancies on the support staff of the college have been announced by S. Milton Piuma (Staff Personnel Officer). Descriptions of the positions and other vacancies are posted on the bulletin board outside the Personnel Office, Adm-110, 546-2236. Those interested in applying for any of the positions should contact the Personnel Office to obtain an application. Cal Poly is an Affirmative Action employer. The positions are:

Student Affairs Assistant II (\$821-\$998), Activities Office, Student Affairs Division. Duties and responsibilities include facilitating student development in group dynamics and human relations, and acting as program counselor for student committees in fine arts, films, popular concerts, speakers, and special events. Applicants must have master's degree in such disciplines as counseling, student personnel, psychology, social science or the humanities, and must have two years experience in a related field.

Student Affairs Officer III (\$1194-\$1452), Activities Office, Student Affairs Division. Duties and responsibilities include identifying, soliciting, developing, and coordinating community service projects that offer personal and social development experience for student volunteers and advising a student committee in matters of recruiting volunteers and budgeting. Applicants must possess a master's degree in education, student personnel, psychology, social science or the humanities, and have three years of student affairs activities or related experiences.

Computer Programmer II (\$927-\$1128), Computer Center, Academic Affairs Division. Applicants must demonstrate knowledge of FORTRAN, PL/I, COBOL, assembler, and job control at a software systems, ability and interest in administrative systems analysis, file design and data processing, and willingness to work in these areas. Experience with Control Data 3300, Control Data 3170, COMPASS, timesharing, computer graphics, and experience in a college or university environment, are highly desirable, with thorough experience with generation and maintenance of IBM 360 OS operating system mandatory. Ethnic minority applicants and women are encouraged to apply.

UNIVERSITY STATUS TO BE OFFICIAL ON THURSDAY

The Coordinating Council for Higher Education has indicated its approval of 13 California State Colleges nominated for university status. Under the Education Code the 10-member council, which advises the governor, the Legislature, and governing boards on matters concerning higher education, must approve such action.

An announcement by the CCHE said the formal confirmation will be made at its meeting tomorrow (Wednesday, May 31) in Sacramento. Among the new universities, the Cal Poly's will be known as California Polytechnic State University, San Luis Obispo (CPSU), and California State Polytechnic University, Pomona (CSPU), effective on Thursday (June 1).

Humboldt State College was added to the list of state colleges whose names will be changed to include "university" during the meeting of the CSUC Board of Trustees in Los Angeles last week. Since it had not been previously considered by the coordinating council earlier, it will receive full consideration during the CCHE meeting in Sacramento on Wednesday. (See article on page 1 for additional information.)

COURT UPHOLDS TUITION CHARGE FOR FOREIGN STUDENTS

Procedures for arranging payment of tuition owed by some foreign students of the California State University and Colleges are being developed following a favorable decision by a Los Angeles Superior Court judge in a lawsuit filed last fall. The decision by Judge Julius M. Title favored the CSUC and denies in all respects the relief requested by the foreign students.

As a result of the decision, which also dissolved an earlier preliminary injunction prohibiting the collection of tuition fees from some foreign students, each of the state colleges has been asked by the Chancellor's Office to determine the amount of tuition owed by each of the students covered by the injunction.

A communication from the Office of the CSUC General Counsel directs that "foreign students should not be prevented from attending classes for the remainder of the academic year and taking final examinations for reason of nonpayment of tuition. As before, students should be permitted to make voluntary payments of tuition."

OFFICERS FOR 1972-73 ELECTED BY ACADEMIC SENATE

Officers for the 1972-73 college year have been elected by the Cal Poly Academic Senate. Those elected during a regular meeting held earlier this month are Barton C. Olsen (History Department) chairman; Arthur Z. Rosen (Physics Department) vice chairman; and Harry H. Scales (Education Department) secretary.

Howard Rhoads (Crops Science Department), who is presently concluding his term as chairman of the 68-member senate, said the new officers will officially take office on June 10, the last day of the present academic year, and will serve one-year terms.

The senate, which includes elected representatives of Cal Poly's 7 academic schools and 5 instructional departments, is an advisory body which makes recommendations on matters connected with university curricula and faculty affairs.

JUNE 6 "CAL POLY REPORT" WILL BE LAST OF 1971-72

The June 6 edition of Cal Poly Report will be the last regularly scheduled edition of the 1971-72 college year under a publication schedule announced this week by the Information Services Office. Current plans provide for publication every two weeks during the summer beginning on June 27 and continuing through Sept. 5.

A back-to-campus issue is being planned for Sept. 15 and resumption of the regular weekly publication schedule for the Fall Quarter is planned on Sept. 26.

Deadlines for receipt of information for Cal Poly Report will continue to be 12 noon on the Friday before publication during the summer months. Suggested copy, which may be mailed or taken to the Information Services Office, Adm-210, should be typewritten, double-spaced, and bear the name and telephone number of the person providing the information.

GENERAL MEETING OF WOMEN'S CLUB PLANNED FOR NEXT TUESDAY

Members of the college faculty and staff who have assisted the Cal Poly Women's Club during the past year will be honored guests during a general membership meeting of the club being planned for next Tuesday (June 6) morning. The meeting will take place at Poly House starting at 10 a.m.

Mrs. Richard F. Johnson, newly-elected president of the women's club, will preside over the business portion of the meeting during which its budget for 1972-73 will be presented. Hostesses for the meeting will be the outgoing members of the club's Board of Directors.

Members who wish to do so will also have an opportunity to pay their \$6 membership dues for 1972-73 during the meeting.

NEW PUBLICATION AVAILABLE FOR PURCHASE

The 1,000-Mile Campus, a publication describing the new effort to provide external degree programs in the California State University and Colleges, is now available for purchase from the Commission on External Degree Programs, The California State University and Colleges, 1801 E. Cotati Ave., Rohnert Park, 94928.

Proceedings of the Conference on External Degree Programs, which took place at the Kellogg West Center at California State Polytechnic College, Pomona, Dec. 16-18, 1971, are reported in the paper-backed book. Cost of the 88-page book is \$2 per copy, including tax. Checks should be made payable to "Continuing Education Fund."

CAL POLY FAMILY DAY AT ROARING CAMP

Sunday, June 11, will be Cal Poly Family Day at Roaring Camp in Felton. The day's schedule will include steam train trips, a barbecue, and entertainment. Discount tickets for the various events may be obtained in the Personnel Office, Adm-110, 546-2236.

The final examination period for the 1972 Spring Quarter will begin on Tuesday, June 6, and continue through Friday, June 9.

FINAL ASSEMBLY COMMITTEE PRESENTATION SLATED FRIDAY EVENING

Two established rock groups will conclude Spring Quarter concerts at Cal Poly on Friday (June 2). The Youngbloods and Loggins and Messina, will present a "just-before-finals" concert to be held in the Men's Gymnasium at 8 p.m. The concert is being sponsored by the Assemblies Committee of the Associated Students, Inc.

Kenny Loggins is a young writer and performer best known as the writer of "House at Pooh Corner," which was made into a hit by the Nitty Gritty Dirt Band. Jim Messina, formerly of the Buffalo Springfield and Poco, makes up the other half of the group. Messina has produced his and Loggins latest album, Kenny Loggins With Jim Messina Sittin' In, which has just recently been released by Columbia Records.

The Youngbloods first appeared on the record scene in early 1967 with a record entitled "Grizzly Bear." Their follow-up recording, "Lets Get Together," has established them as a tasteful and talented rock band and also made the song a standard for contemporary audiences.

Tickets for the concert are on sale soon at the Julian A. McPhee College Union and at Brown's Music Store, Stereo West, Supersonic, Premier Music Company, and the Truck Stop, all in San Luis Obispo. Admission prices will be \$2.50 for students general admission; \$3.50 reserved student; \$3.50 general admission public; and \$4.50 for reserved public.

BIBLE COLLEGE LEASES VOORHIS CAMPUS

Approval of Pacific Coast Baptist Bible College as lessee of the Voorhis Campus of California State Polytechnic College, Pomona, has been announced by Chancellor Glenn S. Dumke. The lease, to cover a five-year period, was recommended by Cal Poly's President, Dr. Robert C. Kramer.

Under State ownership since 1938, the 147-acre facility initially was the southern branch of California State Polytechnic College, San Luis Obispo. Another branch, the Kellogg Campus, near Pomona, later became a separate college with both the Kellogg Campus and the Voorhis acreage.

Pacific Coast Baptist Bible College, under terms of the lease, will bring existing structures into compliance with the Uniform Building Code and with local and state fire, safety and health regulations, and will repair and replace utilities.

The Voorhis campus was used in recent years as a conference center and for field laboratories in biological science, ornamental horticulture and agricultural citrus programs.

The 1971 opening of the \$3 million Kellogg West Center for Continuing Education on the Kellogg Campus reduced immediate need for the Voorhis property and led to its availability on a short-term lease basis.

Pacific Coast Baptist Bible College, with offices in Pasadena, has stated its expectation to enroll 300 students in facilities on the Voorhis acreage this fall.

The lease provides for return of the premises, in a condition permitting immediate occupancy by the state, in 1977.

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

Edward H. Barker (Dean of Business and Social Sciences) was a member of the blue-ribbon panel which selected the California Industrialist of the Year recently. Sponsored by the California Museum of Science and Industry, presentation of the award culminated an annual awards banquet which took place on May 11 in Los Angeles.

Vic Buccola (Men's Physical Education Department) presented a paper titled "Influence of Jogging and Cycling Programs on Physiological and Personality Variables in Aged Men" at the Southwest District convention of the American Association for Health, Physical Education, and Recreation recently in Las Vegas.

Loren L. Nicholson (Journalism Department) addressed citizens of the Los Osos-Baywood area during their bicentennial program on May 19. The community celebrated the arrival in the Los Osos Valley of Lt. Pedro Fages and 13 soldiers from the first Monterey settlement in May, 1772. Nicholson is past president of the San Luis Obispo County Historical Society and current editor of La Vista, a publication of the society.

Keith Nielsen (Speech Department) has been informed that his dissertation is being used as an emphasis study in a graduate seminar on theater as a communication medium at University of Wisconsin. Dr. Nielsen's dissertation was recently published by the Center for International Studies at Michigan State University. It explores the uses of theater teaching techniques as a means for learning cultural values of India.

Robert L. Hoover and Frederick F. Schantz (both Social Sciences Department) attended the 16th annual meeting of the Kroeber Anthropological Society on May 21 in Berkeley. The society, named for the anthropologist, Alfred Kroeber, was founded and operated by students and alumni of the Anthropology Department at University of California.

AMUSEMENT AREAS OFFER DISCOUNTS FOR COLLEGE EMPLOYEES

The names of amusement areas throughout California which make discount cards available to employees of the college are listed in an announcement issued by the Personnel Office. Those interested in obtaining discount cards or in learning more about the amusement areas which issue them may do so by going to the Personnel Office, Adm-110.

In Southern California, the parks for which discount cards are available include Disneyland Park in Anaheim; Knott's Berry Farm, Movieland Wax Museum and Palace of Living Art, Japanese Village and Deer Park, Movie World Cars of the Stars, and Planes of Fame in Buena Park; Magic Mountain in Valencia; Los Angeles Zoo and Universal Studios, Los Angeles; Queen Mary Voyagers Club, Long Beach; the various sightseeing excursions on Catalina Island; Palm Springs Aerial Tramway; and San Diego Harbor Excursion, San Diego Zoo, and Sea World in San Diego.

Northern California amusements for which the discount cards are available include the San Francisco Bay Cruise, the Red and White Fleet (bay cruise), and Ripley's Believe It or Not, all in San Francisco, and the Roaring Camp Steam Locomotive in Felton.
