

Volume 24, Number 10

October 10, 1972

## VARIED EVENTS SLATED FOR FIRST ASIAN WEEK

Japanese art, flower arranging, judo demonstrations, a tea ceremony, and motion pictures are all scheduled as part of Cal Poly's first Asian Week program, which will begin today (Tuesday, Oct. 10) and continue through Sunday (Oct. 15). Chinese, Japanese, and Vietnamese students are joining in the observance which is being sponsored by the newly-formed Ethnic Program Board of the university's Associated Students, Inc.

The public is invited to attend all of the programs and activities. Admission is free to all except two major motion pictures and the talent show. Admission to the major Japanese film and a Chinese film will be 75 cents for the public and 50 cents for students. Admission to the talent show on Saturday will be 75 cents for students and \$1.25 for the general public.

A Japanese feature film with dialogue in English, "Under the Banner of Summarai," will be shown in the Cal Poly Theater at 7:30 p.m. on Thursday (Oct. 12). "Execution in Autumn," the Chinese film about a struggle to continue a family line despite a death sentence imposed on the hero, will be shown in the Cal Poly Theater at 7 and 9 p.m. on Friday (Oct. 13).

President Robert E. Kennedy will speak briefly at the Asian Week opening ceremonies in the College Union Plaza at 11 a.m. today (Tuesday, Oct. 10). The Chinese Students Association Lion Team will "chase away evil spirits" with a traditional dance, and a Japanese Judo team will demonstrate the art of self defense.

Other highlights of Asian Week are a tea ceremony at 11 a.m. on Wednesday, (Oct. 11) in College Union Room 220, and a demonstration of Chinese cookery at 12 noon and 3 p.m. on Saturday (Oct. 14) in College Union Room 204. Art works of China, Japan, and Vietnam will be on display in College Union Room 221 throughout the week.

Cultural films and speakers will be presented nightly Tuesday through Friday, and at 1 p.m. on Saturday (Oct. 14). The programs will be held in the College Union and at various other campus locations. A calendar of the special Asian Week events will be posted in the entry to the College Union.

The week will be climaxed by the talent show on Saturday (Oct. 14) at 7 p.m. in which Cal Poly students and professional performers will join to bring authentic Asian entertainment to the Cal Poly Theater stage.

## FALL HARVEST PRODUCE BEING FEATURED AT CAMPUS STORE

The Campus Store located in the south end of the Food Processing Building presently has an unusually wide selection of fresh fruits, vegetables, and ornamental plants, as well as poultry, dairy and canned products, available at attractive prices. All products are grown and processed on campus and many are the end products of student-owned and -operated projects. The store hours are 12 to 5:45 p.m. on weekdays and 10 a.m. to 1 p.m. on Saturdays.

RESPONSIBILITIES OF STUDENT ORGANIZATIONS OUTLINED BY PRESIDENT KENNEDY

Cal Poly President Robert E. Kennedy, during the annual delegation of authority to the university's Associated Students, Inc., and the presentation of charters to the more than 150 student clubs on campus, reminded the gathering at the Student Affairs Council meeting last Wednesday (Oct. 4) of his responsibility to the people of the State of California, and of the honor, obligations, and responsibilities of chartered organizations.

Dr. Kennedy opened his remarks by stating "We are fortunate here at Cal Poly. Our philosophy and objectives offer fertile ground for meaningful, worthwhile cocurricular experiences. Our emphasis is on experience -- learning through involvement -- having the right to make responsible decisions -- having the right to set goals and to create organizations to achieve them -- having the right to allocate large amounts of public funds and to hold the spenders accountable for its use -- and having the right to learn through making responsible mistakes."

The university president described how the sovereign power of the people is exercised through the voters' delegation of authority to the legislature, the Legislature to the Trustees of the California State University and Colleges by adopting enabling legislation, and further delegation of authority by the trustees to the chancellor of the state university and colleges system and the campus presidents. He pointed out to the chartered groups that "a charter is evidence of a 'special kind of partnership' between sovereign authority and an organization. It grants certain rights, privileges, and honors to the organization and it requires certain standards of performance of that organization.

"At Cal Poly, charters are granted to certain organizations jointly by the President of the university and the Associated Students. The primary criterion in determining whether or not a group shall be authorized to function as a Cal Poly Chartered Organization is the answer to the question:

Are the objectives and probable activities of this group compatible with and consistent with the purposes, objectives, and public expectancies of the institution?

"The granting of a charter at Cal Poly is not an automatic transaction! The bylaws of every group are carefully reviewed, faculty leadership is thoughtfully delegated, and end-of-the-year reports become official records of the university.

"It is an honor and a privilege, then, to receive a charter at this university. It is a deliberate act of the President and of the Associated Students, and it carries with it a performance expectancy that is worthy of Cal Poly's excellent traditions."

FACULTY MEMBER WILL CONDUCT CAMPUS TREE WALK THIS SATURDAY

New and returning staff and faculty members interested in knowing the names and cultural requirements of many of the trees on the Cal Poly campus are invited to take an informal tree walk this Saturday (Oct. 14) from 9 to 10:30 a.m. Winton "Woody" Frey (Ornamental Horticulture Department) will conduct the walking discussion of campus trees starting at 9 a.m. and continuing through 10:30. All those interested in participating are invited to contact Frey by telephoning 546-2224 or to meet at the clock tower of the Business Administration and Education Building at 9 a.m. on Oct. 14.

COLLEGE HOUR CONCERT SERIES WILL OPEN 10TH YEAR

The duo piano talents of Donald Smith and his wife, Patricia, will be featured during the first program of the 10th year of the College Hour Concert Series Thursday (Oct. 12) morning. Scheduled for 11 a.m. in the Cal Poly Theater, their concert will feature music of Bach, Brahms, and Poulenc. Admission will be free and the public is invited to attend.

The Smiths have enjoyed a career as duo pianists for a number of years. They are known throughout the Western United States for their performances of the standard repertoire as well as some of the more unusual musical literature. Dr. Smith, presently a member of the music faculty of California State University, Hayward, earned his doctoral degree in two piano performance at University of Southern California.

Ronald N. Ratcliffe (Music Department), coordinator of the College Hour Concert Series, said the concert by the Smiths is typical of a new concept that will be used in planning the programs for the coming year. Guest performers will be used to complement the programs presented by artists who are either residents of the Central Coast area or members of the University's faculty, staff, or student body.

The College Hour Concert Series is sponsored by the university's Music Department.

CLASSICAL MUSIC IS REGULAR FEATURE ON CAMPUS RADIO STATION

Cal Poly's campus radio station, KCPR-FM, now features classical music six days each week, according to Ronald Margaretten, who is fine arts director for the station which is operated at 91.3 on the FM radio band by the Journalism Department.

Margaretten said "Pacific Concert" begins at 3 p.m. each weekday afternoon and presents the finest in recorded classical music. "Sunday-FM," a new concept in FM radio programming, begins at 3 p.m. on Sundays. This program is presented in three parts, one of which is the popular "Keyboard Immortals Play Again" series.

The station, which is staffed by students as part of the Journalism Department's instructional program, also publishes a free concert guide, which lists highlights of the daily classical programming. They may be obtained by telephoning KCPR-FM, 544-4640, while "Pacific Concert" is on the air, or by writing to Margaretten, c/o KCPR-FM, Cal Poly, San Luis Obispo, 93401.

COLOR WILL BE TOPIC FOR WOMEN'S CLUB MEETING

"Color: How It Affects Your Personality and Purchases" will be presented to members of the Cal Poly Women's Club when they hold their first general meeting of the year in Tenaya Hall Lounge, tonight (Tuesday, Oct. 10) at 8 p.m. Margaret Russell of Ameritone Color Key Corporation will be the guest speaker.

Color Key is a system of color selection by which over 600 colors have been divided into two distinct "color keys." The two keys cannot be interchanged and each person fits into one of these groups. Ameritone reports that Californians prefer different colors than most other geographical areas of the United States.

#### ARTS AND HUMANITIES PROGRAM PLANS ANNOUNCED

Plans for a series of three programs to be presented during the Fall Quarter as part of the Arts and Humanities 1972-73 series at Cal Poly have been announced by the university's School of Communicative Arts and Humanities.

The programs, which will feature talks by three members of the university faculty, will take place at 11 a.m. on Thursday mornings in Room 220 of the Julian A. McPhee College Union. Admission will be free and the public is invited to attend.

David Kann (English Department) will open the Fall Quarter program series on Oct. 19 with a presentation on the relevance of the human potential movement to education. One week later, on Oct. 26, James Simmons (also English Department) will discuss a topic of literary interest. The specific title of his remarks is yet to be announced.

The final meeting of the fall series on Nov. 9 will feature a talk by Robin Lake (Speech Department) on the circumstances of the Shakespeare play, King John, which will be the November drama feature of the Speech Department. Lake is directing the production.

The School of Communicative Arts and Humanities and its student council are joint sponsors of the program series which opened last year. Plans for programs during the Winter and Spring Quarters are presently being formulated.

#### FACULTY POSITION CANDIDATES BEING SOUGHT

Candidates for positions on the faculty of the School of Engineering and Technology are presently being sought, according to Larry R. Voss (Director of Personnel Relations). Those interested in learning more about the positions, or in applying for them, are invited to contact either Robert G. Valpey, (Dean of Engineering and Technology) or John J. Kane (Head of the Mechanical Engineering Department). Cal Poly is an Affirmative Action employer. Descriptions of the available positions read:

Lecturers, Range C and F (\$835-\$1347), Mechanical Engineering Department, School of Engineering and Technology. Duties include teaching courses in engineering mechanics and other courses depending on the applicant's qualifications. Candidates must possess a Master's degree in engineering. Positions are for the Winter and Spring Quarters only. Minorities and women are encouraged to apply.

#### PLANS FOR RENO TRIP ANNOUNCED BY UNIVERSITY CLUB

Reservations for a two-day bus tour to Reno for the Cal Poly-University of Nevada at Reno football game on Oct. 28 were announced last week by Mrs. Doris Barrowman (Duplicating Center), who is in charge of arrangements for the tour for the sponsoring Cal Poly University Club. Mrs. Barrowman said the cost for the tour, including transportation and lodging at the Sierra Inn in Reno, will be \$39 per person for double room accommodations. The bus will depart from San Luis Obispo at 5 p.m. on Friday, Oct. 27, and return sometime on Sunday, Oct. 29. Those interested in making reservations are invited to contact Mrs. Barrowman in the Duplicating Center, Adm-129, 546-2195, by this Friday (Oct. 13).

Typewritten copy intended for the next issue of Cal Poly Report must be received prior to 12 noon Friday, Oct. 13, in the Office of Information Services, Administration-210.

BILL COSBY HUMOR WILL BE HOMECOMING FEATURE

Bill Cosby, whose hilarious ventures into reminiscence have convulsed millions of people for years, will bring his special brand of humor to Cal Poly as a special Homecoming presentation on Friday, Oct. 20. Presented by the Homecoming Committee of the Associated Students, Inc., Cosby will perform two shows -- one beginning at 7:30 p.m. and the other at 10:30 p.m. -- in the Men's Gymnasium on campus.

The versatile Cosby, who made the transition from standup comic to actor in the NBC-TV series I Spy and The Bill Cosby Show, made his motion picture debut in the powerful dramatic role in the post-Civil War film, Man and Boy.

Cosby, who has moved with his family to Massachusetts, is continuing studies toward his doctoral degree in education at the University of Massachusetts. Winner of two Emmy Awards, for I Spy and The First Bill Cosby Special, Cosby has 18 comedy records to his credit.

Ticket prices for students are \$3 for general admission, and \$4 for reserved seats. For all others they are \$4 for general admission, and \$5 for reserved. Reserved seat tickets can be obtained at the Julian A. McPhee College Union Information Desk on campus. General admission tickets can be purchased at Stereo West in downtown San Luis Obispo, as well as the College Union Information Desk.

The public is invited to attend both shows. Minors must be accompanied by an adult.

STUDY SHOWS NON-RESIDENT TUITION LOSS WOULD HIT HARD

State colleges and universities would lose income of between \$250 and \$300 million a year if non-resident tuition charges were eliminated, according to a study recently published by the National Association of State Universities and Land-Grant Colleges and the American Association of State Colleges and Universities.

The study, conducted by Robert F. Carbone, dean of the School of Education at the University of Maryland, examined the effects of the 18-year-old vote amendment to the Constitution on 400 public four-year colleges and universities. Of particular concern was the amount of income derived from higher charges to out-of-state students.

"If adult status and voting rights for college-age citizens eliminate non-resident tuition charges in public colleges and universities, the effect on higher education budgets will be staggering," Carbone said. According to the survey, students are allowed to register to vote in their college communities in nearly every state, assuming they meet other qualifications and, in some cases, also declare their intent to remain in the state.

The survey inquired whether non-resident students would use their new status as registered voters in a state to seek reclassification as resident students. About half the responding institutions reported that they had at least had "office inquiries" related to reclassification, although all were not based entirely on voting status.

The institutions surveyed enrolled 463,357 non-resident students in the fall of 1971. The study estimated that the tuition differential they paid ranged from \$250 to \$300 million.

SUPPORT STAFF VACANCIES ANNOUNCED BY PERSONNEL OFFICER

Six vacant positions on the support staff of the university have been announced by S. Milton Piuma (Staff Personnel Officer). Descriptions of the positions and other vacancies are posted on the bulletin board located outside the Personnel Office, Adm-110, 546-2236. Those interested in applying for any of the positions should contact the Personnel Office to obtain an application. Cal Poly is an Affirmative Action employer. The positions are:

Clerical Assistant II-B (\$261.00-\$317.50), Men's Physical Education Department, School of Human Development and Education. Duties and responsibilities include typing and duplicating exams, course outlines, and other class materials; maintaining PE majors' departmental folders; acting as receptionist; and assisting students with questions regarding classes, instructors, and use of recreational facilities. Applicants must have passed the General Clerical Test, be high school graduates with one year of clerical experience, be able to take dictation at 90 wpm, and type 45 wpm.

Intermediate Account Clerk (\$484-\$589), Accounting Office, Business Affairs Division. Duties and responsibilities include keypunching, verifying, running adding machine, filing, and assisting with processing of data to Computer Center. Applicants must have passed the General Clerical Test and be high school graduates with one year of accounting experience. Typing and adding machine proficiency desirable.

Equipment Technician II (\$863-\$1048), Graphic Communications Department, School of Communicative Arts and Humanities. Duties and responsibilities include preparing and producing departmental printing jobs, purchasing and maintaining inventories, preparing laboratory projects for classes, assisting professors in creation of teaching aids, and advising students on production problems. Applicants must be high school graduates with two years of experience in the production of commercial job printing.

Medical Officer I (Half Time, \$875-\$1013) Health Center, Student Affairs Division. Duties and responsibilities as designated by the requirements of the medical profession. Applicants must be registered medical doctor licensed to practice in the State of California. Duty hours as required.

Clerical Assistant III-B (\$605-\$734), School of Architecture and Environmental Design. Duties and responsibilities include performing various administrative duties in directing the functions of the steno pool to insure efficient clerical services for the entire school; scheduling office assignments; and composing and compiling reports, weekly bulletin, and information as requested. Applicants must have passed the General Clerical Test, be high school graduates with two years of clerical experience, be able to take dictation at 100 wpm, and be able to type 45 wpm.

Departmental Secretary I-B (\$548-\$666), School of Architecture and Environmental Design. Duties and responsibilities include secretarial duties for the two directors and assisting parents, future students, and visitors with general information regarding curricula and operations in the School of Architecture and Environmental Design. Applicants must have passed the General Clerical Test, be high school graduates with two years of clerical experience, be able to take dictation at 90 wpm, and be able to type 45 wpm. (This position is under study for reclassification to Departmental Secretary II-B.)

-----  
Veterans Day, Monday, Oct. 23, will be an Academic Holiday for students, faculty, and staff of the university.

#### NEW PROGRAM IN STUDENT COMMUNITY SERVICES

Cal Poly has joined the ranks of more than 1,678 U.S. institutions of higher education which have ongoing student volunteer programs. The ASI recommended a code and a budget for this new student activity and university President Robert E. Kennedy authorized the program in April.

Robert Bonds has been employed to serve as coordinator of student community services and advisor to the ASI committee. He has been assigned to the Student Activities Department with offices in the Julian A. McPhee College Union building.

The new student volunteer program has three primary functions: to relate to the academic departments in publicizing course credit for experimental learning opportunities in the community; to develop for students meaningful learning situations in the community through appropriate public agencies and institutions; and to work with the ASI committee as advisor in recruiting and processing student volunteers.

The National Student Volunteer Program is related to ACTION, a new agency created by President Richard M. Nixon, in 1971, which includes VISTA (of which NSVP is a part), the Peace Corps, and several other volunteer programs.

Bonds will be meeting with members of the faculty during the fall quarter to become acquainted with current course offerings that involve off-campus experiences so he can act as an information source to students. He will be soliciting understanding and support for extending student learning through community volunteerism into the future.

#### MUSTANG GRIDMEN WILL RISK PERFECT RECORD IN FRESNO

Cal Poly's varsity football team, the owner of a perfect 4-0 won-lost record thus far in its 1972 campaign, will place that mark on the line this Saturday (Oct. 14) when it journeys to Fresno for an important non-league encounter with cross-state rival California State University, Fresno. Gametime for the encounter, which will be played in Ratcliffe Stadium, will be 7:30 p.m.

Results of games played last week brought contrasting results for Saturday night's opponents. Cal Poly's Mustangs defeated Boise State College of Idaho 26-21 in a game many fans are already talking about as one of the most exciting ever played in the local area. The Mustangs used a 26-point second half effort to overcome a 14-0 halftime margin owned by the Idaho 11. Cal Poly was ranked 12 nationally, to game time and Boise State, 5th, prior to game time.

Cal State, Fresno, on the other hand, was shut out 17-0 by a somewhat lightly-regarded University of the Pacific team. The loss was the first of the 1972 season for the Bulldogs who had also been ranked in the top ten nationally before last week's action. The Fresno eleven, which now has a 4-1 record this fall, owns victories over California State University, Sacramento; Western Michigan University; New Mexico State University; and California State University, San Jose.

Also on tap this week is the first home game of the 1972 season for Cal Poly's junior varsity gridders. They are scheduled to host the California Lutheran College JV's in a game billed for 3 p.m. on Friday (Oct. 13) in Mustang Stadium. The Colts dropped a hard-fought 10-7 decision to the University of California, Berkeley, JV's last weekend in Berkeley.

#### HOMECOMING ACTIVITIES FOR 1972 LISTED

A parade of floats, bands, and marching units in San Luis Obispo on Saturday, Oct. 21, will be a featured part of Cal Poly's 1972 Homecoming activities. With "The Sign of the Times" as its theme, the procession will move along Higuera St. from Pepper St. to Nipomo St.

Lew Litzie, the retiring president of the Cal Poly Alumni Association, will be Grand Marshall for the parade. Also riding in places of honor in the parade will be the university's Homecoming queen and her court.

Ed Denn of Whittier, chairman of the student Homecoming Committee, anticipates a larger number of floats in the 1972 parade than last year's procession, although band numbers will be down. Cal Poly President Robert E. Kennedy and his wife, the distinguished alumni, alumni board of directors, and deans of the seven instructional schools, will watch the parade from the reviewing stand at Higuera and Osos Sts.

The queen and her court will be honored at a luncheon in Chumash Auditorium of the Julian A. McPhee College Union at 11:30 a.m. The public is invited. The price is \$3.15 including tax. Tickets will be available at the door. Reservations may be made by calling the Alumni Office, 546-2540. Only 300 tickets are available for the luncheon.

Cal Poly's winning Mustang football team will meet California State University, Northridge, in the Homecoming game in Mustang Stadium at 1:30 p.m. to round out the day's activities.

Old timers, graduates of 1930 or earlier and faculty emeriti, will join for breakfast in the university's Staff Dining Room at 8:30 a.m. on Sunday, Oct. 22. The gathering this year will include a gallery of nostalgia and a bus tour of the campus. Reservations for the breakfast, priced at \$1.74 including tax, also may be made with the Alumni Office.

On Friday evening, the nine distinguished alumni representing the seven instructional schools of the university will be honored at a dinner hosted by Dr. Kennedy. The invitational dinner will also be held in Chumash Auditorium.

#### NEWSPAPER EXHIBITS FEATURED BY JOURNALISM DEPARTMENT

Two special exhibits are being featured during the Newspaper Week observance at Cal Poly this week (Oct. 8-14). The public, as well as faculty, staff, and students of Cal Poly, is invited to view the exhibits, which are on display during daytime hours on the second floor of the Graphic Arts Building. Admission is free.

Both arranged by the Journalism Department, they include the Wall of Fame of California editors and original issues of newspapers dating back more than 100 years.

The Wall of Fame exhibit includes photographs and biographies of the 26 editors named to the California Press Association's Hall of Fame of California editors, along with original newspapers edited by each of the honored newspapermen.

Among the original copy newspapers included in the other display are the 1966 Dramatic Chronicle, the forerunner of the present day San Francisco Chronicle, and the March 4, 1877, San Francisco Examiner, the first edition of that newspaper to appear with William Randolph Hearst as editor.

#### CAMPUS CRUSADE RALLIES PLANNED THIS WEEK

Josh McDowell, who believes the world "needs a power that can change man's basic nature" if peace is to be accomplished, will speak at Cal Poly this Wednesday, Thursday, and Friday (Oct. 11, 12 and 13). His appearances are being sponsored by the Campus Crusade for Christ student organization.

Admission will be free to all three rallies -- two in Chumash Auditorium of the Julian A. McPhee College Union, and the final meeting in the Men's Gym on Friday (Oct. 13). All three will begin at 8 p.m.

The 33-year-old McDowell has been designated as travelling representative of the Campus Crusade for Christ. Described as a Christian activist, McDowell has spoken to more than 2,000,000 college and university students in the past two years.

McDowell will discuss "Resurrection: Hoax of History?" at the gathering on Wednesday (Oct. 11). His topic on Thursday (Oct. 12), will be "Prophecy." McDowell will wind up the series by discussing "Maximum Sex" at the gathering in the Men's Gym at 8 p.m. on Friday (Oct. 13).

#### HEART ATTACK ENDS 23 YEARS OF SERVICE FOR R. C. HATFIELD

An apparent heart attack suffered on Oct. 2, brought the death of R. C. Hatfield. A member of the Cal Poly faculty since 1949, he died unexpectedly in a San Luis Obispo hospital. A memorial service for Dr. Hatfield was held on Thursday (Oct. 5) evening at the Presbyterian Church in Pismo Beach. Dr. Hatfield was a graduate of University of Dayton and University of California at Los Angeles, where he earned both his master's and doctor's degrees. In addition to his duties as a member of Cal Poly's Biological Sciences Department teaching staff, he had been active as a researcher for the U.S. Public Health Service and the World Health Organization.

#### BOWLERS INVITED TO JOIN UNIVERSITY CLUB TEAM

Members of the Cal Poly faculty and staff who are bowlers are invited to join the Cal Poly University Club bowling team, which competes in the San Luis Obispo El Camino League at Laurel Lanes in San Luis Obispo, on Tuesdays at 6:30 p.m. Class scheduling problems have created two openings on the club's seven-man team. Five team members bowl each week. Those interested in joining the team are invited to contact either LaVerne Bucy (Animal Science Department), 546-2113; Ray Houston (Ornamental Horticulture Department), 546-2358; or James Golden (Acting Head of the Industrial Engineering Department), 546-2341.

#### OBJECTS FROM DESIGN WEST 1972 ON DISPLAY IN JULIAN A. MCPHEE COLLEGE UNION

Fine crafts objects created by Cal Poly Art Department students of J.B. Rea and Henry Wessels are currently on display in the lobby of the Julian A. McPhee College Union until November 1. The crafts objects included in the College Union exhibit represented the university in the invitational Design West 1972 exhibit at the California Museum of Science and Industry in Los Angeles.

#### INSTRUCTOR AID ASKED BY AUDIO VISUAL SERVICE OFFICE

The assistance of members of the university faculty in adopting a new set-up policy for loans of audio visual equipment is being asked by the Audio Visual Service Office, according to an announcement by Marcus Gold, who heads the office. He explained that it has been necessary in the past to move AV equipment and materials during class breaks, but that limitations on equipment and student assistants has made it necessary to adopt methods which will speed set-up service.

As outlined by Gold, the new policy calls for instructors to move equipment and materials to the hallway outside their classrooms immediately after use. Doing so will make it possible for AV student assistants to pick up, move, and again set up (where possible) the equipment during the hour. He explained that, without the wait for the 10-minute class break, more equipment can be moved each hour. The new AV policy also pertains to evening classes and is expected to facilitate the pick up of equipment at day end.

#### CAMPUS COMMUNITY TO HEAR A S M E SPEAKER

Students, faculty, and staff of Cal Poly are invited to hear the inventor of the Tri-Mono-Trans system of rapid transit when he appears on campus this evening. Ramesh Sha (Mechanical Engineering Department) said Marty C. Trent, a member of North American Rockwell Company's Los Angeles Division advanced design technical staff who is credited with development of TMT, will discuss design features of the system during a joint meeting of the Central Coast Group and the Cal Poly Student Section of the American Society of Mechanical Engineers. The meeting is scheduled for 7:30 p.m. in SciN-215. Shah, who is chairman of the Central Coast Group, said refreshments will be served following the meeting.

#### FACULTY CHRISTIAN FELLOWSHIP WILL MEET ON FRIDAY

Interested members of the university faculty are invited to join for a meeting of the Faculty Christian Fellowship at 12 noon on Friday (Oct. 13) in section "B" of the Staff Dining Room, according to Roger Keetch (Mechanical Engineering Department), who is spokesman for the informal campus group. Speaker for the occasion will be Josh McDowell, traveling representative for Campus Crusade for Christ who will be speaking on campus during the week. Keetch said those planning to attend are welcome to bring their own lunches or to use the regular food services of the Staff Dining Room.

#### DEFENSIVE DRIVER TRAINING SESSIONS SLATED NEXT WEEK

The only defensive driver training sessions planned for the Fall Quarter are scheduled next Wednesday (Oct. 18) from 5 to 7 p.m., and Thursday (Oct. 19) from 4 to 6 p.m., in AgEngr-123, according to information received from the Business Affairs Division. Faculty, staff, and students will have to successfully complete the defensive driver training program before they will be permitted to drive state-owned vehicles. Interested persons may attend either of next week's meetings.

Typewritten copy intended for the next issue of Cal Poly Report must be received prior to 12 noon Friday, Oct. 13, in the Office of Information Services, Administration-210.

PENA IS NEW ADMINISTRATIVE ASSISTANT ON BUSINESS AFFAIRS STAFF

Appointment of S. Rey Pena, 33, to the position of administrative assistant on the staff of the university's Business Affairs Division has been announced by James R. Landreth (Director of Business Affairs). He began his new assignment on Monday (Oct. 9).

A graduate of both Orosi High School and Reedley College, Pena attended California State University, San Jose, before transferring to California State University, Fresno, where he completed study for his bachelor's degree in Spanish in 1966. More recently he has been a student at the University of the Pacific's McGeorge School of Law.

Prior to assuming his duties at Cal Poly early this month, Pena was a management analyst on the staff of the State of California Franchise Tax Board in Sacramento. He also worked as training and placement officer for the Production Training Corporation in Fresno.

FOUNDER OF BROOKS INSTITUTE IS CAMPUS SPEAKER

Ernest H. Brooks, Sr., the world reknowned photographer and founder of Brooks Institute of Photography in Santa Barbara was a speaker for meetings of two classes of the Journalism Department last Wednesday (Oct. 4). His lecture to the basic photography class concerned techniques and equipment and his topic for the illustrated features class covered ideas and business.

Brooks, who was honored last summer by the Professional Photographers of America during the 81st Exposition of Photography in Detroit, was voted the best educator and contributor to the field of photography in the world. The Brooks Institute of Photography was also honored as the world's best school of photography during the exposition.

Appearances of the noted photographer were arranged by Mrs. Helen Kelley (Journalism Department), teacher for both of the classes he addressed.

CAMPUS FRIENDS SADDENED BY DEATH OF FORMER FACULTY MEMBER

The many campus friends of Harold T. Lawrence were saddened last week to learn of the death of their former faculty colleague. Lawrence, who was a member of the Mathematics Department faculty from 1955 through mid-1964, died on Oct. 1 following an illness of some three weeks. Final services were held at the Sutcliffe Mortuary in San Luis Obispo last Thursday (Oct. 5) evening.

A A U P CHAPTER WILL HOLD FIRST MEETING OF 1972-73

The Cal Poly Chapter of the American Association of University Professors will hold its first meeting of the 1972-73 year at 4 p.m. on Friday (Oct. 13) in the home of Chapter President Bernice Loughran (Head of the Speech Department), 156 Del Norte, San Luis Obispo. Former and transfer members of AAUP, as well as those interested in becoming members, are invited to attend. Information concerning the chapter and its activities may be obtained by telephoning either Dr. Loughran, 546-2975, or Sarah Hardeman, 546-2240.

Typewritten copy intended for the next issue of Cal Poly Report must be received prior to 12 noon Friday, Oct. 13, in the Office of Information Services, Administration-210.

CAMPUS CONFERENCE TO ATTRACT ENGINEERING EDUCATORS

Representatives from engineering programs in community colleges throughout California have been invited to the Articulation and Admissions Conference scheduled for Friday (Oct. 13) in the Julian A. McPhee College Union on campus. The program is sponsored by the university's School of Engineering and Technology and will emphasize the areas of articulation, admissions, and job opportunities.

Registration for the day-long gathering will begin with registration at 9 a.m. and continue through a series of afternoon meetings with members of the School of Engineering and Technology faculty and tours of the various instructional departments of the school.

Dale W. Andrews (Academic Vice President) will open the meeting at 10 a.m. with welcoming remarks. Robert G. Valpey (Dean of Engineering and Technology) will direct the program. Others on the program are Gene Rittenhouse (Director of Placement and Financial Aid), Don Coats (Associate Dean, Educational Services), and George Davies (Admissions Officer).

Millard J. Fotter (Industrial Engineering Department) is coordinating arrangements for the conference.

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

Enrico Bongio (Welding and Metallurgical Engineering Department) will receive the 30,000+ certificate to be awarded by the Institute for the Certification of Engineering Technicians when that organization holds a special awards ceremony later this month. The certificate signifying Bongio's qualification as a senior engineering technician will be presented before a gathering of ICET representatives, California Society of Professional Engineers members, and Cal Poly faculty and students.

Evelyn Pellaton (Women's Physical Education Department) has just learned that her article titled "I Am Mentally Retarded" has been accepted for publication by the editorial board of The Physical Educator, the official publication of Phi Epsilon Kappa fraternity. Miss Pellaton wrote the article, which will appear in the Spring, 1973, issue of the journal, in connection with a research project which she conducted last summer at Oregon State University.

CAL POLY TEAM WINS NATIONAL JUDGING TITLE

The Cal Poly dairy cattle judging team became the first West Coast team to ever win top honors in the National Collegiate Dairy Cattle Judging Contest in Columbus, O., on Monday (Oct. 9). Richard Denier of Cal Poly was the contest's high individual.

FIELD TESTED BULLS WILL BE SOLD ON MONDAY

Ninety bulls with a university education are looking for jobs. The bulls, who have successfully completed all of their field tests at Cal Poly, will be available to the highest bidders during the 16th annual Cal Poly Test Bull Sale on Monday (Oct. 16). The 60 Hereford and 30 Angus bulls, all of whom began their university trials last December, will be graded beginning at 8 a.m. on sale day and the auction will begin at 12:30 p.m. Both will be in the livestock judging pavilion at the Beef Unit.

COMING EVENTS -- COMING EVENTS -- COMING EVENTS

Asian Festival -- Tuesday, Oct. 10, through Sunday, Oct. 15, all day, campus. The history of China related through various cultural events and activities; sponsored by the Ethnic Program Board of Cal Poly's Associated Students, Inc. See individual calendar entries for more information.

Art Exhibit -- Tuesday through Sunday, Oct. 10-15, 10 a.m. to 10 p.m. daily, Julian A. McPhee College Union Room 221. The art exhibit includes costumes, paintings, stamp collections, pottery works, etc. from the Republic of China Culture Center in San Francisco; sponsored by the Ethnic Program Board of Cal Poly's Associated Students, Inc. as part of the Asian Festival. Public invited.

Chinese Lion Dance -- Tuesday, Oct. 10, 11 a.m. Julian A. McPhee College Union Plaza. Traditional Chinese Lion dance performed by Cal Poly students; sponsored by the Ethnic Program Board of Cal Poly's Associated Students, Inc. as part of the Asian Festival. Public invited.

Cal Poly Women's Club General Meeting -- Tuesday, Oct. 10, 8 p.m., Tenaya Hall Lounge. Margaret Russell of Ameritone Color Key Corporation will present a talk on "Color: How It Affects Your Personality and Purchases" during meeting of the club's general membership. Members invited.

Religious Rally -- Wednesday, Oct. 11, 8 p.m. Julian A. McPhee College Union Chumash Auditorium. Josh McDowell, described as a Christian activist will speak on "Resurrection: Hoax of History?"; sponsored by Cal Poly Campus Crusade for Christ organization. Public invited.

College Hour Concert -- Thursday, Oct. 12, 11 a.m., Cal Poly Theater. First program of the College Hour Concert series featuring duo-pianists Donald and Patricia Smith; sponsored by Cal Poly Music Department. Public invited.

Cal Poly University Club Luncheon -- Thursday, Oct. 12, 12 noon, Staff Dining Room. Robin Baggett, Associated Students, Inc. President, will speak on "Relevancy of Student Government." Faculty and staff invited.

Asian Film -- Friday, Oct. 13, 7 and 9 p.m., Cal Poly Theater. Showings of Execution in Autumn, a film depicting the last days of a condemned murderer; sponsored by the Ethnic Program Board of Cal Poly's Associated Students, Inc. as part of the Asian Festival. General admission tickets - students, 50 cents; all others, 75 cents.

Political Discussion -- Thursday, Oct. 12, 7:30 p.m., Julian A. McPhee College Union Room 220. Discussion of issues and answers by candidates for state assembly; sponsored by the Speaker's Forum of Cal Poly's Associated Students, Inc. Public invited.

Religious Rally -- Thursday, Oct. 12, 8 p.m., Julian A. McPhee College Union, Chumash Auditorium. Josh McDowell, Christian activist, will speak on "Prophecy"; sponsored by the Cal Poly Campus Crusade for Christ organization. Public invited.

Engineering Education Conference -- Friday, Oct. 13, all day, Julian A. McPhee College Union Room 220. Program on engineering and technology education for representatives of community colleges throughout California; sponsored by Cal Poly's School of Engineering and Technology. Registration in advance required.

(Continued on Page 14)

COMING EVENTS . . . (Continued from Page 13)

Junior Varsity Football -- Friday, Oct. 13, 3 p.m., Mustang Stadium. Cal Poly vs. California Lutheran College. General admission tickets - students, 50 cents; all others, \$1.00.

Religious Rally -- Friday, Oct. 13, 8 p.m., Men's Gymnasium. Josh McDowell, Christian activist, will speak on "Maximum Sex"; sponsored by the Cal Poly Campus Crusade for Christ organization. Public invited.

Chinese Cooking Demonstration -- Saturday, Oct. 14, 12 noon and 3 p.m., Chumash Auditorium of the Julian A. McPhee College Union. # notes

The National Research Council announces two programs for 1973. The first is the Postdoctoral Research Associateships in Federal Laboratories for persons with less than 5 years postdoctoral experience. These associate-ships are temporary civil service and are available at various laboratories of the:

Agricultural Research Service  
Bureau of Medicine and Surgery, U.S. Navy  
Bureau of Mines  
National Bureau of Standards  
Naval Ordnance Laboratory  
Naval Undersea Center  
Naval Weapons Center  
U.S. Geological Survey

The Resident Research Associateship Postdoctoral and Senior Postdoctoral programs are available in the following laboratories, some of which have several locations:

Air Force Systems Command  
Ballistics Research Laboratories  
Naval Research Laboratory  
Smithsonian Astrophysical Observatory  
Feltman Research Laboratory  
U.S. Army Materials and Mechanics Research Center  
U.S. Army Natick Laboratories  
National Oceanic and Atmospheric Administration  
National Aeronautics and Space Administration

For detailed information, write directly to:

Associateship Office JH 606  
National Research Council  
2101 Constitution Avenue  
Washington, D.C. 20418

The National Science Foundation's Student Originated Studies Program still has not mailed the guidelines for this year's competition. The tentative deadline has been set back, probably late November. But use last year's as a guide to get started.

The Smithsonian Institution awards postdoctoral fellowships in the sciences, humanities, and arts, provided the fellow does research in collaboration with a staff member. The deadline is Jan. 15, 1973, for fellowships beginning in Sept. 1973. Write:

Office of Academic Studies  
Room 356, S.I. Building  
Smithsonian Institution  
Washington, D.C. 20560

Graduate Studies and Research • Administration 309 • phone 2630  
CALIFORNIA POLYTECHNIC STATE UNIVERSITY • SAN LUIS OBISPO, CALIFORNIA 93401

The Allied Health Professions Special Improvement Program has set back its deadline to Nov. 15, 1972. This office has a copy of the detailed guidelines and the application forms.

The Danforth Foundation has some graduate fellowships for women (deadline is Jan. 12, 1973). The fellowships are for women whose educational preparation for teaching has been interrupted. Applicants may not be full-time teachers or full-time graduate students, but must have an acceptable baccalaureate. Write:

Director, Graduate Fellowships for Women  
Danforth Foundation  
222 South Central Avenue  
St. Louis, Missouri 63105

The NSF is increasing its research support for programs using excess foreign currencies. Funds are available for projects in Burma, Egypt, Guinea, India, Pakistan, Poland, and Tunisia. Some examples of grants are:

- a geological study of the Atlas mountains in Morocco
- a research and faculty exchange program in organic chemistry (Poland)
- a study of the reproductive cycle of fish (India)
- high voltage power systems (Yugoslavia)

For further information write:

Office of International Programs  
National Science Foundation  
Washington, D.C. 20550

The Edward M. Ryan Prize (of \$10,000) will be awarded late in 1973, "For operationally oriented research directed toward the solution of malnutrition problems in low income countries." The field need not be nutrition, food technology, or public health, but may be in economics, anthropology (cultural aspects of food habits, for example) or other fields. Oct. 1, 1973, is the deadline for receipt of research completed in 1972 or 1973. You may apply to:

Dr. F. James Levison, Chairman  
The Edward M. Ryan Prize Committee  
The James and Rachel Levison Foundation  
P.O. Box 1617  
Pittsburgh, Pennsylvania 15230

The Oak Ridge Associated Universities announces its University-AEC Laboratory Programs for 1972-73. These include faculty research participation (such as summer appointments and short-term visits), laboratory graduate participation (for master's thesis), and undergraduate research training for college juniors (10-week appointments primarily during the summer). There is a one-page brochure in this office, and you may write for more information to:

University Programs Office  
Oak Ridge Associated Universities  
P.O. Box 117  
Oak Ridge, Tennessee 37830
