

Volume 24, Number 38

May 22, 1973

BUCCOLA APPOINTED DIRECTOR OF ATHLETICS

Vic Buccola, 39, former outstanding student and three-sport athlete at Cal Poly has been named to head up the university's intercollegiate athletic program. The appointment of Dr. Buccola to the position of director of athletics was announced today by Carl C. Cummins, dean of the School of Communicative Arts and Humanities who administers the athletic and physical education programs.

Effective July 1, 1973, Dr. Buccola will succeed Joe Harper, who has handled the dual roles of director of athletics and head football coach since 1968. Harper had asked the administration to relieve him of the athletic directorship in order to devote more time to his football coaching assignment. He will continue his teaching duties in the Men's Physical Education Department.

"I requested relief from my assignment as director of athletics in order to devote more time to coaching. I look at the appointment of Vic Buccola as a very positive addition to our athletic effort and will look forward to assisting him in the continued development of the program," Harper said.

Strengthen Total Program

Dr. Cummins commented, "Joe Harper has done a superb job in heading the athletic program at the university for the past five years. In making this change in assignment we are continuing our efforts to strengthen our total intercollegiate athletic program. Our football, wrestling, tennis, track, and baseball teams have done well in recent years. We expect to continue this excellence while working to upgrade the other sports."

He said Dr. Buccola will be assigned to year-round duties as athletic director, with more time to devote to the directorship than Harper has had while also coaching football. He will continue as a member of the men's physical education faculty.

A 1956 graduate of Cal Poly, Dr. Buccola received a BS degree in physical education. In 1957 he earned an MA degree in education with a physical education emphasis at Cal Poly. At College of Idaho from 1958 to 1961 he served as assistant football coach, head boxing coach and head track coach. A 1951 graduate of Mark Keppel High School in Alhambra, he returned to his high school as an assistant football coach during the 1961-62 school year.

Dr. Buccola joined the coaching staff at Cal Poly in September, 1962. He served as assistant football coach until 1969. He also was head gymnastics coach from 1962 until the sport was dropped after the 1967-68 season. He was granted sabbatical leave to complete course work on his doctorate at Arizona State University during the 1970-71 school year and was granted an Ed.D. degree last September.

Since joining the Cal Poly faculty, he has served as advisor to Block P Society. He has taught graduate and undergraduate classes in physical education and presently is serving as an advisor in the graduate program.

1973 SUMMER SESSIONS PROGRAM ANNOUNCED

Two four-week sessions, along with two shorter sessions, have been scheduled as part of the 1973 Summer Sessions program at Cal Poly, according to an announcement from the university. The first four-week session will open on June 25 and continue through July 21. The second four-week session will open on July 23 and run through Aug. 17.

Don M. Morris (Associate Dean, Continuing Education) said more than 80 courses are being offered during the university's 1973 Summer Sessions. Most are upper division and graduate courses expected to benefit persons employed or planning careers in education.

Subject matter will range from statistics, computer science, and child development, to art, biology, English, geology, and home economics. Also scheduled are courses in agricultural management, history, music, ornamental horticulture, physical education, psychology, soil science, and zoology.

Planned during the week-long pre- and post-sessions are a series of short courses and workshops, also directed to the interests of persons in the field of education. The pre-session will open on June 18 and the post-session, on Aug. 20.

Dr. Morris pointed out that the Summer Sessions program is separate from the tax-supported Summer Quarter program operated by Cal Poly. Summer Session students pay an \$18 per quarter unit tuition fee and are not required to apply for formal admission to the university.

(The 11-week Summer Quarter, which will offer more than 550 courses for regularly-admitted students, will open on June 18 and continue through Aug. 31.)

Students expecting to attend any of Cal Poly's 1973 Summer Sessions are required to file a brief application form in advance and indicate which courses they expect to take. Registration for the four-week sessions will take place on the first day of each session and classes will begin the following day. Registration for the workshops and short courses will be held during the first class meeting.

Copies of a booklet containing complete information about the Summer Sessions and the application forms can be obtained by contacting the Continuing Education Office, Adm-317, 546-2053.

14 RECEIVE LIFE MEMBERSHIPS IN WOMEN'S CLUB

Honorary Life Memberships were awarded to 14 women at the Cal Poly Women's Club luncheon on May 5. Mrs. John Merrian, a past president of the club, presented each honored woman with the traditional silver demitasse spoon as she humorously disclosed the retirement plans of each member and her spouse.

Life members of the Cal Poly Women's Club are exempt from paying dues, but are entitled to all privileges of club participation.

Those honored were: Mmes. Erling Breckan; Fred Bowden; Woodford Bowls; Phillip Bromley; Harold Davidson; Charles Elston; Kenneth Fuller; Sarah Hardeman; W. C. Hogan; Glenn Noble; Oscar Reece; Joy Richardson; Frederick Wild; and Chester Young.

ORCHESTRA CONCERT WILL FEATURE THREE SOLOISTS

Three soloists will be featured during the final program of the 1972-73 concert season for the Cal Poly Chamber Orchestra, Clifton Swanson (Music), conductor of the university ensemble has announced. The performance is scheduled for Friday (May 25) at 8:15 p.m. in the Cal Poly Theatre. Admission will be free and the public is invited.

Soloists for the concert, which will feature works by Wagner, Vivaldi, Bach, and Mozart, will be Tim Mussard, John Ellis, and Michael Poleinski.

Poleinski will play solo violin in Vivaldi's Four Seasons. A senior architecture major at Cal Poly, he has been concertmaster of the Chamber Orchestra for four years. He has also been concertmaster of the Los Angeles Junior Symphony and a member of the Debut Orchestra under Michael Tillson.

Mussard will sing the baritone solo in Bach's Cantata No. 82 Ich habe genug. He is currently teaching music at Lompoc High School after graduating from Cal Poly with a degree in history. He is studying under Martial Singher at the Music Academy of the West in Santa Barbara and was a recent finalist in the New York Metropolitan Opera Competition.

Playing oboe, Ellis will also be featured in the Bach cantata. Conductor Swanson considers Ellis to be one of the finest oboists in the country. He was a soloist with the Chamber Orchestra in 1970 and was a featured soloist with the Mozart Festival and the San Luis Obispo County Symphony.

Ellis recently appeared as soloist with the Los Angeles Chamber Orchestra under Neville Marriner and his playing is featured in the movie The Effect of Gamma Rays on Man-in-the-Moon Marigolds. He was recently offered the position of first oboist with the Los Angeles Philharmonic Orchestra but turned it down to continue his work as a studio musician.

Other numbers scheduled for the May 25 concert by the Chamber Orchestra, which is being presented by the university's Music Department, are Wagner's Siegfried - Idyll and Mozart's German Dances, K. 509.

UNIVERSITY SINGERS SCHEDULED FOR THURSDAY CONCERT

A recital of the University Singers will close out the "Arts and Humanities 1972-73" series. The concert is scheduled for Thursday (May 24) at 11 a.m. in Room 220 of the Julian A. McPhee University Union. Admission will be free and the public is invited to attend.

John G. Russell (Music), director of the University Singers, said the program will depart from the normal presentation of the ensemble. He said several songs will be performed in English instead of many being in Latin. The ensemble's repertoire will include English folk songs by Gustav Holst, Ralph Vaughan Williams, Ross Lee Finney, and three popular songs. Also to be included in the hour-long program will be solo performances by Lisa Hatfield and Keith Stampher.

The "Arts and Humanities 1972-73" series is sponsored by the School of Communicative Arts and Humanities.

SUMMER QUARTER APPLICATIONS STILL BEING RECEIVED

Cal Poly is still accepting applications to begin study during the Summer Quarter starting June 18, according to George Davies (Admissions Officer). Davies, who said prospective students have until June 12 to submit their applications, said openings still remain in all but one of Cal Poly's seven instructional schools -- the School of Architecture and Environmental Design.

Still accepting applications are the Schools of Agriculture and Natural Resources, Business and Social Sciences, Communicative Arts and Humanities, Engineering and Technology, Human Development and Education, and Science and Mathematics.

Davies said more than 800 class sections of nearly 550 different courses are currently scheduled for Cal Poly's Summer Quarter. Registration will take place on Monday, June 18, and classes will begin the following day. The quarter will officially end on Aug. 30.

Davies urged prospective students interested in learning more about the Summer Quarter or in applying for admission to contact the Admissions Office, Adm-206, 546-2311.

THREE WORKSHOPS ON EDUCATIONAL INNOVATION SCHEDULED THIS MONTH

A series of three workshops to stimulate a wide range of educational innovations was announced last week by Chancellor Glenn S. Dumke of The California State University and Colleges. The workshops will be held this month at Los Angeles, San Francisco, and Fresno. Emphasis will be on reshaping course content, new technology, expanding student options and faculty development.

More than 300 representatives of the 19 campuses will participate during the series and hear Harold L. Hodgkinson of the Center for Research and Development in Higher Education, Berkeley, speak on "Perspectives on Innovation in Higher Education."

Cal Poly will be represented at the May 30-31 workshop, to be held at the Ramada Inn, Fresno. In addition to Howard Boroughs (Associate Dean, Graduate Studies and Research), who is campus coordinator for innovative programs, and Joseph Surra (Budget Officer), 13 members of the faculty who have submitted innovative program proposals, will attend.

TALK BY BILL RUSSELL SCHEDULED TOMORROW EVENING

The National Basketball Association's first player-coach, Bill Russell, will speak at Cal Poly tomorrow (Wednesday, May 23) evening. Sponsored by the Speaker's Forum Committee of the Associated Students, Inc., Russell will speak on race, politics, and athletics at 8 p.m. in the Men's Gymnasium.

General admission tickets for the talk are 75 cents for students and \$1.50 for all others. They are on sale now at the Information Desk of the Julian A. McPhee University Union and will also be available at the Men's Gym box office prior to the program on Wednesday.

The last day of classes for the Spring Quarter will be Monday, June 4.

RISING FOOD COSTS INCREASE MEAL TICKET RATES

In the face of rising food costs and salary increases, the Cal Poly Foundation has adopted a 1973-74 rate increase schedule for meal ticket plans offered by Foundation Food Services. At the annual meeting of the Foundation Board of Directors on Monday, May 21, the board moved to increase the academic year annual meal plan for 19 meals per week from \$675 per year to \$750 per year. The per meal cost will increase from \$1.11 to \$1.20.

John Lee, Food Services Manager, said record breaking acceleration in food prices have been experienced during the past year and suppliers are predicting cost increases in excess of 10 per cent. In addition, a systemwide minimum salary increase and fringe benefit increase of 7.5 per cent is expected.

Respective increases in other meal plans available are: 19 meals per week, quarterly plan, \$250 to \$275; 15 meals per week quarterly plan, \$225 to \$250; and 12 meals per week, quarterly plan, \$180 to \$200.

The food service program provides the students with several options from which he can select a meal ticket program. Available are plans for either 19, 15, or 12 meals per week on a quarterly basis or for 19 meals per week on an annual basis (at the lowest cost per meal). Meal tickets will be honored in the main Student Dining Room with unlimited food and on a cash equivalence basis at the Vista Grande, and in the Snack Bar.

In addition, the Foundation provides for several payment options including cash payment with the meal ticket application, payment through BankAmericard, or payment through a monthly installment program that ranges from \$68 to \$85 per month according to the meal plan option.

Lee said he hoped that food prices will not increase beyond projections and require the Foundation to increase quarterly meal plan fees in mid-year. He noted that the annual meal ticket plan will protect students against such increases which may be caused by factors beyond the Foundation's control.

JAPANESE WORLD CUP WRESTLING TEAM TO APPEAR AT CAL POLY TONIGHT

Cal Poly's seven-time NCAA champion wrestling team will host the Japanese World Cup team at 7:30 p.m. this (Tuesday, May 23) evening in Men's Gym. This marks the second year in a row that Cal Poly has hosted the Japanese national team. A year ago the Japanese won four bouts, lost one, and tied two.

Star of the Japanese team is Kikuo Wada, runner-up to the United States' Dan Gable in the 149.5-pound class of the 1972 Olympics. Wada wrestled a 2-2 draw with Mustang two-time national champion Glenn Anderson in last year's program in San Luis Obispo.

Coaching the Japanese team are Hideaki Yanagida and Yukitaka Takiyama. Yanagida, who wrestled in San Luis Obispo last year, went on to win an Olympic freestyle championship at 125.5 pounds last August. He decisioned Poly's Mike Wassum 6-0 in the 1972 exhibition.

Tonight's program in San Luis Obispo is the first of four California exhibition appearances for the Japanese team. The Japanese competed against the U.S., Russia, and Canada in matches involving the top teams in the world in Toledo, Ohio, last weekend.

PLANT OPERATIONS EMPLOYEES COMPLETE SAFETY COURSE

Twenty-five staff employees in the Plant Operations Department were recently awarded certificates of achievement by Jim Landreth (Director of Business Affairs) for completing a course in campus safety. The course was sponsored by the Personnel Office and was taught by George Cockriel (Chief of Campus Security).

The training program included discussions of personal safety equipment, guarding, fire fighting techniques, accident prevention, and the legal requirements of the California Industry Safety Orders and the Occupational Safety and Health Act (OSHA). During the award ceremony, Barry Whelchel (Campus Health and Safety Coordinator) advised the Plant Operations personnel that their safety record had improved significantly as evidenced by the fact that their department had experienced only one minor accident since the training program was instituted three months ago.

The following Plant Operations staff employees received certificates: Jack Adams, Bob Adams, Noel Albright, Clarence Armstrong, Tony Avelar, Cy Casady, Al Felis, Tom Dana, Charles Dorman, Collier Duncan, Floyd Eells, Ben Goosen, Howard Grisham, Leonard Hall, Gary Hornbaker, Tommie Jones, Jack Kirchner, Al Lerno, Jack Metz, Jim Ramos, Al Scamara, Rich Silva, Al Tartaglia, Merlin Ward, and Howard Zaugg.

MAINTENANCE EMPLOYEES RECEIVE CERTIFICATES

Several members of the Foundation Maintenance and Plant Operations Department have received certificates of completion for their participation in a course on institutional building maintenance. The course was sponsored by the adult division of the San Luis Coastal Unified School District.

Subjects covered in the course included air conditioning and heating systems, painting, plastering, plumbing, and sprinkler systems.

Individuals who completed the course include: Noel Albright, Lawrence Boal, Jeffrey Boller, Dwane Boundy, Vivian Bullock, John Carscaden, John Evanchick, Carey Goyette, Al Lerno, Alfredo Mascorro, Jon Mayeda, Maybelle Pence, Harold Porter, Joe Rocha, Milton Spaulding, Robert Tauxe, and James Thompson.

PARKING FEE INCREASE WILL TAKE EFFECT IN SEPTEMBER

Faculty, staff, and students of Cal Poly will begin paying higher parking permit fees in September as a result of a resolution approved recently by Trustees of The California State University and Colleges. The action, taken during the March 28 meeting of the board in Los Angeles, provides for increases in the quarter and semester rates, as well as the rates for shorter periods of time.

James R. Landreth (Director of Business Affairs) said the new fee structure will see the quarter fee increased from \$9 to \$10 and fees for lesser periods of time increased accordingly. The cost for the four-week permits will increase from \$3 to \$4. One-week permits will become \$1.50 and the fee for use of metered parking spaces will become 10 cents per hour.

Effective date for the new fees, according to Landreth, will be Monday, Sept. 24.

EARLY DEADLINES SET FOR RENEWAL OF SEASON FOOTBALL TICKETS

Early deadlines for renewing Cal Poly season football ticket orders have been announced by Dave Oldfield, ticket manager for the university's Associated Students. Students, faculty, and staff are being asked to renew season ticket orders beginning on Wednesday (May 23) and continuing through May 30. The telephone number to call is 546-4761. The open sale of season football tickets for the 1973 campaign will begin on May 31.

Cal Poly, which was unbeaten but tied once last season and advanced to the school's first post season bowl game -- the Camellia Bowl -- will play a five-game home season. The Mustangs open the home season Sept. 22 against Idaho State of the Big Sky Conference. Cal Poly Pomona will be the Oct. 13 opponent in a night game, as is the Idaho State affair.

Cal State Fullerton will be the homecoming foe on the afternoon of Oct. 20. Arch rival Cal State Fresno will pay an evening visit on Oct. 27. Another Pacific Coast Athletic Association member, Cal State Long Beach, will help the Mustangs close out the season on the afternoon of Nov. 24.

Season ticket prices for reserved seats have been increased 50 cents to \$8 for students and \$18 for non-ASI members.

"OPERATION AWARENESS" EXHIBIT BEING PLANNED BY STUDENT GROUP

Student Community Services, an organization of Cal Poly's Associated Students, Inc., will present a unique slide-show as part of Operation Awareness, a community service exhibit to be presented June 1 and 2 in the Veteran's Memorial Building in San Luis Obispo.

The Student Community Services presentation will combine slides, contemporary music and narration to show how Student Community Service functions within the county community. Student coordinator for this project is Richard Camp, a second year Biological Sciences major. Staff coordinator is Robert Bonds. Working with Camp are Mark Cooley, Robert Schnereger and Pamela Brown. Cooley and Schnereger are journalism majors and Miss Brown is a speech communication major.

Operation Awareness is a county-wide exhibit. On June 1, it will run from 5 to 10 p.m. and June 2, 10 a.m. to 7 p.m. Operation Awareness is sponsored by the San Luis Obispo Community Concern Foundation, a non-profit, tax-exempt organization with the purpose of educating county residents of agencies that deal with health and safety.

CANDIDATES FOR FACULTY POSITION BEING SOUGHT

Candidates for a position on the faculty of the university are presently being sought, according to Larry R. Voss (Director of Personnel Relations). Those interested in learning more about the position are invited to contact the appropriate dean or department head. Cal Poly is an Affirmative Action Employer. Following is a description of the available position:

Intermediate Vocational Instructor (\$10,056-\$12,228), Home Economics Department, School of Human Development and Education. Duties and responsibilities include teaching in textiles and clothing area of home economics. Candidates must possess a doctorate in Home Economics with specialization in textiles and clothing. Salary will depend upon professional experience and qualifications. Minority candidates are encouraged to apply. Position available: September 1973.

VACANT SUPPORT STAFF POSITIONS LISTED

Vacant support staff positions have been announced by S. Milton Piuma (Staff Personnel Officer). Descriptions of the positions and other vacancies are posted outside the Personnel Office, Adm-110, 546-2236. Contact the Personnel Office to obtain an application. Cal Poly is an Affirmative Action Employer. The positions are:

Clerical Assistant II-A (\$484-\$589), Records Office, Student Affairs Division. Duties and responsibilities include working with student records in University Records Office, assisting with registration, and preparing of grades, etc. Experience and proficiency in maintaining University student permanent record card files. Applicants must have passed the General Clerical Test, be high school graduates with one year of office experience. Must be able to type 45 wpm. Three positions.

Clerical Assistant II-A (\$484-\$589), Auto Shop, Business Affairs Division. Duties and responsibilities include typing, xeroxing, filing, and other clerical tasks such as maintaining attendance records and chargeback records, and preparing student payrolls. Applicants must have passed the General Clerical Test, be high school graduates with one year of office experience. Must be able to type 45 wpm.

Clerical Assistant II-A (\$484-\$589), Library, Academic Affairs Division. Duties and responsibilities include performing circulation desk duties, such as charging and discharging books, typing, filing, statistics, etc. Assists with overdues and fines procedures and performs other duties as assigned. Applicants must have passed the General Clerical, be high school graduates with one year of office experience. Must be able to type 45 wpm.

Clerical Assistant II-A (\$484-\$589), Library, Academic Affairs Division. Duties and responsibilities include performing clerical duties, such as charging and discharging reserve materials, placing materials on reserve, searching the card catalog and the stacks for materials to be placed on reserve, shelf-reading, typing cards for card files and catalog, working with Senior Projects, and performing other duties as assigned. Applicants must have passed the General Clerical Test, be high school graduates with one year of office experience. Must be able to type 45 wpm.

Clerical Assistant II-A (\$484-\$589), Library, Academic Affairs Division. Duties and responsibilities include performing clerical duties, such as charging and discharging reserve materials, placing materials on reserve, searching the card catalog and the stacks for materials to be placed on reserve, shelf-reading, typing cards for card files and catalog, working with Senior Projects, and performing other duties as assigned. Applicants must have passed the General Clerical Test, be high school graduates with one year of office experience. Must be able to type 45 wpm.

Clerical Assistant II-B (\$522-\$635), General Office, Business Affairs Division. Duties and responsibilities include typing, shorthand, xeroxing and general office support for all campus areas. Ability to adapt readily to new situations is necessary to be an adequate substitute in other offices. Applicants must have passed the General Clerical Test, be high school graduates with one year of office experience. Must be able to take dictation at 90 wpm, and type 45 wpm. Two positions available.

Clerical Assistant III-A (\$589-\$717), Computer Center, Academic Affairs Division. Duties and responsibilities include supervising keypunch operations, determining job priorities, training new operators; operating keypunch machines, developing and maintaining production schedules, records, and procedures for keypunch operations. Applicants must have passed the General Clerical Test, be high school graduates with two years of clerical and keypunch experience.

Departmental Secretary I-B (\$548-\$666), Psychology Department, School of Human Development and Education. Duties and responsibilities include preparing correspondence, instructional materials, class outlines, and tests; disseminating general information to students, visitors, and other Cal Poly staff; maintaining departmental records and files; and directing work of student assistants. Applicants must have passed the General Clerical Test, be high school graduates with one year of clerical experience. Must be able to take dictation at 90 wpm, and type 45 wpm.

Senior Account Clerk (\$589-\$717), Accounting Office, Business Affairs Division. Duties and responsibilities include designing, developing and coordinating the Agency workload program associated with the processing of all supplier accounts payable claims for payment. Assigns and supervises detail workload of subordinate claims processing staff. Interprets rules and implements follow-up procedures in order to maintain maximum efficiency and timeliness in processing payments to suppliers. Applicants must have passed the General Clerical Test, be high school graduates with three years of office experience. Supervisory experience desirable.

Groundsman (\$614-\$710), Grounds Department, Business Affairs Division. Duties and responsibilities include planting, cultivating, watering and spraying ornamental plants, shrubs, hedges, trees and flowers, and propagates cuttings; plants and cares for lawns; rakes leaves, hoes weeds, and performs general grounds maintenance work; prepares and treats soils for planting and spades and fertilizes flower beds and sets out plants; keeps grounds clean and orderly; maintains hoses, tools, supplies, and equipment in proper condition and repair; trims trees, hedges, and shrubs and erects tree supports; does general laboring tasks related to grounds and garden maintenance work. Applicants must have one year of full-time experience in flower gardening and general grounds maintenance work. Must be able to work Saturdays and Sundays if required.

Supervising Campus Peace Officer I (\$893-\$1084), Security Office, Business Affairs Division. Duties and responsibilities include supervising the work activities of the Campus Peace Officers assigned to the night shift; prepares work schedules for night shift personnel and directs and evaluates their work activities; aids Chief of Campus Security in establishing and implementing local security policies and procedures; coordinates in-service training programs; conducts investigations in criminal cases; assists with screening of applications and interviewing candidates for campus peace positions. Applicants must have three years of experience as a law enforcement officer; high school graduate; completion of a basic law enforcement program as prescribed by the Commission on Peace Officer Standards and Training.

Typewritten copy intended for the next issue of Cal Poly Report must be received prior to 12 noon Thursday, May 24 in the Office of Information Services, Administration-210.

RETIREMENT COFFEE HOUR FOR DAVIDSON WILL BE MAY 30

Harold P. Davidson, who will retire in June after 37 years as head of Cal Poly's Music Department and director of glee clubs, will be honored during a coffee hour from 3 to 4 p.m. on Wednesday, May 30, in Room 218 of the Music, Speech, and Drama Building. The many campus friends of Davidson and his wife, Rosalee, are invited by the Music Department, which is sponsoring the coffee hour, to join in wishing them well on their retirement.

Davidson, who joined the Cal Poly faculty in 1936 after having been a public school music teacher in Pomona, is personally credited with building much of the university's music program over the ensuing years. Beside five music groups (the Men's Glee Club, the Women's Glee Club, the Majors and Minors, the Women's Sextet, and the Collegiate Quartet) which he still directs, Davidson also developed the university's early marching bands and the Collegians stage and dance band.

Davidson, who earned his bachelor's degree at Pomona College and his master's degree at Claremont College, developed the idea of a "home" concert as a conclusion to the annual performance tours statewide of the Men's Glee Clubs and Collegians. Both the tours and the Home Concert have continued over the years and they are now among the highlights of the campus music season. Davidson is also the composer of All Hail, Green and Gold, the university alma mater.

RETIREMENT COFFEE FOR BOWLS SCHEDULED FOR MAY 31

Woodford E. Bowls, who will retire in June after having been a member of the Cal Poly faculty for 36 years, will be honored at a retirement coffee to be held on Thursday, May 31, between 3 and 5 p.m. in the lounge of Tenaya Hall. Dr. Bowls' many friends are invited to attend the coffee hour and wish him well.

Dr. Bowls joined the Cal Poly faculty in 1937 after completing the requirements for his doctorate at the University of California, Berkeley, where he had also earned the AB and MA degrees. He served as head of the former Physical Sciences Department for the entire history of that department, and served as head of the Physics Department from its creation in 1966 through 1970.

Dr. Bowls has contributed in many ways to the development of Cal Poly from a small college to the present university, including serving as president of the Faculty Club (now the Cal Poly University Club) and as a member of the presidential selection committee. In terms of length of service to Cal Poly he is the second senior member of the university faculty.

Arrangements for the coffee are being made by the Physics Department.

LIBRARY SCHEDULE FOR HOLIDAY LISTED

The University Library will be closed on Sunday and Monday (May 27-28) in observance of Memorial Day. Library hours for Saturday (May 26) will be from 9 a.m. to 1 p.m. The regular schedule will be resumed on Tuesday (May 29).

JENSEN WILL BE HONORED DURING COFFEE HOUR ON TUESDAY

James J. Jensen, who will retire next month, will be honored during a coffee hour-reception being planned for next Tuesday (May 29) from 3 to 5 p.m. in the "B" Section of the Staff Dining Room, according to an announcement from the Men's Physical Education Department, which is sponsoring the event.

Jensen became a member of the Cal Poly faculty in 1948 after having been a football and track coach at high schools in Washington and California, Menlo College, and San Francisco City College. A graduate of Washington State College, where he earned his bachelor's degree, and Stanford University, where he completed study for his master's degree, he was coach of Cal Poly track and field teams until 1962.

Jensen's many friends among the university faculty and staff are invited to stop by next Tuesday afternoon to wish him well on his retirement.

STRAUSS ELECTED BY UNIVERSITY CLUB

Harry Strauss (Director, University Library) has been elected president of the Cal Poly University Club for the 1973-74 academic year. Other officers chosen are Ruth Gran (Supervising Nurse, Student Health Center), vice president; Viola Hughes (Senior Clerk, Student Health Center), secretary; James Neelands, (Technician, Physics), treasurer.

The board of directors includes the above officers and Bob Adamson (Mechanical Engineering), Milton Piuma (Staff Personnel Officer), Pearl Turner (Head, Curriculum Librarian), Dale Andrews (Academic Vice President), Bob Baldrige (Theatre Manager), Erna Knapp (Art), Roger Bailey (Art), Phil Bromley (retired, Agricultural Management), and Charlie Mendenhall (Information Services Office).

FACULTY, STAFF GOLF TOURNEY SCHEDULED SATURDAY

The revived spring golf tournament of the Cal Poly University Club will take place on Saturday (May 26) at the San Luis Obispo Golf and Country Club. William M. Armentrout (Education) who is in charge of the event, said both men and women who are members of the university faculty and staff are invited to enter. Tee off times will be between 7 and 8:30 a.m.

Those planning to play are invited to organize their own foursomes or come individually or in pairs. Prizes and at least one trophy will be available for all levels of competition. Those planning to play are asked to notify George Davies (Admissions Officer) by telephoning 546-2311.

RETURN OF EXCESS INTER-CAMPUS ENVELOPES REQUESTED

The return of excess supplies of inter-campus mail envelopes is being requested by the Duplication Center. Offices and departments that have quantities of the envelopes in excess of their needs are asked to return them to the Duplication Center, Adm-129.

OPTIONAL STUDENT HEALTH FEES INCREASED FOR 1973-74

An increase in the student health fee for 1973-74 was approved by the Board of Directors of the Cal Poly Foundation held on Monday, May 21. The board acted on a proposal by Everett M. Chandler (Dean of Students), who indicated that the fee increase will be required to meet anticipated expenses, including increased services required by students.

An academic annual fee will be \$27 compared to the current \$25 fee, a \$2 increase. However, the \$10 quarterly fee currently assessed will be increased to \$13 per quarter. Dean Chandler said he felt the significant difference between annual and quarterly fees will encourage more students to choose the annual fee payment option.

Health services at Cal Poly include three options. First, all students, through the materials and services fee, are entitled to 8 a.m. to 5 p.m. medical care as provided by the state with additional fees charged for specific services. Second, health card holders receive 24-hour services including hospitalization, physical therapy, and about one-half of medical charges. A third option enables students with health cards to obtain supplementary insurance to cover any additional fees for 12 months both on and off campus. Students without the health card may obtain this supplementary insurance at an increased cost.

Associated Students President Robin Baggett told the board that the Student Health Council supported the fee increase in order to make sure that a high level of medical services will be available to students. Under consideration for the next budget year is a preventive dental program which has been requested by students.

TWO CAMPUS SHOWINGS OF WOMEN'S FASHIONS SLATED THIS WEEK

Patterns for women's fashions for summer will be featured in shows in Chumash Auditorium of the Julian A. McPhee University Union on Wednesday and Thursday (May 23 and 24). Sponsored by the student advisory board of the Home Economics Department, the fashion shows, to be held at 7 p.m. on Wednesday and 11 a.m. on Thursday, will be open to the public. Admission will be free.

About 15 Cal Poly students will model the 35 garments which will comprise wardrobes for wear at the beach, while camping, or in the city during summer. Vickie Dandridge of Whittier, and Natha Miller of Ojai, both Cal Poly home economics students, will serve as commentators. Butterick patterns is providing the wardrobes to be modelled.

LAMBS FROM SENIOR PROJECT AVAILABLE THIS WEEK

Faculty and staff interested in purchasing lambs for butchering and storage in their deep freezers are asked to contact John Carnes, an animal sciences student who is finishing working on his senior project. Carnes said the 15 lambs weighing an average of 50 pounds carcass weight will be sold on the hoof at wholesale prices. They are being used in a carcass evaluation study which will be finished this week. Carnes, who said cutting and wrapping service will be available, asked those interested in purchasing one of the lambs to telephone him (544-6357) before the end of the week.

Memorial Day, Monday, May 28, will be a university holiday for Cal Poly faculty, staff, and students.

CONCERT BY STUDENT ENSEMBLES SCHEDULED NEXT TUESDAY

The final Music Department sponsored concert of the current academic year will be presented Tuesday, May 29 at 11:10 a.m. in Room 218 of the Music, Speech, and Drama Building. The short program will consist of a wide variety of music ranging in history from 17th Century antiphonal brass literature, to contemporary music in the jazz idiom.

The music will be performed by several ensemble groups including a clarinet quartet, flute ensemble, horn ensemble, and brass quintets. The student performers are all members of larger campus musical organizations who are seeking further musical expression in small ensemble groups. Admission for the program, which will conclude before noon, will be free.

TENNIS HONORS WON BY ADAMSON

Robert Adamson (Mechanical Engineering) was the big winner during the Faculty-Staff Tennis Tournament held on May 12 under sponsorship of the Cal Poly University Club, according to Edward Jorgensen (Men's Physical Education), tournament organizer.

After besting James King (Campus Minister) in the singles event of the tourney, Adamson teamed with Ray Holt (Physics) to win the men's doubles. Timothy Barnes and Daniel Williamson (Economics) and his wife, Nancy, won the mixed doubles. Vince Gates (Journalism) outlasted Gene Rittenhouse (Director, Placement) in the battle for the men's singles over 50 title.

Runners-up in the men's doubles were Barnes and Max Riedlesperger (History). Rittenhouse and JoAnn Levin (Women's Physical Education) finished second in the mixed doubles.

AUDIO VISUAL CLINIC PLANNED ON THURSDAY

An audio visual clinic featuring demonstrations of slide projection and overhead transparency equipment and materials, microfilm equipment, and duplicating equipment is being planned for this Thursday (May 24) from 9 a.m. to 5 p.m. in Tenaya Lounge, according to Audio Visual Services and Production, which is sponsoring the event.

John Heinz (Head, Audio Visual Services and Production) said faculty and staff members are invited to see the demonstrations and consult with representatives of the 3M Company throughout the day. He said slide projection with sound recorded directly on the slides should be of particular interest to faculty.

MONDAY WILL BE UNIVERSITY HOLIDAY

Monday (May 28) will be a university holiday in observance of Memorial Day for Cal Poly students, faculty, and staff. Offices will be closed and classes will not be held. Only essential and emergency services will be available and employees who work will accrue compensating time for use at a later date.

Tuesday through Friday, June 5-8, will be the examination period for the Spring Quarter

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

Thomas V. Johnston (School of Architecture and Environmental Design) is among a very limited number of nonmembers who have work on display in the New York City gallery of the National Sculpture Society this month. The society, the country's oldest and largest association of professional sculptors, asks a small number of nonmembers to participate in a special show in its gallery for one month each year.

Emille Attala (Computer Science and Statistics) was commentator for a session of a symposium on computer aided instruction, which took place at California State University, San Francisco, on May 10-12. Other participants in the session were from Control Data Corp., IBM Corp., and Hewlett-Packard Corp. Their topic was "How Much Does CAI Cost? An Overview from the Vendor's Perspective."

Barbara Cook, Robert Hoover, and Frederick Schantz (all Social Sciences) attended the annual meeting of the Southwestern Anthropological Association in San Francisco recently. Anthropologists from throughout the Southwestern U.S. were in attendance and heard papers on several areas of anthropology.

Vincent Gates (Journalism) took part in a day-long seminar on student opportunities in public relations and publicity in Los Angeles on May 4. Several students from Cal Poly also participated in the conference.

Roger Osbaldeston (School of Architecture and Environmental Design) participated in a conference of the National Council of Instructors of Landscape architecture last month in Carson City, Nev.

Stuart Goldenberg (Mathematics) has been selected for a six-week institute for college teachers to be held from June 25 to Aug. 4 at Carleton College, Northfield, Minn. The National Science Foundation sponsored program will be on computer graphics.

Bernice Loughran (Head, Art) and Henry Wessels (also Art) took part in the National Art Education Conference in San Diego last month. Dr. Loughran led an institute section on "A Studio Approach to Art History" during the five-day conference.

Daniel Williamson (Economics) has been informed by University of California at San Diego that all requirements for his PhD degree in economics have been completed.

Timothy M. Barnes (History) attended the annual conference of the Organization of American Historians last month in Chicago. Dr. Barnes read a paper titled "Selections From the Loyalist Press, 1763-1781" before a session on loyalism during the American Revolution.

Richard C. Wiley (Head, Welding and Metallurgical Engineering) is in the midst of a tour of Japan after having begun a three-month long study of welding and metallurgical engineering education and operations in Australia and in the Far East in March. Wiley, who is on sabbatical leave, expects to return to his campus duties in September.

Olaf Isachsen (Business Administration) has recently learned from Harvard University that two case studies titled "Midland State University" and "Lester Long" have been accepted for file. The latter study was written by Jim D. Vaughn, a senior majoring in business administration, under Dr. Isachsen's supervision.

WHO . . . WHAT . . . (Continued from Page 13)

William M. Boyce (Business Administration) attended the annual conference of the Society for the Advancement of Management on April 28-May 2 in Montreal. Boyce chaired a special campus division program especially prepared for students who attended the conference. Conference speakers included many of the nation's top management executives.

Keith Nielsen (Speech Communication) has been elected a member-at-large on the Program Committee of the Intercultural Communication Division of the International Communication Association. In that capacity, Dr. Nielsen will assist the committee in planning program content and paper selection procedures in the Intercultural Communication Division for the 22nd annual ICA convention to be held next year in New Orleans.

W. M. Green (English) read a paper titled "Generative Grammar and Composition" before a conference of the Western Section of the National Council of Teachers of English in Portland, Ore., recently. Green also gave a demonstration of tagmemic morphological approaches to deep structure.

Curtis F. Gerald (Computer Science and Statistics) was part of a panel of six educators and industrialists who discussed the education of data processing professionals before a meeting of the Santa Monica-South Bay chapter of the Data Processing Management Association recently in Los Angeles. Needs of industry and the response of education in California were discussed by the panel.

Verlan Stahl and Bianca Rosenthal (both Foreign Languages) attended the annual conference of the California Foreign Language Teachers Association on April 27-29 in San Francisco. Dr. Stahl attended a special meeting for foreign language department heads and Dr. Rosenthal was group leader of the pre-conference workshop.

John Healey (Head, Journalism) and Ed Zuchelli (also Journalism) participated in a public relations seminar held in Santa Maria on May 14. The program, which attracted media people from the Central Coast, was aimed to acquaint teachers and administrators of schools in the Santa Maria area with the operations of newspapers and radio and television stations.

John Kerr (English) attended a "Hemingway in Our Time" conference at Corvallis, Ore., last month. Dr. Kerr, who wrote his dissertation on Hemingway's novels at University of Texas in 1964, has since taught Hemingway seminars at both Louisiana State University and Cal Poly.

Mary Lou White (Head, Women's Physical Education) and Evelyn Pellaton and Lynda Huey (also Women's Physical Education) all took part in activities connected with the National Women's Intercollegiate Track and Field Meet in Hayward on May 10-12. Miss Pellaton attended meetings of the National Commission on Rules and Officiating of Track and Field for Women and was field events referee for the meet, and Miss White took part in a meeting of Region 8 of the Association for Intercollegiate Athletic for Women. Miss Huey coached the five member Cal Poly team which entered the meet.

Timothy Gaskin (Ornamental Horticulture) and William B. Kurtz (Natural Resources Management) attended a seminar on environmental impact studies held recently in Anaheim. Sponsored by the California Environmental Landscape Council in cooperation with University of California Extension, the seminar included participants from government and private industry.

NEW OFFICERS ELECTED BY ACADEMIC SENATE

An election held during the May 8 meeting of the campus Academic Senate resulted in a new slate of officers for 1973-74 for that body. Elected were Robert Alberti (Counseling Center), chairman; Alice Roberts (Education), vice chairman; and Harry Scales (Education), secretary.

Executive committee members chosen during the election were David Saveker (School of Architecture and Environmental Design); John Rogala (Agricultural Management), School of Agriculture and Natural Resources; Walter Rice (Economics), School of Business and Social Sciences; Roger Bailey (Art), School of Communicative Arts and Humanities; and Paul Scheffer (Industrial Engineering), School of Engineering and Technology.

Also, Lezlie Labhard (Home Economics), School of Human Development and Education; Arthur Rosen (Physics), School of Science and Mathematics; and Marcus Gold (Audio Visual Services), Professional and Consultative Services.

WHO . . . WHAT . . . (Continued from Page 14)

Osmund S. Gilbertson (Head, Agricultural Education) met with the 12-member national steering committee of the Future Farmers of America center in Washington, D.C., on May 14-15 to begin formation of a program designed to assist in training advisors for FFA chapters. Other members of the committee, whose work is being underwritten by the Future Farmers of America Foundation, are agricultural educators, FFA executives, and state vocational agriculture supervisors from throughout the nation.

Allen K. Settle (Political Science) is directing teams of both young and old interviewers who are surveying older residents of San Luis Obispo County for a comprehensive and coordinated plan for meeting the needs of members of the older generation. Dr. Settle said he hopes the interviewers will reach about 400 people before the survey ends in mid-June.

Charles Mendenhall (Information Services Office) was initiated as an associate member of the California Delta Chapter of Alpha Zeta national honorary and service fraternity for agricultural students on May 12. The action by the Cal Poly student group was in recognition of his 30 years of support of agriculture and agricultural education as a journalist.

John Harrigan (School of Architecture and Environmental Design) delivered two guest lectures for the Department of Design and the Department of Psychology at University of California at Davis on April 24.

PUBLICATION OF CONFERENCE PROCEEDINGS ANNOUNCED

Publication of the proceedings of the 1972 Conference on Federal and Private Foundation programs in Support of Higher Education has been announced by the Office of the Chancellor of The California State University and Colleges. The 180-page volume may be purchased by writing to "Documents Division, Room 705, Office of the Chancellor, The California State University and Colleges, 5670 Wilshire Blvd., Los Angeles, 90036." Checks or money orders covering the \$6 per copy cost, plus five percent sales tax for California residents, must accompany requests.

COMING EVENTS -- COMING EVENTS -- COMING EVENTS

International Wrestling -- Tuesday, May 22, 7:30 p.m., Men's Gymnasium. The Japanese World Cup team will meet Cal Poly's NCAA College Division champion wrestling team in an exhibition match. General admission tickets - 75 cents per person.

Fashion Show -- Wednesday, May 23, 7 p.m., Chumash Auditorium, Julian A. McPhee University Union. Summer fashions for town, country, and beach wardrobes will be presented; sponsored by the Student Council of the Home Economics Department. Public invited.
