REVIEW OF CAMPUS NEWS FOR SUMMER MONTHS

(Editor's Note -- A review of the highlights of campus news of the past three months is provided on the following pages as a service to members of the college faculty and staff who may have been away from campus and not had access to Cal Poly Report on a regular basis. For purposes of handling, the short summary items are divided into various group categories. Further information on any of the abbreviated news items may be obtained by consulting recent editions of Cal Poly Report.)

Personnel

Holley Named Acting Director of Admissions, Records, and Evaluations -- F. Jerald Holley assumed duties as acting director of admissions, records, and evaluations in mid-August, according to an announcement from Everett M. Chandler (Dean of Students). Holley, who had been Cal Poly's registrar for the past eight years, succeeded C. Paul Winner, who continues to be in charge of the Office of Admissions and has begun a special assignment in relations with schools . . . Dean Chandler said appointment of Holley to the post was for the coming year and would allow time for appropriate search and appointment of a director of those functions.

Clogston Succeeds Jones As Faculty Athletic Representative -- Fred L. Clogston (Biological Sciences Department) has been appointed to a four-year term as Cal Poly's faculty athletic representative by President Robert E. Kennedy. Dr. Clogston replaces J. R. Jones (Business Administration Department), who resigned the post effective at the end of the 1968-69 academic year . . . Jones had served in the position since September, 1965. The new assignment is in addition to Dr. Clogston's instructional responsibilities. In his new post, he is Cal Poly's representative to the California Collegiate Athletic Association. He also evaluates and reports on eligibility of athletes.

Arizonan Appointed to Coordinate Ethnic Studies Program -- Appointment of Richard A. Martinez of Tucson, Ariz., to coordinate ethnic studies and direct educational opportunity programs at Cal Poly was announced in early August by President Robert E. Kennedy. Martinez began his new duties early this month . . . A native of Tucson and graduate of the University of Arizona, he has responsibility for administration and coordination of the interdisciplinary Ethnic Studies Program . . . Martinez most recently worked as field coordinator and supervisor with responsibility for the entire state of Arizona for "Operation SER," a federally-funded program which provides on-the-job training opportunities for minority and low-income group people.

Stanislaus State College President Named to Cal Poly Faculty -- A nationally known psychologist and musical conductor just concluding a six-year-long second career as a college president will join the Music Department faculty at Cal Poly this month. Alexander Capurso, who left his duties as president of Stanislaus State College in Turlock, Aug. 31, will begin his new duties as a member of the college faculty next week . . . Upon announcement of his resignation as second president of Stanislaus State last year, Dr. Capurso, 59, indicated his personal desire to return to his "Prime personal mission -- teaching . . . A graduate of University of Kentucky, from

which he received a bachelor's degree in music and the humanities, the master's degree in psychology and the humanities, and the doctor's degree in psychology, Dr. Capurso became president of the college in Turlock in 1963.

Howard West Named Associate Dean, Resources and Planning -- Howard West, formerly director of international education for the college, became associate dean, resources and planning on Sept. 1, according to an announcement by Dale W. Andrews (Academic Vice President). At the same time Dr. Andrews announced that Douglas R. Pierce, who has been a postdoctoral fellow at University of California School of Education in Berkeley, has succeeded West . . . In making the announcement Vice President Andrews said that West is handling many of the same responsibilities on the college-wide academic affairs group assigned formerly to Donald W. Hensel (History Department), who was associate dean, academic planning, has returned to teaching duties after having been associate dean, academic planning . . . There is some shift in emphasis of the duties, however. Among West's responsibilities are those for working with other members of the college community, in a coordinating role, in the area of learning resources.

Kane Appointed Acting Head of Mechanical Engineering Department -- John J. Kane, a lecturer on the faculty of the Mechanical Engineering Department since last spring, will become acting head of that department Monday (Sept. 15). His appointment to the post by President Robert E. Kennedy was based on a recommendation to that effect received from Archie Higdon (Dean of Engineering and Technology) . . . Dr. Kane's appointment to the position is for the 1969-70 academic year, during which Leon F. Osteyee, head of the Mechanical Engineering Department since 1958, will be on sabbatical leave. The new acting department head is a graduate of both the U.S. Naval Academy and University of Pittsburgh, from which he received his doctor's degree in engineering.

Kennelly, Johnston, Roberts Receive Distinguished Teacher Award -- Bruce Kennelly (Head of Chemistry Department), Robert M. Johnston (Mechanical Engineering Department), and Mrs. Alice E. Roberts (Education Department) received the Distinguished Teacher Awards presented by the California State Colleges during a meeting of the Cal Poly Academic Senate held on campus early in June. They were nominated for the awards by their peers and the designees were chosen by a committee of their peers. Douglass W. Miller, faculty emeritus, was chairman of the 1968-69 awards committee.

Curricula

Engineers' Council Accredits Cal Poly Engineering Curricula -- The engineering degree curricula of five departments of the School of Engineering and Technology have been accredited by the Engineers' Council on Professional Development. Archie Higdon (Dean of Engineering and Technology) announced receipt of the ECPD approval late last month . . . All five curricula presented by Cal Poly to ECPD for accreditation during the past year were approved. They were in aeronautical, electrical, electronic, industrial, and mechanical engineering . . . President Robert E. Kennedy, who received word of the accreditation while on vacation, congratulated Dr. Higdon and the entire faculty of the School of Engineering and Technology for the achievement.

New Press Provides Flexibility for Printing Laboratories -- Flexibility, long a key word in operations of the Printing Technology and Management Department, received new emphasis recently with the addition of a Speed-Flex business forms press to the department's laboratory equipment . . . Donated to the college by the Lane-Miles Standish Company of Portland, Ore., the new press is valued at \$5,000, according to

Roderick W. Carruthers (Head of Printing Technology and Management Department). A two-color, web-fed rotary rubber plate press manufactured by Western Gear Corporation, the new piece of equipment has been completely overhauled and cleaned since its arrival on campus.

Separate Art, Psychology Departments to Begin Operation -- Establishment of two new departments in the School of Applied Arts, to be effective with start of the Fall Quarter next week, was announced in June by President Robert E. Kennedy. The new Departments of Art and Psychology, will be formed through separation of their courses and faculty from the present Education Department . . . Also announced by Dr. Kennedy was appointment of administrators to head the new instructional units. Roger W. Wilcox, who is joining the college faculty this fall, will become head of the Psychology Department and Mrs. Bernice Loughran, a member of the college teaching staff since 1958, will be acting head of the Art Department while recommendations for appointment of a regular department head are being received from tenured members of its faculty . . . Establishment of the new departments at this time involves only the transfer of courses bearing the "Psy" and "Art" prefixes and faculty members teaching those courses to the respective departments from the Education Department. The Education Department will continue to function under the leadership of Walter Schroeder and will administer courses bearing the "Ed" prefix.

Program in Measurement Science Being Developed -- Preparation for Cal Poly's new program of courses in measurement science has begun. Expected to have far-reaching effects on industrial activity throughout the Western U.S., the new program is being developed by the Industrial Engineering Department, according to Archie Higdon (Dean of Engineering and Technology). . . The new curriculum will tentatively start with addition of a series of courses making it possible for students majoring in industrial engineering to concentrate in measurement science in 1970-71. Yet other courses making a Bachelor of Science Degree in measurement science possible are presently being planned for 1971-72, Dr. Higdon said.

Social Sciences, History Departments Begin Separate Operations -- The Social Sciences and History Departments of the School of Applied Sciences began operation as separate entities with start of the Summer Quarter in mid-June following approval by President Robert E. Kennedy of a recommendation for establishment of a separate History Department received from Clyde P. Fisher (Dean of Applied Sciences) . . . M. Eugene Smith, who had been head of the Social Sciences Department for the past four years, was appointed head of the new History Department. Dr. Smith is also serving as acting head of the Social Sciences Department pending appointment of a permanent head of that department to begin his duties in early January . . . Under the new alignment, the Social Sciences Department will continue to offer the Bachelor of Science Degree in social sciences with concentrations in social services, government service, and social sciences. The newly formed History Department began offering the Bachelor of Arts Degree in history with start of the Summer Quarter.

Procedures for Experimental Credit Courses Approved -- Procedures for establishment of experimental courses have been approved by President Robert E. Kennedy and are being included in College Administrative Manual changes presently being prepared. Approval of the new regulations was based on a recommendation of the Academic Council of the college and endorsement of the plan by Dale W. Andrews (Academic Vice President). Full text of the new procedures appeared in the Aug. 19 issue of Cal Poly Report.

Student Activities

Theme for 1969 Homecoming Announced by Student Committee -- Theme for Cal Poly's 1969 Homecoming observance will be "Whatever Turns You On," according to an announcement made by the Associated Students, Inc., committee which is in charge of plans for the traditional event. The 62nd annual Homecoming will be Nov. 1, with Cal Poly's Mustangs hosting California State College at Long Beach in the football game which will feature the occasion. General chairman for the 1969 event is Stan Carlson, a senior farm management major.

Dates for 1970 Poly Royal Listed by Committee -- Planning is already under way for Cal Poly's 38th annual Poly Royal observance. The next edition is scheduled for April 24-25, 1970, according to Don Colvin, general superintendent for the popular "Country Fair on a College Campus" for 1970. Colvin, a senior majoring in agricultural business management, is being assisted in directing the affairs of the vast student organization which stages Poly Royal, by Dave Wright, a senior majoring in business administration, and Jim Canaday, a junior business administration major.

Sports

Cal Poly Captures Second NCAA Track Championship -- Depth paid valuable dividends for the Cal Poly track and field team when it turned in an unbelievable 76-point performance to capture its second straight National Collegiate Athletic Association College Division championship, June 14, in Ashland, Ohio. Cal Poly won the 100-yard dash, the 880-yard run, and the 440-yard relay in posting its victory over Occidental College, which was second with 43 points. The Mustangs earned 46 of their points in 2nd, 3rd, 4th, 5th, and 6th place finishes in 7 other events.

Tom Kline Wins \$1,000 NCAA Postgraduate Scholarship -- A Cal Poly English student who placed in national wrestling tournaments in 5 of 6 tries has been selected to receive a \$1,000 postgraduate scholarship from the National Collegiate Athletic Association. Tom Kline, a standout 191-pound wrestler was 1 of 32 athletes in the nation to receive such awards . . . Kline is the second Cal Poly athlete to receive a NCAA postgraduate scholarship in the past 12 months. Dale Creighton, a crops major and all-California Collegiate Athletic Association footballer, received a similar award last December.

Cal Poly Cowboys Place High in National Finals Rodeo -- Rodeo performers representing Cal Poly came off with two individual championships and a pair of runners-up trophies when the National Intercollegiate Rodeo Association held its 1969 National Championship Rodeo in Deadwood, S.D., late in June . . . Barbara Baer, a social sciences major, gained the national barrel racing championship and Nancy Peterson, a physical education major walked off with the 1969 NIRA all-round cowgirl trophy. Cal Poly's Bob Leer, an agricultural business management major, and Bill Nelson, an animal husbandry major, placed second in bulldogging and saddlebronc riding, respectively . . . As a team, the Mustang men's team placed fifth and the women's team was third.

Baltimore Colts Hold Training Sessions on Campus -- San Luis Obispo area sports fans got the answers to many of their questions about professional football during early August when the defending National Football League champion Baltimore Colts spent two weeks in preparation for their 1969 season on campus.

Head Coach Don Shula and his charges arrived on campus Aug. 4 and sandwiched an exhibition game in Oakland between their two weeks of practice. The Colts ran through two workouts each day before large crowds in Mustang Stadium and on the practice field adjacent to Men's Gymnasium.

Miscellaneous

Preliminary Planning for New Dining Unit Approved -- Plans for a new dining facility for construction on the former site of the Ornamental Horticulture Unit on campus have been approved by the Trustees of the California State Colleges. Project architects were authorized to prepare preliminary drawings as the first stage in completion of working drawings for the unit...The project, which will be built with non-tax monies accruing from revenue from its use, will consist of a one-story frame building of about 19,000 square feet containing a 200-seat free-choice cafeteria, a 130-seat table service restaurant, and a 20-seat counter service area. Estimated cost of the planned dining unit is \$1 million including movable equipment.

New Regulations Regarding Pets Approved -- New Regulations concerning animal pets on campus have been approved by President Robert E. Kennedy following a recommendation from the Administrative Council of the college. Basis for the new regulations, which will be incorporated in College Administrative Manual revisions currently being developed, are recent incidents in which animals have disrupted instructional activities or have otherwise interrupted normal campus activity... Under the new guidelines, pets will be allowed on campus only when on a leash and accompanied by their owner. Dogs, cats, and other pets found in violation of this requirement may be impounded by appropriate animal shelter officers. No animals, except those being used for official college instructional purposes, will be permitted inside campus buildings.

Daniel H. Ridder Elected Head of State College Trustees -- Trustees of the California State Colleges elected Daniel H. Ridder as their chairman during their May meeting. Ridder, of Long Beach, is co-publisher of the Long Beach Independent-Press Telegram and is director and vice president of Twin Coast Newspapers, Inc. A member of the state college board since 1962, he is also a director of the U.S. National Bank of San Diego. Ridder succeeds Theodore Meriam of Chico as chairman of the trustees.

Cal Poly Alumnus Elected to Head CATA -- Earl Pennix of Hartnell College in Salinas is the new president of the California Agricultural Teachers Association. An alumnus of Cal Poly, he was elected during the closing session of the week-long 50th annual Summer Conference of the CATA, which took place on campus late in June. Other officers of the state-wide teachers organization are Ed Leal of Downey High School, Modesto, vice president; Ron Squires, Brea-Olinda High School, Brea, secretary; and Richard Crabill, Big Valley High School, Eieber, treasurer.

EXPULSION, SUSPENSION AND PROBATION OF STUDENTS

July, 1969

Violation of Sections 41301 and 41302 in Article 1, Subchapter 3, Chapter 5, Title 5 of the California Administrative Code can result in disciplinary action on campus. The other statement attached is an expression of policy of the Board of Trustees as to acceptable campus conduct.

41301. Expulsion, Suspension and Probation of Students. Following procedures consonant with due process established for the state college of which he is a student, any student of a state college may be expelled, suspended, placed on probation or given a lesser sanction for one or more of the following causes which must be state college related:

- (a) Cheating or plagiarism in connection with an academic program at a state college.
- (b) Forgery, alteration or misuse of state college documents, records, or identification or knowingly furnishing false information to a state college.
- (c) Misrepresentation of oneself or of an organization to be an agent of a state college.
- (d) Obstruction or disruption, on or off college property, of the state college educational process, administrative process, or other college function.
- (e) Physical abuse on or off college property of the person or property of any member of the college community or of members of his family or the threat of such physical abuse.
- (f) Theft of, or non-accidental damage to, state college property; or property in the possession of, or owned by, a member of the college community.
- (g) Unauthorized entry into, unauthorized use of, or misuse of state college property.
- (h) On state college property, the sale or knowing possession of dangerous drugs, restricted dangerous drugs, or narcotics as those terms are used in California statutes, except when lawfully prescribed pursuant to medical or dental care, or when lawfully permitted for the purpose of research, instruction or analysis.
- (i) Knowing possession or use of explosives, dangerous chemicals or deadly weapons on state college property or at a state college function without prior authorization of the state college president.
- (j) Engaging in lewd, indecent, or obscene behavior on state college property or at a state college function.
- (k) Abusive behavior directed toward a member of the college community.
- (l) Violation of any order of a state college president, notice of which had been given prior to such violation and during the academic term in which the violation occurs, either by publication in the campus newspaper, or by posting on an official bulletin board designated for this purpose, and which order is not inconsistent with any of the other provisions of this Section.
- (m) Soliciting or assisting another to do any act which would subject a student to expulsion, suspension or probation pursuant to this Section.
- (n) For purposes of this Article, the following terms are defined:
 - (1) The term "member of the college community" is defined as meaning state college Trustees, academic, non-academic and administrative personnel, students, and other persons while such other persons are on state college property or at a state college function.
 - (2) The term "state college property" includes:
 - (a) real or personal property in the possession of, or under the control of, the Board of Trustees of the California State Colleges, and
 - (b) all state college feeding, retail, or residence facilities whether operated by a college or by a state college auxiliary organization.
 - (3) The term "deadly weapons" includes any instrument or weapon of the kind commonly known as a blackjack, slung shot, billy, sandclub, sandbag, metal knuckles, any dirk dagger, switchblade knife, pistol, revolver, or any other firearm, any knife having a blade longer than five inches, any razor with an unguarded blade, and any metal pipe or bar used or intended to be used as a club.
 - (4) The term "behavior" includes conduct and expression.

(o) This Section is not adopted pursuant to Education Code Section 23604.1.

(p) The provisions of this Section as hereinabove set forth shall only apply to acts and omissions occurring subsequent to its effective date. Notwithstanding any amendment or repeal pursuant to the resolution by which any provision of this article is amended, all acts and omissions occurring prior to that effective date shall be subject to the provisions of this Article as in effect immediately prior to such effective date.

41302. Expulsion, Suspension or Probation of Students; Fees and Notification. The President of the state college may place on probation, suspend, or expel a student for one or more of the causes enumerated in Section 41301. No fees or tuition paid by or for such student for the semester, quarter, or summer session in which he is suspended or expelled shall be refunded. If the student is readmitted before the close of the semester, quarter, or summer session in which he is suspended, no additional tuition or fees shall be required of the student on account of his suspension. In the event that a student who has not reached his twenty-first birthday is suspended or expelled, the President shall immediately notify his parent or guardian of the action by registered mail to the last known address, return receipt requested.

During periods of campus emergency, as determined by the President of the individual campus, the President may, after consultation with the Chancellor, place into immediate effect any emergency regulations, procedures, and other measures deemed necessary or appropriate to meet the emergency, safeguard persons and property, and maintain educational activities.

The President may immediately impose an interim suspension in all cases in which there is reasonable cause to believe that during a campus disturbance a student has interfered with the peaceful conduct of the campus by an act which is a cause for disciplinary action pursuant to Section 41301 and that, unless placed on interim suspension, such student would commit further acts of the same or a similar character. A student so placed on interim suspension shall be given prompt notice of charges and the opportunity for a hearing within not to exceed one week of the imposition of interim suspension. During the period of interim suspension, the student shall not, without prior written permission of the President or his designated representative, enter any campus of the California State Colleges other than to attend the hearing. Violation of any condition of interim suspension shall be grounds for expulsion.

**BOARD OF TRUSTEES POLICY RELATING
TO CONDUCT ON STATE COLLEGE CAMPUSES**

July, 1969

The following restatement of policy of the Board of Trustees of the California State Colleges is extracted from a resolution approved by the Board in November 1968.

RESOLVED, By the Board of Trustees of California State Colleges, that this Board recognizes the need for a clear understanding of those types of behavior considered wholly unacceptable within the College Community; and be it further

RESOLVED, That this Board wishes to indicate to staff, students, and visitors alike that any of the following violations of orderly conduct are to be considered cause for prompt and diligent corrective action on the part of appropriate officials, including college disciplinary proceedings and the bringing of criminal charges where appropriate:

1. Obstruction or disruption of any authorized state college activity, including those of auxiliary organizations, whether on state college property or at any location then controlled by a state college.
2. Obstruction of either pedestrian or vehicular traffic on state college owned or controlled property.
3. Physical abuse or detention of any member of the college community at any location or of any other person while that person is a visitor on state college owned or controlled property.
4. Theft of or damage to state college property or property of any person while that property is on state college owned or controlled property.
5. Conduct which endangers the health or safety of any person while on state college owned or controlled property or at any college sponsored or supervised function.
6. Unauthorized entry to or use of any state college facilities, including buildings, grounds and equipment.
7. Failure to comply with directions of college police and any other law enforcement officers while they are acting in the performance of their duties.
8. Illegal possession or use of firearms, explosives, dangerous chemicals or other weapons on state college owned or controlled property.
9. Failure to comply with directions of a State College President or his authorized designee(s) while acting in the performance of his (their) duties.
10. Disorderly conduct, breach of the peace, and aiding, abetting or procuring another to breach the peace on state college owned or controlled property or at any state college sponsored or supervised functions; and be it further

RESOLVED, That this resolution is not to be construed as superseding any additional violations as specified by law, the administrative code, the resolutions of this Board, or the rules of any particular college.
