

CAL POLY REPORT

CALIFORNIA STATE POLYTECHNIC COLLEGE SAN LUIS OBISPO, CALIFORNIA 93401

Volume 20, Number 33

March 31, 1970

29TH HOME CONCERT PLANNED FOR APRIL 17

The more than 170 students who are members of the Cal Poly Men's Glee Club, Collegians stage and dance band, and Women's Glee Club have an important date planned for April 17. That's the date announced for the 29th Home Concert. Planned for 8 p.m. in the Men's Gymnasium on campus, it traditionally follows the return of the Collegians and Men's Glee Club from their concert tour.

Joining the three major groups for the annual feature of the campus music season are the 12-member Majors and Minors ensemble, which specializes in barbershop music, and the Collegiate Quartet and Women's Sextet, both known for their renditions of popular and folk songs.

Tickets for the Home Concert are priced at \$1.25 for adults and 75 cents for students and children. They went on sale yesterday (Monday, March 30) at several locations in San Luis Obispo and at the Temporary College Union Building on campus. Members of the various performing groups are also selling the tickets.

HOME EC, CHILD DEVELOPMENT PROGRAM ADDED TO POLY ROYAL SCHEDULE

A College Career Day for students interested in home economics or child development careers will be held at Cal Poly on April 24. The event is scheduled in conjunction with the college's 38th annual Poly Royal open house, April 24-25, to enable students to attend other activities during the widely attended "country fair on a college campus."

Sponsored by the Home Economics Department, the career day is open to high school and community college students, teachers, and counselors from throughout California. They have been invited to participate in a program that will include an introduction to home economics and child development at Cal Poly and a tour of facilities of the two departments during the morning hours. The afternoon will be free so those in attendance can enjoy other Poly Royal activities on campus.

Objectives of the career day program are to introduce students, teachers and counselors interested in child development and home economics to the varied opportunities they provide and to Cal Poly programs, faculty and students.

In excess of 60,000 guests of the college's students and faculty and other visitors are expected to take part in this year's Poly Royal activities. Already planned are a host of special displays, exhibits, and demonstrations provided by the Schools of Agriculture, Applied Arts, Applied Sciences, Architecture, and Engineering and Technology. Also scheduled are fine arts events including concerts, a dramatic production, and art and photo shows; an intercollegiate championship rodeo; several dances; a barbecued beef and chicken luncheon; a student-produced carnival; and livestock, auto, fashion, and flower shows.

Admission for the spectacular open house, to which the public is invited, is free.

TRUSTEES ACT ON TUITION, ADMISSION PRIORITY MATTERS

The Board of Trustees of The California State Colleges took the following action at its meeting last Wednesday (March 25) in Los Angeles:

--Approved by a 12-6 vote the establishment of a tuition fee, subject to the following conditions:

1. That the proceeds of the fee be deposited in a special fund, appropriated to the Board without regard to fiscal years; 2. That within that fund, a reserve fund be established for the purpose of providing financial aid to students who would be unable to attend a State College without such assistance; 3. That the balance of the fund be used to augment the educational programs of the California State Colleges, and not to reduce or defray the level of support provided from General Fund sources; 4. That the Board be authorized to set the amount of the fee, and to make provision for full or partial waiver or deferrals up to ten years; and further resolved to urge the Legislature to enact the necessary enabling legislation.

--Amended Title 5, California Administrative Code, Sections 40650 and 40651, relating to enrollment quotas and determinations of priority for admission. The resolution shall be operative with the Spring, 1971, semesters and quarters.

--Resolved that California veterans of the U.S. armed forces who have been honorably discharged, or released from active duty under honorable conditions, shall be granted first priority for admission in any enrollment category or enrollment quota -- provided they make application within four years of release from active duty, make application within the regular filing period, and are otherwise admissible.

--Directed the board to propose legislation to make unlawful the knowing duplication or use, without authority, of keys to buildings or other areas of the state colleges.

AVAILABLE COLLEGE AND UNIVERSITY ADMINISTRATIVE POSITIONS LISTED

Information on the college and university administrative positions listed below is available in the college Placement Office, Adm-213, 546-2501, to those who are interested in obtaining it:

University of Nebraska at Omaha - Dean of Academic Affairs, competitive salary with excellent fringe benefits, new position entailing responsibility for administrative supervision of various colleges of the university.

Stanislaus State College - Dean of the School of Natural Sciences, salary \$19,404 to \$23,604 in four 5 percent steps, initial salary dependent upon qualifications, 12-month appointment with 21 days vacation.

RETURN OF SURPLUS INTERCAMPUS MAIL ENVELOPES REQUESTED

Members of the college faculty and staff who have supplies of intercampus mail envelopes that are surplus to their current needs are being asked by the General Office to return them to the Duplicating Room, Adm-129, so they can be put into use.

RETROACTIVE SALARY INCREASE APPROVED FOR CUSTODIAL CLASSES

Trustees of the California State Colleges at their recent meeting approved salary increases to supervisory and non-supervisory custodial staff. This action corrected certain existing salary inequities in the custodial classifications.

The custodian class will receive a 1.5 percent salary increase retroactive to July 1, 1969. Supervising custodian I, II, and chief custodial services III will receive a 2.5 percent increase retroactive to July 1, 1969. These increases will be applicable only to those persons who are currently in the classes indicated.

With the submission by the Payroll Department of the necessary documentation, back salary payments are anticipated to be made within a two-week period. Copies of the new salary schedule for custodians are available for review in the Personnel Office, Adm-111.

RECOMMENDATIONS FOR FACULTY PROMOTIONS BEING REVIEWED

Recommendations for promotions of academic staff members are being reviewed by the Personnel Review Committee of the Academic Senate. This committee is charged with reviewing recommendations for promotion in those cases where there is disagreement in the recommendations made by the department committees, department heads, and school deans, or on request of a faculty member who believes that unusual circumstances have resulted in an unjust decision.

Information pertinent to the work of the Personnel Review Committee should be communicated immediately to committee members. With their office telephone numbers indicated, they are Emmett Bloom (Animal Husbandry Department), 546-2419; Marvin D. Brown (English Department), 546-2662; Robert F. Asbury, Jr. (School of Architecture), 546-2572; Marcus Gold (Audio-Visual Department), 546-2211; Alfred E. Andreoli (Aeronautical Engineering Department), 546-2405; and Robert H. Frost (Physics Department), 546-2424, chairman.

HOME EC CLUB PROGRAM PLANNED FOR THIS EVENING

Use of U.S. Department of Agriculture Food Stamps and a report on the recent White House Conference on Food, Nutrition, and Health will be the twin topics for a public program scheduled for this (Tuesday, March 31) evening. The activity, which will take place in Room E-27 of the Science Building, starting at 7:30 p.m., is being sponsored by a committee of the student Home Economics Club.

Speakers will be Mrs. Margaret Kirk of the San Luis Obispo County Welfare Department staff and Mrs. Mildred Townsend, San Luis Obispo County home advisor. Mrs. Kirk is expected to discuss use of the food stamps being provided for low-income families by USDA, giving special emphasis to use by students and their families. Mrs. Townsend will report on the White House Conference, which took place in Washington, D. C., recently.

The public is invited to attend the program, which will be presented without an admission charge, according to Joy Parker, student chairman for the event.

RURAL SCHOLARSHIP FUND GROWS TO NEARLY \$70,000

A check for \$5,635.25 has been received by Cal Poly for addition to the California Rural Scholarship Fund, according to the California Department of Agriculture. The fund was established last December to help high school graduates from low income farm and ranch families in California gain a college education. The program was started with \$64,000 turned over to the state and, in turn, to Cal Poly by the Farmers Home Administration (FHA). Money to support the scholarship program is provided by FHA under terms of an agreement ending FHA use of the funds for rural rehabilitation purposes.

California operates the program through the state director of agriculture, Jerry W. Fielder, who administers the fund, and Cal Poly, which determines which candidates qualify for the aid and which is the college that successful applicants will attend. Payments into the fund are made by FHA as it makes collections on outstanding loans. The total sum collected is expected to exceed \$135,000. Income from interest on the fund will be used to provide grants of up to \$200 per college quarter for qualifying students.

THREE VACANCIES ON SUPPORT STAFF LISTED BY PERSONNEL OFFICE

Three vacant positions on the support staff of the college have been announced by the Personnel Office. All posted in greater detail on the bulletin board located in the Personnel Office, Adm-111, they are:

Departmental Secretary II-B (\$535-651) Industrial Technology Department, School of Engineering. Duties and responsibilities include dictation, transcription, general typing, filing, opening and screening mail, keeping department records, maintaining files. Applicants should have a minimum of one year of college or business college and one year office-secretarial experience, take dictation at 90 wpm, type at 45 wpm.

Departmental Secretary I-B (\$492-599) .5 Ornamental Horticulture Department, .5 Agriculture Management Department, School of Agriculture. Duties and responsibilities include dictation and transcription, general typing, filing, opening and screening mail, keeping department's records, preparing student payroll, maintaining files, and distributing supplies to department staff.

Clerical Assistant II-A (\$435-530) Records Office, Student Affairs Division. Duties and responsibilities include working with student records in college Records Office, assisting with registration, preparing of grades, etc. Applicants must be high school graduates, type at 45 wpm with one year office experience.

TOURS OF AUDIO-VISUAL DEPARTMENT PLANNED FOR THIS WEEK

Both faculty and staff are invited to take part in guided tours of the college Audio-Visual Department being planned for Wednesday and Thursday (April 1-2) afternoons. The Wednesday tour will take place starting at 2 p.m., and the Thursday tour, at 3 p.m. They are part of a continuing program of tours of campus operations being provided by the Staff Senate of the college in an effort to acquaint employees with Cal Poly.

Typewritten copy intended for the next issue of <u>Cal Poly Report</u> must be received prior to 12 noon Friday, Apr. 3, in the Office of Information Services, Adm-210.
--

COMING EVENTS -- COMING EVENTS -- COMING EVENTS

Award Achievement Judging -- Tuesday, March 31, all day, various campus locations. Judging of candidates for 1970 Bank of America Achievement Awards. Participants invited.

Books at High Noon Luncheon -- Tuesday, March 31, 12 noon, Staff Dining Room. Discussion on "Historical and Literary Mysteries" by Miss Ena Marston. Public invited.

Varsity Tennis -- Tuesday, March 31, 2 p.m., Courts adjacent to Men's Gymnasium. Cal Poly vs. Westmont College. Public invited.

Home Economics Speakers Program -- Tuesday, March 31, 7:30 p.m., Science Building Room E-27. Talks by Mrs. Margaret Kirk and Mrs. Mildred Townsend; sponsored by Cal Poly's student Home Economics Club. Public invited.

Speakers Forum Program -- Thursday, April 2, 11 a.m., Dexter Memorial Library lawn. Presentation by experimental poet Toby Lurie; sponsored by the College Program Board Speakers Forum Committee of the Associated Students, Inc. Public invited.

Physics Colloquium -- Thursday, April 2, 11 a.m., Science Building Room E-26. Talk on "Light Scattering from Electrons in Semiconductors" by Dr. David Hamilton of Massachusetts Institute of Technology's Lincoln Laboratory; sponsored by the Physics Department. Public invited.

Cal Poly Staff Club Luncheon -- Thursday, April 2, 12 noon, Staff Dining Room. Talk by San Luis Obispo City Councilman Emmons Blake titled "What Can We Do If We Work Together -- Cal Poly and San Luis Obispo." Faculty and staff invited.

Driver Training Sessions -- Thursday and Friday, April 2-3, 3 to 6 p.m., Engineering Auditorium (formerly Air Conditioning Auditorium). Defensive driver training sessions for all members of the college faculty, staff, and student body who expect to drive state-owned vehicles; successful completion of the Defensive Driver Training Program (including attendance at one of the two sessions) is required. Faculty, staff, and students invited.

Computer Science Lecture -- Thursday, April 2, 4 p.m., Engineering East Building Room 129. Talk titled "Resource Allocation Models" by Dr. David Schradly of the Naval Postgraduate School in Monterey; sponsored by the Computer Science Department. Public invited.

Computer Science Lecture -- Thursday, April 2, 7 p.m., Engineering East Building Room 129. Talk titled "Operations Research, Methodology, and Techniques" by Dr. David Schradly of the Naval Postgraduate School in Monterey; sponsored by the Computer Science Department. Public invited.

Experimental Films -- Thursday and Friday, April 2-3, 7 and 9:30 p.m., Cal Poly Theater. Screenings of experimental films titled Genesis II; sponsored by the College Program Board Fine Arts Committee of the Associated Students, Inc. Tickets - \$1.

Architecture Lecture -- Thursday, April 2, 7:30 p.m., Engineering Auditorium (formerly Air Conditioning Auditorium). Talk on architecture behind the Iron Curtain by architect George Russell; sponsored by the School of Architecture and student chapter of the American Institute of Architects. Public invited.

(Continued on Page 6)

COMING EVENTS . . . (Continued from Page 5)

Varsity Golf -- Friday, April 3, 1 p.m., San Luis Obispo Country Club. Cal Poly vs. Cal Poly, Pomona. Public invited.

Varsity Baseball -- Friday, April 3, 2 p.m., Baseball Diamond. Cal Poly vs. University of California at Riverside. Public invited.

Concert -- Friday, April 3, 8:30 p.m., Men's Gymnasium. Concert by rock music groups "Moody Blues" and "Cold Blood;" sponsored by the College Program Board Assembly Committee of the Associated Students, Inc. Tickets - adults, \$4; students, \$3.50.

Varsity Baseball -- Saturday, April 4, 12 noon, Baseball Diamond. Cal Poly vs. University of California at Riverside (doubleheader). Public invited.

Varsity Track -- Saturday, April 4, 2 p.m., Track Field near Poly Grove. Cal Poly vs. San Fernando Valley State College. Public invited.

Poultry Banquet -- Saturday, April 4, 7 p.m., Staff Dining Room. Annual banquet for present and former Cal Poly poultry industry students and faculty; sponsored by the Poultry Industry Department. Faculty, students and alumni invited; reservations required.

Varsity Golf -- Monday, April 6, 1 p.m., San Luis Obispo Country Club. Cal Poly vs. Fresno State College. Public invited.

Awards Luncheon -- Monday, April 6, 1 p.m., Staff Dining Room. Luncheon recognizing recipients of scholarships awarded by the American Institute of Plant Engineers; sponsored by Cal Poly's Industrial Technology Department. By invitation.

Cal Poly Women's Club Bridge Section -- Monday, April 6, 8 p.m., Dexter Library Room 129. Regular meeting of section. Members invited.

Cal Poly Women's Club Walking Section -- Tuesday, April 7, 9 a.m., Bank of America parking lot, College Square, San Luis Obispo. Regular meeting of section for walk in the Chorro area of San Luis Obispo. Members invited.

Books at High Noon Luncheon -- Tuesday, April 7, 12 noon, Staff Dining Room. Review of Linda Goodman's book, Sun Signs, by Willard Pederson. Public invited.

Cal Poly Women's Club Sewing Section -- Tuesday, April 7, 2 p.m., 208 Hathway St., San Luis Obispo. Regular meeting of section in home of Mrs. Bert Fellows. Members invited.

College Hour Concert -- Thursday, April 9, 11 a.m., Cal Poly Theater. Concert by Cal Poly's Men's Glee Club and Collegians stage and dance band; sponsored by the Music Department. Public invited.

Varsity Golf -- Thursday, April 9, 1 p.m., San Luis Obispo Country Club. Cal Poly vs. Vandenberg Air Force Base. Public invited.

Mathematics Colloquium -- Thursday, April 9, 4 p.m., Mathematics and Home Economics Building Room 148. Presentation on "The Maximum Principle" by Daniel Stubbs. Public invited.

Varsity Golf -- Friday, April 10, 1 p.m., San Luis Obispo Country Club. Cal Poly vs. California State College at Fullerton. Public invited.

GERARD APPOINTED EXECUTIVE DEAN

E. Douglas Gerard, a member of the Cal Poly faculty and administrative staff for 19 years, is the college's new executive dean. Appointment of Gerard, 41, to the post was announced by President Robert E. Kennedy last week following the recommendation of a committee composed of members of the college Academic Senate, Staff Senate, and Associated Students, Inc.

Gerard became a member of Cal Poly's Agricultural Engineering Department faculty in 1951. He continued in that capacity until 1961, when he accepted administrative responsibilities connected with the capital outlay and building programs of the college. A native of Canada, Gerard served as associate dean for facilities planning until last October when Dr. Kennedy appointed him acting executive dean pending consultation on a permanent appointment.

The new executive dean earned his Bachelor of Science Degree at University of British Columbia and his Master of Science Degree in engineering at University of Saskatchewan. Prior to leaving Canada, he was associated with Harry Ferguson, Inc., a tractor and farm machinery manufacturer, as regional service manager for Western Canada.

Gerard is a member and director of the San Luis Obispo Rotary Club and for the past several years has been an advisory board member and secretary of the San Luis Obispo Corps of the Salvation Army. He and his wife, Pegi, are the parents of two teen-aged daughters. They reside in San Luis Obispo.

STUDENT GROUPS COLLECT BOOKS FOR ASIA

Three Cal Poly student clubs are joining in a drive for college-level textbooks for Asia beginning this week (March 28 - April 4). The drive augments that conducted recently by the Vietnamese students at Cal Poly. Students will contribute used textbooks at depositories on the campus during the week. San Luis Obispo County residents may leave books in depositories at the Jordano's Markets on Foothill Boulevard and Marsh Street and Safeway, also on Marsh Street. All three are located in San Luis Obispo.

Joining in the Cal Poly drive are the Agricultural Business Club, Agricultural Engineering Club, and the campus chapter of the American Home Economics Association. Russ Hurley, general chairman for the drive, says textbooks published since 1958 are needed. Especially sought are texts on English, mathematics, biology, zoology, entomology, and agriculture. The books will be distributed in Asia by The Asia Foundation of San Francisco, a nationwide organization.

"FINANCIAL DISCLOSURE LAW UNCONSTITUTIONAL" -- CALIFORNIA SUPREME COURT

The necessity for filing of financial disclosure statements by members of the college administrative staff including heads of the various academic and service departments has been voided by a decision of the California Supreme Court issued last week. The court ruled that the Conflict of Interest-Disclosure Act of 1969 is unconstitutional. Norman L. Epstein, general counsel for the California State Colleges confirmed late last week that the court's ruling will preclude the filing of investment statements by administrative staff members of the college system.

BASEBALL SERIES, DUAL TRACK MEET TOP CAMPUS SPORTS SCHEDULE

A three-game baseball series matching Cal Poly's Mustangs against University of California at Riverside's diamond club and a dual track meet pitting Coach Dick Purcell's Mustang cindermen against those of San Fernando Valley State College top the campus sports calendar for this week.

Coach Augie Garrido will send his Cal Poly baseball varsity against UCR in a single game slated for 2:30 p.m., Friday (April 3) and a twinbill starting at 12 noon on Saturday (April 4). Both days' action will take place on the campus diamond. Also scheduled for Saturday, the track meet will begin at 2 p.m., on the track located adjacent to Poly Grove.

Last week's action for Cal Poly athletic teams was one of the most successful of the year. In addition to the four victories in five starts recorded by the baseball varsity and a team championship recorded by the track and field team at the Easter Relays in Santa Barbara, both Coach Bill Hicks' golf team and Coach Ed Jorgensen's tennis team turned in winning performances.

The Mustang baseball team's series against UC Riverside will be an important one. Although they have a record of but 8 wins and 16 losses for the season thus far, Coach Garrido's charges have a winning record at home and have won consistently the past two weeks. Either a sweep or a pair of wins this weekend would boost them into a favorite's role in the 1970 California Collegiate Athletic Association championship race.

Sophomore Mohinder Gill of India posted the longest outdoor triple jump in the world this year to lead the Mustang thinclads to their first team championship in the college division of the Easter Relays. In addition to Gill's 52-7½ leap, other top marks chalked up by Cal Poly men included a 15-6½ pole vault by Aaron Weber, a 55-3 3/4 shot put by Junior Olson, and a 7:39.0 two-mile relay by Gary Duval, Jeff James, Gary Tibbetts, and Mathyas Michael. The performances by Gill, Olson, and Weber all established new Cal Poly records.

Other events last week saw the Mustang tennis team boost its won-lost mark for the season to 10-3. It was beaten by the U.S. Air Force Academy (6-3) in the consolation finals of the Long Beach Invitational Tennis Tournament after having beaten California State College at Los Angeles (5-4) and Weber State College of Utah (9-0) and lost to Pepperdine College (5-4) in earlier rounds of play. The Cal Poly golf varsity posted wins over San Fernando Valley State (33-21) and University of Washington (38-16).

Cal Poly's varsity wrestlers closed their 1969-70 campaign with a disappointing finish in the NCAA university division championships at Evanston, Ill. Senior Terry Hall, freshman Glenn Anderson, and juniors Lee Torres and Rick Simmons were all defeated in preliminary rounds of the national tourney.

NEW RESEARCH APPLICATION GUIDE PREPARED BY CAMPUS COMMITTEE

The college Research Committee has completed publication of a Research Proposal and Grant Application Guide - A Summary Outline for Faculty Members Interested in Applying for Grants from Outside Funding Sources. Copies of the new guide may be requested by telephoning the Research and Development Office, Adm-309, 546-2630.

MODIFIED CLASS SCHEDULING POLICY ASSURES RETENTION OF "COLLEGE HOUR"

A recent modification of the class scheduling provision regarding Thursday morning classes will make it possible to retain the "College Hour" period between 11 a.m. and 12 noon for student organization programs and activities. The modification, which makes it impossible to schedule classes during that hour, was recommended by the Academic Council and approved by President Robert E. Kennedy.

Specifically, the modified policy statement reads:

"No classes are to be offered during college hour, Thursday at 1100, without the express consent of the Academic Vice President with the following exception: A laboratory or activity class that meets continually for a two-hour period or longer may schedule one of the hours to meet during college hour, provided there is another section offered at some other time during the week."

In announcing the action, Dale W. Andrews (Academic Vice President) indicated his appreciation for the interest in the matter expressed by the Student Affairs Council of the Associated Students, Inc. The student group had voiced its desire that the College Hour, as presently structured, be retained via a letter written to Dr. Andrews by ASI Vice President Richard Barrett.

"I sincerely appreciate the consideration of this matter by the Student Affairs Council," the academic vice president told Barrett in his response dated March 23. "Further, I am convinced that the expression of concern by the Student Affairs Council had considerable influence on the action of the Academic Council."

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

Mrs. Margaret Ann Jacobson (Placement and Financial Aids Office) has been selected to receive a \$500 cash award for graduate study in student placement. Mrs. Jacobson, an interviewer on the college placement staff since last September, is one of three persons named by the Western College Placement Association to receive 1970 Vera Christie Summer Fellowships. The WCPA program provides financial support for professional members of the placement staff of any member college or university for the purpose of pursuing study designed to enhance his or her professionalism. Mrs. Jacobson plans to study at Cal Poly this summer.

Enrico Bongio (Welding and Metallurgical Engineering Department) spent March 18-19 attending meetings of the American Welding Society's Technical Institute Task Force at Utah State University. Two four-year curricula in welding technology were formulated during the meeting for presentation to the society's Educational Activities Committee during its national meeting in Cleveland, Ohio, late next month.

Robert Cleath (Speech Department) is the author of an article titled "Hope in the Midst of Horror," which appeared in the March 27 issue of Christianity Today magazine. Dr. Cleath, a former associate editor of that nationally circulated magazine also addressed two different audiences in the San Luis Obispo area last week. He spoke to members of the San Luis Obispo Kiwanis Club during their luncheon meeting on Thursday (March 26) at the Motel Inn and delivered the principal message during the annual Easter Sunrise Service at Morro Rock in Morro Bay Sunday (March 29) morning.

(Continued on Page 10)

WHO . . . WHAT . . . (Continued from Page 9)

William R. Troutner (Crops Department) has been honored by the California Farm Bureau Federation for his 30 years' service to vocational agriculture. Troutner, who received a gold lapel pin recognizing his service, was one of six teachers honored during the CFBF convention in San Diego, March 18. He has been a member of the Cal Poly faculty since 1942, when he served as both supervisor of vocational agriculture at San Luis Obispo High School and as a member of the college crops faculty. Troutner has been a full-time member of the Cal Poly faculty since 1943.

Richard C. Carlston (Welding and Metallurgical Engineering Department) served as chairman of a session on stress corrosion cracking during the annual conference of Western Metal and Tool Exposition and Conference in Los Angeles early in March. Known as "WESTEC" by members of the metals industry and professions, the annual event is sponsored by the American Society for Metals and the American Society of Tool and Manufacturing Engineers.

Vaughan Hitchcock (Physical Education Department) was elected to a four-year term on the Board of Directors of the American Wrestling Coaches Association during the annual meeting of that group held in Evanston, Ill., last week. In addition, Hitchcock, a former AWCA "coach of the year," was a featured speaker during a coaching clinic conducted by the association. Both the clinic and the annual meeting were held in conjunction with the National Collegiate Athletic Association's university division wrestling championships at Northwestern University.

Andrew Merriam, Charles Quinlan, and Kenneth O'Kane (all School of Architecture) attended the Monterey County Planning Conference which took place at the Asilomar Conference Center in Pacific Grove on March 7.

Allen Miller (Mathematics Department) spoke before two section meetings during a conference of the National Council of Teachers of Mathematics held March 13-14 in San Diego. Dr. Miller's remarks were related to laboratory experiments in probability.

SGM Richard T. Flynn (Military Science Department) received the U.S. Army Commendation Medal from Col. William L. Hastie (Head of Military Science Department) during ceremonies held on campus early this month. SGM Flynn was honored for having distinguished himself while serving as senior instructor at Eastern High School in Detroit, Mich., between August 1962 and April 1965. During that period, he served on several city school committees and was credited with having been one of the few Reserve Officers Training Corps instructors in the city who was a member of the scholarship committee.

Wesley T. Ward and Donald Grant (both School of Architecture) attended a meeting of the Association of Collegiate Schools of Architecture which took place March 6-8 in Los Angeles.

George R. Mach (Mathematics Department) was 1970 Spring Mathematics Lecturer at Allan Hancock College in Santa Maria on March 12. Dr. Mach addressed an audience of some 150 high school and junior college mathematics students and teachers on the subject "Dominoes and Mathematical Induction." In addition he discussed curriculum changes with members of the Hancock faculty during his stay at the college.

Typewritten copy intended for the next issue of Cal Poly Report must be received prior to 12 noon Friday, Apr. 3, in the Office of Information Services, Adm-210.

CONTRASTING MUSIC SLATED FOR CAMPUS CONCERT

Rhythm and blues as interpreted by two contemporary groups who have been packing auditoriums in major metropolitan areas is expected to fill the Men's Gymnasium at 8:30 p.m. on Friday evening (April 3). Cold Blood, a hard-rock danceable combo from San Francisco, and Moody Blues, a sophisticated soft-beat group from England, will be heard in the two and one-half hour concert.

Tickets for the concert are on sale at Brown's Music Store, Supersonic, and Ogden Stationers in San Luis Obispo and at the Temporary College Union at Cal Poly. Student body card holders at Cal Poly, Cuesta College, and Allan Hancock College can obtain tickets for \$3.50, all others will pay \$4.

Cold Blood features one of the scene's most popular vocalists in Lydia Pense. The group is heavy on brass and emphasizes the beat with its rhythm section. They will headline a five-hour rock concert in the Convention Center in Fresno on Saturday (April 4). Cold Blood's first LP, called Cold Blood, has been on the rating charts 14 weeks. It currently ranks 24th in the nation.

Moody Blues seeks to set a mood scene in its renditions which have been heard in major concert halls across the nation, including Carnegie Hall. Moody Blues has five LP albums on the market now -- the two most sought at this time -- Our Children's Children's Children and On the Threshold of a Dream. Previous popular albums included Days of Future Passed and Inserts of Lost Chord.

DISTINGUISHED TEACHER NOMINATIONS DUE BY NEXT TUESDAY

Next Tuesday (April 7) is the final date for receipt of nominations of faculty members for consideration for the 1969-70 Distinguished Teacher Awards. Nominations may be made on the form included as an attachment to the March 24 issue of Cal Poly Report and should include any supporting information the nominator feels is appropriate. They should be addressed to "Chairman, Distinguished Teacher Award Committee" and mailed c/o General Office, Adm-109.
